TERRITORY OF HAWAII.

AT CHAMBERS IN EQUITY.

In the Matter of the Estate of)
)
BERNICE PAUAHI BISHOP, Deceased.)

PETITION FOR ALLOWANCE OF RESIGNATION OF SAMUEL M. DAMON AS TRUSTEE.

To the Honorable Presiding Judge at Chambers of the Circuit Court of the First Judicial Circuit, Territory of Hawaii:

Your petitioners, W. O. Smith, Samuel M. Damon, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, all residing in the City and County of Honolulu, Territory of Hawaii, respectfully represent and show:

1. That your petitioners are the Trustees under the Will and of the Estate of Bernice Pauahi Bishop, late of Honolulu aforesaid, deceased, who died on the 16th day of October, 1884, and whose Will and the two codicils thereto were admitted to probate by the Supreme Court of the Hawaiian Islands on the 2nd day of December, 1884, as the last Will and Testament of said deceased;

2. That said Samuel M. Damon, one of your petitioners, has presented to the remaining of your petitioners his written resignation from the office of trustee under the said Will and of the said Estate, a copy whereof, marked Exhibit "A", is attached hereto and made a part hereof;

3. That said Samuel M. Damon is, and for some time last past has been, absent from the Territory of Hawaii, sojourning in the state of California, and is therefore unable to perform his duties as such Trustee;

4. That said Samuel M. Damon therefore desires to resign his said office as such Trustee and be relieved and discharged from his responsibility as such Trustee, and by reason of the facts aforesaid the remaining of your petitioners are willing that the resignation aforesaid of said Samuel M. Damon be allowed and that some other suitable person be appointed as a trustee under the said Will and of the said Estate in succession to said Samuel M. Damon;

WHEREFORE your petitioners pray that the resignation of the said Samuel M. Damon be allowed to take effect upon the appointment of his successor as Trustee under the said Will and of the said Estate; and your petitioner, said Samuel M. Damon, prays that he may be discharged of all further responsibility as such Trustee, and that his bond may be ordered to be cancelled, and his sureties thereto released from their obligation thereunder.

Dated, June 9th 1916.

Honolulu, T. H. June, 9th, 1916.

To the Honorable A. G. M. Robertson,
Edward M. Watson and Ralph P.
Quarles, Justices of the Supreme
Court of the Territory of Hawaii:

Sirs:

The undersigned Trustees under the Will and of the Estate of Bernice Pauahi Bishop, deceased, respectfully represent to you that Samuel M. Damon, of Honolulu, one of the Trustees under the said Will and of the said Estate, has resigned his office as such Trustee, and by reason thereof there is now a vacancy in said office; that in and by the said Will it is provided that the number of Trustees thereunder and of said Estate shall be kept at five (5) and that vacancies shall be filled by the choice of a majority of the justices of the Supreme Court, the selection to be made from persons of the Protestant religion.

Wherefore, said undersigned Trustees respectfully request that your Honors appoint some person as trustee under the said Will and of the said Estate in place of and in succession to the said Samuel M. Damon, resigned as aforesaid, and suggest that William Williamson of said Honolulu, who is a person of the Protestant religion, is a suitable and proper person to be appointed such Trustee, and respectfully recommend his appointment as such.

Yours respectfully,

WILLIAM O. SMITH, E. FAXON

DECREE.

The petition of W. O. Smith, Samuel M. Damon, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, filed herein on the 9th day of June, 1916, whereby the said petitioners pray the allowance of the resignation of said Samuel M. Damon from the office of Trustee under the Will and of the Estate of Bernice Pauahi Bishop, deceased, and the said Samuel M. Damon, one of said petitioners, prays for his discharge from all further responsibility as such Trustee and for the cancellation of his bond and the release of his sureties on said bond from their obligation thereunder, having come on to be heard before the undersigned presiding judge at Chambers of the Circuit Court of the First Judicial Circuit, Territory of Hawaii, and evidence having been adduced at said hearing held this 9th day of June, 1916, in support of the allegations of the said petition, and it appearing that the said allegations are true, and good cause appearing why the prayer of the said petitioners for the allowance of the said resignation should be granted, and no good cause why the same should not be granted;

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that the resignation of the said Samuel M.

15

Damon from the office of Trustee under the Will and of the Estate of the above named Bernice Pauahi Bishop, deceased, be, and the same is hereby, approved, accepted and allowed, and that said resignation take effect upon the appointment of the successor to said Samuel M. Damon in said office;

IT IS FURTHER HEREBY ORDERED, ADJUDGED AND DECREED that the said petitioners forthwith upon the appointment of a successor to said Samuel M. Damon in said office file herein a true and correct account of the said Estate as such Trustees and that upon the approval thereof and the vesting of the said estate in the said petitioners other than said Samuel M. Damon, together with the successor to said Samuel M. Damon, as Trustees under the said Will and of the said Estate, the said Samuel M. Damon be discharged from all further liability or responsibility as such Trustee, and his bond cancelled and his sureties thereon discharged and released from all liability thereunder.

Dated, June 9th 1916.

PETITION FOR CONFIRMATION OF APPOINTMENT OF A NEW TRUSTEE.

To the Honorable Presiding Judge at Chambers
of the Circuit Court of the First Judicial
Circuit of the Territory of Hawaii:

Your petitioners, William O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, all residing in the City and County of Honolulu, Territory of Hawaii, respectfully represent and show:

1. That your petitioners are Trustees under the Will and of the Estate of Bernice Pauahi Bishop, late of Honolulu aforesaid, deceased, who died on the 16th day of October, 1884, and whose Will and the two codicils thereto were admitted to probate by the Supreme Court of the Hawaiian Islands on the 2nd day of December, 1884, as the last Will and Testament of said deceased;

2. That Samuel M. Damon of said Honolulu, one of the five trustees under the said Will and of the said Estate, has resigned his office as such Trustee, and by reason thereof a vacancy has occurred;

3. That in and by the said Will it is provided that any such vacancy shall be filled by the choice of a majority of the Justices of the Supreme Court of Hawaii,

19

the selection to be made from persons of the Protestant religion;

4. That on the 9th day of June, 1916, a majority of the Justices of the Supreme Court of the Territory of Hawaii, under and by virtue of the power of appointment conferred upon them by the said Will as aforesaid, appointed William Williamson of said Honolulu, Trustee under the said Will and of the said Estate in the place of and in succession to the said Samuel M. Damon, resigned as aforesaid;

5. That the said William Williamson is a resident of said Honolulu and is a person of the Protestant religion and is a proper and suitable person to be appointed as such Trustee and to act as such, and is willing to accept such appointment and become such Trustee, and is ready and willing to undertake and perform the duties appertaining to such office;

WHEREFORE, your petitioners pray that the appointment of said William Williamson as a Trustee under the said Will and of the said Estate in the place of and in succession to said Samuel M. Damon, resigned, be approved and confirmed upon his filing a bond in accordance with such order as this Honorable Court shall make.

Dated, June 9th, 1916.

--------ooOoo------

IN THE MATTER OF THE RESIGNATION OF SAMUEL M. DAMON AS A TRUSTEE UNDER THE WILL AND OF THE ESTATE OF BERNICE PAUAHI BISHOP, AND THE APPOINTMENT OF A SUCCESSOR TO SAID TRUSTEE.

EQUITY NO. 2048.

BEFORE THE FIRST JUDGE.

.....

OPINION and DECISION.

THE HIGH CHIEFESS, BERNICE PAUAHI BISHOP,- "the last of the KAMEHAMEHAS," died testate, in Honolulu, October 16, 1884, and her Last Will and Testament, including two Codicils, was admitted to Probate December 2nd, 1884, in the Supreme Court of the Hawaiian Islands, which Court, at that date, had jurisdiction of Probate and Equity matters. In and by the Fourteenth paragraph of her said will, Mrs. Bishop appointed her husband, CHARLES R. BISHOP; SAMUEL M. DAMON; CHARLES M. HYDE; CHARLES M. COOKE, and WILLIAM O. SMITH, all of Honolulu, "to be her trustees to carry into effect the trusts" specified in the will. Said paragraph contains the further provision which I here quote:-

> "I further direct that the number of my trustees shall be kept at five; and that vacancies shall be filled by the choice of a majority of the Justices of the Supreme Court, the selection to be made from persons of the Protestant religion".

THE PRIMARY OBJECT expressed in the will mentioned is contained in the Thirteenth paragraph thereof, from which I quote as follows:-

> "I give, devise and bequeath all of the rest, residue, and remainder of my Estates real and personal, wheresoever situated unto the trustees below named, their heirs and assigns forever, to hold upon the following trusts, namely: to erect and maintain in the Hawaiian Islands two schools, each for boarding and day scholars, one for boys and one for girls, to be known as, and called the Kamehameha Schools".

AND, AFTER MAKING COMPREHENSIVE PROVISION of funds for the maintenance and conduct of said Schools, and for devoting "a portion of each year's income to the support and education of orphans and others in indigent circumstances, giving the preference to Hawaiians of pure or part aboriginal blood",- said paragraph instructs the trustees "to provide first and chiefly a good education in the common English branches, and also instruction in morals and in such useful knowledge as may tend to make good and industrious men and women",- making "the higher branches subsidiary to the foregoing objects". Full power of control over the donor's Estate to sell, invest and reinvest, etc., is given, together with authority "to make all such rules and regulations as they, (the trustees) may deem necessary for the government of said Schools and to regulate the admission of pupils, and the same to alter, amend and publish upon a vote of a majority of said trustees".

THE TRUSTEES, acting under the will, have established two schools at Kalihi, in this city, one for boys and one for girls. The boys' school has been in operation about twenty-nine years, and has graduated twenty-six annual classes of students. The girls' school was established some years later than that for boys. As a matter of practical administration of the trusts, the trustees have limited to boys and girls of aboriginal Hawaiian blood, (either in whole or

in part), the privilege of attending said Schools, although there is no such limitation provided for in the will. The only expression of preference for Hawaiians, as objects of the bounty of the donor, is that above quoted, namely, the provision that, in the distribution of a portion of each year's income to the support and education of orphans and others in indigent circumstances, preference shall be given to Hawaiians, of pure or part aboriginal blood.

THE ESTATE NOW CONTROLLED by the trustees under the will approximates Five Million Dollars in value; the Schools are large and apparently well equipped, and the board of trustees, throughout its changing personnel, has adopted and maintained a scheme of education upon lines so broad and comprehensive, (notwithstanding the above mentioned limitation of the privilege of attendance to Hawaiians), as to invest this trust with all the characteristics of a quasi public trust, and as such, I shall regard it in the course of this opinion. And this quasi public character of the trust invests it with an interest which impels the Court to a somewhat closer scrutiny of the affairs which it comprehends than might be called for in the case of a purely private trust.

AS ABOVE, five individuals were named to constitute the original board of trustees, but during the nearly third of a century that has since elapsed, many changes in the personnel of the board have taken place. The latest of these changes consisted in the resignation of SAMUEL M. DAMON as such trustee, which resignation was, by his co-trustees, presented to this Court for acceptance, on the 9th of June last, and a decree approving and accepting said resignation, and providing for the presentation of the Accounts of the trustees as the same shall stand immediately upon the qualifying of a successor to said SAMUEL M. DAMON, was immediately signed and filed in this cause.

Immediately thereafter, the four remaining trustees, namely, WILLIAM O. SMITH, E. FAXON BISHOP, ALBERT F. JUDD and ALFRED W. CARTER, presented to the Court their "Petition for confirmation of appointment of a new Trustee". This petition sets forth that a vacancy in said board of trustees exists by reason of the resignation of said SAMUEL M. DAMON; that said will provides that such vacancy shall be filled by the choice of a majority of the Justices of the Supreme Court of Hawaii, the selection to be made from persons of the Protestant religion; that on said 9th day of June, a majority,(to wit, all) of the Justices of said Supreme Court, "under and by virtue of the power of appointment conferred upon them by said will as aforesaid, appointed WILLIAM WILLIAMSON, of said Honolulu, trustee under said will, and of the Estate, in place of and in succession to the said SAMUEL M. DAMON, resigned as aforesaid; that said WILLIAM WILLIAMSON is a resident of Honolulu, and is a person of the Protestant religion, and is a fit and proper and suitable person to be appointed as such trustee and to act as such, and is willing to accept said appointment and to become such trustee",- etc. And it prays "that the appointment of said WILLIAM WILLIAMSON as a trustee under the said will and of the Estate in the place of and in succession to said SAMUEL M. DAMON, resigned, be approved and confirmed upon his filing a bond in accordance with such order as this Honorable Court shall make".

IN SUPPORT OF THE ALLEGATIONS of said last named petition, said remaining trustees introduced in evidence certified copies of three documents, as follows:-

(1) A request, under date of said June 9th, by said remaining four trustees, addressed to the Justices of said Supreme Court, by name, wherein it is represented that the signatory parties to said request are trustees under said will; that said SAMUEL M. DAMON,

formerly such trustee, has resigned, and that by reason thereof there is now a vacancy in said office; that in and by the said will it is provided that the number of trustees thereunder and of said Estate shall be kept at five, and that vacancies shall be filled by the choice of a majority of the Justices of the Supreme Court, the selection to be made from persons of the Protestant religion. And the signatory parties request said Justices to appoint some person as such trustee, in place of and in succession to, said SAMUEL M. DAMON, "and suggest that WILLIAM WILLIAMSON, of said Honolulu, who is a person of the Protestant religion, is a suitable and proper person to be appointed such trustee, and respectfully recommend his appointment as such";

(2) An affidavit by said WILLIAM WILLIAMSON to the effect "that he is a person of the Protestant religion";

(3) A paper entitled "Appointment of Trustee", signed by the Chief Justice and the Associate Justices of said Supreme Court, reciting the resignation of said DAMON and the vacancy existing in said board of trustees by reason thereof, the provision of said will as to the manner in which such vacancies shall be filled, (as hereinabove repeatedly quoted), and a purported appointment of said WILLIAM WILLIAMSON as such trustee, in the following language:-

> "Now Therefore, Know All Men By These Presents: That the undersigned Justices of the Supreme Court of the Territory of Hawaii, being a majority of the Justices of said Supreme Court, by virtue and in exercise of the power for this purpose given to them in and by said will, do hereby appoint WILLIAM WILLIAMSON of the City and County of Honolulu, Territory of Hawaii, (a person of the Protestant religion), a trustee under the said will and of the said Estate in place of, and in succession to the said SAMUEL M. DAMON, resigned".

ORAL EVIDENCE was also introduced touching the personal, moral and business qualifications of said WILLIAM WILLIAMSON for appointment to a place upon said board. As to this feature, the Court desires to express entire satisfaction with the qualifications of Mr. WILLIAMSON for such appointment, in all respects save one, namely, that it has not been made to appear that he is so qualified, by length of residence in Hawaii, or by familiarity and sympathy with the history, manners, customs, language, ideals and aspirations of the Hawaiian people as to mark him out as a fit and suitable person to be appointed to an office where he would be authorized and expected to exercise a wise, benevolent and sympathetic discretion with reference to the education of Hawaiian youth, of either sex, and concerning the general scheme, system and regulations to be adopted and observed during their attendance at the Schools, in question. The Court reserved its ruling upon the petition, because of doubts which it entertained concerning the authority of the Justices of the Supreme Court to make such an appointment, and the validity of the appointment as so purporting to have been made, and arranged for argument upon those points. The Court further requested Mr. D.L.WITHINGTON, and Ex-Judges PERRY and HUMPHREYS, members of this bar, to favor it with their views, as Amici Curiae, upon the questions involved. The Alumni Association of Kamehameha Schools retained E.C.PETERS ESQ. to present the views of that Association, and upon the day appointed for further hearing, elaborate arguments were submitted on the part of the trustees, by the Amici Curiae, and by Mr. Peters; and the Court desires here to express its sense of obligation to the gentlemen who so willingly and at the sacrifice of much time and effort made research into the questions involved, and favored the Court with the results of such research, as Amici Curiae. The fact that the Court

has reached conclusions quite different from those reached by the gentlemen last referred to, should in nowise detract from the credit due to them for their exhaustive labors and illuminating arguments in the premises.

IT IS TO BE OBSERVED that the petition now under consideration is one praying for the "confirmation" by this Court of the "appointment" of Mr. WILLIAMSON, as such trustee, alleged to have been made by the Justices of the Supreme Court. And this brings us to a consideration of the question whether the Justices of the Supreme Court had any right, authority, or jurisdiction to so appoint a trustee, or, in the language of the will, to make and certify a "choice" of a person to be so appointed, to fill the existing vacancy. In this connection, a review of the history of the appointments heretofore made to fill such vacancies is both interesting and instructive. And this review, of necessity, includes a consideration of the state of our statute law at the date of the execution by Mrs. Bishop of her Will and the Codicils thereto; at the date of the admission of the Will to Probate, at the date of the filling of the first vacancy, and at the present date. Adverting first to this feature of the case, we find that at all times including the dates of the execution of the Will and Codicils, and thence to the taking effect of the Judiciary Act of 1892, which went into operation January 1st, 1893, the Supreme Court, and the several justices thereof, had jurisdiction of all matters in equity. Session Laws 1878, Chapt. XV, Sec. 2. Compiled Laws, 1884, p. 389. At the argument herein, it was suggested, on behalf of the trustees, that not the Supreme Court, but only the individual Justices thereof had equity jurisdiction, prior to the taking effect of the Judiciary Act above mentioned. But this feature has been expressly decided to the contrary in Asing v. Aiona, 6 Hawn. 281. Upon the state of law thus suggested, is based the

claim of the trustees that the donation to the Justices of the Supreme Court of the power of appointment, was not a donation to the Court as such, acting judicially, but, on the contrary, that it was a donation to the individuals who, at the date of any specific request for such appointment, should chance to hold those offices. I defer to a later portion of this opinion, a more minute examination of this phase of the question.

WITH RESPECT TO THE POWER OF APPOINTMENT, in such a case, we may start with the familiar proposition that it is competent for the donor of a power, whether created by will or by deed, to name a trustee or trustees to execute the trust, or, to leave their selection to others, whether private individuals, public officials, or courts of competent jurisdiction,- and, in like manner, to provide for the filling of any vacancies that may arise in the trusteeship. This principle is thus succinctly expressed in 28 Am. & Eng. Ency. of Law, 2 Ed. p. 964:-

> "It is the right of the creator of a trust to provide a method for filling vacancies occurring in the office of trustee, subject to the statutory requirements to be found in most jurisdictions, that the trustee so appointed must be accepted by the court".

THERE IS NO SUCH statutory requirement in this territory, that a trustee so appointed be accepted by the court; but it is familiar law, so familiar that the citation of decisions in support thereof may be dispensed with, that where no provision has been made for the filling of such vacancies, or where the provision attempted to be made is an illegal and void one, or where such provision, although valid when made, has become incapable of execution by reason of changes in the statute law,- then, such appointment shall pertain

30

and belong to the court exercising equity jurisdiction. Consequently, in the case at bar, if it be found either that the method provided in the Will for the appointment of trustees to fill vacancies was illegal, or incapable of execution according to law as the law stood when the first such attempt was made, or, if legal and valid, at an earlier period, that it has become illegal, invalid and incapable of execution at a later date, then the authority to fill the now subsisting vacancy devolves upon the judge or judges of the First Circuit Court, exercising equitable jurisdiction, at chambers. First, let us consider whether the power was valid, and could have been exercised according to the law prevailing in Hawaii at the date of the Will, and at the date of its probate, and, possibly, at any subsequent date upon which such appointment was sought. For the purposes of this feature of the discussion, I will assume a point which, later in this opinion, I will endeavor to fortify by the citation of authorities, namely, that the power to fill vacancies in the board of trustees under Mrs. Bishop's will was conferred, not upon the individuals who might chance, for the time being, to hold the offices of Justices of the Supreme Court, but that it was, by virtue of the language employed in the will, conferred upon said Supreme Court as a judicial tribunal. Upon this assumption the power was valid, and might have been executed by the Supreme Court in strict conformity with the statute law of Hawaii as it then existed, namely, by virtue of Chapter XV, of the Session Laws of 1878, which remained, (at least substantially) without amendment until the Judiciary Act of 1892 went into operation, January 1st, 1893. By that statute, (Chapt. XV, 1878) not only the several Justices of the Supreme Court, but the Supreme Court itself, were given jurisdiction to hear and determine all matters in equity (Asing v. Aiona, 6 Hawn. 281, supra). This

point is placed almost, if not entirely, beyond question by one feature in the history of this Estate. It is this:- W.O.SMITH, one of the trustees named in the will, having removed to California, tendered his resignation as such trustee to "the Honorable Justices of the Supreme Court of the Hawaiian Islands". The resignation was accepted, thereby creating the first vacancy in the board. Thereupon the Supreme Court, as a judicial tribunal, proceeded to appoint a successor to Mr. SMITH. I quote liberally from the records of the Court in that matter, as follows:-

The proceeding, (including the resignation of Mr. Smith), is entitled - "In the Supreme Court of the Hawaiian Islands, in re Estate of Bernice Pauahi Bishop, deceased, in Probate, before Judd, C.J., and McCully, J., Thursday, October 21, 1886, Hearing on appointment of a new trustee. (Present, CHarles R. Bishop, one of the trustees).

"Mr. Bishop files the resignation of William O. Smith as a trustee and nominates Joseph O. Carter, of Honolulu, to fill the vacancy. The Court refers to the will of the deceased and in accordance with Article 14 of said will and knowing that said nominee is a person of the Protestant religion, appointed said Joseph O. Carter as a trustee to fill the vacancy. The Court orders the present trustees to execute and file a new bond in the sum of Twenty-five Thousand Dollars ($25,000.) on the filing of which the old bond to be cancelled. New bond filed and old one cancelled.

(Signed) "HENRY SMITH,

Deputy Clerk."

THERE APPEARS some inconsistency between the foregoing, and a certain written Order filed on the same date, and which is entitled -

"In the Supreme Court of the Hawaiian Islands; in the matter of the Estate of Bernice Pauahi Bishop; before the Justices of the

Supreme Court. Order discharging trustee, cancelling trustees' bond and appointing new trustee." The Order recites, inter alia, that William O. Smith was appointed one of the trustees under said will, and whereas he has resigned from said trusteeship, and his resignation has been accepted;- "Now therefore we, the Justices of the Supreme Court, in pursuance of the power and authority vested in us by Article 14 of the said will hereby accept the resignation of the said William O. Smith, trustee aforesaid, and discharge him from further responsibility in regard to said trust, - - - - - and appoint as trustee in place of said William O. Smith, Joseph O. Carter, of Honolulu, Oahu, - - - - -". The Order is signed by the then Chief Justice, A. F. Judd, and by the then Associate Justices, L. McCully and Edward Preston.

IT IS ALSO WORTHY OF NOTE that the purported appointment by the Justices of WILLIAM WILLIAMSON, besides being signed by the Justices, is impressed with the seal of the Supreme Court, and is filed in the archives of said Court as a Court document. The same is true of every appointment purporting to have been made by the Justices of the Supreme Court under said will, except that, in one or two instances, the document of appointment is not impressed with the Court's seal.

AS ABOVE, the first vacancy in the board was created by the resignation of Mr. Smith, in 1886, at a date when the Supreme Court and its several justices were exercising both probate and equity jurisdiction. It is a somewhat peculiar fact that in all, or nearly all of the applications for appointments of new trustees under this will, the documents are entitled as "In Probate",- instead of "In Equity". Under our system, the court, sitting in probate, has no jurisdiction to ap-

point trustees, although, doubtless, it may distribute an estate to trustees named in a will. In this respect our system differs from the statutory systems in vogue in several of the New England States, and, perhaps, in other jurisdictions, where statutory authority is conferred upon courts sitting in probate, to appoint trustees, especially in respect of testamentary trusts.

THE GENERAL SYSTEM pursued in the filling of vacancies in the trust now under discussion, since the enactment of the Judiciary Act which became operative January 1, 1893, appears to have been as follows, although with some variations, viz:- the facts constituting the vacancy have been brought to the attention of the Justices of the Supreme Court, with a request that they would make an appointment to fill the vacancy, and such request has invariably been accompanied by a recommendation of the trustees making it, for the appointment of a specific person; and the Justices have invariably adopted such recommendation and have assumed and purported to appoint the person and persons so recommended. Thereupon, (as in the case at bar), the trustees have presented to the Judge of this Court, sitting in Equity, a petition for the "confirmation" of such appointee of the Justices of the Supreme Court, and, up to this date, such confirmation has been granted, virtually as a matter of course. This procedure is not a little puzzling to the court, as, if the Supreme Court Justices, as claimed, have the right to "choose", (which they have never, in a literal sense, assumed to do), or to "appoint" a new trustee, (as they have invariably assumed to do), then the question arises as to what legal occasion there can possibly exist for a "confirmation" by this Court. Counsel for the trustees, upon argument herein, when questioned as to this feature, was understood to admit that, probably, there is no occasion for such "confirmation",- but he justified the course here taken upon the ground of precedent, and, if precedent can

justify a specific procedure, the procedure in the present instance is doubtless fully justified. There is, however, authority for the proposition that although some one other than this Court has a right to nominate a trustee, yet the acceptance or confirmation of such nomination rests with this Court. Thus, in Estate of Schott, 11 Philadelphia Reports, the Orphans' Court of Philadelphia, (a Court of high national reputation), held as follows:-

> "Although the legatee has the right to nominate her husband as trustee of her estate, yet it is within the discretion of the court to ratify the choice, and make the appointment. In some cases we have refused, as we believe it contrary to the policy of the law, to appoint a husband trustee of the estate of his wife, or a parent guardian of the estate of his child".

THE EMPLOYMENT of the words "choice" and "appointment" in the foregoing quotation are significant in their relation to the case at bar, for the will of Mrs. Bishop, if it confers any authority upon the Justices of the Supreme Court which has survived to them, confers merely the authority of "choice", or to choose, select and nominate a trustee, to the Court having the jurisdiction to make the "appointment",- which Court, as I conceive, is now, by virtue of our altered judicial system, the Circuit Court, or a judge thereof, sitting in equity. It follows, then, from this postulate, (even if it be a correct one, which I do not concede), that the maximum authority now resting with the Justices of the Supreme Court is the authority to "choose" and nominate to this Court, in Equity, a candidate to fill such vacancy, leaving it to this Court to accept or reject such nomination, in its discretion, and to appoint or to refuse to appoint such nominee. But, as above, it is my judgment that even this comparatively attenuated authority has been withdrawn from the Justices of the Supreme Court, or, rather, from the Court itself, by virtue of the transfer of equitable jurisdiction from the Supreme Court and its Justices, to the Judges of the Circuit Court, sitting at Chambers.

35

THIS VIEW finds support in a case decided in the chancery division, of the British Supreme Court of Judicature, in 1883,- In. Re. Gadd; (Eastwood v. Clark). In that case a testator, by his will, appointed his wife and another, executors and trustees of his estate, and provided "that on the death, refusal, or incapacity to act of any trustee or trustees, the surviving or acting trustee, his executor or administrator might appoint a new trustee or new trustees as occasion might require", etc. The wife died leaving the other trustee surviving. A beneficiary under the will, in an action for the administration of the estate, obtained judgment to the effect that "some proper person be appointed a trustee of the testator's will in the place of the said Mary Gadd, and jointly with the defendant, the existing trustee." Thereafter, the beneficiary mentioned, nominated Eastwood, and the surviving trustee nominated Whitely . The court made an order appointing Eastwood as joint trustee with the defendant. The defendant appealed, and the court, consisting of three Lords'Justices, including the Master of the Rolls, decided that the appointment could not stand, adding;- "if the plaintiff wishes to take objections to the fitness of the defendant's nominee the case will be referred back to the Vice Chancellor to consider the objections. If they are allowed, then the defendant must nominate some other person, subject to the approval of the court." It will be observed that no where in the will there under consideration was there any suggestion that any court should have a power either to appoint, confirm or reject any nomination that might be made by a surviving trustee. And yet, under general principles of equity, the court decided that chancery holds that supervisory power over all such nominations and appointments. The language of the will in that instance was much more positive than here, and yet as we have seen the court construed it to be subject to the authority of the court to pass upon the nomination, and approve or reject it.

36

ASSUMING, for the purposes of this argument, but not conceding or deciding, that the Justices of the Supreme Court may still exercise the right of choice and of nomination of a new trustee to the Circuit Judge sitting in Equity, and treating the purported "appointment" of Mr. WILLIAMSON as such a choice and nomination, this Court respectfully declines to confirm, or to appoint Mr. WILLIAMSON to the position to which he has been thus ostensibly chosen and nominated. As above expressed, there are no objections to the moral, intellectual or business qualifications of Mr. WILLIAMSON, but this Court feels that, in the administration of a quasi public trust of this magnitude, which has undertaken and is conducting a comprehensive scheme and system of education of the Hawaiian youth, of both sexes, and resident in all parts of the Territory, it is at least reasonable, even if not logically imperative, that the Hawaiian race should be represented in the administration of such trust, and granted the privilege of there expressing, advocating and promoting the ideals, ambitions and aspirations of the Hawaiians as a people, with respect to the manner in which the youth of that race shall be educated, and the conditions under which their attendance at school shall be conducted. As above remarked, there is no evidence of record to show that Mr. WILLIAMSON possesses any of the peculiar qualifications herein recited. It has been urged upon argument that Mrs. Bishop, the donor of this trust, herself an "Hawaiian of the Hawaiians", made no choice of an aboriginal Hawaiian to serve upon the board of trustees, but selected only those of foreign blood or birth. It may be that this argument should have been accorded decisive weight in the years that are gone, at least during the first, or possibly, during the second decade of the existence of the trust. But it must be remembered that the Boys' School in question has been in practical operation some twenty-nine years; that it has graduated no less than twenty-six

classes, containing many hundreds of Hawaiian boys; that the first of those classes has now been graduated twenty-five years, and that its members, as well as scores of members of succeeding classes have, since this trust was established, ~~had~~, ~~since~~ and following their graduation, had many years of intercourse, not only with the members of their own race but with the community in general, in which, as we are proud to claim, Anglo-Saxon ideals of life and government have been and are being most satisfactorily promoted and observed. It would therefore, in my opinion, be a gross slander upon the Hawaiian race, and especially upon the hundreds of male Alumni of Kamehameha School, to assert that no member of that race, is now fitted to discharge the duties which devolve upon a trustee under the will of Mrs. Bishop. If, as has not been shown, and I am unwilling to believe, that School, so conducted by a board of Anglo-Saxon trustees during a period of twenty-nine years, has not succeeded in producing one man who is mentally and morally fitted for the discharge of the duties of such trusteeship, then, in my opinion, it is high time to inaugurate such a revolution in the personnel of the board as will insure the adoption of such a course of education at the School in question as will more nearly conform to the objects of its most generous founder.

BUT, IT IS INSISTED, on behalf of the trustees, that the language quoted from the Fourteenth paragraph of the will confers the power of "choice" or "appointment" of new trustees upon the Justices of the Supreme Court as individuals, and not upon the Court as a judicial tribunal, or upon its members acting in a judicial capacity. The reverse of this proposition has been assumed in a former portion of this opinion, but this claim may be here examined in detail, to the end that we may be convinced of its validity, or otherwise. At this point I desire to state that I have read and pondered, and, with respect to many of the decisions, have re-read, every line of legal literature cited to me at the argument, in addition to which I have

38

pursued a research on my own behalf which I believe to be virtually exhaustive of the subject, at least within the limits of our library facilities, which are by no means slender. As a result of this research and study, I am persuaded that the position assumed by the counsel for the trustees, as well as by the Amici Curiae above referred to, is not sustained in reason or principle, although, it must be admitted there are court decisions which, considered solis , might support their position. The argument appears to narrow itself down to the question whether a power of appointment conferred upon a judicial officer, or rather, upon the incumbent of a judicial office, without naming him, shall be taken as an intention to confer the power upon the individual who, at the specific period when such appointment is to be exercised, holds the judicial office in question, or whether it shall be construed as an intention to confer such power upon the court of which such judicial officer is a member, or over which he presides? Otherwise expressed, it is a question whether a power of appointment conferred upon "a majority of the Justices of the Supreme Court" shall be construed as authorizing the persons who, at the date of any request for the appointment of a trustee, chance to fill those offices, and acting in their individual, as distinguished from their judicial capacities, to "choose" or "appoint" a new trustee,- or whether the power of choice or of appointment, (in whichever of these two ways the language of the will may be construed), was conferred upon the Supreme Court, as a whole, and acting judicially.

IN THE FIRST PLACE, let it be noted that there was. at the date when the will was executed, as also when it was probated, no legal obstacle to making the Supreme Court of Hawaii the donee of the power of appointment, in the event of vacancies arising in the board of trustees. Whether such appointment, in theabsence of statute pro-

viding a different course falls under the probate or under the equity jurisdiction, (I incline to the view that the latter is the appropriate division), it is clear that the Supreme Court, as well as its individual Justices were then invested with the necessary jurisdiction to act. I find no obstacle to this conclusion in the phrase employed in the will - "a majority of the Justices", etc., because courts of necessity act by majorities where they are composed of several judges. It is therefore a most natural and logical donation of the power of appointment to a judicial body having full and ample jurisdiction in the premises, but evincing a desire that such appointments should be the result of the concurrence of more than one mind. At the date of the will, as the writer of this opinion is aware from personal residence, observation and legal practice at this bar, there was virtually no local sentiment, belief, prospect or expectation that the judicial system that then prevailed in Hawaii would be disturbed or altered so as to withdraw from the Supreme Court and its Justices the probate and equity jurisdiction which they then exercised. In fact, our Supreme Court, in those times, much more than in times nearer the present, was considered in its relation to the general scheme of government in Hawaii, very much as the "Rock of Gibraltar" has long been considered in its relation to the fortresses of the world. The court was, in fact, often likened unto the Rock of Gibraltar with reference to its stability and endurance, both past and prospective. There is therefore no doubt in my mind that it was the intent and purpose of the testatrix to confer upon the Supreme Court, as a judicial tribunal, the power of appointment in the premises. In this respect she avoided an error which frequently crops out in legal literature, viz. that of attempting to confer a jurisdiction upon a tribunal which was not by law authorized to exercise such jurisdiction. For it is a cardinal rule of jurisdiction that -

40

"It is not in the power of a testator to confer upon a judicial tribunal a jurisdiction which is not conferred by law."

Shaw v. Paine, 12 Allen 293, 296.
In.Re. Estate of Bernice Pauahi Bishop, 11 Haw. 33.

THE VIEW that the Supreme Court, as a judicial tribunal, was intended to be, and was in fact and in law the donee of the power of appointment herein, finds strong support in the procedure taken upon the occurring of the first vacancy in said board, hereinabove discussed. It was manifestly the view of the only lawyer (Mr. Smith), appointed in and by the will as such trustee, that the jurisdiction to accept his resignation and appoint his successor lay in the Supreme Court, acting judicially, and the record of the proceedings had in that court, upon the presentation of said resignation and the appointment of Mr. Smith's successor, is strongly confirmatory of the position here assumed by me, and that procedure, from first to last, is significant and persuasive as furnishing an example of that "contemporary construction" of the will, by parties concerned, which, in cases of doubt, not only with respect to wills but also with respect to contracts and statutes, has ever been strongly relied upon by courts when called upon to construe the documents involved.

"When the language of an act is doubtful in its meaning, and cannot be made plain by the help of any other part of the same statute, or of any act in pari materia which may be read with it, or in the course of the common law up to the time of its passing, the court may consider what was the construction put upon the act when it first came into operation."

Per Magie, Justice, State v. Kelsey, 44 N.J.Law 1, 47.

"Where the language of a contract is of doubtful construction, the interpretation by the parties themselves is entitled to great weight."

Steinbach v. Stewart, 11 Wall. 566; 20 Law Ed. 56.

41

"The practical interpretation of an agreement by a party to it is always a consideration of great weight; and there is no surer way to find out what parties meant than to see what they have done."

Brooklyn Life Ins. Co. v. Dutcher, 95 U.S. 269; 24 Law Ed. 410.

THERE IS NO SUBSTANTIAL difference in the rules of construction to be applied to a will, from those applicable to a contract. In either, the intention of the testator on the one hand, or of the contracting parties on the other, is to be regarded as the "Pole Star" by which the mind of the court is to be guided to a conclusion.

BUT, IT IS INSISTED that the authorities support the contention advanced by the trustees, viz., that the donation to a majority of the justices of the Supreme Court was a donation of a power to be individually, and not officially or judicially exercised. They rely for support, in that contention, chiefly upon the case of Shaw v. Paine, 12 Allen 293, 296, above cited. That was a bill in equity for specific performance of a contract, and it involved the question as to whether the plaintiff was sole trustee under a certain will, or whether two other parties were joint trustees with him. It was a testamentary trust, with a provision that whenever any vacancy should occur in the number of the trustees, the surviving or acting trustees for the time being should nominate suitable person or persons to be appointed by the judge of probate for the time being, in the place of trustees declining, retiring or dying; and there was a limitation whereby the sons of the testator if living and willing to accept the trust, should first be nominated and appointed, and after them, others specified in the will. "And in default of such nomination and appointment I direct that a new trustee or trustees shall in every such case be appointed by the said judge of probate or by one or more of the justices of the Supreme Judicial Court of this

Commonwealth"; etc. In Massachusetts, at the date of that decision, (1866), there was a probate court presided over by a Judge of Probate, in addition to which the Supreme Court, and each of its Justices (as in the case of Hawaii when this will was drawn), exercised both probate and equity jurisdiction. Two of the original three trustees resigned their office, the sons and sons-in-law of the testator declined to accept the trust, and the plaintiff, as sole acting trustee, together with said sons and sons-in-law of the testator, presented to the judge of probate a petition setting forth the facts, and praying that the vacancies might be filled by the appointment of parties named by them as trustees to hold the property jointly with the plaintiff. And the judge of probate at a probate court appointed them accordingly. At that date two minor children were interested in the trust fund, who had no notice of the proceedings either in person or by guardian, prior to the appointment. And the point for decision was, whether the plaintiff, the surviving original trustee, could convey legal title to the property of the estate. This involved the question as to whether the lack of notice to the minors mentioned invalidated the proceedings of the court of probate, regarded as a court, wherein it appointed two additional trustees. It was held that the action of the probate court, regarded as a court, in making such appointment, was void, not for lack of jurisdiction in the court, as such, to appoint trustees, but because of the failure to give notice to the minors referred to, or their guardians. There is, nowhere in the opinion a suggestion that the probate court, as such, was not intended by the will as the donee of the power of appointment,- but the holding is that its action was invalid for want of notice to interested parties. The court, nevertheless, sustained the appointment as a good and valid appointment by the judge of probate. The following language, relied upon by the

trustees herein, and quoted from p.296 of the report, does not, in my judgment, deal with any fact arising in that case, for which reason it is to be considered as obiter dicta, and not authoritative. I quote:-

> "If therefore a testator gives by his will to a judicial officer a power of appointment which the law does not give or sanction, their reference to the official character must be regarded as only a description of the person who is to execute the power."

EVEN if said quoted language be regarded as a part of the judgment in the case, it strikes me as being so illogical and generally unsatisfactory as to render it of no value as a precedent. It is tantamount to saying that, if A confers a power of appointment upon a judicial officer, without naming him, the first question to be decided is, whether the court over which that officer presides is invested by law with jurisdiction to make the appointment. If so invested, then it is a donation to the court as such; but if not so invested, then it is a donation to the individual. I must respectfully decline to follow such logic as this.

THE ONE OTHER Massachusetts case claimed to be an authority in the same direction, is Nat. Webster Bk. v. Eldridge, 115 Mass. 424, which was also a case in equity for a specific performance of an agreement to purchase real estate. The will involved, provided for the filling of vacancies in the trusteeship as follows;- in case of death, refusal to act, relinquishment of or removal from the trust, the surviving trustee or trustees should by sealed writing appoint trustees to fill such vacancy ,"to be approved by said judge of probate, or by any justice of the Supreme Judicial Court of said Commonwealth"; and in default of such appointment, new trustees should be appointed "by the said judge of probate or by one or more of the said justices."

The decision appears to place it, at least in part, upon a technical application of the rules of equity pleadings, as follows,- the bill having alleged "that the present trustees have received their appointments and have succeeded to the places of the original trustees in manner and form as provided by said will,"- the bill was demurred to, and the court, at p. 427, quotes said allegations from the bill and remarks that "by the demurrer the facts are admitted to be as set forth in the bill". The procedure actually followed was that the surviving trustees, after the death of one, appointed one Dorr to fill the vacancy, and that appointment was approved by the judge of probate. Thereafter, two of the three resigned, and the sole remaining trustee appointed, and the judge of probate approved of Lawrence and another, Dorr, in their stead. Still later another vacancy having occurred through death, one Bryant was approved by the judge of probate, upon the nomination of the remaining trustees,- all without notice to heirs or beneficiaries. The board of trustees as thus finally constituted, (Lawrence, Dorr and Bryant), sold certain of the realty pertaining to the estate at public auction; plaintiff became a purchaser and received conveyance thereof from the trustees and had ever since continued seized and possessed thereof. Thereafter, plaintiff having contracted to sell, and the defendant to buy said property, defendant refused to execute the contract upon the ground that plaintiff could not convey good title thereto. And the defendant's demurrer was based upon the alternative grounds that (1) if the appointment of trustees under the will, or the approval thereof, was vested in the probate court, and the judge of probate in his official capacity, all of said appointments were void, for want of notice and for want of bond; (2) if said appointments and approval were vested in the individual holding the office of judge of probate, and not in the court, as such, then, upon each and every such appointment

and approval made under said will, there should have been conveyances from the respective trustees to their successors in the trust, which had not been done. The decision is based upon several grounds, the final one being that the trustee Dorr, having been one of the original trustees appointed by the will, and having, after commencement of the suit, conveyed all of his right and interest in the legal title to the new trustees, and the original deed to the plaintiff having been confirmed by a new deed from all of the trustees subsequent to the conveyance by the original trustee to his co-trustees,- that series of conveyances "removes whatever doubt there could have been before as to the sufficiency of the plaintiff's title." And apparently more upon the strength of this last state of facts than of anything else in the case, the demurrer was overruled. But, in the opinion, the court, citing Shaw v. Paine, supra, (which, as above, I disapprove and decline to follow), holds that the procedure in the probate court "was not a judicial proceeding, and therefore required no notice." And the opinion further holds that "upon such an appointment the judge of probate acts under the authority conferred upon him by the terms of the will, and not by virtue of his general authority as a court or judicial officer under the statutes establishing the court and defining its jurisdiction." If we accord to these two Massachusetts decisions the utmost effect that can be claimed for them, I still respectfully indulge the privilege of believing that they are illogical in argument and conclusion, and unsound in principle. These cases have been cited in other jurisdictions in numerous cases, since their rendition, but in none that I have seen has their citation been appropriate or necessary to the decision actually made, nor have they been followed in actual decision elsewhere, sofar as I have been able to find. This leaves me to comment upon the fact, well known to all lawyers, that any given opinion is an authority only to the extent

46

to which the actual decision goes. There is such a bewildering mass of obiter dicta permeating the general volume of American court decisions, that many courts and commentators of whom better things should be expected, have frequently been, as they will be in the future, mislead into adopting such dicta as expressing the law decided in the cases respectively. I have endeavored to analyze the decisions cited to me, and which I have otherwise found, in my study of this case, in order to separate the pertinent from the impertinent matter with respect to the questions involved.

THE CONNECTICUT DOCTRINE is found in Wilcox's Appeal, 54 Conn. 320. A testator having made in a will certain other provisions, gave the residue of his property in trust for his daughter, with the provision that at her death it should be divided into sixteen equal shares and given to persons named. Trustees were appointed, and the provision for the filling of vacancy was that "a trustee to fill such vacancy shall be nominated to the judge of probate by at least one-third of the devisees above named" - etc. A trustee's place became vacant. Ten of the seventeen persons to whom the sixteen shares of the trust fund were given nominated to the judge of probate as a suitable person to fill the vacancy, one Wilcox. Five of the persons interested in said sixteen shares, uniting with the widow and daughter, nominated one Steadman. "The probate court appointed Mr. Steadman and refused to appoint Mr. Wilcox. An appeal was taken from the decree appointing Mr. Steadman and also from the order refusing to appoint Mr. Wilcox The superior court reversed the decree appointing Mr. Steadman, but took no action on the decree refusing to appoint Mr. Wilcox. Both parties appealed to this (Supreme) court." (p.322). It would appear from the record that no one connected with the case for a moment dreamed of asserting an individual right in the judge of probate to

approve and appoint such nomin~~ations~~ees, or of suggesting any lack of jurisdiction in the court of probate, acting judicially, to so pass upon such nominations and make such appointment. Consequently, the particular and decisive point here involved was not there argued or expressly passed upon, but the supreme court stated one of the two points involved to be as follows,- "Has the court of probate a discretion to refuse to appoint a suitable person duly nominated according to the terms of the will?" And this question is discussed on pp. 325-6 of the report, wherein the court recites that the statute of Connecticut provides that if no provision is made for the appointment of testamentary trustees, or filling vacancies in a number appointed by testament, the court of probate may appoint. And it decides that "the court of probate would doubtless have power to reject the nominee for any cause impeaching his integrity or capacity." I call especial attention to the following language from the opinion, (p.325) as bearing upon the question here involved, viz., whether the donation of a power of appointment to the justices of the Supreme Court is to be regarded as the donation of such power to the court itself, acting judicially? I quote:

"It may be fairly inferred from the fact that the action of the court of probate is invoked, that the testator intended that the nomination should be rejected for good cause shown. It is not a case for the exercise of discretion, but a case calling for the exercise of legal judgment."

ANOTHER Connecticut case, strongly favorable to the position here assumed, is Allen's Appeal, 69 Conn. 702, 707. There was a testamentary trust conferred upon five trustees, with a provision that if the number should be reduced to two, "the judge of probate" in the testator's district, should appoint a third, and in so doing should regard the wishes of the existing trustees or the persons interested in the estate, sofar as he believes he can with safety to the estate,

but no further. Three trustees having died, the two survivors expressed no wish as to who should fill the vacancy , and the beneficiaries could not agree upon a nomination, whereupon a beneficiary under the will filed in the court of probate a request for the appointment of a third trustee, nominating her son, but the court appointed a third party, who was unconnected with the testator's family or relations, and whose appointment had notbeen requested by any of them. And the supreme court expressly held, upon appeal, (p.707) that "it is obvious that by the term 'judge of probate' the testator meant to describe the court of probate for the district of Windsor. - - - - It was, therefore, the court of probate which the testator must be deemed to have had in mind, in directing as to the exercise of the power of appointment, although his reference to the 'judge of probate of this district' had it stood alone, might have been taken to apply to that individual who, for the time being, shouldbe occupying that office." The latter part of the quotation alludes to a second reference in the will to the "judge of probate", in connection with the fixing of bonds, etc. The Connecticut court makes a misquotation in support of its conclusion, viz. Bishop v. Bishop, 54 Conn. 232. The error consists in this, that the reference is obviously to Wilcox's Appeal, above cited, as to which the paging is correct; while the case of Bishop v. Bishop proceeds upon entirely foreign matter. It may be convenient at this point, to bring the present case within the effect of the language used by the Connecticut court in the above opinion, and which is represented by the foregoing asterlisks. It is this, (69 Conn. 707);-

> "The rule of construction that words occurring more than once in a will shall be presumed to be used always in the same sense, unless a contrary intention appears by the context, or they be applied to a different subject, applies with double force where the word in question is found in two sentences in immediate succession."

49

WE HAVE SOMETHING in the will of Mrs. Bishop that very nearly fits the description of this quotation. The donation of the power of appointment of trustees, is, as above, contained in the Fourteenth paragraph of the will. In the thirteenth paragraph we find the following language;-

> "I also direct that my said trustees shall annually make a full and complete report of all receipts and expenditures and of the condition of said Schools to the Chief Justice of the Supreme Court, or other highest judicial officer in this country."

IN WHAT SENSE did the testatrix use the phrase "Chief Justice of the Supreme Court, or other highest judicial officer in this country?" I refer to a decision by our own Supreme Court for an answer to this question, and also strong support for the conclusions which I have reached in this cause.

IN.RE. ESTATE OF BERNICE PAUAHI BISHOP, 11 Haw. 33, deals with one of the annual reports provided for in the language above quoted, to be presented to the Chief Justice of the Supreme Court. This was in the year 1897, four years after the Supreme Court had been stripped of its previously-existing equity and probate jurisdiction . The report having been so presented, the Chief Justice (Hon.A.Francis Judd), referred the accounts to a master, who made a report thereon. The trustees took exception to the master's report, and, on a hearing the Chief Justice sustained the master's finding and report,

and the trustees appealed to the Supreme Court. The Chief Justice, being disqualified to sit upon the appeal in a case involving his individual or personal rights and authority under the will, Circuit Judge Carter was called to the bench in his place, and the court by which the question was unanimously decided, consisted of the late Justices Frear and Whiting, and Circuit Judge Alfred W. Carter, who, by a somewhat remarkable coincidence happens to be one of the trustees in whose behalf the claims above recited are now put forth in the case at bar. The opinion was written by Mr. Justice Whiting, and, on p. 27

34 of the report, he states, as the first point involved, the following;-

"Had the Chief Justice as a Judge or court, any power or authority to hear and decide upon the matters submitted to him under the will?"

and, as the sole remaining point;-

"Is there any appeal from the decision of the Chief Justice of the Supreme Court to the Supreme Court itself?

AND THE COURT, after disposing of the second point by a decision in the negative, uses language at pp. 35-36, from which I take the privilege of quoting liberally, as follows;-

"As to the first question raised, we are of opinion that the Chief Justice had no judicial jurisdiction to hear and determine, as a court or judge, the matters presented to him, and at most he could be, while acting thereon, a mere arbitrator or referee, and the record made cannot be considered as a judicial record of the Supreme Court or a Justice thereof, and it is void as a judicial decision. Prior to the Act of 1892, Chap. 57, the Chief Justice might well have been considered as acting as a judge with jurisdiction over the subject matter, for he then was invested with original jurisdiction in probate and equity, and could hear such matters at chambers, and there was an appeal from the decisions rendered by a single Justice to the Supreme Court.

"It is claimed that the necessary jurisdiction is conferred on the Chief Justice by the will, but this can only be advanced on the theory of jurisdiction being conferred by consent of parties. Parties can only confer jurisdiction in personam by consent, but where the court has no jurisdiction of the subject matter, no consent of parties can give jurisdiction.

"12 Am. & Eng. Encyc. of Law, 300, et seq.

"The Judges of the Circuit Courtsat Chambers have original jurisdiction in probate and equity, and all such matters pending in the Supreme Court weretransferred to the Judges of the First Circuit Court by the Act of 1892. And I am of opinion that the annual accounts of the trustees should have been presented to a Judge of the First Circuit Court for settlement, as it was one of the matters annually pending in the Supreme Court, and so transferred by the Judiciary Act of 1892. Further, the Chief Justice of the Supreme Court being now without jurisdiction in this matter, I am of opinion that the language in the will (providing for the report to the Chief Justice) 'or other highest judicial officer in this country' can without forced construction mean 'other highest judicial officer' having judicial jurisdiction over the subject matter of the same nature as this, that is, annual settlement of trustees' accounts under a will probated heretofore in the Supreme Court; and that such highest judicial officer would now be one of the Judges of the First Circuit Court. Our procedure and practice has been that the probate court in which a will containing provi-

51

sions for trustees to hold and manage the property bequeathed for trust purposes, has been probated, retains jurisdiction over such trusts and requires annual accounts of the trustees to be rendered and passed upon. As to trusts other than those in probate, a court of equity has general jurisdiction. Mr. Justice Frear and Judge Carter, however, desire to express no opinion on the views set forth in this paragraph."

THE ILLINOIS DOCTRINE, as I interpret it, is entirely favorable to the view which I have taken here. The earliest case in that jurisdiction which we find cited is Morrison v. Kelly, 22 Ill. 609. It was an action in ejectment, and involved the validity of the appointment by the Circuit Court of La Salle County of a trustee to fill a vacancy arising in a trust created by deed. The deed conferred such power of appointment upon "the Court of Chancery of the judicial district or circuit in which La Salle County shall then be situated." That court, acting judicially, appointed Morrison as trustee in place of a deceased trustee, and the decree purported to vest in the new trustee the legal title, etc. The Supreme Court, (p.623) used this language;-

"It will not be contested that a grantor conveying to a trustee, may confer upon an officer, as the Chief Executive of the State, a Circuit Judge, a Probate Judge, or upon any Court of Record, the power to appoint a trustee in the event of the death of the trustee named in the deed. Then, if it was the object of the clause in this deed to confer upon the Circuit Court of La Salle, such a power, as soon as Reed's death occurred, the Court became invested with jurisdiction to appoint a trustee, and such jurisdiction would not depend upon acquiring jurisdiction of his heirs or personal representatives."

IN Leman v. Sherman, 117 Ill. 657, 664, the rule which might be implied from the above quoted language in the Morrison case, wherein the court states that "any Court of Record" may be the donee of such power, was modified and limited to Courts of Record invested with either such general equity jurisdiction or such statutory jurisdiction, either in equity or in probate, as autho-

rize them to make such appointments.

In the Leman v. Sherman case, which was a bill in equity for the removal of Leman as trustee of the Sherman estate, and for the appointment of a new trustee in his place, the interests involved were large, including the famous Sherman House Hotel in Chicago, and the case was elaborately presented. The trust involved was a testamentary trust, to one Marsh, with the provision that - "in case of the death, resignation, refusal or inability to act of said trustee, I hereby direct that a new trustee be appointed by the County Court of said County, upon the application of any person interested, and the notice to all persons interested",- etc. Marsh acted under the trust for some years and then resigned. In 1875, the County Court appointed one Taylor to the trusteeship as successor to Marsh. Taylor served until 1881, when he died. Promptly thereafter a daughter of the testator filed her petition in the County Court of Cook County, asking for the appointment of a trustee as successor to Taylor, and for summons in chancery to bring in all the defendants, which was done. Soon thereafter the County Court entered an order in said proceeding, sustaining the petition, and decreeing "that the prayer of the bill of complaint be, and the same is hereby granted, and that Henry W. Leman be, and he is hereby appointed as successor in said trust to George Taylor",- and purporting to vest title to the trust property in said Leman as such trustee. Leman qualified and entered upon the discharge of the trust, and the plaintiff, Sherman, brought this suit to procure his removal as such trustee, and the appointment of another in his place. One of the points insisted upon by the plaintiff was "that the power of appointment conferred upon the County by the will, and the exercise of that power, by the County Court, Court, in the appointment of appellant, (Leman), in the manner al-

ready indicated, are illegal and void."

IT IS ONLY in this latter point and the manner of its disposition, that we are interested in the present case. The Supreme Court, in its opinion, says:

"The testator, undoubtedly, intended to confer the power of appointing a successor to the trustee, named by him, upon the County Court, as organized when his will was made. At that time, the County Court had jurisdiction in all matters of probate and the settlement of estates of deceased persons. It was, unquestionably, his intention to authorize the appointment to be made by the same Court in which his will would be admitted to probate, his executor would be qualified, and his estate would be administered upon. Since his death, however, a new Probate Court has been created in Cook County, and all jurisdiction, in matters of probate, has been taken away from the County Court, so called. Appellant's appointment was made by the County Court as it existed, after its probate jurisdiction was taken from it, and vested in the newly created Probate Court. It is very evident, therefore, that, however necessary it may be to consider and give effect to the actual intention of the testator in the interpretation of his will, it was never really his intention to confer the power of appointment upon the County Court, as it was organized, when the order of April 15, 1881, was entered. Independently, however, of this consideration, neither the County Court, which existed when the testator made his will, and at the time of his death, nor the County Court which assumed to make appellant the trustee of the estate, could lawfully exercise the power conferred by this will. It is sought to uphold the power, on the ground, that it was conferred upon the Judge of the Court, and not upon the Court itself. Where it is manifestly the intention of the testator to name the particular individual, who holds the office of Judge, as the donee of the power, his designation as Judge of a Court will be disregarded, as mere descriptio personae, and the power will be sustained, as vested in the man, and not in the office. No such construction, however, can be given to the language of the will, now under consideration. The power of appointment was intended to be conferred upon the County Court of Cook County, as a tribunal. Such is the plain import of the words used."

AND SO, in the case at bar, I feel that the language above quoted, especially that with reference to the manifest intention of the testator that the appointment of successive trustees should rest in the Court in which his will should be probated, etc., is peculiarly applicable and significant. Again, if the phrasing of Mrs. Bishop's will had been such as, in the language of the Illinois Court, (slightly paraphrased to fit the facts), to stamp it as having been "manifestly the intention of the testatrix to name

54

the particular individuals who hold the offices of Justices of the Supreme Court, as the donees of the power", a different conclusion might be warranted herein.

THE MISSOURI DOCTRINE is set forth in Harwood v. Tracy, 118 Mo. 631, 636-7-8. That was an action in ejectment, involving the validity of the appointment of a trustee to fill a vacancy, under a trust created by deed. The trustee named in the deed was authorized to lay out a town plan, said town to be known as "Cameron", and all deeds to be made in the name of the "Cameron Town Company". The provision for the appointment of a successor was that in the event of the death or removal from the County of Clinton - - - - or the resignation of said trustee, or if, from other cause, he or any successor of his should in the opinion of the majority of the members of said Company in interest become disqualified for the performance of his duties as such trustee,- the County Court of Clinton County, Missouri, may, and is hereby requested, upon the application of any one member of the Company to appoint,- etc., a successor, with provisions for the acceptance of the trust by such successor, and his qualifying by the giving of bonds, etc. If the County Court of Clinton should refuse or fail to execute such request, a majority of the Company in interest or their personal representatives, might select a trustee under the above named conditions.

THE DEED OF TRUST was executed in 1855. In 1856, the trustee appointed by the deed having resigned, certain other parties interested in the property filed in the County Court of Clinton County their request for the appointment of a successor by such Court. And the Court, consisting of several judges, proceeded to act upon said request, judicially, and appointed the nominee

55

named in said request, who accepted the appointment and qualified. The principal points involved were whether the record of said proceedings had in the County Court were properly admitted in evidence, over objection by the defendant, and whether a deed thereafter executed by the appointee of the Court, one Baubie, as such trustee, conveyed title. The decision, while recognizing, as a host of such decisions do that "one who creates a trust may mold into it whatever form he pleases", and that he may provide in any manner suitable to him, for the appointment of trustees, either originally, or to fill vacancies, and that such provision will be enforced by the courts, if it be a legal one, and that "the Courts of Chancery delight to effectuate the intention of the testator or grantor,"- proceeds to define the "one limitation upon this power of appointment or revocation";- it must be conferred upon a person, corporation or agency, not incapable, legally, of performing it. And the opinion proceeds:-

"This record presents a case of a power conferred upon an inferior court, a court having no chancery or equity powers, either when the deed was executed, or since that time. Three distinct lines of cases may be found, in which courts have been appointed and empowered to fill vacancies in trusts;- (1) If the Court was invested by the law of its creation with equity powers, there seems to be no doubt of its power to perform the function of supplying a trustee, for this would merely effectuate in part the purpose of its creation. Morrison v. Kelly, 22 Ill. 610; Leman v. Sherman, 117 Ill. 657; 1 Perry on Trusts, Sec. 296. (2) In the second class, where it is manifestly the intention of the donor in the trust or the testator, to name the individual who is or may be the judge of a court, as the donee of the power, his designation as judge will be construed as mere descriptio personae and the power sustained, as in the cases of powers conferred upon other public functioners, the official characters being construed simply as equivalent to naming them by their proper names. (Same citations, adding People v. Morgan, 90 Ill. 558). (3) The third class, and the one under which this case, in our opinion, falls,

is where the donor attempts to vest the power in a court that has no jurisdiction by the law of its creation, to make such an appointment. In such a case it is held that the appointment is void. That the grantor, testator or donor cannot by his consent confer this jurisdiction upon the court."

IT WILL BE OBSERVED that the language of the court as respects the first two classes of cases above described is obiter dicta, notwithstanding which fact, I have no quarrel with the legal postulates therein set forth; but it must be remembered that we are here dealing with a case where the original donation of power was to a court which, at the date of the will, and for nearly a decade thereafter, was invested by the law of its creation with equity powers, and was therefore valid, while the law remained in that condition. But, upon the withdrawal from the Supreme Court and the Justices thereof, by the Judiciary Act of 1892, of all equity, probate and other jurisdiction at chambers, the donation lost its force, expired, and could no longer be exercised by the Supreme Court or its Justices any more than if that Court and its Justices had been originally ineligible or disqualified to exercise the power of appointment.

A FURTHER EXCERPT from the opinion of the Missouri case becomes interesting in view of the fact that, as held at an earlier place in this opinion, our Supreme Court entertained jurisdiction of the resignation of W. O. SMITH, addressed to it as a Court, and that the order which it promulgated in the premises is entered and signed by the clerk in the same manner as other judicial decrees or orders. The language referred to, in the Missouri opinion, is this, (p.639);-

"In such a case it is our duty to give the words used their ordinary signification, and hold that when he (the grantor) said Court he meant a Court. Beyond all question, it was so interpreted by the County Court itself. It took cognizance of the matter as a duly organized judicial body. It made or attempted to make its appointment by an entry on its record, the only manner in which, as a Court, it could speak." (Last Italics are mine).

57

"If it be said that innocent parties might suffer, the answer is, the danger is no greater in this than in thousands of other instances in which parties are mistaken in title. The power was attempted to be executed by the County Court, whose jurisdiction is defined by public laws, of which all persons are bound to take notice."

THE TESTATRIX in this case "took notice" of the jurisdiction of the Supreme Court and of its Justices, to appoint trustees. But this Court, at the present juncture, is obliged to "take notice" that the jurisdiction in question has been withdrawn from the Supreme Court and its Justices, and conferred upon this Court, sitting in equity.

THERE IS A RHODE ISLAND decision which impinges slightly, but directly, upon the principles here involved,- Griswald v. Sackett, 21 R.I. 206. It was a bill in equity for the appointment of new trustees to fill vacancies in a board named by a testator, and was heard on a demurrer to the bill, setting up a manner of filling those vacancies provided for in the will, as exclusive of other powers of appointment. The original scheme of appointment fell through, and became inoperative because the surviving trustee refused to join in the application to the court for such appointment, which application was provided for in the will. The defendants claimed that until such survivor should join in such petition there was no authority or jurisdiction in the court to make such appointment. But the court, in overruling the demurrer, held as follows:-

"The provision for the appointment contained in the will has become ineffectual, but the court has power to make the appointment under its general chancery jurisdiction."

IT IS NEEDLESS TO MULTIPLY AUTHORITIES upon this point, but Leman v. Sherman, 117 Ill. p.657, is directly in point.

58

"When a power of appointment is conferred upon another, and the mode of its execution is defined, the power can be exercised only in strict conformity with the terms of the grant. - - - - If there be any irregularity in the mode of exercising the power, the appointment will be void."

39 Cyc. pp. 274-5;
Sugden on Powers, (1st Am. Ed.) pp. 210, 211.

THE ENTIRE SUBJECT of the appointment of new trustees under a power in the instrument is dealt with in the Cyclopedias as follows;- 39 Cyc. 271 et seq; 28 Am. & Eng. 961, 964, et seq.

A VIEW CONTRARY to that which I have herein expressed is found in Moore v. Isbel, 40 Iowa 383, 386, et seq. That was a suit in chancery to set aside the title of defendants to certain lots in Sioux City, based upon a sale and conveyance under a trust deed. Many circumstances of misrepresentation and other fraud are alleged against one Leech, who pretended to act as trustee in making the sale sought to be set aside. The deed provided that "in the case of the death, disability or refusal of the said Campbell, (trustee named in the deed) to act, then the acting County Judge of the County Court of Woodbury County was authorized and requested to appoint a suitable person to act as such trustee"; etc. Without any resignation or refusal to act on the part of Campbell, there was an application to the County Court to appoint Leech as trustee in his place. The County Court, acting judicially, undertook and purported to appoint Leech to the alleged vacancy; and the Court held that the appointment by the Court, as such, would be upheld, under the circumstances, although, it further held that the donation of power was to the Judge, and not to the Court, and that the appointment of the Court, presided over by the Judge, "will not be defeated because it is witnessed by the record of the County Court. The record is the evidence of the act of the County Judge, and shows that he exercised the power conferred by the trust deed." The decision seems to have gone off upon the effect of the word "acting", prefixed to the phrase "County Judge". The

59

results arrived at by the Iowa Court appear to me to have been so grossly violative of all the principles of equity, when considered in relation to the many violations by the appointee of the Court, acting as such trustee, of the terms and spirit of the trust deed, that I can feel no confidence in the decision, even upon the point that it is here involved, and I therefore reject it, and "cast it over among the rubbish."

I HAVE RESERVED until the last the citation and discussion of what I consider the strongest case in support of the decision at which I have arrived. It is Carr vs. Corning, 73 N. H. 362; 62 Atl. 168. There were two cases between the same parties, and they were considered together, one being a bill in equity for the construction of the will of one Pearson, and the other a petition for mandamus to compel the defendant, (who was the Judge of the Probate Court for Merrimack County), to consider and pass upon a petition filed by the plaintiffs in the Probate Court for that County. The will in question provided for the filling of vacancies in the board of trustees, as follows:-

> "The remaining trustees or trustee shall nominate and appoint in writing a successor or substitute to fill such vacancy, said appointment to be approved by the Judge of Probate for the County of Merrimack for the time being." (Italics are mine).

A VACANCY occurred, and the plaintiffs, being the surviving trustees, duly nominated a suitable person as successor, and filed in the Probate Court for Merrimack County, a petition requesting that the appointment be approved. The defendant, who was the Judge of Probate, declined to consider the petition in his judicial capacity, but as an individual expressed his disapproval of the appointment, and these actions were thereupon brought.

60

LET IT BE NOTICED that this is the latest decision in point of time of any that has been cited in Court upon the argument herein, or that the Court has been able to exhume from the recesses of published reports. It was decided in October, 1905. A very able and exhaustive brief was filed on behalf of the defendant, in which many of the cases hereinbefore cited, as well as numerous others, were cited and commented upon. In particular, I call attention to the fact that the decision in Shaw v. Paine, 12 Allen 293, relied upon by the trustees herein, was before the Court, but does not appear to have met with its approval. The Supreme Court summarizes, (p. 365) the contentions of the defendant, (the Judge of Probate), as follows:-

"The defendant says (1) the power of approval is vested in him in his individual and not in his official capacity; (2) if it was the intention of the testator that the Probate Court should approve the appointment, the power of appointment fails because it is an attempt to confer upon the Court a jurisdiction not conferred by law."

THE FIRST POSITION of defendant above, is disposed of by the Court in stating that in the New Hampshire statutes pertaining to Courts of Probate, etc., the words "Judge" and "Judge of Probate" are constantly used when it is apparent the Probate Court is intended,- and cites some examples, saying;-

"It is a matter of common knowledge that when a person attending to probate business or considering probate matters speaks of referring anything to the Judge of Probate, he usually intends the Probate Court, and not the person who exercises the function of that office. That is probably the sense in which Mr. Pearson used the words in his will, for the Probate Court has jurisdiction of wills and the estates of deceased persons. When he provided that the persons who were to administer the trust he was creating should be approved by the Judge of Probate, there is a presumption that the Probate Court was intended; and the fact that the law makes it the duty of that Court to approve the appointment of trustees, makes that presumption so strong that the mere addition of the words 'for the time being' is not enough to rebut it."

61

DEFENDANT'S second postulate, viz. that if it was the intention of the testator that the Probate Court should approve the appointment, the power of appointment fails, for lack of jurisdiction in the Court to so appoint, is treated by the Court as unsound, and the Court cites the statute provisions which authorize the Probate Court to make such appointment. The opinion closes as follows:-

"Since the law makes it the duty of the Probate Court to approve trustees named in a will before appointing them, it is obvious that the mere fact that the testator made it the duty of the Probate Court to approve trustees named in accordance with the provisions of the will does not make it illegal for the Court to approve it, for it cannot be illegal for the Court to do its duty merely because some one requests it."

IF THIS OPINION has been extended to lengths which may appear unreasonable, such extension is due, in part, to the fact that I have been unable to find leisure in which to adequately condense it. Dwight Moody, the famous Evangelist, when criticised for the length of his sermons, is said to have replied - "I have not time to make them any shorter." Realizing the magnitude of the interests at stake, and appreciat ing that my conclusions herein "fly in the face" of all procedure and precedent that have been observed in the filling of previous vacancies, (since the going into operation of the Judiciary Act of 1892), and being further mindful of the fact that these conclusions are opposed to those reached and submitted to the Court by the Amici Curiae who so courteously and ably examined and argued the question at bar, I have felt it due not alone to myself, but to the opinions of those gentlemen, to examine these matters at length, and to point out, to the best of my ability, the reasons which induce me to disregard their advice as to the condition of the law involved. I

therefore summarize my conclusions as follows:-

1. That the power of appointment of trustees to fill vacancies in the board created in and by the Will of MRS. BISHOP was, in and by said Will, conferred upon the Supreme Court of the Hawaiian Islands, as a judicial tribunal, and acting in its judicial capacity;

2. That, at the date of said Will, and thence until January 1st, 1893, said Supreme Court was invested with all the jurisdiction and powers necessary to the choice and appointment of such trustees;

3. That said power of appointment was not conferred upon the individuals who might, at any given period, chance to fill the offices of a majority of the Justices of the Supreme Court, acting in their individual, as distinguished from their judicial capacity;

4. In the alternative, that if said power was so conferred upon such Justices as individuals, it extended and extends, by virtue of said Judiciary Act, only to the point of choosing and nominating trustees to fill such vacancies, for approval or disapproval, by the Circuit Court, or a Judge thereof, sitting in Equity;

5. That by virtue of the transfer from the Supreme Court to the Judges of the Several Circuit Courts of the Equity jurisdiction previously existing in said Supreme Court, and its several Justices, which transfer was effected by said Judiciary Act, said Supreme Court has not, since December 31st, 1892, possessed the jurisdiction or authority to choose or appoint such trustees;

6. That the jurisdiction and authority to appoint such trustees having been lost by the Supreme Court, by statutory enactment, it is now vested in the Judges of the First Circuit Court, sitting in Equity, as a part of their general equity jurisdiction;

63

7. That, as the Judge of said Circuit Court now having charge of the Equity calendar, and "sitting in Equity", said jurisdiction and authority pertains and belongs to me;

8. In the alternative, if a majority of said Justices of the Supreme Court, acting individually, and not judicially, were invested with, and still retain the jurisdiction and authority to choose and nominate to this Court, sitting in Equity, for its approval or disapproval, a trustee or trustees to fill such vacancy, and if the naming of WILLIAM WILLIAMSON be regarded as such a choice and nomination, then said choice and nomination are hereby respectfully disapproved, for reasons set forth in an earlier part of this opinion;

9. That inasmuch as a vacancy in said board of trustees now exists owing to the resignation of SAMUEL M. DAMON as such trustee, and the judicial acceptance thereof, and as this Court has acquired jurisdiction in the premises by virtue of the petition or request of the remaining trustees for the confirmation of Mr. WILLIAMSON, it is appropriate that this Court should now make an appointment of such trustee to fill said vacancy;

10. WHEREFORE, by virtue of all the rights and powers me in anywise enabling in this behalf, I do hereby appoint CHARLES E. KING, an Alumnus of said Kamehameha School, of the first Class graduated therefrom, to wit, the Class of 1891,- this appointment to become effective upon said appointee furnishing proofs satisfactory to the Court that he is a person of the Protestant religion, and upon his qualifying for said position, by entering into a joint and several bond to and with his associate trustees herein, in the sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00).

A DECREE to this effect will be signed upon presentation.

Dated at Honolulu, this 29th day of July, 1916.

A. L. C. Robertson
First Judge.

IN THE CIRCUIT COURT OF THE FIRST JUDICIAL CIRCUIT

OF THE TERRITORY OF HAWAII

AT CHAMBERS IN EQUITY.

IN THE MATTER OF THE RESIGNATION OF SAMUEL M. DAMON AS A TRUSTEE UNDER THE WILL AND OF THE ESTATE OF BERNICE PAUAHI BISHOP, AND THE APPOINTMENT OF A SUCCESSOR TO SAID TRUSTEE.

APPOINTMENT OF TRUSTEE

EQUITY NO.

ACCEPTANCE OF APPOINTMENT AS NEW TRUSTEE.

Comes now, CHARLES E. KING, heretofore and on to-wit: the 3rd day of August, A.D., 1916, by the Honorable the First Judge of the Circuit Court of the First Judicial Circuit of the Territory of Hawaii, presiding at Chambers in Equity appointed as trustee under the will and of the estate of Bernice Pauahi Bishop, deceased, in the place of and in succession to Samuel M. Damon, resigned, to act jointly with William C. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, the remaining trustees, for all the purposes of said will and the trust thereby created, and accepts the said appointment and the powers and duties in him thereby reposed.

Done at Honolulu, T.H., and dated this 3rd. day of August, A.D., 1916.

Charles E. King.

IN THE MATTER OF THE RESIGNATION OF SAMUEL M. DAMON AS A TRUSTEE UNDER THE WILL AND OF THE ESTATE OF BERNICE PAUAHI BISHOP, AND THE APPOINTMENT OF A SUCCESSOR TO SAID TRUSTEE.

APPOINTMENT OF TRUSTEE

EQUITY NO. 2048.

--- --- --- --- --- --- --- --- ---

D E C R E E.

The petition of William O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, the remaining trustees under the will and of the estate of Bernice Pauahi Bishop, deceased, praying the confirmation by this court of the appointment by the Honorable the Chief Justice and the Honorable the Associate Justices of the Supreme Court of the Territory of Hawaii, of William Williamson, as a trustee under the said will and of the said estate, in place of and in succession to Samuel M. Damon, resigned, coming on regularly for hearing before me, the undersigned First Judge of the Circuit Court of the First Judicial Circuit of the Territory of Hawaii, presiding at Chambers in Equity, this 15th day of June, A.D., 1916, when the petitioners appeared by their attorneys and solicitors, Clarence Olson and Paul J. Bartlett, Esquires, and D. L. Withington, Antonio Perry and A. S. Humphreys, Esquires, appeared as amici curiae, and E.C. Peters, Esquire, upon permission of the court first had and obtained, appeared on behalf of strangers against said petition;

E. C. PETERS
ATTORNEY AND COUNSELOR AT LAW
210-211 McCANDLESS BLD.
HONOLULU, T. H.

And evidence, both oral and documentary, having been introduced on behalf of said petition and the same having been submitted and the court now being fully advised in the premises:

THE COURT NOW FINDS AS CONCLUSIONS OF FACT:

First: That there are now but four (4) trustees under the will and of the estate of Bernice Pauahi Bishop, deceased.

Second: That a pretended and purported appointment of the said William Williamson as a trustee under the will and of the estate of said decedent, in place of and in succession to Samuel M. Damon, resigned, was heretofore made by the Honorable the Chief Justice and the Honorable the Associate Justices of the Supreme Court of the Territory of Hawaii, in writing, dated June 9th 1916;

Third: That the said William Williamson is in all respects qualified for such appointment, save one, namely: That it has not been made to appear that he is so qualified by length of residence in Hawaii or by familarity and sympathy with the history, manners, customs, language, ideals and aspirations of the Hawaiian people as to mark him out as a fit and suitable person to be appointed to an office where he will be authorized and expected to exercise a wise, benevolent and sympathetic discretion with reference to the education of Hawaiian youth of either sex, and concerning the general scheme, system and regulations to be adopted and observed during their attendance at the schools established under the trust by said will created, and hence the said William Williamson for that reason is not a fit and proper person for such appointment.

Fourth: That Charles E. King, Esquire, is a person of the

E. C. PEIRCE
ATTORNEY AND COUNSELLOR AT LAW
210-211 McCANDLESS BLD.
HONOLULU, T. H.

68

Protestant religion and is a fit and proper person to be appointed such trustee.

IT IS FURTHER BY THE COURT FOUND AS CONCLUSIONS OF LAW:

First: That the power of appointment of trustees to fill vacancies in the board created in and by the will of Bernice Pauahi Bishop, deceased, was in and by said will conferred upon the Supreme Court of the Hawaiian Islands as a judicial tribunal and acting in its judicial capacity.

Second: That, at the date of said Will, and thence until January 1st 1893, said Supreme Court was invested with all the jurisdiction and powers necessary to the choice and appointment of such trustees;

Third: That said power of appointment was not conferred upon the individuals who might, at any given period, chance to fill the offices of a majority of the Justices of the Supreme Court, acting in their individual, as distinguished from their judicial capacity;

Fourth: In the alternative, that if said power was so conferred upon such Justices as individuals, it extended and extends, by virtue of said Judiciary Act, only to the point of choosing and nominating trustees to fill such vacancies for approval or disapproval, by the Circuit Court, or a Judge thereof, sitting in Equity;

Fifth: That by virtue of the transfer from the Supreme Court to the Judges of the Several Circuit Courts of the Equity Jurisdiction previously existing in said Supreme Court, and its several Justices, which transfer was effected by the Judiciary Act of 1892, Ch. 57, said Supreme Court has not, since December 31st, 1892, possessed the jurisdiction or authority to choose or appoint such trustees;

E. C. PETERS
ATTORNEY AND COUNSELOR AT LAW
210-211 McCANDLESS BLD.
HONOLULU, T. H.

Sixth: That the jurisdiction and authority to appoint such trustees having been lost by the Supreme Court, by statutory enactment, it is now vested in the Judges of the First Circuit Court, sitting in Equity, as a part of their general equity jurisdiction.

IT IS THEREFORE HEREBY ORDERED, ADJUDGED AND DECREED:

First: That the purported and pretended appointment of William Williamson as a trustee under the will and of the estate of Bernice Pauahi Bishop, deceased, by the Honorable the Chief Justice and Associate Justices of the Supreme Court of the Territory of Hawaii in place of and in succession to Samuel M. Damon, resigned, and dated the 9th day of June, A.D., 1916, be and the same is hereby declared null and void and of no force (and) or effect.

Second: That the purported and pretended appointment of William Williamson, considered as the "choice" of a majority of the Justices of the Supreme Court of the Territory of Hawaii, of the said William Williamson, to the office of trustee under the will and of the estate of Bernice Pauahi Bishop, deceased, in the place of and in succession to Samuel M. Damon, resigned, be and the same is hereby disapproved and rejected.

Third: That Charles E. King be and he is hereby appointed a trustee under the will and of the estate of Bernice Pauahi Bishop, deceased, in the place of and in succession to Samuel M. Damon, resigned, to act jointly with William O. Smith, W. Paxon Bishop, Albert F. Judd and Alfred W. Carter, the remaining trustees, for all the purposes of the said will and the trusts thereby created, such appointment to become effective upon said Charles E. King filing in this court a joint and several bond with his associate trustees herein, in the sum of $100,000.00, or in the

E. C. PETERS
ATTORNEY AND COUNSELOR AT LAW
210-211 McCANDLESS BLD.
HONOLULU, T. H.

70

alternative a good and sufficient bond with surety approved by this court in the sum of $20,000.00.

Fourth: That there be and there is hereby vested in said Charles E. King and the said William O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, as trustees under the will and of the estate of Bernice Pauahi Bishop, deceased, as joint tenants for the purposes and upon the trusts thereof, all and singular the property, real, personal or mixed now subject to the will and of the estate of the said Bernice Pauahi Bishop, deceased.

Fifth: That the petitioners pay the costs of this proceeding.

Done at Chambers in the Judiciary Building in Honolulu, City and County of Honolulu, Territory of Hawaii, this third day of August, A.D., 1916.

Entered in Docket 32 Page 139

Record 2 Page 297

H Terry Smith Clerk.

In Re Trustee of Bishop Estate

Kenan
Sherman
117 Ill 657

The will creating the trust provided:

"In case of the death, resignation, etc. of said trustee, I hereby direct that a new trustee be appointed by the county court of said county, upon the application of any person interested" — — ; & any trustee before entering upon the duties of his trusteeship, shall enter into a bond, — — to be approved by said Court — —"

The county court did appoint a successor to one of the trustees, but the supreme court held the appointment void.

"The testator undoubtedly intended to confer the power of appointing a successor to the trustee named by him upon the county court as organized when his will was made. At that time the county court had jurisdiction in all matters of probate and the settlement of the estates of deceased persons. It was, unquestionably, his intention to authorize the appointment to be made by the same court in which his will would be admitted to probate, his executors would be qualified, & his estate would be administered upon. Since his death, however, a new probate court has been created in Cook county, & all jurisdiction in matters of probate has been taken away from the county court, so called. Appellants' appointment was made by the county court as it existed after its probate jurisdiction was taken from it & vested in the newly created probate court. It is very evident, therefor, that however necessary it may be to consider & give effect to the actual intention of the testator in the interpretation

81

of his will, it was never really his intention to confer the power of appointment upon the county court as it was organized prior when the order of Oct. 15, 1881, was entered. Holding that also that:

"Under the judician system of this state the only court which has any jurisdiction to exercise the power here indicated is a court of chancery.

Leman v. Sherman, 117 Ill. 657; 6 N.E. 872

Shaw v. Paine. 12 Allen 293-6.

"It is undoubtedly competent for a testator to provide by his will for the substitution of new trustees in case of a vacancy occurring among those first appointed, as much as it is in his power to create the trust. And he may do this directly by naming the persons to be substituted, or by giving a power of appointment. When the power of appointment given by the will is duly exercised, the trustees take under the will, & derive their powers from the act of the testator.

"On the other hand, it is equally certain that it is not in the power of a testator to confer upon a judicial tribunal a jurisdiction that is not conferred by law. & therefor a testator gives by his will to a judicial officer a power of appointment which the law does not give or sanction, the reference to the official character must be regarded as only a description of the person who is to execute the power. The duty of making the appointment would not be binding upon him in his official capacity, so that he could be impeached or

a wilful neglect or refusal to discharge it; nor, in the case of a judge of probate, would an appeal lie from any improper exercise of the power. If the power were duly exercised, the trustee would derive his authority from the will, & not from the judicial act of the officer intrusted by the will with the appointing power."

Shaw v. Paine 12 Allen 293

Harwood v Tracy 118 Ill 631

"Three distinct lines of cases may be found, in which courts have been appointed & empowered to fill vacancies in trusts. If the court was invested by the law of its creation with equity powers, there seems to be no doubt of its power to perform the function of supplying a trustee, for this would merely effectuate in part the purpose of its creation. Citing authorities. In a second class where it is manifestly the intention of the donor in the trust, or the testator to name the individual, who is or may be the judge of a court, as the donee of the power, his designation as judge will be construed as mere descriptio personae, & the power sustained, as in the cases of powers conferred upon other public functionaries the official characters being construed simply as equivalent to naming them by their proper names. 1 Perry Trusts § 77; Lemman v. Sherman 117 Ill. 657; 6 N.E. 872; People v Morgan 90 Ill. 558. The third class, & the one under which this case, in our opinion, falls, is where the donor attempts to vest the power in a court that has no jurisdiction, by the law of its creation, to make such an appointment. In

83

such a case it is held that the appointment is void, that the grantor, testator, or donor cannot, by his consent, confer this jurisdiction on the court. Dodson v. Dewoff, 47 Mo. 285; 12 Am. & Eng. Enc. Law p. 1302-1016."

Harwood v. Tracy, 118 Mo. 631; 24 S.W. 214

"It will not be contended that a grantor conveying to a trustee may confer a power upon an officer as the chief executive of the state, a circuit judge, a probate judge, or upon any court of record, the power to appoint a trustee, in the event of the death of the trustee named in the deed"

Morrison v. Kelley, 22 Ill. 610; 74 Am. Dec. 169

The exercise of power of appointment & removal is subject to the restraining power of a court of equity against the abuse of it. See May v. May, 167 U.S. 310, 17 Sup. Ct. 829, 42 L. Ed. 177.

March v. Romare 116 Fed. 355

"The exercise of such a power (of appointment & removal) will be permitted or disallowed at any time as may appear to the court for the best interests of the cestuis qui trustent — — — The only case, perhaps, in which the court would feel impelled to accept without question a decision appointing & removing trustees, would be where the power is lodged in the whole body of cestuis qui trustent & is unanimously exercised by them."

March v. Romare, 119 Fed 201, 202

84

"The point that the fact that the will authorized the trustee in the event of his sickness, old age, or for any other good cause appearing to him, to appoint his successor, renders the trust void, is clearly without force. His action in that regard, if arbitrarily or unwisely exercised, would be controlled by the courts upon application of the cestui que trust, even without this provision. There can be no doubt that the court would have power to appoint some suitable person to execute the trust if for any reason Jefferson Orr became incapable of doing so."

Orr v. Yates 209 Ill. 222; 70 N.E. 731, 737

A trust in which the daughter of the creator was the cestui que trust, gave the latter the power of appointment of the trustee. The daughter, a non-resident of Kentucky nominated her husband, also a non-resident, who accepted. The Kentucky Statutes provided that the court having jurisdiction to appoint a trustee, might permit the trustee to remove the property from the state if the court was satisfied that he had given sufficient security. Held that the mere fact of the granting of the power of appointment outside the court didn't deprive it of the right of supervision

"The meaning of the will is that the trustees are to be selected by the daughters to the end that they shall be persons agreeable to them, but we see nothing in the will to take from the court of chancery

its power to see to the proper execution of the trust, & to require the trustee to execute such covenants as, in his judgment, are necessary to protect the interests of all the cestuis que trustent"

~~Buttner~~ Butler v. Saggets Trustees, (Ky. 1905) 86 S.W. 541

"Upon the appointment being made under the power, the new trustee becomes vested, ipso facto, with the title to the trust premises, & is clothed with the same power as if he had been originally named in the will. No conveyance need be made to him by the former trustee, or by the former trustee's heirs or representatives if he be dead." ~~Authorities cited~~ Craft v. Ry Co 166 Ill. 350, 46 N.E. 1132; Reichert v. Coal Co. 231 Ill. 238, 83 N.E. 166, 121 Am. St. Rep. 307; Edward v. Edward, 22 Ill. 121; 39 Cyc. 512, & cases cited"

"Even when the author of a trust gives unlimited authority to a person to name a trustee, yet that person must still exercise discretion in so naming one. A court of chancery can undoubtedly exercise control over that discretion (Webb v. Shaftesbury, 7 Ves. Jr. 480) in order to prevent its abuse. The exercise of this function by a court of equity must be according to the sound discretion of the court, not being controlled by positive rules except that such discretion must not be abused. 3 Pom. Eq Jur (3rd Ed.) § 1086; 1 Perry on Trusts (6th Ed.) 275"

Yates v. Yates 255 Ill. 66; 99 N.E. 360, 362 86

"Where a testator by his will gives the beneficiaries the right to 'choose' or 'name' a trustee in case of vacancy this is taken to mean merely a right to suggest a name to the court. Schotts Estate, 11 Phila. (Pa) 120; 33 Leg Int (Pa) 92.

~~Note 7 page 964~~ 28 Cyc. of Eng. Encyc. of Law 964 note 7

"When the court is already dealing with the trust estate, it looks more closely to the exercise of the power (of appointment) by the donee, & the appointment must receive the sanction of the court. But the court will not interfere with the nomination unless it be clearly an improper one."

28 Cyc. of Eng Encyc of law 969, 770

"The testator has indicated his will in this matter in a manner not to be mistaken or misunderstood, —— that the appointment shall be made upon the nomination of at least one-third of the parties interested, provided a suitable & competent person is nominated. The court of probate would doubtless have power to reject the nominee for any cause impeaching his integrity or capacity. —— We cannot say that mere non-residence is a sufficient cause for rejecting a nomination. As the case now stands it seems to have been the duty of the court of probate to appoint Mr. Wilcox." The will provided that trustees should be "nominated" to the judge of probate

April 1/05 Circuit Court.
In the Matter of the Estate of B.P.B. deceased Trustee.
(Decree Confirming appointment of A.W.C.)
It appearing by the records in the above entitled (case) that on the 9th day of January 1900, a petition was filed in this court by J.O.C. O.T.C. and S.M.D. three of the surviving trustees under the will of B.P.B. + + + setting forth that Chas M Hyde died on the 15th day of Aug 1899 and that Alfred Carter had been appointed a trustee in the place of said C.M.H. by a majority of the trustees of the Supreme Court

16

in accordance with the fourteenth clause of the will of said B.P.B. and praying that a decree be made confirming the appt of said A.W.C. as a Trustee under the will of B.P.B. in the place of said C.M.K. and it further appearing that due proof was made that all things ~~appearing~~ set forth in said petition were true, and that the prayer of said petition should be granted; and it further appearing that on the 12th day of Jan, 1900, before the Hon. A. Perry, at that time a Judge of the Cir Ct, sitting at Chambers, made a verbal confirming said A.W.C. as Trustee + + + and that in accordance with such order said A.W.C. did on the 16th day of May, 1900, file in this court such joint and several bond dated Jan 23/1900, but that through inadvertence no decree has ever been entered confirming the appointment of said A.W.C. as such Trustee.

It is hereby ordered adjudged and decreed that the appointment of the said A.W.C. as one of the Trustees of the Estate of said B.P.B. be, and the same is hereby confirmed.

Gadd - 3 Eq

Bishop Trustee -

Data from authorities cited on argument - June 15/16 - & others. -

Shaw & Paine 12 Allen (94 Mass) 293-6-7 appears to hold, quite squarely, that "where a testator by his will gives to a judicial officer a power of appointment which the law does not sanction, the reference to the official character must be regarded as only a description of the person who is to execute the power." (p. 296.)

In Re Gadd. 23 L.R. 23 Ch div. holds that the authority of the donee of the power of appointment to appoint a new trustee may be taken away by the court, - but that, if he appoint ~~an unfit~~ an unfit person, the court will send it back for another appointment.

Wilcox's Appeal, - 54 Conn 320-325. In case of vacancy in number of trustees ~~it might be filled~~ ~~one third of the devisees might~~ "~~nomin~~ "a trustee to fill such vacancy shall be nominated to the judge of Probate by at least one third of the devisees above named" - &c. The probate judge acting judicially, refused to appoint a person so nominated. and the appointee appealed. The Supreme Court in reversing the probate court - constantly referred to the probate judge as "the court of probate" - (p. 325) and there is the strongest implication that, in naming the judge of probate, the court of probate was

96

v. Bishop Trustee

intended and the entire decision proceeds upon that theory.

Harwood v Tracy, 118 Mo 631. 633 - et seq.

Under a deed of trust, the method of selecting a new trustee was as follows: - "The county court of Clinton, Mo, may, and is hereby requested, upon the application of any one member of the company (~~[illegible]~~ beneficiaries in the deed,) to appoint a prudent, sober, responsible and discreet man as his successor" - &c. The county court was destitute of chancery or equity powers - "either when the deed was executed or since that time." A ~~nomination~~ request having been made to the county court to appoint a trustee, that court undertook to do so, as a judicial act - and appointed one Baubie. Baubie having, at a subsequent date, assumed, as such trustee, to make a certain conveyance of a portion of the land involved in the trust, his deed was relied upon by the Pltff in this suit, as constituting title. But the Supreme Court held the attempted appointment by the County Court, of Baubie, as such trustee, to be void for want of the necessary jurisdiction in that court to appoint trustees. - and further held that it could not be deemed an appointment by individuals, pointed out, as in the case of Shaw v Paine, 12 Allen, 293, which it cites.

5.

3 - Bishop Trustee

Morrison v Kelly - 22 Ill, 609-623. The deed of trust provided that ~~a new trustee~~ the trusts - in the event of a vacancy - should be ~~appointed~~ "shall be executed, discharged and performed by the court of chancery of the judicial district or circuit in which La Salle County shall then be situated" &c.
The trustee having died, application for the appointment of a successor, by the Circuit Court of La Salle Co. - (it having chancery jurisdiction) was made - and the appointment of Morrison by that court was upheld by the Supreme Court.

Golder v Bressler 105 Ill 419-431; West v Litz, 109 Ill. 425, 442. } While the author of every trust may make provision for the appointment of a successor to the trustees whom he appoints - yet, where he makes no such provision a court of general chancery jurisdiction, upon a proper bill filed for the purpose, may make the appointment. City, 1 Perry Trusts, Sec 282. But such appointment does not, proprio vigore, confer title upon the appointee, unless, by a statute of the state where the land lies, it is so provided. As the title of the trustee is not complete until he is clothed with the legal title the decree, where the appointment is made by the Court of chancery, usually directs the proper conveyances to be made for that purpose." (Perry, Ill. 284)

Allen's Appeal. 69 Conn. 702. Provision. "In case of vacancy in my executors and trustees or their

98

4 Bishop Trustee

successors, so that there shall not at any time be only two, the judge of Probate of this district shall appoint a third to act with them, and in making this appointment the Judge of Probate shall regard the wishes of the existing trustees or the persons interested in the estate, as far as he believes he can with safety to the estate, but no further."

In 1896 by the death of a trustee the number of existing trustees was reduced to two. Thereupon one of the beneficiaries under the will filed in the Court of Probate of the proper district, a request for the appointment, to fill the vacancy, of her son, Julian S. Allen. An unmarried sister (also a beneficiary under the will) joined in this request. Two other beneficiaries filed a similar petition for the appointment of a different person - the husband of one of them. One other beneficiary petitioned for the appointment of a third person, - a near relative. "No wishes were expressed by the surviving trustees."

The Court of Probate, after hearing, appointed a person unconnected with the beneficiaries, or their families, - one John H. White, Appeal. -

Held: (p 707) "It is obvious that by the term "Judge of Probate", the testator here meant to describe the Court of Probate for the district of Windsor, . . . It was, therefore, the Court of Probate which the testator must be deemed to have had in mind, in directing as to the exercise of the power of appointment; altho' his reference to the Judge of Probate of this district", had it stood alone

66

5/ Bishop Trustee.

might have been taken to apply to that individual who, for the time being, should be occupying that office. Bishop v Bishop, 54 Conn, 232." (Wrong citation, probably refers to Wilcox's Appeal, 54 Conn, 320.)

EQUITY NO.2048.

IN THE MATTER OF THE ESTATE OF BERNICE PAUAHI BISHOP, DECEASED.

IN.RE.THE 31st ANNUAL REPORT OF THE TRUSTEES UNDER THE WILL AND OF THE ESTATE OF BERNICE PAUAHI BISHOP, DECEASED.

.....

ORDER OF REFERENCE.

A MAJORITY of the Trustees under the Will and of the Estate of BERNICE PAUAHI BISHOP, deceased, having, on the 9th day of September, 1916, filed the Thirty-first (31st) Annual Report of said Trustees, in accordance with the provision of the Thirteenth paragraph of the Last Will and Testament of said Decedent, said report covering the period of one year ending June 30th, 1916,- the Report aforesaid, together with the Accounts accompanying the same, is and are hereby referred, for examination, inspection and report, as follows:-

1. Those portions of said report which deal with the financial transactions of said Trustees, and of said Estate, during the year covered by said report, together with the vouchers submitted therewith, are hereby referred and assigned to HARRY A. WILDER ESQ. as a Master in Chancery, with instructions to said Master to examine and audit said Accounts, and to report to this Court, with all convenient celerity, his findings and recommendations concerning the same.

102

2. All and singular those portions of said report which in anywise concern or refer to the condition of the Schools maintained and operated by said Trustees, and by said Estate, are hereby referred to the following named persons, to wit:- DAVID L. WITHINGTON, (Chairman), MRS. EMMA METCALF NAKUINA and JOSEPH LIGHTFOOT, as a Committee, with instructions and directions to said Committee, and to each member thereof, to thoroughly inspect and examine said Schools,- to inquire into the conduct and administration thereof; to examine and inspect all matters relating to the admission, maintenance, discipline and employment of pupils into and at said Schools, and the plant and equipment thereof; to inquire into and examine all matters in anywise connected with the manner and methods of teaching, as employed in said Schools, whether with regard to scholastic instruction, or with regard to agriculture, the Manual arts or (and) domestic science; to examine and inquire into the curriculum of studies, and to report their findings and recommendations to the Court as to whether such curriculum, and the manner of its teaching and application, is, in the opinion of said Committee, best calculated to subserve the general scheme of education to be observed and promoted in said Schools, as contemplated in and by the Last Will and Testament of said Decedent, and more particularly, as contemplated in and by the following language quoted from the Thirteenth paragraph of said Last Will and Testament, to wit:-

> "I desire my Trustees to provide first and chiefly a good education in the common English branches, and also instruction in morals, and in such useful knowledge as may tend to make industrious men and women, and I desire instruction in the higher branches to be subsidiary to the foregoing objects."

103

AND said Committee, and its several members, are hereby requested and directed to report, with all convenient celerity to this Court, their findings and recommendations with respect to

each and all of the matters hereby submitted for their examination, inspection and inquiry,- commending, where commendation shall be warranted, and criticising, where criticism shall be justified, to the end that the Court, and, through it, the public, may have intimate and reliable information as to the manner in which the Trust involved in said Last Will and Testament, with respect to the establishment and maintenance of said Schools, has been and is being administered, and the particulars, (if any), in which such administration might justly and reasonably, in the opinion of said Committee, and of its several members, be improved, in view of all existing conditions, and especially in view of the resources available to said Trustees for the purpose of maintaining said Schools.

AND said Committee is hereby expressly empowered, in the discretion of its members, or of a majority thereof, to enlist the aid and services of one or more practical mechanics for the purpose of aiding them in the examination and inspection of the mechanical or manual arts department or departments of said Schools, and for the purpose of assisting said Committee and its members, should they require such assistance, in reaching and reporting conclusions with reference to said last mentioned features of said Schools.

THE Clerk of this Court is hereby instructed to furnish each member of said Committee with a certified typewritten extract or extracts from the said Report of said Trustees, upon any topic or topics pertaining to the administration and maintenance of said Schools, if such extract or extracts shall be requested by said Committee, or by any of its members.

Dated this 27th day of September, 1916.

A. W. Clarkford

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

TERRITORY OF HAWAII

IN EQUITY AT CHAMBERS

In the matter of the Bernice P. Bishop Estate)

TRUSTEES' REPORT

for the Year ending

JUNE 30th, 1916

To the Presiding Judge
of the First Circuit.

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, beg to submit this their THIRTY-FIRST ANNUAL REPORT, covering the period from July 1st, 1915, up to and including the 30th day of June, 1916.

THE USUAL DETAILED ACCOUNT of Receipts and Expenditures (Schedules "A" and "B") accompanied by 903 vouchers, with Schedule "C", is herewith presented, together with a Statement of Investments, a Summary of the year's Real Estate Transactions and an abstract Inventory of the Real and Personal Property of the Trust, hereto attached and made part of this Report. A copy of the Report of the Registrar of the Kamehameha Schools is also filed herewith.

The accounts for the year show as follows:

RECEIPTS from all sources:			
Revenue (Rents, etc.)	$271,444.72		
Capital (Land Sales, etc.)	65,359.27	$336,803.99	
Balance forward from last a/c		19,558.22	$356,362.21
DISBURSEMENTS			
Revenue (Working Charges)		245,610.14	
Capital (Development Charges)		89,801.96	335,412.10
Balance in Hand, June 30/16			$ 20,950.11

Of the net Revenue Receipts, amounting to $255,916.70 (including the balance of $19,558.22 carried forward from last accounts), 82.25% was used in general maintenance, segregated as follows:

124

Kamehameha Schools	46.48%	
Taxes	17.78%	
General Operating Expenses	17.99%	82.25%
Converted into Capital		9.56%
Balance forward to new a/c		8.19%

Of the net Capital Receipts, amounting to $77,555.44 (including the above-converted Revenue, $24,442.69), 37.58% was invested in a way calculated to produce revenue - the segregation being as follows:

Lands Purchased	.82%	
Grading Lands	24.54%	
Fencing (new)	4.36%	
Roads & Sewers	.68%	
Lands Improvement	7.18%	37.58%
Kamehameha Schools (Buildings, Grounds, etc.)		53.88%
Maps & Sundries		8.54%

LEASES AND RENTALS

The rent collections for the year (including taxes recovered from tenants and treated as rents), amounted to $217,368.95. The decrease of $3,755.93 which this shows as compared with last year's collections, is accounted for by the falling off of receipts under percentage leases of cane areas, particularly in the Ewa district, where most of the harvested Estate lands yielded only the rattoon crop usual for the second year - to strike a fair average, collections from this source should be distributed over two years.

As an accommodation to the lessees, promissory notes in the aggregate sum of $5,066.55 were accepted during the year in settlement of the rent of Lease 960a, Nakamoto et al., Kuapa Pond, Maunalua, Oahu. Of these, three 6% notes, each for the sum of $1,000, dated March 1, 1916, and payable in one, two and three years, remain uncollected at the close of the year.

On April 26, 1916, the Trustees canceled by re-entry Lease 1372, Hawaiian Tobacco Plantation, Keauhou 2nd, North Kona, Hawaii - the lessee finding it impracticable to continue and having failed to

fulfill lease conditions. The value of the buildings on the premises was accepted in liquidation of the rent overdue, in the sum of $1,433.

Leases in force at the close of the year numbered 712 - an increase of 31 since last report. Tenancies (so-called as distinguished from leaseholds) numbered 42 - a decrease of 4. The classified record for the twelve months ending June 30th is as follows:

Leases:

New	124
Surrendered or canceled	26
Given up on expiration or renewal	63
Transferred on sales of land	4
Assignments permitted	53
Term extensions granted	1

Tenancies

New	15
Terminated	19

Reduced rents have been continued or allowed in the case of 46 leases, the majority being of lands in South Kona, Hawaii, whose holders required assistance - some to enable them to tide over initial development work, others because they are still feeling the effects of the blight which, last year, so seriously damaged their coffee crops. Several rice planters on Oahu and Kauai had also to be assisted in this way, on account of the depressed condition of the rice market. The tenants assisted are distributed as follows: 11 on Oahu, including 5 holding city leases and 6 outside; 32 on Hawaii, including 1 in Hilo, 17 in Keei, South Kona, and 14 scattered, South Kona; 1 on Kauai; and 2 on Molokai.

On April 1, 1916, Mr. C. M. Lindsay Watson, for some time Agent for the Trustees at Hilo, Hawaii, resigned his office as such, on account of change of residence. He has been succeeded by Mr. A. S. LeBaron Gurney, Manager of the Hilo Branch of Bishop & Company.

On January 1, 1916, Mr. V. C. Schoenberg, Agent at Lahaina, Maui, also resigned; but this office has been left unfilled, for the present.

INVESTMENTS

Of personal property investments reported at the close of last year, current collections aggregated $49,050., of which $39,777.46 has been reinvested in collateral securities, lands or improvement of lands.

In accordance with the terms of an agreement made between the Hilo Railroad Bondholders' Protective Committee, the Hawaiian Trust Company, Depositary, and Depositing Bondholders, dated September 4, 1915, and subscribed by the holders of more than 90% of all bonds issued by the Hilo Railroad Company, the Trustees have deposited with the Depositary the $80,000 Hilo Railroad bonds held by them, pending the foreclosure sale of the property of the old Company and the incorporation of a new joint-stock Company, formed to take over its assets. Since then, the affairs of the old Company have been closed up, and the new Company duly organized as the Hawaii Consolidated Railway, Limited; and bonds and stock in the latter Company are expected shortly to issue. In exchange for its surrendered 6% bonds ($40,000 each of 1901 and 1909 issues), the Estate will receive, of the new Company, 5% bonds of the value of $44,000 and 7% cumulative

preferred stock of the par value of $36,800, together with interest accrued due from October 1, 1914, also payable in stock of the same character.

The book value of the securities detailed in the appended Statement of Investments, as on hand at the close of the year, is $367,050 - a decrease of $38,425 as compared with the total reported at the close of the year preceding. This is accounted for by the transfer to Lands A/c of $29,152.46

leaving uninvested 9,272.54

The year's additions, as listed June 30, 1916, were

$10,000 Oahu Railway 5% bonds, purchased @ 106¼ $10,625.00

TRUSTEES AND MEETINGS

It is with the deepest regret that the Trustees have this year to report the resignation of one of their number from the Board of Trustees, the Honorable Samuel M. Damon, whose continued ill health made it seem to him necessary to take this step. Mr. Damon's resignation was presented to, and accepted by, the Probate Court on June 9, 1916; and the following resolution, adopted by the Trustees on the 23rd idem, is here set forth as an appropriate expression of the feelings of his colleagues:

> "The resignation of Mr. Damon from this Board of Trustees is a severe break with the past, for the friendship and close business connections which he had enjoyed with Mr. and Mrs. Bishop and the Princess Ruth Keelikolani added much to his effectiveness as a Trustee. He had been for years the business agent of these alii and the partner and intimate associate of Mr. Bishop. He was named by Mrs. Bishop one of her executors and one of the trustees under her will. Born in Hawaii, familiar with the native language and character, his wide acquaintance with the Estate's landed endowment, its title and possibilities, have made his counsel at all times of great value. His wide business experience as a banker and his service to the state as a public officer in time of stress gave strength to all deliberations with him. His advice will be missed by his co-trustees; but it is their earnest hope that rest and freedom from care and responsibility will eventually restore him to health."

On the date of the acceptance of Mr. Damon's resignation, the Justices of the Supreme Court appointed Mr. William Williamson a

Trustee of this Trust, in succession to Mr. Damon, but, up to the close of the fiscal year, no order vesting the trust estate in Mr. Williamson had as yet been made, and the latter had not taken his seat as such Trustee.

The officers of the Board of Trustees at the close of this year were as follows: William O. Smith, President; E. Faxon Bishop. Vice-President; Albert F. Judd, Treasurer, and Alfred W. Carter, Secretary.

Fifty meetings were held during the year.

LANDS AND IMPROVEMENTS

The details of the year's realty transactions of the Estate (other than those pertaining to leases) are set forth in the appended Statement - the list comprises 22 sales, 2 purchases, 6 exchanges and 8 agreements. Of the sales, probably the most important was that held at Waialua, Oahu, on March 18, 1916, when a number of lots were publicly auctioned off out of a tract in Paalaakai fronting the Government Beach Road. This tract, until recently planted to cane but abandoned as such, was laid out into 26 lots and provided with roads, including a right-of-way to the beach, which were dedicated to the City. The total area concerned was 12.485 acres. The majority of the purchasers preferred to pay cash, but some availed themselves of terms offered, paid part down, and signed agreements whereby they undertake to pay the balance within three years from March 18, 1916, with interest at 6%. Not all of the lots were sold at the public sale, but all, save one, were disposed of before the close of the year. Assuming that the remaining lot will eventually be sold at the upset price, the net realizations from the sale of this tract (deducting development costs) will amount to $5,208.55, or $417.19 per acre.

Of the lands acquired by purchase or exchange, all are located within large holdings of the Estate, and are desirable from the standpoint of consolidation of interests, but the principal reason

for acquiring those in Kahaluu, North Kona, Hawaii, was to further the plans for a possible future subdivision of areas there, by securing necessary road rights-of-way while opportunity offered.

Grading: As usual, the work of filling in of Estate city low lands has proved the most costly of any single branch of the year's development work - the expenditure on this account being $19,035.20. Of this, $18,471.60 represents the balance of contract made last year for filling in some 42 acres of Kakaako tide lands makai of Ala Moana. The remaining $563.60 was used to fill in to street grade a lot of low land situate at the corner of Vineyard and River Streets, demanded by the Board of Health.

New Fencing cost during the year $3,380.33, and comprised

(a) the marking of lines in that section of the Ahupuaa of Kapalama recently surveyed, ... $1,766.86

(b) the protection of the new earth embankment at Kuapa Pond,..... 503.70

(c) the correction of Kaelepulu boundaries, according to new survey, ... 431.69

(d) the marking of the Keauhou-Honalo boundaries in North Kona, Hawaii, by means of stone wall now in course of erection, at joint expense of the parties in interest - on a/c, 396.52

(e) the marking of lines of a new subdivision of eight lots on Waipilopilo Road, opposite the new Palama Subdivision, ... 239.66

(f) the stockproofing of "Olaa Park Forest Reserve" where it adjoins Keauhou, Kau, Hawaii, done by the Territory at joint expense 39.40

(g) the marking of the Keokea-Kiilae boundaries, in South Kona, Hawaii, now being done by the lessees of Kiilae at expense of aijoining owners - to date 2.50

Roads and Sewers (other than roads in the Waialua tract sold as above mentioned, the cost of which has been charged against the sale realizations) called for an expenditure of $531.33, of which $518.85 was used in the laying of 444 lineal feet of concrete sidewalk along the Estate property fronting Smith and Beretania Streets, in accordance with city requirements. The cost of securing road data relative to the proposed Waialae Subdivision, was ..... $ 2.00
and the initial payment of 10% of the first assessment levied by the City under the Frontage Tax Law for the construction of roads in Manoa Valley, where a small piece of Estate land was affected as coming within the boundaries of Improvement District No. 1, amounted to ..... 10.48.

In furtherance of the policy, which they have consistently pursued, of co-operating with the public authorities, wherever possible, in the interests of the public, the Trustees have this year granted free quarry privileges (a) to the County of Hawaii in Keauhou, Kau, Hawaii, for material needed for repairing and macadamizing the Volcano Road; and (b) to the City and County of Honolulu in Kaelepulu and Kapalama, for material needed for repairing Kailua Road and Waipilopilo Road, respectively. In return for this latter privilege, the City has agreed to surface West Queen Street Extension and other roads through the tract at Palama, recently subdivided by the Estate.

General Capital Improvements, other than those mentioned above, cost $5,566.50
of which the most important was the completion on August 14, 1915, at a total cost of $6,873.58, of the contract entered into last year for constructing earth and stone embankments and a drainage ditch to improve and preserve the Kuapa Fish-pond at Maunalua, Oahu 3,890.12
Buildings taken over at Keauhou, North Kona, the installation of sewerage facilities at Lui Ko premises at Palama,

the construction of a water-ditch outlet on taro land in Manoa Valley, and clearing, etc., at Halawa, Molokai, make up the balance of this account, in the aggregate sum of ..... $1,676.38.

Miscellaneous: As an object of general interest from an educational and historic point of view, the Trustees have had cleared of undergrowth the old heiau located on the Estate land of Honaunau, South Kona, Hawaii, so that its shape and character may be clearly seen, and have appointed a care-taker (as from October 1, 1915) to look after the cocoanut trees growing within the enclosure, and to plant others. The site has been freed from lease encumbrances.

Extensive repairs on the Delmonico Buildings, Beretania Street, had this year to be made, the work including a new roof of Ingot iron for the warehouse in rear, and the patching of the pitch and gravel roof of the main building under a 5-year guaranty. The cost incurred was $1,305.13.

The rice-mill buildings on the land of Waipa, Kauai, having been damaged by storms, had also to be repaired, at a cost of $116.16. On December 31, 1915, the lease of these premises was given up by the lessee, and a care-taker has since had to be maintained there by the Estate, and will be until a new tenant is found.

For the right to maintain an irrigating ditch across a kuleana in Waipa, Kauai, adjoining land leased to an Estate tenant, a rental of $8 had to be paid by the Estate for the year 1916.

MAPS AND SURVEYS

The important work of making complete and accurate surveys of Estate holdings has this year been continued - the capital costs incurred in this way during the past year amounting to $5,524.46, and comprising (a) the completion (in August last, at a total cost of $6,533.86) of the detailed survey reported last year as being made of that portion of the Ahupuaa of Kapalama which lies makai of King Street, between Kapalama Stream and Waipilopilo Road, $2,967.00

132

(b) the completion (in May last, at a total cost of $3,574.54) of the detailed survey reported last year as being made of portions of Estate holdings in Lahaina, Maui, ... $2,173.25

(c) the completion (at a total field cost of $229.25) of the survey of Kaelepulu, in Koolaupoko, Oahu, also mentioned in last Report as being made, to rectify boundary discrepancies, locate kuleanas and determine lease values .. 33.90

(d) a new survey of the agricultural lands of the Estate in Halawa Valley, Molokai, made for the purpose of locating and marking kuleanas and resubdividing all kula, taro and house-lots in preparation for the issuance of new leases as at January 1, 1916 - field cost 350.31

A preliminary survey of a tract of Estate land at Kilauea, Kau, Hawaii, has just been made, with a view to laying out and leasing a series of "Summer Home" lots, but no definite scheme has yet been formulated by the Trustees with respect to these.

Acting in conjunction with the Liliuokalani Trust, holding, as for the Queen, a life interest in Lumahai, Kauai, the Trustees have agreed to hereafter, until further notice, annually contribute to the Department of Hydrography of the Territorial Board of Agriculture and Forestry the sum of $10 (the Liliuokalani Trust contributing a like sum) towards the upkeep of the trail leading to the stream-measuring instruments established on Lumahai River. In return, the Department is to furnish the contributors copies of all Lumahai stream measurement records, which will make valuable data upon which to base future values

FORESTRY AND FOREST RESERVATIONS

In March last, the forest line of Waialae, Oahu, was established on the ground to the satisfaction of the lessors and lessee, from Palolo Valley across to the South boundary of Waialae;

and a stockproof fence, to protect the forest, is now being erected by the lessee, in accordance with the terms of his lease.

Section B of the "Olaa Forest Park Reserve", a Government Reservation at 29 Miles on the Volcano Road, in Puna, Hawaii, was fenced by the Department of Forestry in January last, for the purpose of protecting the koa grove there. The Estate shared the cost, where the fence touched the Keauhou boundary - a distance of 707.7 feet.

The Sixty-fourth Congress has just passed a bill (H. R. 9525) which creates a National Park at Kilauea. It does not contemplate the condemnation of any private holdings, although a large area of Bishop Estate land is included within the limits of the park, as defined by the bill. The Trustees have no objection to this, as they have been in sympathy with the park idea since its inception, and would wish to co-operate in every way possible with the public authorities to make the scheme a success, but they do not approve of the bill in its present form, and lost no time in publicly voicing their objections when they learned the actual contents thereof. Their objections refer solely to the inclusion in the reservation of some 650 acres comprising the Volcano House site and the forest land adjacent to the Alae boundary; and this they have opposed from the start, for the reason that it cuts out a section from the middle of Keauhou, leaving the Estate with two widely separated areas, neither accessible by any present road, and would also seriously hamper, if not prevent, the carrying out of any progressive policy relative to the development of the upper part of Keauhou. The Trustees have, therefore, represented to the public authorities that if courses 4, 5 and 6 of the description in the bill may be amended so as to make the boundary in this section of the reservation follow the bluff, pass to the west of the Volcano House to the Government Road, thence along the Government Road to the junction of the Hilo and Keauhou

Roads, they should be willing to sell to the Government, for the purposes of the park, the rest of the land included in the description as set forth in the bill, for such consideration as may be agreed upon.

LAW

Suits and actions to which the Estate has been party during the year ending June 30, 1916, may be briefly reported as follows:

In the case of the Umauma boundary dispute, referred to last year, the Trustees, after a new survey had been made, withdrew their protest against the granting by the Land Court of the Territory's petition for registration of title in adjoining public lands, and signed a compromise agreement defining boundaries on corrected lines, settling the dispute - the Estate conceding 58.3 acres.

In the case of the petition of L. L. McCandless to register title to certain land on Beretania Street, this city, protested by the Trustees on the ground that 63 square feet of the land described in the petition belonged to the Estate, a decision, granting the petition and dismissing the protest, was accepted by the Trustees without appeal.

In the suits, Territory vs. Bishop Estate, to condemn (1) land on the Honolulu harbor front known as the "Marine Railway premises", and (2) land in Alae, Hilo, Hawaii, required for cemetery purposes, answers have been filed.

In an action in ejectment, Alexandria K. Brown vs. Bishop Estate et al., filed in the Third Circuit Court and involving title to 4.7 acres (R. P. 3186, L. C. A. 9726 to Manuwa) in Honaunau, South Kona, Hawaii, an answer has been filed.

In the action to quiet title, Bishop Estate vs. Luhikau et al., involving 43/100 acre at Kunana, Ewa, Oahu, a directed verdict in favor of the Estate was rendered from the First Circuit Court on October 6, 1915.

In an action in ejectment, Bishop Estate vs. Theresa Wilcox-Belliveau, involving title to land at King, Merchant and Richards Streets, this city, known as the "Gore Lot", filed in the First Circuit Court on November 2, 1915, a jury trial is awaited.

In the suit, Bishop Estate vs. Lee Chuck, brought for the purpose of recovering rent, judgment in favor of the Estate was rendered from the First Circuit Court on December 10, 1915, and satisfied on 5th January following.

An action in ejectment, Bishop Estate vs. Waialua Agricultural Company, Limited, filed in the First Circuit Court to recover possession of the lands of Kawailoa and Paalaa-uka, at Waialua, Oahu, awaits a jury trial.

An action in ejectment, J. M. Ambrose (representing the Bishop Estate as lessee) vs. A. Kealakaa, filed in the Second Circuit Court on November 19, 1915, and involving title in small lot of land on the beach at Lahaina, Maui, is pending.

Sundry appeals filed in the Third Taxation Division against tax assessments for the year 1916, on certain Estate lands situate in the Districts of North Hilo, South Hilo, Kau, Puna, North Kohala and South Kona on the Island of Hawaii, are pending.

KAMEHAMEHA SCHOOLS

Building Improvements, made during the year just ended, include the building of the two new bungalow cottages for teachers, referred to in last report as being started on the Ewa side of Kalihi Road. These were completed in November last, at a cost of $8,704.43 - about 80% of the structural work being done by Manual Seniors under the direction of the School Carpenter, and all trimmings, doors and window-sashes, usually imported, being manufactured in the School Shops by the lower-grade pupils.

The extensive alterations in Bishop Hall, also mentioned in last report as designed primarily to provide toilet facilities and

better office and library accommodations, were completed in October last, at a cost of $22,619.62.

Better ventilation has been provided for the Main Hall of the Girls' School by installing three 24-inch ventilators in the roof of each of its two wings, at a cost of $210.

Equipment provided during the year included modern steel book stacks and a steel card index cabinet, installed in Bishop Hall Library; steel filing cabinets for the offices of the President and Manual Principal, and new desks for several of the class-rooms, all in Bishop Hall. A moving picture machine has also been installed in Bishop Hall, for educational purposes.

Gas stoves have been provided for the two new cottages on Kalihi Road, as part of the regular cottage equipment furnished by the Schools; and small Ruud water heaters have been installed in nine cottages, doing away with the wood stoves heretofore provided by the Schools.

The telephone service has been extended to include the Principal's office in Bishop Hall, the Dairy Building, the Senior Hall and Sewing Cottage at the School for Girls. This work involved the laying of a lead-covered cable underground, large enough to carry all telephone and clock circuits. The cable was laid at the expense of, and belongs to, the Schools.

The Electric Shop in Manual Training Hall, which has been cramped for space and has been extended to include the room formerly used as a Tailor's Shop, has been provided with booths, where the smaller boys may be given simple problems in wiring.

The Wood-working Shop has been equipped with a mortising, tenoning and sanding machine.

The press, type, etc., formerly used in the Printery, being no longer needed at the Manual, have been transferred to the Preparatory, where they will be used as part of the regular course

in manual training of the small boys.

The new workshop at the Preparatory has been provided with lockers and cupboards for the storage of tools and materials.

With the approval of the Board of Fire Underwriters, an oil burner has been installed in the main kitchen range at the Girls' School, as an experiment, with the view of providing a more convenient and economical fire than is furnished by wood fuel.

Agricultural Department: Finding it necessary to raise more forage to supply the growing needs of the School stock, a lot of 3.7 acres, lying makai of the Girls' School grounds and formerly used as a poultry run, was, in August last, cleared and planted to alfalfa. A small silo has also been purchased and erected at the Dairy, together with an ensilage cutter, engine and blower.

In September last, Mr. J. D. French, of the Agricultural Department, was sent to California for the purpose of purchasing stock needed to improve the School herd. He succeeded in securing, at a sale in Sacramento, eight head of improved Holstein cattle and two Berkshire hogs, which he brought back with him. They are excellent animals and add greatly to the value and promise of the School stock. Their cost, landed here, was $3,627.24.

In order to remedy conditions in the corrals, whose muddy ground frequently caused trouble with the horses' feet, a 6-inch layer of coral has been spread over part of the surface - the material being obtained from the School quarry, at a quarry cost of $803.95, and hauled and spread by School teams and labor.

Grounds: The King Street frontage of the Boys' School premises having been put in order, attention is now being given to the opposite side of the street, where the Girls' School premises at the corner of Waipilopilo Road have long presented an untidy appearance. Here the underbrush is being cleared and keawes thinned and trimmed by School labor, as opportunity offers.

To the area of the School grounds has been added a lot of 1.956 acres, situate opposite the Dairy on the Ewa side of Kalihi Road, which was turned over by the Trustees for the use of the Agricultural Department in January last, when the land became free of lease encumbrance.

Two lots were sold out of the mauka pasture, being steep hillside and pali adjoining the Alewa Heights tract and not adapted for any practical use. They were purchased by the adjoining owners, principally to round out their boundaries. The accounts of these sales are set out in the attached Memorandum of Sales.

Curriculum: In order to establish a systematic Shop course, which will be the same for all pupils, and have the class-room work so correlated with it that it will be of assistance to the boy in his Shop work, a rearrangement of the course of class-room and Shop work has been made, which contemplates that the first two years at the Manual shall be pre-vocational, during which each boy shall have equal training in all industrial branches and be directed thereafter, for the remaining years of the course, in special branches according to aptitude and general fitness as ascertained from the standing earned in the pre-vocational period.

With the view of creating a closer connection between Kamehameha and those who are in a position to employ its graduates, and to determine, if possible, what the curriculum should be to meet the practical needs of the community, the President of the Schools will hereafter make it a special business to get into personal touch with these men, and also to keep informed of what is being done in other schools in the Territory. In March last President Webster visited Hawaii, interviewed various persons connected with the different island industries, and gained much useful information as to the possibility of increasing the usefulness of Kamehameha.

Up to the close of the fiscal year, all but three of the

twenty Boys' School graduates, Class 1916, had secured employment at the trades, the rudiments of which they had learned as part of their course.

Opening: The Schools opened in all departments on Monday, September 13, 1915, with 326 pupils enrolled, and closed Friday, June 9, 1916 - three days in advance of the regular date (Monday, June 12) on account of the latter being Kamehameha Day - with 316 pupils, segregated as follows:

	Opening	Closing
Manual Department, B/s	134	129
Preparatory Department, B/s	75	73
Girls' School	117	114
Total -	326	316

The drop in the number of Manual pupils, as compared with the 157 enrolled at the close of the year preceding, was partly due to the care exercised in initial selection - not all applicants being accepted. Graduation certificates to the number of 33 were awarded, as follows:

Manual Department, B/s - 20 pupils	
Academic Course, ...	16
Shop Course, ...	4
Girls' School - 13 pupils	
Academic Course, ...	12
Domestic Arts (Dressmaking), ...	1

Three pupils in the Preparatory Department of the School for Boys qualified for promotion to the Manual.

In concluding this Report, the Trustees desire to record their appreciation of the work of the President of the Schools, his Principals and Faculty, during the past year - all have faithfully labored to fulfill the wishes of the founder, as expressed by her will.

Respectfully submitted,

W. O. Smith
Trustees under the Will and of the Estate of Bernice P. Bishop.

Honolulu, T. H.,
August 22, 1916.

D. 1916.

The Trustees charge themselves with the sum of $356,362.21, Receipts as classified in Schedule "A" and ask to be allowed the sum of $335,412.10, as classified in Schedule "B" of their report. The items comprising Schedule "B" are supported by 903 Vouchers, which I have carefully examined and checked and find to be correct.

I find that the Trustees have charged the Statuary rates of commissions and that these commissions have been correctly computed.

I called at the office of the Trustees and examined the Securities as itemized in their report and found the Bonds to be in order and correct as represented in the Trustees Inventory with this exception, viz: that the eighty bonds of the Hilo Railroad Company have been exchanged for forty-four bonds of the Hawaii Consolidated Railroad, Limited, together with twenty-two

hundred shares of stock, Class "A", of the same company. This was necessary by reason of the foreclosure of the mortgage and later the sale of the Hilo Railroad Company, which is on record in the Courts, and the forming of the new company, the Hawaii Consolidated Railroad, Limited. As this transfer of bonds was made after June 30th, 1916, the last date with which this report deals, I do not feel called upon to make any further comment, believing that it should be dealt with in the next annual report of the Trustees.

As to Loans I find the Trustees Inventory correct. Two of these loans, viz: the Certificate of Deposit of Bishop and Company and the Mortgage Note of the Honolulu Construction and Draying Company, Limited, have been paid since June 30th, 1916, as shown by entries in the books of the Trustees made on July 17th, 1916 and July 26th, 1916, respectfully.

I have also verified the Cash balance as of June 30th,1916 and find the same correct.

The accounts show receipts from all sources as follows:-

Revenue	$271444.72		
Capital	65359.27	$336803.99	
Balance from last account		19558.22	$356362.21

and disbursements as follows:-

Revenue	$245610.14	
Capital	89801.96	335412.10
Balance on hand, June 30, 1916		$20950.11

There also is included in the report a statement of Investments, a summary of the year's real estate transactions and an abstract inventory of the real and personal property of the Trust, and also a copy of the Report of the Registrar of the Kamehameha Schools.

The Report of the Registrar of the Kamehameha Schools, while I find to be correct, I feel that it is rather unsatis-

factory in that it does not show detail enough but as I found upon visiting the office of the Schools that a new system of keeping the books has been inaugurated, beginning with July 1st, 1916, I will make no suggestions, trusting that the change in the system of the keeping of the books will also necessitate a change in the form of the report.

Finding the Thirty-first Annual Account of Messrs. Wm. O. Smith, Albert F. Judd, E. Faxon Bishop, and Alfred W. Carter, Trustees, correct, I respectfully recommend that the same be passed and approved by this Honorable Court.

Respectfully submitted,

Harry A. Wilder

Master.

PETITION FOR A VESTING ORDER.

To the Honorable Presiding Judge at Chambers
of the Circuit Court of the First Judicial
Circuit of the Territory of Hawaii:

Your petitioners, William O. Smith, E. Faxon Bishop, Albert F. Judd, Alfred W. Carter and William Williamson, all residing in the City and County of Honolulu, Territory of Hawaii, respectfully represent and show:

1. That your petitioners are Trustees under the Will and of the Estate of Bernice Pauahi Bishop, late of Honolulu aforesaid, deceased, who died on the 16th day of October, 1884, and whose Will and the two Codicils thereto were admitted to probate by the Supreme Court of the Hawaiian Islands on the 2nd day of December, 1884, as the last Will and Testament of said deceased;

2. That Samuel M. Damon of said Honolulu, one of the five Trustees under the said Will and of the said Estate resigned his office as such Trustee on the 9th day of June, 1916;

3. That on the 9th day of June, 1916, a majority of the Justices of the Supreme Court of the Territory of

238

Hawaii, under and by virtue of the power of appointment conferred upon them by the said Will as aforesaid, appointed William Williamson of said Honolulu, Trustee under the said Will and of the said Estate in the place of and in succession to the said Samuel M. Damon, resigned as aforesaid;

4. That it is necessary that the legal title in and to all of the property and assets and choses in action forming the Estate heretofore held in trust by the said W. O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, and the said Samuel M. Damon, as Trustees under the said Will and of the said Estate, do vest in the said W. O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter, and the said William Williamson as co-trustees jointly, upon or subject to the trusts provided by the said Will;

WHEREFORE your petitioners pray that an order be made vesting all of the said property in your petitioners, W. O. Smith, E. Faxon Bishop, Albert F. Judd, Alfred W. Carter and William Williamson as Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, upon or subject to the trusts created by the said Will, upon the filing by the said William Williamson of such bond as the Court may direct.

Dated, Honolulu, T. H., March 22nd, 1917.

ORDER VESTING PROPERTY IN NEW TRUSTEE.

The petition of William O. Smith, E. Faxon Bishop, Albert F. Judd, Alfred W. Carter and William Williamson, all of the City and County of Honolulu, Territory of Hawaii, representing that they are Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu aforesaid, deceased, who died October 16, 1884, and whose Will was admitted to probate by the Supreme Court of the Hawaiian Islands on December 2, 1884; that Samuel M. Damon, one of the five Trustees under the said Will and of the said Estate resigned his office as such Trustee on the 9th day of June, 1916; that on the 9th day of June, 1916, a majority of the Justices of the Supreme Court of the Territory of Hawaii, under and by virtue of the power conferred on them by the said Will as aforesaid, appointed William Williamson of Honolulu aforesaid, Trustee under the said Will and of the said Estate in place of and in succession to said Samuel M. Damon, resigned as aforesaid; that it is necessary that the legal title in and to all of the property and assets

214

and choses in action forming the estate heretofore held in trust by William O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W. Carter and the said Smauel M. Damon, as Trustees as aforesaid, do vest in the said William O. Smith, E. Faxon Bishop, Albert F. Judd and Alfred W.Carter and the said William Williamson as co-trustees jointly upon or subject to the trusts provided by the said Will; and it appearing upon hearing of said petition, that the allegations of said petition are true, and no good cause appearing to the contrary, but good cause appearing therefor;

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that all of the said property forming the estate of the said Bernice P. Bishop, deceased, be, and the same is hereby vested in the said William O. Smith, E. Faxon Bishop, Albert F. Judd, Alfred W. Carter and William Williamson as Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, upon or subject to the trusts created by the said Will

Deceased.)

EXCEPTIONS AND ANSWER TO REPORT OF VISITATORIAL COMMITTEE.

The undersigned Trustees under the Will and of the Estate of the above named Bernice Pauahi Bishop, deceased, respectfully except to the report of D. L. Withington, Emma Metcalf Nakuina and Joseph Lightfoot, the Visitatorial Committee heretofore appointed herein by order filed herein on the 27th day of September, 1916, which said report is dated May 15, 1917, and on file herein, and to the matters and things therein contained hereinafter specifically referred to, and by way of answer thereunto, respectfully show:

1. That all of the matters and things contained in said report by way of criticism or recommendation are matters within the discretion of said Trustees under the terms of the said Will, and that no matter or thing is shown by said report to be in violation of the said Will or of the duties of said Trustees under the terms of said Will;

2. That the military training at the Boys' School referred to in said report (pp. 30-33, 46) is not in violation of the terms of said Will, and that the military

250

training given at said school is within the scope of the terms of the said Will; and that insofar as the said report may be construed to find that the military training given at said school is in violation of the said Will, such finding is erroneous;

3. That the statement in said report (p. 39) as follows:

> "The Founder of the schools wished her benefactions to assist the boys and girls of the Hawaiian race, and certainly never for a moment entertained the idea, that she was establishing a school for the benefit of other races. Your committee feels that it should always be remembered that the Kamehameha Schools are established for the benefit of the boys and girls of Hawaiian blood, and that their interests are paramount."

is erroneous; as appears from clause 13 of said Will, quoted in said report (pp. 16-17), in which the only distinction of race provided, is that preference shall be given to Hawaiians of pure or part aboriginal blood, in applying "a portion of each year's income to the support and education of orphans and others in indigent circumstances."

4. That whereas the said report states (pp. 24-25) that there are matters, thereafter to be referred to, "wherein your committee feels that the Trustees have departed materially from the wish of the Testatrix, as expressed in her Will," yet the said report sets forth no matter whatever wherein the said Trustees have departed or are shown to have departed from the wish of said Testatrix as expressed in her said Will, either materially or in any wise whatsoever; and that insofar as said statement in said report may be construed to be a finding that the said Trustees have departed, materially or otherwise, from the wish of said Testatrix as expressed in her

251

said Will, such finding is erroneous;

5. The said report (p. 10) contains the following statement:

"Your committee did not find that the program was very strictly adhered to; on the other hand, on one day in particular, certain academic work was omitted to enable the pupils to attend military drill, your committee being informed that this course was necessary, as the boys were preparing for a military competitive inspection."

which said statement is erroneous, in that the schedule is adhered to, and the day referred to in said statement was the 24th day of January between the hours of 3 and 4 p. m., which is a regular drill period. (See Exhibit p. 344).

6. The said report (pp. 18-19) contains the following historical statement:

"Under the provisions of the will, the Boys' School was established in 1887; the Girls' School in 1894; and the Preparatory School in 1894. Formerly, the Schools were administered by a principal; the Girls' School, and the Preparatory School, being presided over by principals. The following gentlemen have been Presidents or Principals:

Rev. W. B. Oleson,	1887 to 1893.
Mr. Theo. A. Richards,	1893 " 1898.
Rev. Chas. B. Dyke	1901" 1904.
Mr. Pearley L. Horne,	1904 "
Mr. U. Thompson,	1898 " 1901
Mr. E. C. Webster,	1914 " date.

The Preparatory has always been in charge of Miss Alice E. Knapp; the Girls' School was in charge of Miss Ida M. Pope to the time of her decease, when the present principal, Miss Abbie Newton was appointed,"

which is inaccurate.

The Preparatory Department of the Boys' School was opened in 1888. Miss C. A. Reamer was the principal of this department from 1888 to 1889. She was succeeded

252

by Miss Nancy J. Malone, 1889 to 1894. Miss Pope died in July 1914. During the school year of 1914-15, Miss Frances Lemmon was Acting Principal. Miss Newton was appointed Principal in 1915.

7. TEACHING FORCE. Referring to the lists of teachers in each department of the Boys' School and in the Girls' School (pp. 74,96,128 respectively) the Committee says (pp. 25-27) :

"In the lists above referredto there is given the number of years service in school, in each case. This list shows that there are many changes in the faculty of the school..... ..... Your committee is compelled to the conclusion, however, that if the Trustees had made more exhaustive search for valuable home talent, such search would have been rewarded with success."

On pages 33 to 35 inclusive, the Committee further says:

" Your committee very carefully examined the school room work in this department, and is pleased to be able to report to Your Honor, that it has nothing but the highest praise for this work..... ..... This opinion is greatly strengthened by the lady member of your committee, who desires to express her approval of this work".

The facts tabulated are as follows:

	Boys' School	Boys' School Prep. Dept.	Girls' School
Total number of teachers	14	5	12
Number of new teachers since summer of 1914	2	2	6
Percentage of new teachers in three years	14.3%	40%	50%
Number of new teachers with previous teaching experience in Hawaii	1	1	0
Percentage of new teachers with previous teaching experience in Hawaii	50%	50%	0

253

8. TEACHERS' MEETINGS. The report (p. 27) states:

"Your committee was informed by Mr. U. Thompson, that these faculty meetings, the greater part, if not all of the time, is spent in the discussion of individual cases of discipline. Mr. Thompson in reply to a communication from your committee, stated: "I am no longer in any way responsible for the course of instruction given here." (Exhibit page 149)

"When a teacher who has been connected with a school for twenty-eight years can state that he is no longer responsible for the course of instruction, either that teacher's usefulness has ceased or there is something wrong with the management of the school."

Matters of discipline are not and have not been discussed in faculty meetings since September 1914.

Reference to exhibit pages 141 and 149 shows that Mr. Thompson made the above quoted statement as to "course of instruction" as a "living ex-principal of Kamehameha".

The committee on page 47 says:

> ".....it is the duty of the Trustees to determine the plan, of the president to execute it, and every member of the faculty should be enlisted in that execution."

Mr. Thompson's letter shows that he is in accord with this conclusion of the committee notwithstanding the construction placed upon his statement in the quotation at the beginning of this Article 8.

9. ADMISSION OF PUPILS. The report (p. 28) states:

"Some laxity has been shown in individual cases, in the matter of admission to the girls' school. One girl in particular has been admitted to the school, who has been confined in the Reform School, on account of her somewhat disgraceful conduct. Your committee feels sure that if the Principal of the School had known the facts, and has known the Hawaiian character, and had realized how singularly susceptible the Hawaiians are to the influence of others, such a thing could never have happened. Your committee does not believe that there will be any repetition of such mistake, but recommends that in future the greatest care be exercised to exclude undesirable characters from the schools."

254

The girl referred to was admitted only after Miss Newton had been assured by both Miss Maynard of the Girls' Industrial School and Juvenile Judge, Wm. L. Whitney, that there was nothing about the girl's past which made her an undesirable character to enroll as a pupil. A copy of Judge Whitney's letter to Miss Newton was furnished the committee.

10. DISCIPLINE. The report (p. 28 a) states:

"A visitor to the Preparatory School and the Girls' School could hardly conceive that any measures of punishment would be necessary in these institutions, but of course cases must, andevidently do arise where punishment is necessary. And in the Preparatory and Girls' School this subject seems to be handled efficiently and well. In the Manual Department the following system is adopted: For every misdemeanor the boy is given a certain number of demerits; these demerits must be "walked out"; that is to say, the culprit must parade from point A to point B and back again for a certain number of hours. This plan might work very well at West Point, or in any regular military institution, but your committee does not believe that it is suitable in every case for Kamehameha boys. In the matter of punishment much must depend upon the disposition of the boy, and upon his relation to the teacher. If the boy, as a punishment for offense, were given extra work which would be of value to him in future life, for instance, extra work in English and Mathematics, he would receive great benefit, the value of which he would realize and it would not have the effect pointed out by Mr. Webster, in his report of making him dislike the subjects worked upon as punishments. There xxx should always be as far as possible any school discipline, and connection between the offense and the punishment. This fact is pointed out by Miss Newton in her report. Your committee believes that it is possible to apply this principle in a great majority of cases, in breach of discipline. If the boy shall waste or destroy school property, a good healthy wood pile would be the service and he should be made to feel that by chopping the wood he was at some extent making good to the school for the property destroyed or wasted. If he has wasted his time by carelessness or inattention to his school work, he should be made to feel that, that time must be made up at his own expense of additional study. It is the opinion of your committee thata boy treated in this manner would realize the justice and value of his treatment, and would be benefited by his punishment. But that no good can ever accrue from holding him up for several hours to ignominy and disgrace as a punishment for a misdemeanor, and your committee would respectfully recommend the method of discipline in the boys' school be abandoned as worse than useless."

255

On exhibit page 19, Mr. Bostwick says "The best discipline is a system which prevents and foresees." In the Boys' as well as the Girls' School, punishments are often varied to meet the individual need.

From "The Discipline of the School" by Frances M. Morehouse of Illinios State University, D. C. Heath and Co. Publishers, 1915, the following quotations regarding punishment -- pages 179--184 are instructive:

" The tasks imposed as punishments are of two classes -- those which are extra lessons, and those which are entirely different from the regular school work. The latter are sometimes advisable, the former never."

"Writing long words or phrases dozens or hundreds of times, memorizing poetry, working extra problems in arithmetic, drawing maps, and looking up references are bad forms of punishment. They are bad, because they reduce the legitimate work of the schoolroom to disgraceful drudgery, confute the hardly-instilledidea of the dignity of labor, induce metal phlegmatism, and are both too easily-borne and too ordinary for efficient punishment.

There are some tasks which may be used as punishment, without quite so disastrous effects as those caused by this use of lesson-tasks. Pupils have been made to erase blackboards, carry coal, weed garden-beds, or carry materials, as punishments. The effect is similar, however, and less objectionable only as it affects secondary rather than the primary object of the school. Any teacher who knows how happy it makes children to be permitted to do even the meanest task about the schoolroom, will agree that nothing could be more unfortunate than to change the wholesome idea that to serve in an honor. Such punishments,moreover, are subject to the further criticism that they give to manual labor an unpleasant or even disgraceful connotation. There are sufficient means of punishment to be had without recourse to the expedient of using pleasant, helpful school tasks in this way.

Detention during the time which is supposed to be free from formal school work is a very common punishment. It is used for two main purposes, the performing of regular lesson tasks which should have been mastered during the study period, and as an absolute punishment for misdemeanors. The first of these punishments is discussed in the following pages. The second seems to be rarely if ever justifiable, for these reasons:

1. It infringes on the time needed for the outdoor play absolutely essential for normal children. It cheats the physical side of the child's development.

256

2. It lengthens the already long hours of the teacher's schoolroom employment. He, also needs outdoor exercise.

3. It is unbusiness-like. Schools should close as promptlyas they open, except for pupils who need extra held or time for the main object-- the school work.

4. It makes a prison of the schoolroom, giving it a lastingly unpleasant connotation.

5. If idle, the pupil is forming a bad habit during the time of detention. If engaged in a school task, he is forming a wrong idea of work. If allowed to do something he likes, he is not being punished."

"Humiliation is, or should be, part of all true punishments; but it should come from a realization of the loss of self-respect that follows on wrongdoing, and not from a crude action on the part of the teacher, the person above all others who should be a model of dignity to the children under his care."

11. THE BETTING INCIDENT. The report (p. 29) states:

"A very difficult situation is shown in the correspondence between your committee and the Rev. J.L. Hopwood, Exhibit "Z" (Exhibit page 319) and Exhibit "AA" (Exhibit page 320). In the latter exhibit, there is a statement made by Mr. Hopwood, Chaplain of the Schools, that when the chaplain had questioned the propriety of a boy being allowed to bet on a football game and play in that game, Mr. Bostwick frankly said that he did not think that gambling was immoral, and further said that it was a rich man's game and that a poor man was foolish to mix up in it, and if he did bet there was nothing morally wrong about it.

It must be the experience of anyone having even slight knowledge of boys in school, that the evil xx of betting and other forms of gambling is a snare into which the boys can too readily fall. If there be any difference between the Hawaiian boy and boys of other races, your committee is inclined to believe that the Hawaiian boy is not less readily influenced by this evil than his brothers of other races. Any teacher who would countenance betting on a football game is unworthy to hold that honorable position, and should be immediately relieved and succeeded by a teacher with a better and higher appreciation of moral responsibility."

257

It must be noted that the committee gave Mr. Bostwick no opportunity to be heard on this matter. Mr. Bostwick does consider betting immoral, has not countenanced it, and in the case cited made the "connection between the offense and the punishment" which the committee advocates on page 29.

12. MILITARY TRAINING. The report (pp. 30-33) states:

> "It was stated by President Webster, that only three hours and ten minutes per week is given to Military Drill. There is a reference in Mr. Bostwick's report of a further two hours spent in the study of military tactics, making five hours and ten minutes per week. When your committee visited the schools, certain academic work was omitted, the reason being given that the boys had to attend military drill in preparation for a competitive inspection".

The total time per week devoted to military drill is three hours. One drill period comes on Sunday afternoon. A second (See exhibit page 343) is on Friday forenoon when, because of it, the IX, VII and V grades spend two hours and twenty five minutes in the class rooms instead of three hours as on the remaining four days of the school week. The third is on Wednesday afternoon (See exhibit page 344) when similarly the VIII and VI grades spend two hours and five minutes in the class rooms instead of two hours and forty five minutes as on the remaining four days of the school week. Hence the maximum gain of time for classroom work for any boy, were military drill to be eliminated and the schedule of Tuesday, Thursday and Saturday applied to Wednesday and Friday, would be forty minutes. The IX grade has two forty five minute periods per week of classroom instruction in Military Science and Tactics, while the VIII grade similarly has one period of such instruction, the length of which is one hour and fifteen minutes.

258

The VII, VI, and V grades have no military instruction other than the drill periods, previously referred to.

See comments under heading "Adherence to Program" page

13. BOYS' SCHOOL, ENGLISH, MATHEMATICS, HISTORY, ETC.

The Committee says (pp 37-43):

> "There seems to be no doubt that the curriculum has been lowered to a considerable extent during the last few years;"

In the last three years, there has been a cutting loose from some of the time honored customs. It does not follow that the curriculum has been lowered. On the other hand, it has been modernized, vitalized and improved. This is in accord with modern thought.

See "Problems of Educational Readjustment" by David Snedden. Commissioner of Education, Massachusetts, published by Houghton Mifflin Co. 1915 -- page 5:

> "...sufficient progress has been made in the evolution of the "new education" to convince nearly all careful students that the old order has already been largely outgrown. The demands of contemporary society for a more purposeful, a more comprehensive, and a more efficient system of preparing the young for adult life, are insistent and of increasing definiteness. Confidence in the dogmas and customary practices of the older generation is steadily lessening. Forces outside the field of education altogether are compelling a variety of readjustments in its aims and methods. Among educators themselves the disposition grows to regard education as a suitable field for experimental effort and systematic inquiry. They are no less ready than the critics outside the profession to share in the deliberate challenging of long established doctrines."

Also "What the Schools Teach and Might Teach" by Franklin Babbitt, Asst. Professor of Educational Administration, University of Chicago, published by the Survey Committee of the Cleveland Foundation in 1915, page 14:

> "Both school people and community should remember that since shcools are to fit people for social conditions, and since these conditions are continaully changing, the work of the schools must correspondingly change. Social growth is never

259

complete; it is especially rapid in our generation. The work of education in preparing for these ever-new conditions can likewise never be complete, crystallized, perfected. It must grow and change as fast as social conditions make such change necessary."

The committee says:

" to sum up the whole matter of English in the Boys' School your committee are compelled to say, that the English spoken and written by the boys is exceedingly bad .....In a communication of President Webster to the Trustees for the year 1914-15, President Webster frankly admits that the education given to the boys in the Boys' School during the past year, has been disjointed. The shop and class teachers were working at cross-purposes but he expressed the hope that with Principal Bostwick at the Boys' School, conditions would improve. Your committee feels sure that he is disappointed. Exhibit "HH" (Exhibit page 350)

Your committee calls particular attention to the observation of Mr. Bostwick, containing in his communication to President Webster, Exhibit "JJ", (Exhibit page 360,) as follows:

English Courses

"The course in English does not seem to be designed to fit the needs of the school. The standard of English and of Literature that are applicable to a Mainland High School or Preparatory School will not apply to a Vocational School of any type or to a finishing school. Such courses are admirable for certain purposes, but contain little that is suitable for finish-courses, or that correlates with shop or practical work. The purpose of the instruction in English is to train the pupil to read with understanding, to speak and write such communications, either printed, written or oral as the ordinary mechanic and citizen will require. Text book work should be reduced to a minimum. The greatest possible use to be made of subject matter taken from the pupil's shop and agricultural work, and from his previous and school experience."

A story was told your committee to the effect that Mr. Bostwick had seen a boy reading "Scott's "Lady of the Lake"; Mr. Bostwick inquired what the book was, on being told informed the boy that such reading was useless and advised its discontinuance. If any such advice was in fact given, it is another proof that Mr. Bostwick is absolutely out of place at the Kamehameha Schools.

In the matter of English in the Boy's School, your committee respectfully recommends that the Trustees be invited to make radical changes, at least going back to the standard of the schools twenty-five years ago."

To correct the conditions discovered in the year 1914-15 when the policies and curriculum of the preceding administration remained in force, has been the effort of the past two years. Mr. Bostwick's concise statement of what is disirable in English is amply supported by modern educators of national reputation.

260

See: "What the Schools Teach and Might Teach", page 23:

"How one reads has received an undue amount of attention; what one reads in the school courses must and will receive an increasingly large share of time and thought, in the new evaluation. The use of interesting and valuable books for other educational purposes at the same time that they are used for drill in the mechanics of reading is coming more and more to be recognized as an improved mode of procedure. The mechanical side of reading is not thereby neglected. It is given its proper function and relation, and can therefore be better taught".

"Certainly people should read well and effectively in all ways in which they will be called upon to read in their adult affairs. For the most part this means reading for ideas, suggestions, and information in connection with the things involved in their several callings; for recreation; and for such general social enlightenment as comes from newspapers, magazines and books. Most reading will be for the content. It is desirable that the reading be easy and rapid, and that one gather in all the ideas as one reads. Because of the fact that oral reading is slower, more laborious for both reader and listener, and because of the present easy accessibility of printed matter, oral reading is becoming of steadily diminishing importance to adults. No longer should the central educational purpose be the development of expressive oral reading. It should be rapid and effective silent reading for the sake of the thought read.

To train an adult generation to read for the thought, the schools must give children full practice in reading for the thought in the ways in which later as adults they should read. After the primary teachers have taught the elements, the work should be mainly voluminous reading for the sake of entering into as much of the world's thought and experience as possible. The work ought to be rather more extensive than intensive. The chief end should be the development of that wide social vision and understanding which is so much needed in this complicated cosmopolitan age. While works of literary art should constitute a considerable portion of the reading program, they should not monopolize the program, nor indeed should they be regarded as the most important part of it. It is history, travel, current news, biography, advance in the world of industry and applied science, discussions of social relations, political adjustments, etc. which adults need mostly to read; and it is by the reading of these things that children form desirable and valuable reading habits.

The reading curriculum needs to be looked after in two important ways. First, social standards of judgment should determine the nature of the reading. The texts beyond the primary grades are now for the most part selections of literary art. Very little of it has any conscious relation, immediate or remote, to present-day problems and conditions or with their historical back-ground.

261

> Probably children should read many more selections of literary art than are found in the text books and the supplementary sets owned by the schools. But certainly such cultural literary experience ought not to crowd out kinds of reading that are of much greater practical value. Illumination of the things of serious importance in the everyday world of human affairs should have a large place in reading work of every school."

The committee says:

> "Your committee was not greatly impressed with the English used by the boys at the Hilo Boarding School, and Mr. Lightfoot felt that the English of the boys at Lahainaluna should be improved; but both of these schools, in the opinion of your committee, are ahead of Kamehameha in this important subject."

Since 1913 two pupils graduated from the Hilo Boarding School, that is who had completed the work of the 8th grade there, and highly recommended by Mr. Lyman, have been unable to enter the 9th grade at Kamehameha. They were apparently about on a par with boys who had completed the 7th grade here, and required two years to complete the work necessary for graduation from Kamehameha.

The committee says:

> "The Mathematics at the Boys' School is as bad as the English, which is the same as saying, that it is very bad ..... There is no Algebra being taught in the school; a pretence is made at teaching Geometry, but it is a mere pretence; the boys will be quite as well off without it."

Algebra and Geometry as customarily taught in high schools are not now included in the curriculum. All the principles of either subject necessary or desirable in a vocational school of this type as well as modernized arithmetic are taught:

See "What the Schools Teach and Might Teach", page 50

> "In the report of the Educational Committee of Cleveland, 1906, we find the following very significant sentences relative to the course of study for the proposed high school of commerce:
>
> "An entirely new course of study should be made out for this school. Subjects which have been considered necessary in a high school because they tend to develop the mind, should not for this reason only be placed in a commercial course. Subjects should not be given because they strengthen the mind, but the subjects which are necessary in this course should be given in such a way as to strengthen the mind. The mathmematics in this school should consist of business arithmetics and mensuration. We can see no reason for giving these students either algebra or geometry. But they should be taught short and practical methods of working business problems."

"We find here a recommendation since carried out that indicates a clear recognition of the principles of adaptation of the course of study to actual needs. Carried out to its logical conclusion, and applied to the entire city system, it raises questions as to the advisability of requiring algebra of girls in any of the high school courses; of requiring it of that larger number of boys looking forward to vocations that do not involve the generalized mathematics of algebra. Now either the commercial students do need algebra or a large proportion of these others do not need it. It seems advisable here to do nothing more than to present the question as one which the city needs to investigate. The present practice, in Cleveland as elsewhere, reveals inconsistency. In one or the other of the schools a wrong course is probably being followed. The current tendency in public education is toward agreement with the principle enunciated by the Cleveland Educational Commission, and toward a growing and consistent application of it.

Differentiation in the mathematics of different classes of pupils is necessary. The public schools ought to give the same mathematics to all up to that level where the needis common to all. Beyond that point, mathematics needs to be adapted to the probable future activitiesof the individual. There are those who will need to reach the higher levels of mathematical ability. Others will have no such need.

Form study should begin in the kindergarten, and it should develop through the grades and high school in ways similar to the arithmetic, and in conjunction with the arithmetic, drawing and construction work. Since geometrical forms involve numerical relations, they supply good materials to use in making number relations concrete and clear. This is now done in developing ideas of fractions, multiplication, division, ratio, per cent, etc. It should be done much more fully and variouslythan at present and for the double purpose of practicing the form-ideas as well as the number-ideas. Arithmetic study and form study can well grow up together, gradually merging into the combined algebra and geometry so far as students need to reach the higher levels of mathematical generalization.

At the same time that this is being developed in the mathematics classes, development should also be going on in the classes of drawing, design and construction. The alphabet of form study will thus be taught in several of the studies. The application will be made in practical design, in constructive labor, in the graphical representation of social, economic, and other facts of life. The application comes not so much in the development of practical problems in the mathematics classes as in the development of the form aspect of those other activities that involve form."

The committee says:

"Your committee saw no effort being made in the Boys' School to teach Hawaiian History."

263

Reference to Exhibit page 52 will show the course in Hawaiian History and Exhibit page 343 the time devoted to it.

14. MR. HOPWOOD'S LETTER. (Report p. 320):

This letter should be read in the light of the fact that previous to its writing and after a confession that he was not in sympathy with the present policy of the Trustees or of the President of the Schools, he presented his resignation as chaplain, and his resignation was accepted.

15. MR. BOSTWICK.

The committee has severely criticised Mr. Bostwick both directly on pages 29, 30 and 41, and inferentially on page 26. That Mr. Bostwick is qualified by his training and experience for his present position, is apparent from his record.

Mr. Bostwick prepared for college in the [redacted] School, New Haven, Connecticut, completing the four years Manual Training and Scientific Preparatory Course and graduating in 1900. Three years later he graduated from Yale and went to the Brockport New York State Normal School where he taught for three years. While here, he organized and installed a department of Manual Training including the selection and installation of the necessary equipment. For nine years prior to his being called to Kamehameha, from 1906 to 1915, he was Supervisor of Practical Arts in the Public Schools of Plainfield, New Jersey. This position involved the development of Manual Training and Handwork in all grades of nine schools having a total enrollment of approximately three thousand five hundred pupils. In 1913 this work was extended to the High School, and Mr. Bostwick had charge of the installation of complete woodworking, drafting, metal working, domestic science, and sewing equipment, and organized the courses.

In 1908 Mr. Boswick joined the School Crafts Club of New York City, an organization composed of the foremost men in vocational education in and about New York, including such men as Dr. Wm. T. Bawden of the U. S. Bureau of Education, Alvin E. Dodd, Secretary of the National Society for the Promotion of Industrial Education, Frank E.Mathewson, Director of Industrial and Technical Work, William L. Dickenson High School, Jersey City, C. R. Richards, Director of Cooper Union, etc. In this club, he held successively the offices of chairman of the Program Committee, Secretary and Vice-President.

Mr. Bostwick's work with boys in other than school positions has been as Head Councillor of Kineo Camp for Boys, Harrison, Maine; with the Boy Scouts of America, one year as Scout Commissioner of Plainfield, New Jersey, two years as Scout Master. In college, he was a member of the Yale Gym. Team. In 1904 he was assistant instructor in the department of Physical Education at the Chautauqua Assembly.

264

In 1913 he organized and was first president of the Union County Manual Training Teachers' Association. This organization was the first of its kind in the state of New Jersey. Its membership numbered about fifty teachers from all branches of industrial work. Similar associations patterned after it have since been formed in other parts of New Jersey.

16. REPORT OF EMMA METCALF NAKUINA.

The Kamehameha Schools' Farm serves the institution in two ways; first, by furnishing the illustrations and opportunities for experiment for the courses in agriculture, and second, by supplying the several dining halls with a variety of wholesome farm products, chiefly milk from the dairy.

The farm is superintended by Mr. R. J. Borden a graduate of the Massachusetts Agriculture College, who, in addition to his technical training has had four year's experience in Hawaii. He also gives the instruction in Agriculture, courses in which for two years past every boy in the lower grades has been required to take. For this work, Mr. Borden has compiled a text book adapted both to local conditions and the capabilities of the boys to be instructed. Mr. Borden knows his business, is conscientious in his work, and fills his present position to the satisfaction of those administering the Schools.

Much attention is given to the production of forage crops both for use as soiling crops and ensilage. A superior grade of milk and other dairy products are produced, and in the school's herd are some of the finest stock in the Territory.

Pure bred Berkshire hogs are also raised. They are at the present time kept in a hog house designed by Mr. F. G. Krauss. Connected with each of the several compartments of this house, in which the hogs are kept in wet weather, are as many outside yards. These extend down a slope from the house and in the lower end of each yard is an open shelter designed to protect the animals from

265

the direct heat of the sun in summer.

Definite instruction in Agriculture had not been given for some time prior to September 1914. As the results of the past three year's work along this line become apparent in the upper grades, it is hoped and expected that a certain percentage of the boys will choose agriculture as their vocation.

CONCLUSION.

The report shows that the last activity of the committee in its investigation was to visit The Kamehameha Schools. Late in January, 1917, the committee spent four half days at the Schools. Prior to this time, the letters to former principals and presidents had been sent and answers to them received, as shown by the several exhibits. In October 1916 when Mr. Lightfoot was at Lahainaluna, he reports (exhibit page 331) that::

> "Mr. and Mrs. McDonald were formerly connected with Kamehameha and had regretfully learned that the standard of the Kamehameha Boys' School had been reduced; thought that such reducing was extremely unfortunate, and ought to be cured without delay."

In Hilo, in the following month, "the lowering of the standard at Kamehameha" (exhibit pages 337 & 338) was discussed with Mr. and Mrs. Lyman of the Hilo Bording School, and at the meeting of the Alumni. On october 23rd, 1916 (see page 3) the committee, appointed by order dated September 27th (see page 1) received the communication from the self-appointed and self-styled Alumni Committee. Under date of October 25th (exhibit page 20) the Investigating Committee advised the Trustees of its appointment. In November they visited the Hilo Boarding School, conferred with the Alumni in Hilo, and sent out communications consisting of a series of questions based as shown by exhibit "H" (exhibit page 24) and "B" (exhibit page 2) on the Alumni Committee's letter. In the latter part of January 1917, as above stated, the Committee visited The Kamehameha Schools.

266

WHEREFORE said Trustees respectfully pray that their 31st Annual Report of the condition of the Kamehameha Schools be approved.

Dated June 22nd, 1917.

ALFRED W. CARTER,

Petitioner,

vs.

W. O. SMITH, E. F. BISHOP, A. F. JUDD and W. WILLIAMSON, Trustees under the Will and of the Estate of BERNICE P. BISHOP, deceased,

Respondents.

PETITION FOR APPROVAL OF ACCOUNT AND REPORT OF THE TRUSTEES UNDER THE WILL AND OF THE ESTATE OF BERNICE P. BISHOP, Deceased.

The above named W. O. Smith, E. F. Bishop, A. F. Judd, A. W. Carter and W. Williamson, Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, present herewith their Account and Report of the administration of the said estate, covering the period from July 1st, 1916, to and including the 30th day of June, 1917, together with a detailed statement of receipts and expenditures, accompanied by 933 vouchers, and also their Account and Report of the administration of the said estate, covering the period from July 1st to August 20th, 1917, together with a detailed statement of receipts and expenditures, accompanied by 111 vouchers, the said accounts being and containing the Final Account of said A. W. Carter, Trustee, resigned, presented in compliance with the order and decree herein of the Presiding Judge of this Honorable Court dated August 20th, 1917. Also filed herewith is the Report of the

271

Accountant of the Kamehameha Schools for the period from July 1, 1916, to and including June 30th, 1917.

WHEREFORE they pray that upon a day appointed for the hearing hereof said Account and Report herewith filed may be approved and allowed.

Dated, Honolulu, T. H., December 8th, 1917.

Trustees under the Will and of the Estate of BERNICE PAUAHI BISHOP, deceased.

THIRTY-SECOND ANNUAL REPORT

of the

TRUSTEES OF THE BERNICE P. BISHOP ESTATE

YEAR ENDING

JUNE 30th, 1917

360

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

TERRITORY OF HAWAII

IN EQUITY AT CHAMBERS

In the matter of the Bernice P. Bishop Estate) TRUSTEES' REPORT for the year ending J U N E 30th, 1917.

To the Presiding Judge
of the First Circuit.

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, beg to submit this their THIRTY-SECOND ANNUAL REPORT, covering the period from July 1st, 1916, to and including the 30th day of June, 1917.

THE USUAL DETAILED ACCOUNT of Receipts and Expenditures (Schedules "A" and "B") accompanied by 933 vouchers, and with Schedule "C", is hereby presented, together with a Statement of Investments, a Summary of the year's Real Estate Transactions and an abstract Inventory of the Real and Personal Property of the Trust, hereto attached and made a part of this Report. A copy of the Report of the Registrar of the Kamehameha Schools is also filed herewith.

The accounts for the year show as follows:

RECEIPTS from all sources:			
Revenue (Rents, Interest, Etc) ...	$312,346.38		
Capital (Land Sales, Etc)	56,960.74	$369,307.12	
Balance forward from last a/c	20,950.11	$390,257.23	
DISBURSEMENTS			
Revenue (Working Charges)		$265,636.67	
Capital (Development Charges)		112,680.91	$378,317.58
Balance in Hand, June 30/17			$ 11,939.65

Of the net Revenue Receipts, amounting to $295,050.79 (including the balance of $20,950.11 carried forward from last accounts), 77.07% was used in general maintenance, segregated as follows:

Kamehameha Schools	41.20%		
Taxes	18.28%		
General Operating Expenses	17.59%	77.07%	
Converted into Capital		18.88%	
Balance forward to new a/c		4.05%	

Of the net Capital Receipts, amounting to $107,259.72 (including the above-converted Revenue of $55,720.17) 88.11% was invested in a way calculated to produce income - the segregation being as follows:

Bonds Purchased	50.25%		
Stocks Purchased	2.01%		
Lands Purchased	.21%	52.47%	
Fencing	.81%		
Road Construction	20.82%		
Maunalua Pond Walls	6.79%		
Artesian Well, Manana	2.29%		
Alumni Dormitory, Fort St	4.86%		
Water Leads, Etc, Halawa, Molokai	.07%	35.64%	88.11%
Maps & Sundries			4.60%
Kamehameha Schools (Buildings, Etc)			7.29%

LEASES AND RENTALS

The rent collections for the year,(including taxes recovered from tenants and treated as rents), amounted to $246,174.10 - an increase of $28,805.15 as compared with last year's returns.

Buildings on the land of Keauhou, North Kona, Hawaii, referred to in last report as accepted in liquidation of rent unpaid on cancelled Lease 1372, Hawaiian Tobacco Plantation, were this year sold for $1493, as appears by the Accounts.

Leases in force at the close of the year numbered 741 - an increase of 29 since last report. Tenancies (so-called as distinguished from leaseholds) numbered 44 - an increase of 2. The classified record for the twelve months ending June 30th, is as follows:

Leases	
New	75
Surrendered or cancelled	32
Given up on expiration or renewal	14
Assignments permitted	49
Term extensions granted	4
Tenancies	
New	18
Terminated	16

Reduced rents have been continued or allowed in the case of 15 leases, of which 12 were of lands on Oahu, 2 on Hawaii, and 1 on Mo-

392

lokai.

INVESTMENTS

Of personal property investments reported at the close of the year preceding, current collections aggregated $33,400, all of which has been re-invested.

On August 30th, 1916, the Estate received for the $80,000 Hilo Railroad 6% Bonds referred to in last Report as deposited with the Hawaiian Trust Company, Depositary for Bond-holders, $44,000 First Mortgage 5% Bonds and $36,800 Preferred 7% Stock in the new joint stock company formed to take over the affairs of the old Company, and organized as the Hawaii Consolidated Railway, Limited, together with interest accrued on $80,000 at 6% from October 1st, 1914 to April 1st, 1916, amounting to $7,200, also paid in 7% Preferred Stock. At the close of the year both bonds and stocks were written down to the actual cash market obtaining on that date.

The loan to the Kamehameha Alumni Association, mentioned in the accounts, represents the cost of furnishing the new dormitory of that Association, the amount being advanced by the Trustees on a Promissory 3-year 6% Note, executed by E . C. Webster as Trustee for the Association.

The book value of the securities detailed in the appended Statement of Investments, as on hand at the close of the year is $362,911.71 - a decrease of $4,138.29 as compared with the total reported at the close of the year preceding. This decrease is accounted for as follows:

Bonds & Notes Sold	$33,400.00	
Hilo Railroad Bonds Retired	77,135.00	$110,535.00
Bonds, Notes Etc purchased	57,076.71	
Haw Cons Bonds Exg as above, $44,000 @ 87.00 ..	38,280.00	
Haw Cons Stock Exg as above, $36,800 @ 30.00 ..	11,040.00	106,396.71
Decrease, as above		$ 4,138.29

363

The year's new additions, as listed June 30th, 1917, are as follows:

BONDS					
Mutual Telephone	$ 2,000 @	106.00	5%	$ 2.120.00	
Mutual Telephone	20,000 @	106.25	5%	21,250.00

Kalakaua Avenue	20,000 @	102.50	5%	20,500.00	$53,895.00
STOCKS					
Haw Cons Ry	7,200 @	30.00	7%		2,160.00
NOTES					
Kamehameha Alumni Ass'n			6%		1,027.71

TRUSTEES AND MEETINGS

On March 29th, 1917 an order issued from the First Circuit Court vesting the Trust Estate in Mr. William Williamson, as a Trustee of this Trust, vice Mr. S. M. Damon, resigned; and Mr. Williamson has since taken his seat as such Trustee.

The officers of the Board of Trustees at the close of the year, were as follows:

Mr. William O. Smith, President;
Mr. E. Faxon Bishop, Vice-President;
Mr. Albert F. Judd, Treasurer; and
Mr. Alfred W. Carter, Secretary.

Forty-nine meetings were held during the year.

LANDS AND IMPROVEMENTS

The details of the year's realty transactions of the Estate (other than those pertaining to leases) are set forth in the appended Statement - the list comprises 10 sales, 1 purchase, 6 exchanges and 1 agreement. Of the Sales the most important was that of the public cemetery site in Alae, South Hilo, Hawaii, condemned by the Territory and taken over by it under Court Order dated May 28th, 1917. Another important sale was that on June 19th, 1917 of a lot of Estate land on Punchbowl Street, near King, sold to the Territory in furtherance of the latter's desire to create in this section of the city a Civic Center.

Of the land acquired by purchase or exchange, the lot of 88/100 acre in Pakala, Lahaina, Maui, for which the Territory is-

sued Patent 6854 was needed to make good the title therein to the Protestant Episcopal Church to whom the Estate had conveyed it, with other lots, in 1908 under the belief that it belonged to the Konohiki. The other acquisitions were of lots desirable for purposes of consolidation of interests or straightening boundaries.

The Agreement of Sale to W. K. Rathburn, dated September 14, 1916, takes the single lot in the Waialua Subdivision mentioned in last Report as then remaining unsold. The price obtained was slightly in excess of the upset.

Roads and Sewers: Under this book entry the greatest expenditure of the year was made in the way of permanent development or improvement of the lands of this Trust, in the aggregate sum of $22,327.52, segregated as follows:

(1) Roads and Water-mains, Waialae Subdivision, ...		$14,382.05
(2) Extension of Water and Sewer System, Cooke Street Subdivision so as to serve additional lots, ...		105.79
(3) Drainage Ditch constructed, Kapalama Subdivision, ..		150.00
(4) Curbing, Kapahulu Road, 426'		159.22
(5) Survey costs, Keauhou Subdivision, North Kona, A/c .		395.08
(6) Frontage Tax Assessments (net):		
Manoa Improvement District, ...	$ 94.33	
Beach Walk Improvement District, ...	1,101.59	
Kalakaua Avenue Improvement District, ...	1,981.38	
King Street Extension Improvement District, ..	1,215.01	
Beretania Street Improvement District, ...	2,743.07	7,135.38

New Fencing cost, during the year, $867.20, and comprised:

(1) the completion of the walling (13,402 feet) of the Keauhou-Honalo boundaries, in North Kona, Hawaii, at joint expense of the parties in interest, mentioned in last Report as in progress, 490.85

(2) the completion of the fencing (16,500 feet) of the Keokea-Kiilae boundaries, in South Kona, Hawaii, also mentioned in last Report as being done by the lessees of Kiilae at the expense of adjoining owners, ... 376.35

General Capital Improvements, other than those mentioned above, cost $15,031.75, segregated as follows:

365

(1) Strengthening the earth and stone embankment constructed, as mentioned in last report, to improve and preserve the Kuapa Fish-pond, at Maunalua, Oahu, and the provision for spillways, $7,283.30

(2) Sinking an artesian well at Manana, Ewa, Oahu, completed July 22, 1916 and thereafter leased to the lessee of the land at a rental based on 6% of cost, ... 2,537.05

(3) Erection of a dormitory on the lot of Estate land on Fort Street occupied by the Kamehameha Alumni Association, completed February 23, 1917 and thereafter leased to the Association at a rental increased by $300, or about 6% on cost, ... 5,211.40

Miscellaneous: Feeling that the care and preservation of the old heiau or puuhonua at Honaunau, South Kona, Hawaii, mentioned in last report as having been cleared by the Estate as anobject of general interest from an educational and historic point of view, might come more properly within the province of the Trustees of the Bernice P. Bishop Museum than of the Trustees of this Trust, the Trustees have accepted an offer from the Trustees of that Trust and leased the site (comprising 13.5 acres) to the Museum for a term of fifty years from January 1, 1917 at a paid-up net rental of $179.76, representing the money outlay of this Trust in clearing and in care-taker's wages to December 31, 1916.

The Trustees have laid out into lots a strip along the Kilauea Volcano Road, in Keauhou, Hawaii, extending from the Volcano House to the Crater Hotel, and are offering them for lease on 20-year tenure at a schedule net rental of Fifty Dollars each. The lots average about 150' frontage on the road by 290' deep and comprise a total of 32.3 acres, of which 8.98 acres (10 lots) have already been leased.

Applications sufficient to justify the expense having been received, the Trustees have decided to lay out a tract of good coffee land in Keauhou 2, North Kona, Hawaii, and to build the first section of a roadway thereto. The work of subdivision was in progress but unfinished at the date of closing this report.

In pursuance of agreement whereby the City has been allowed to take coral filling from the Waipilopilo Quarry, belonging to the

365

Estate, the City Authorities have re-surfaced West Queen Street where it runs through the Kapalama Subdivision - an improvement which not only benefits this Estate but one which adds greatly to the convenience of the general public in that section of the City.

The Trustees regret to report the death of the Superintendent of their Land Department, Mr. Giles H. Gere, on June 22, 1917. Mr. Gere had been a faithful servant of this Trust for some years and his sudden decease came as a distinct shock to the Trustees and to his many friends. To fill the vacancy, the Trustees have engaged Mr. George M. Collins, the present City and County Engineer, who will take up his new duties about October 1, 1917.

MAPS AND SURVEYS

The important work of making complete and accurate surveys of Estate holdings is being gradually proceeded with, the capital costs incurred in this way during the past year amounting to $2,006.70 and comprising (a) Survey, map and report of portions of Waiau, Ewa, Oahu, with all kuleana data, ... $ 813.90

(b) Survey of lots in Kilauea Subdivision - Map, etc. 249.80

(c) Survey of lot on Maunakea Street, with map, ... 40.00

(d) Survey of tract at Kanewai, Waikiki - field cost, ... 54.05

(e) Survey of Kikala, Kalalau and Pahoehoe, in Hilo, and of Honaunau, in South Kona - the latter to be an extended kuleana survey for the purpose of settling disputes; work being done by the Estate engineers, began May 19, 1917 and still in progress;

Field Cost to date, ... $423.95

Abstract of Honaunau kuleanas, ... 425.00 848.95

In line with the policy of the Trustees to assist and promote the public interests, whenever possible, the City Authorities have been granted free permission to make tracings of such of the Estate maps of lands in the newer sections of the City, as may be desired in facilitation of the work of the City Engineer in compiling a new map of the City's streets and roads.

367

FORESTRY AND FOREST RESERVATIONS

Having complied with all legal requirements concerning fencing, removal of stock, etc, the Estate has this year claimed, and received,

exemption from property tax under the provisions of Section 1247, Revised Laws of Hawaii, for and in respect of the following Forest Reserves:

LAW

Concerning suits and actions mentioned in last report:

Suit Territory of Hawaii vs Bishop Estate to condemn land on the Honolulu Harbor front known as the "Marine Railway Premises", was dismissed in the First Circuit Court on January 29, 1917;

Suit Bishop Estate vs Waialua Agricultural Company, Limited, filed in the First Circuit Court to recover possession of the lands of Kawailoa and Paalaa-uka, at Waialua, Oahu, was discontinued in December, 1916.

Suit J. M. Ambrose (representing the Trustees, as Lessee) vs A. Kealakaa, filed in the Second Circuit Court and involving title in a

368

small lot of land on the beach at Lahaina, Maui, was discontinued on stipulation and agreement in January, 1917; a motion filed by the defendent in February following to have the discontinuance set aside was denied by the Court and the matter decided in favor of the Plaintiff; appeal to the Supreme Court is now pending.

Suit Alexandria K. Brown vs Bishop Estate et al, filed in the Third Circuit Court and involving title to 4.7 acres in Honaunau, South Kona, Hawaii, was discontinued in May, 1917.

Suit Territory of Hawaii vs Bishop Estate to condemn 16.35 acres of land in Alae, Hilo, Hawaii, for public cemetery purposes, was tried before a jury in the Fourth Circuit Court on February 5, 1917, when an award of $8,091.90 was accepted by the Trustees without appeal.

A petition filed in the Land Court by the Honolulu Rapid Transit and Land Company, Limited, to register title in certain land in Kakaako this City, has been protested by the Trustees on the ground that the petition, if granted in the form presented, would have the effect of closing up certain streets and be thus detrimental to the interests of this Estate.

The appeals mentioned in last report as pending in the Third Taxation Division against tax assessments 1916 were all compromised and subsequently withdrawn, as have also appeals for 1917 filed in the districts of Honolulu, South Hilo and South Kona.

KAMEHAMEHA SCHOOLS

Building Improvements: An open corrugated iron shed, intended for the storage of farm implements, was this year completed; and part of the Dairy Building area was enclosed with a concrete wall for the safe housing of vehicles. At the School for Girls, a screened sleeping porch has been constructed over the Dining Hall Extension of the Main Building, which materially adds to the comfort of occupants.

In February last the Trustees received from Architect C. W. Dickey, the original designer of the Bishop Memorial Chapel, plans and estimates for proposed alterations in that building intended, primarily, to enlarge its seating capacity; but final consideration of these, and of the proposed work, has been deferred until such time as the Trustees may have before them comprehensive development plans for

369

the School grounds and buildings as a whole.

Grounds: To advise them in the above matter the Trustees have joined with other institutions, to wit, Oahu College, Mid-Pacific Institute and Central Union Church, in the expense of bringing out from New York an eminent Architect and Landscape Designer, Mr. Bertram G. Goodhue, to make a study of the problems and to submit a report giving his recommendations as to a general development scheme to be built to in the future. Mr. Goodhue arrived after the close of the fiscal year, conferred with the Trustees and others, made a first-hand inspection of conditions local, and has returned East again to prepare his plans and estimates. To facilitate his work at Kamehameha, a new and accurate map of the School grounds has been made showing contours at 2-foot intervals.

The lighting system on the grounds of the School for Girls has this year been extended to relieve the obscurity on portions of the grounds not heretofore sufficiently provided with lights.

Equipment: Electric crude-oil burning stoves have this year been provided for the kitchens of the School for Girls and the Manual and Preparatory Departments of the School for Boys with the view of furnishing an adequate supply of hot-water - the former being in replacement of the rotary distillate burner installed as reported last year and which did not prove wholly satisfactory in operation. The saving in operating costs per stove, as compared with the old wood-burners, is estimated at about $300 per annum.

A dental operating room has been provided and equipped at the Manual Hospital, where all pupils may receive attention at nominal cost to them by a dentist whom the Schools have regularly retained for the purpose. The results of this innovation, during the past year, have been most satisfactory both from a material and educational point of view.

For the use of the President of the Schools, and of the Business Agent, an automobile has this year been furnished, doing away with the horse and buggy heretofore used. This is expected to prove a saving in costs of maintenance and also to provide the means of enabling the President the better to keep in touch with students

370

and ex-students in their home lives.

Miscellaneous: On August 10, 1916, the Territorial Department of Animal Industry completed a test of the School Dairy Herd and declared the stock free from evidence of tuberculosis.

In October, 1916, anapplication for the establishment at Kamehameha of a Junior Unit of the Reserve Officers' Training Corps, was granted by the War Department. This was done so that military training might be continued in accordance with the Act of Congress passed June 3, 1916, governing such matters; and through it the School may expect several additional privileges, such as new rifles and other equipment and service uniforms for the boys at Governmental expense. It has also been the means of securing the services of a sergeant-instructor in addition to the regular detail of a commissioned officer. Since the close of the school-year, however, both instructors have been withdrawn and no further details may be looked for until the close of the present war. Captain Booth who, for several years has acceptably performed the duties of professor of military science and tactics at Kamehameha and has always taken a personal interest in the boys and in the welfare of the Schools generally, has expressed the opinion that the effect of the military training has not only tended to promote among the boys habits of orderliness and obedience but has also had an effect upon their treatment of each other, their respect for authority and their manners; also, that it contributed indirectly but materially towards their progress in school work.

Contrary to the practice heretofore followed of choosing a place on this Island for the Annual Encampment of the Manual students, the Camp this year was held at Kilauea, Hawaii, where the boys enjoyed a change beneficial to them physically and mentally. The period of the encampment was from April 14 to the 24. Unfortunately, one of the boys, John Kakae, strayed away from the camp on April 19th and was lost in the thick forest: all efforts to find him proved fruitless.

In connection with the last Annual Report of the Trustees the Court, in September last, appointed a special Commission consisting of two members of the Bar, Messrs David L. Withington and Joseph Lightfoot, with Mrs Emma Nakuina, to examine and report upon the affairs

371

of the Schools. All of the members of this Commission visited the Schools on several occasions and the Trustees and Faculty were pleased to render them all the information and assistance possible. The results of the investigations of the Commission are contained in reports filed by it under date May 15, 1917, supplemented by the Trustees' answer filed June 22nd following.

On the evening of October 2, 1917, some of the Trustees attended a meeting of the Kamehameha Alumni Association, when questions pertaining to the course of study at the Manual were freely discussed to mutual advantage.

On May 11, 1917, the Trustees authorized certain changes in organization at the Manual designed to emphasize the educational feature of the Shops and to eliminate work which was not educational by adopting the policy of hereafter undertaking in the industrial departments only such work of a commercial nature as should, at the time, fit into the regular course of instruction and form beneficial practice work. This change will have the effect of reducing the volume of routine work heretofore handled by the students in the way of maintenance and other means will have to be found to carry on the necessary duties of this character, but there is no doubt that the change will benefit the student in that the shop instructors will now be able to conduct courses along regularly prescribed lines and to advance their classes by uniform stages without interruptions.

At the School for Girls, various changes in the curriculum have been adopted: hereafter more time will be given to arithmetic, language, reading and phonics and more attention paid to spelling and penmanship. The passing mark has also been changed from 80% for the three lower grades and 85% for the three upper and special grades, to 75% for all grades.

The Schools opened in all departments on Monday, September 11, 1916, with 319 pupils enrolled and closed on Thursday, June 7, 1917 with 307 pupils, segregated as follows:

	Opening	Closing
Manual Department, B/s	128	122
Preparatory Department, B/s	75	76
Girls' School	116	109
Total, ...	319	307

372

Full Scholarships were awarded by the Schools, during the year, to 32 pupils - 3 at the Manual, 21 at the Preparatory and 8 at the School for Girls.

Graduation Certificates to the number of 35 were awarded, as follows:

	Pupils	
Manual Department, B/s		
Machine Shop,	10	
Electrical Shop,	6	
Forge Shop,	1	
Paint Shop,	1	18
Girls' School		
English Branches,	13	
Domestic Arts (Dressmaking),	4	17

Eleven pupils in the Preparatory Department of the School for Boys qualified for promotion to the Manual.

In May last four Manual Seniors were placed in positions at Paia Mill, Maui - three of them for engineering work. Two other boys were subsequently placed with local firms - one as a machinist with Catton, Neill and Company, the other as rodman with Surveyors Baldwin and Alexander. All were allowed to return and graduate with their class in June.

In concluding this report, the Trustees wish to record their appreciation of the work of the President of the Schools, his Principals and Faculty, during the year. No one connected with such a Trust as this can help but imbibe the spirit of its Founder and however opinions might differ about the method of attaining them all have been, and are, striving fairly to carry out the aims and purposes of Mrs Bishop as expressed by her Will.

Respectfully Submitted,

W. O. Smith

IN THE CIRCUIT COURT OF THE FIRST JUDICIAL CIRCUIT,

TERRITORY OF HAWAII.

At Chambers. (No. 2048.) In Equity.

IN THE MATTER OF THE ESTATE OF -of- BERNICE PAUAHI BISHOP, Deceased.	THIRTY-SECOND ANNUAL ACCOUNT OF TRUSTEES.

MASTER'S REPORT

To the Honorable CLARENCE W. ASHFORD, First Judge of the above-entitled Court, presiding at Chambers:-

The following report is respectfully submitted on the Thirty-Second Annual Account of Messrs. WILLIAM O. SMITH, E. FAXON BISHOP, ALBERT F. JUDD, ALFRED W. CARTER and WILLIAM WILLIAMSON, Trustees under the Will and of the Estate of BERNICE PAUAHI BISHOP, deceased, filed in this Court on the 8th day of December, A.D. 1917, and covering a period of one year, from and including the 1st day of July, A.D. 1916, up to and including the 30th day of June, A.D. 1917.

397

The Trustees charge themselves with the sum of $390,257.23

Receipts, as per Schedule "A", classified as follows:

Kamehameha Schools,	$ 30,645.89
Suspense,	8,939.90
Interest,	23,736.06
Rent notes,	1,000.00
Fees,	125.00
Firewood,	915.45
Kona sales,	95.00
Incidentals (Land Agency),	163.15
Surveying,	76.05
Insurance,	311.36
Law,	93.10
Taxes,	4.00
Tax appeals,	814.80
Frontage tax,	1,661.07
Incidentals (general office),	44.64
Sales of land,	18,457.90
Kona, Oahu, lands,	1.00
Roads and sewers,	311.33
Buildings,	1,493.00
Fencing,	844.32
Bills receivable,	33,400.00
Sundry tenants (rents),	246,174.10
Balance on hand June 30, 1916,	20,950.11
Total Receipts,	$390,257.23

The Trustees ask to be allowed the sum of $378,317.58

Disbursements, as per Schedule "B", classified as follows:

Kamehameha Schools,	$160,018.21
Suspense,	6,324.26
Interest	621.71
Incidentals (Land Agency),	2,512.46
Auto expenses,	752.35
Surveying,	1,238.90
Insurance,	1,267.72
Law costs,	7,696.28
Repairs,	33.10
Rents,	4,883.80
Taxes,	53,932.90
Tax appeals,	671.30
Frontage tax,	8,796.45
Sewer rates,	26.50
Incidentals (general office),	2,260.90
Carried Forward,	$251,036.84

398

Brought Forward,	$251,036.84	
Salaries,	18,892.90	
Stocks,	2,160.00	
Agents' commissions,	646.56	
Trustees' commissions,	14,006.21	
Purchase of lands,	225.00	
Sales of land,	873.00	
Patents and abstracts,	425.00	
Roads and sewers,	15,199.64	
Fencing,	1,711.52	
Improvement of lands,	2,537.05	
Maunalua pond improvements,	8,033.30	
Kamehameha Alumni Dormitory,	5,211.40	
Furniture and equipment,	2,442.45	
Bills receivable,	1,021.71	
Investments,	53,895.00	
Total Disbursements,		$378,317.58

The items comprising this Schedule are supported by Nine Hundred and Thirty-three (933) vouchers, which I have carefully examined and checked with the items of disbursement appearing on the Schedule, and find same to be in order and correct.

The Trustees have charged the statutory rates of commission, as follows:

Income.

10%	on	$ 1,000.00,	$ 100.00	
7%	on	4,000.00,	280.00	
5%	on	262,745.75,	13,137.28	$13,517.28

Principal.

2½%	on	$ 19,557.30,	488.93
		Total commissions,	$14,006.21

which I find to be correctly computed.

The Thirty-first Annual Account of the Trustees for the year ending June 30, 1916, shows that there was a balance of $20,950.11 cash on hand, which balance has been properly brought forward to this account.

The Trustees have also filed a report with the account, included in which is a summary statement of the property of the Estate, which shows the value of the Estate, as of June 30, 1917, to be the sum of $4,179,906.10, and can properly be classified as follows:

Real Property,	$2,876,793.91	
Personal Property,	482,066.67	
Kamehameha Schools Account,	821,045.52	$4,179,906.10

The Trustees have also filed a statement of the personal property investments of the Estate, which is classified as follows:

Stocks.		
Hawaii Consolidated Railway, Ltd.,		$ 13,200.00
Bonds.		
Hawaii Consolidated Railway, Ltd.,	$38,280.00	
Honokaa Sugar Co.,	40,500.00	
Honolulu City and County,	20,500.00	
McBryde Sugar Co.,	10,000.00	
Mutual Telephone Co., -$1000.	22,307.50	
Mutual Telephone Co., - 500.	1,062.50	
Oahu R. & L. Co., 1000.	54,975.00	
Oahu R. & L. Co., 500.	2,125.00	
Oahu Sugar Co., 1000.	26,400.00	
Oahu Sugar Co., 500.	2,100.00	
Olaa Sugar Co.,	24,650.00	
Pacific Sugar Mill,	20,000.00	
Alex. Young Building Co.,	2,040.00	264,940.00
Notes.		
Y. Ahin,	$20,000.00	
Kamehameha Alumni Association,	1,021.71	
Wm. H. McInerny,	63,750.00	84,771.71
Total Personal Property Investments,		$362,911.71

I have visited the offices of the Trustees, have seen and examined the securities, and find the same to be in order and correct, except that I find that subsequent to the closing of the accounts herein the Trustees have disposed of 18-$1000. and 4-$500. Oahu Sugar Company bonds. This item will appear in the Thirty-third Annual Account.

The balance of cash on hand as of June 30, 1917, has also been verified by me.

Of personal property investments reported at the close of the year preceding, current collections aggregated $33,400.00, all of which was re-invested.

On August 30, 1916, the Estate received from the $80,000.00 Hilo Railroad 6% bonds referred to in the last report as deposited with the Hawaiian Trust Co., Ltd., depositary for bond-holders, $44,000.00 First Mortgage 5% bonds and $36,800.00 preferred 7% stock in the new joint stock company formed to take over the affairs of the old company, and organized as the "Hawaii Consolidated Railway, Ltd.", together with interest accrued on $80,000.00 at 6% from October 1, 1914, to April 1, 1916, amounting to $7,200.00, also paid in 7% preferred stock. At the close of the year both bonds and stocks were written down to the actual cash market obtaining on that date.

The loan to the Kamehameha Alumni Association, mentioned in the accounts, represents the cost of furnishing a new dormitory of that association, the amount being advanced by the Trustees on a promissory note (3 years, 6%), executed by E. C. Webster as Trustee for the association.

The book value of the securities detailed in the statement of investments as on hand at the close of the year is $362,911.71, a decrease of $4,138.29 as compared with the total reported at the close of the preceding year. The decrease is accounted for as follows:

Bonds and notes sold,	$33,400.00	
Hilo Railroad bonds retired,	77,135.00	$110,535.00
Bonds, notes, etc., purchased,	$57,076.71	
Hawaii Con. Ry. bonds exchanged,	38,280.00	
Hawaii Con. Ry. stock "	11,040.00	106,396.71
Decrease,		$ 4,138.29

401

The year's new additions are as follows:-

Bonds.

Mutual Telephone Co.,	$ 2000.	@ 106.	5%	$ 2,120.00	
Mutual Telephone Co.,	20000.	" 106.25	"	21,250.00	
Olaa Sugar Co.,	10000.	" 100.25	6%	10,025.00	
Kalakaua Avenue,	20000.	" 102.50	5%	20,500.00	$53,895.00

Stocks.

Hawaii Consolidated Ry.	7200.	@ 30.00	7%,	2,160.00

Notes.

Kamehameha Alumni Association,	6%,	1,027.71

Finding the Thirty-second Annual Account of the Trustees correct in each and every particular, I recommend that the same be passed and approved by this Honorable Court in all respects as the same is rendered, presented and filed.

Respectfully submitted,

W. C. Wilder

Master.

PETITION FOR A VESTING ORDER.

To the Honorable Presiding Judge at Chambers
of the Circuit Court of the First Judicial
Circuit of the Territory of Hawaii:

Your petitioners, William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, all residing in the City and County of Honolulu, Territory of Hawaii, respectfully represent and show:

1. That your petitioners are Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu aforesaid, deceased, who died on the 16th day of October, 1884, and whose Will and the two Codicils thereto were admitted to probate by the Supreme Court of the Hawaiian Islands on the 2nd day of December, 1884, as the last Will and Testament of said deceased;

2. That Alfred W. Carter, one of the five Trustees under the said Will and of the said Estate, has resigned his office as such Trustee, said resignation being accepted by C. W. Ashford, First Judge of the Circuit Court of the First Judicial Circuit, at Chambers, in Equity, by decree dated August 20th, 1917;

3. That on the 26th day of December, 1917, a majority of the Justices of the Supreme Court of the Territory of Hawaii, under and by virtue of the power of appointment con-

405

ferred upon them by the said Will as aforesaid, appointed Richard H. Trent of said Honolulu, Trustee under the said Will and of the said Estate in the place of and in succession to the said Alfred W. Carter resigned as aforesaid;

4. That it is necessary that the legal title in and to all of the property and assets and choses in action forming the estate heretofore held in trust by the said William O. Smith, E. Faxon Bishop, Albert F. Judd and William Williamson and the said Alfred W. Carter as Trustees under the said Will and of the said Estate, do vest in the said William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and the said Richard H. Trent as co-trustees jointly, upon or subject to the trusts provided by the said Will;

WHEREFORE your petitioners pray that an order be made vesting all of the said property in your petitioners, William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent as Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, upon or subject to the trusts created by the said Will, upon the filing by the said Richard H. Trent of such bond as the Court may direct.

Dated, Honolulu, T. H., January 3rd 1918.

APPOINTMENT OF TRUSTEE.

Mr Trent's copy

WHEREAS, ALFRED W. CARTER, one of the Trustees under the Will and of the Estate of Bernice Pauahi Bishop, late of Honolulu, deceased, has resigned his office as such Trustee; and

WHEREAS, by reason of such resignation a vacancy in said office now exists; and

WHEREAS, in and by the said Will it is provided that vacancies in the officesof the Trustees under said Will and of said Estate shall be filled by a majority of the justices of the Supreme Court, the selection to be made from persons of the Protestant religion:

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That the undersigned Justices of the Supreme Court of the Territory of Hawaii, being a majority of the Justices of the said Supreme Court, by virtue and in exercise of the power for this purpose given to them in and by said Will, do hereby appoint RICHARD H. TRENT of the City and County of Honolulu, Territory of Hawaii, (a person of the Protestant religion), a Trustee under the said Will and of the said Estate in place of and in succession to the said Alfred W. Carter, resigned, upon his filing with the circuit court of the first judicial circuit a bond in such amount and form as may be approved by the judge of said court sitting at chambers in equity.

IN WITNESS WHEREOF the said undersigned have hereunto set their hands and seals this 26th day of December, 1917.

ORDER VESTING PROPERTY IN NEW TRUSTEE.

The petition of William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, all of the City and County of Honolulu, Territory of Hawaii, representing that they are Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu aforesaid, deceased, who died October 16, 1884, and whose Will was admitted to probate by the Supreme Court of the Hawaiian Islands on December 2, 1884; that Alfred W. Carter, one of the five trustees under the said will and of the said estate has resigned his office as such trustee; that on the 26th day of December, 1917, a majority of the Justices of the Supreme Court of the Territory of Hawaii, under and by virtue of the power conferred on them by the said Will as aforesaid, appointed Richard H. Trent of Honolulu aforesaid, trustee under the said will and of the said estate in place of and in succession to said Alfred W. Carter resigned as aforesaid; that it is necessary that the legal title in and to all of the property and assets and choses in action forming the estate heretofore held in trust by William O. Smith, E. Faxon Bishop, Albert F. Judd,

414

William Williamson and the said Alfred W. Carter as Trustees as aforesaid, do vest in the said William O. Smith, E. Faxon Bishop, Albert F. Judd and William Williamson and the said Richard H. Trent as co-trustees jointly upon or subject to the trusts provided by the said Will; and it appearing upon hearing of said petition that the allegations of said petition are true, and no good cause appearing to the contrary, but good cause appearing therefor;

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that all of the said property forming the estate of the said Bernice P. Bishop, deceased, be, and the same is hereby vested in the said William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent as Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, upon or subject to the trusts created by the said Will.

In the Matter of the Estate of)

BERNICE PAUAHI BISHOP,) THIRTY-THIRD (Partial) ACCOUNT AND REPORT OF

Deceased.) TRUSTEES

ORDER.

APPROVING THIRTY-THIRD (Partial) ACCOUNT AND REPORT OF THE TRUSTEES UNDER THE WILL AND OF THE ESTATE OF BERNICE P. BISHOP, DECEASED.

WHEREAS, W. O. Smith, E. F. Bishop, A. F. Judd, A. W. Carter and W. Williamson, Trustees under the Will and of the Estate of Bernice Pauahi Bishop, deceased, have caused to be filed in this Court their Account and Report of the administration of the said trust, covering the period from July 1st to August 20th, 1917, together with a detailed statement of receipts and expenditures, accompanied by 111 vouchers, the said account being and containing the Final Account of said A. W. Carter, Trustee, resigned, presented in compliance with the order and decree of this Court herein filed, dated August 20th 1917;

AND WHEREAS the said Account and Report was by this Court referred to W. C. Wilder, as Master to examine the same, and the said Master has on the 28th day of December, 1917, filed herein his report wherein he finds that the Trustees have by a clerical error failed to bring forward in their account the balance of cash on hand of $11,939.65, as shown by the Thirty-Second Annual Account of said Trustees although the correct cash balance of $18,089.11 is correctly shown in the Report of said Trustees and wherein the Master further

418

finds that the computation of commissions in said Report and Account contained is correct but recommends the disallowance of the same on the ground that the same are not properly chargeable at this time under Section 2542 of the Revised Laws of Hawaii;

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that the findings of the Master as to the error contained in the said Thirty-Third (Partial) Account of said Trustees in failing to bring forward the balance of cash on hand, to wit, the sum of $11,939.65, from the Thirty-Second Annual Account of said Trustees is hereby confirmed and approved and found correct and the Clerk of this Court is directed to amend and correct the said Thirty-Third (Partial) Report of said Trustees in accordance with the said findings of the Master;

AND IT FURTHER ORDERED, ADJUDGED AND DECREED that the finding of the Master wherein he recommends the disallowance of the Trustees commissions, set forth on page 3 of said Master's Report, is hereby found to be incorrect, the said Trustees' commissions being properly chargeable and payable at this time and as in said Trustees Thirty-Third (Partial) Report and Account set forth;

AND IT IS FURTHER ORDERED that the said W. C. Wilder, Esq., Master as aforesaid, be allowed and paid out of said trust as compensation for his services in the examination and report on the said Thirty-Third (Partial) Report and Account of the said trust in the sum of One Hundred Dollars ($100.00);

Dated at Honolulu, T. H. January 23rd 1918.

THIRTY-THIRD (PARTIAL) ANNUAL REPORT

of the

TRUSTEES OF THE BERNICE P. BISHOP ESTATE

for the period

from

JULY 1st to AUGUST 20th 1917

IN THE CIRCUIT COURT OF THE FIRST JUDICIAL CIRCUIT

TERRITORY OF HAWAII

IN EQUITY AT CHAMBERS

In the matter of the Bernice P.Bishop Estate

TRUSTEES' REPORT

for the period

JULY 1st to AUGUST 20th 1917

TO the Presiding Judge
of the First Circuit

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, beg to submit herewith detailed accounts, covering the period from July 1st 1917 to the 20th day of August, 1917, the same being in the nature of a partial report for the THIRTY-THIRD FISCAL YEAR ending June 30th.1918 and being presented in compliance with the order and decree of the Presiding Judge of the Circuit court of the First Judicial Circuit, dated August 20th, 1917.

THE DETAILED ACCOUNT of Receipts and Expenditures, above mentioned, (Schedules "A" and "B"), accompanied by 111 vouchers and Schedule "C" shows as follows:

RECEIPTS from all sources			
Revenue (Rents, Interest, etc)..	$59,175.77		
Capital (Land Sales).....	737.80	$59,913.57	
Balance forward from last a/c.....		11,939.65	$71,853.22
DISSBURSEMENTS			
Revenue (Working charges).....		$43,011.16	
Capital (Development charges).....		10,752.95	53,764.11
Balance in hand August 20th 1917.....			18,089.11

---over---

440

At the close of the fiscal year proper the Trustees will file their THIRTY-THIRD complete report, and need only mention here that there has been no change in investments since the filing of the Thirty-second annual report, nor has the inventory of Real Property been otherwise changed than by the small sales accounted for on pages 2 and 7 of the partial account herewith, and the purchases mentioned on pages 12 and 14 thereof.

Respectfully submitted,

Trustees under the Will and of the Estate of Bernice P.Bishop.

B

IN THE CIRCUIT COURT OF THE FIRST JUDICIAL CIRCUIT,

TERRITORY OF HAWAII.

At Chambers. (No. 2048.) In Equity.

IN THE MATTER OF THE ESTATE
-of-
BERNICE PAUAHI BISHOP,
Deceased.

THIRTY - THIRD (Partial) REPORT OF TRUSTEES.

MASTER'S REPORT

To the Honorable CLARENCE W. ASHFORD, First Judge of the above-entitled Court, presiding at Chambers:-

The following report is respectfully submitted on the Thirty-third (Partial) report of Messrs. WILLIAM O. SMITH, E. FAXON BISHOP, ALBERT F. JUDD, A. W. CARTER and WILLIAM WILLIAMSON, Trustees under the Will and of the Estate of BERNICE PAUAHI BISHOP, deceased, filed in this Court on the 8th day of December, A.D. 1917, and covering a period of one and two-thirds months, from the 1st day of July, A.D. 1917, up to and including the 20th day of August, A.D. 1917.

442

The Trustees charge themselves with the sum of $59,913.57

Receipts, as per Schedule "A", classified as follows:

Interest,	$ 1,300.00	
Sales of land,	737,80	
Kamehameha Schools,	2,710.65	
Fees,	7.50	
Land Agency,	2.45	
Building account,	200.00	
Sundry tenants,	52,139.39	
Suspense (Trustees' commissions),	2,815.78	$59,913.57

I find that the Trustees have, by an oversight, failed to bring forward the balance of cash on hand as shown by the Thirty-second Annual Account of $11,939.65. This would bring the total of Schedule "A" to $71,853.22, instead of $59,913.57; and with this balance brought forward Schedule "C" would show a cash balance on hand as of August 20, 1917, in the sum of $18,089.11, instead of $6,149.46.

The report of the Trustees, which was filed with the accounts, shows the balance of cash on hand to be the sum of $18,089.11.

I have visited the offices of the Trustees and have verified the cash on hand on August 20, 1917, and find same to be $18,089.11.

I would suggest that the Trustees be allowed to amend Schedule "C" by adding thereto the balance of cash on hand June 30, 1917, as shown by the Thirty-second Annual Account.

The Trustees ask to be allowed the sum of $53,764.11

Disbursements, as per Schedule "B", classified as follows:

Suspense (Trustees' commissions),	$11,745.68	
Kamehameha Schools,	27,722.50	
Incidental (Land Agency),	416.67	
Incidental (General Office),	109.61	
Auto expense,	61.15	
Salaries,	2,092.30	
Law costs,	327.90	
Roads and sewers,	7,125.25	
Sewer rates,	11.00	
Rents,	100.00	
Improvement of lands,	21.30	
Surveying,	300.00	
Purchase of lands,	766.00	
Frontage tax,	2,840.40	
Taxes,	124.35	$53,764.11

443

The items comprising this Schedule are supported by One Hundred and Eleven (111) vouchers, which I have carefully examined and checked and find same to be in order and correct, except as hereinafter set forth.

The Trustees have filed a statement of the commissions due them for the one and two-thirds months covered by this account, as follows:

10%	on	$ 1,000.00	$ 100.00)		
7%	on	4,000.00	280.00)	Income.	
5%	on	48,346.89	2,417.34)		$2,797.34
2½%	on	$ 737.80		Principal.	18.44
			Total,		$2,815.78

I find the above computation of commissions to be correct, but I am of the opinion that the Trustees cannot properly charge these commissions under Section 2542 of the Revised Laws of Hawaii for 1915.

I therefore recommend that these commissions be disallowed at this time.

I have visited the offices of the Trustees, have checked the securities, and beg to report that they remain the same as reported by the Master on the Thirty-second Annual Account of the Trustees.

Finding the Thirty-third (Partial) Report and Accounts of the Trustees correct, except as hereinabove reported, I recommend that the same be approved and passed by this Honorable Court.

Respectfully submitted,

W. C. Wilder

Master.

Dated: HONOLULU, T.H,

December 26, 1917.

PETITION OF TRUSTEES FOR APPROVAL OF ANNUAL (REMAINDER) ACCOUNT.

To the Honorable
the Presiding Judge at Chambers, in Equity,
of the above entitled Court:-

The petition of the undersigned, William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, Trustees, of the City and County of Honolulu, Territory of Hawaii, respectfully shows unto your Honor as follows:

I.

That they are the duly appointed, qualified and acting Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu, deceased.

II.

That the petitioners herein submit to the Court their 33rd annual (remainder) report and account as such Trustees of their transactions under and in respect of said Trust Estate covering the period from August 21, 1917 to and including June 30, 1918.

III.

That upon Schedule "A" of said account they show all of their receipts as such Trustees during said period.

449

IV.

That upon Schedule "B" of said account they show all of their expenditures as such Trustees during said period.

V.

That upon Schedule "C" they show the aggregate of such receipts and expenditures, all of said schedules being attached hereto and made parts hereof.

VI.

That petitioners submit and file herewith a full and complete inventory of the investments made by them under and by virtue of said trust, and which were outstanding at the close of said period.

VII.

That in and by their said attached report they set forth in more detail the transactions had under and by virtue of their said trust during said period.

WHEREFORE YOUR PETITIONERS PRAY that said account may be referred by the Court to a master to be examined and audited if the Court shall deem such course advisable.

AND THEY FURTHER PRAY that their said account may be examined, approved and allowed by the Court.

Dated this 12th day of September, 1918.

Trustees under the Will and of the Estate of Bernice P. Bishop.

ACCOUNTANT'S ANNUAL REPORT

1917 -- 1918

The Kamehameha Schools
Honolulu, T.H.
July 1, 1918

Mr. E. C. Webster
President, Kamehameha Schools

Dear Sir:

There follows herewith the general trial balance, June 30, 1918, and tabulated statements covering all expenditures at these Schools during the Fiscal year beginning July,1, 1917, and ending June 30, 1918, viz:

I	General Trial Balance, June 30, 1918
II	Capital Expenditures & Extraordinary Expense, 1917-1918
III	Comparative Statement of Operating Expenses, 1917-1918 for each of the three Schools.
IV	Comparative Statements of Operating Expenses, 1916-1917 and 1917-1918 for all the Schools and for each of the three Schools.
V	Statement of Inventories, June 30, 1918
VI	Students' Ledger Accounts
VII	Sundry Accounts Receivable
VIII	Students' Bank

Respectfully submitted,

H. E. Kuig.

Accountant

AT CHAMBERS. IN EQUITY.

In the Matter of the)
)
BERNICE P. BISHOP ESTATE)

PETITION OF TRUSTEES FOR APPROVAL OF ANNUAL ACCOUNT.

To the Honorable
the Presiding Judge at Chambers, in Equity,
of the above entitled Court:-

The petition of the undersigned, William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, Trustees, of the City and County of Honolulu, Territory of Hawaii, respectfully shows unto your Honor as follows:

I.

That they are the duly appointed, qualified and acting Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu, deceased.

II.

That the petitioners herein submit to the Court their 34th annual report and account as such Trustees of their transactions under and in respect of said Trust Estate covering the period from July 1, 1918, to and including June 30, 1919.

III.

That upon Schedule "A" of said account they show all of their receipts as such Trustees during said period.

IV.

That upon Schedule "B" of said account they show all of their expenditures as such Trustees during said period.

Referred to ... as Master this 29th day of November A. D. 1919
Clerk of the Circuit Court of the First Circuit.

V.

That upon Schedule "C" they show the aggregate of such receipts and expenditures, all of said schedules being attached hereto and made parts hereof.

VI.

The petitioners submit and file herewith a full and complete inventory of the investments made by them under and by virtue of said trust, and which were outstanding at the close of said period.

VII.

That in and by their said attached report they set forth in more detail the transactions had under and by virtue of their said trust during said period.

WHEREFORE YOUR PETITIONERS PRAY that said account may be referred by the Court to a master to be examined and audited if the Court shall deem such course advisable.

AND THEY FURTHER PRAY that their said account may be examined, approved and allowed by the Court.

Dated this 4th day of September, 1919.

W. O. Smith
A. F. Judd
Wm Williamson

The Trustees under the Will - and of the Estate of Bernice P. Bishop.

TERRITORY OF HAWAII)
) SS.
CITY AND COUNTY OF HONOLULU.)

WILLIAM WILLIAMSON, one of the above named petitioners, having been duly sworn deposes and says:

That he has read the foregoing petition and also the schedules therein referred to, and ahereto attached, and made parts of said petition, and knows their contents, and that the account of receipts and expenditures set forth in said schedules respectively is correct; and that the allegations contained in the said petition are true to the best of the deponent's knowledge and belief.

Wm. Williamson

THIRTY-FOURTH ANNUAL REPORT

of the

TRUSTEES OF THE BERNICE P. BISHOP ESTATE

YEAR ENDING

JUNE 30th, 1919

FILED
AT 10.30 O'CLOCK A. M.
Nov. 18, 19
P.N. Kahalepuna
CLERK

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

TERRITORY OF HAWAII

IN EQUITY AT CHAMBERS

In the matter of the Bernice P. Bishop Estate) TRUSTEES' REPORT for the year ending JUNE 30th, 1919.

To the Presiding Judge of the First Circuit.

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, beg to submit this their THIRTY-FOURTH ANNUAL REPORT, covering the period from July 1st, 1918, to and including the 30th day of June, 1919.

THE USUAL DETAILED ACCOUNT of Receipts and Expenditures (Schedules "A" and "B") accompanied by 1,045 vouchers and Schedule "C", is herewith presented, together with a Statement of Investments, a Summary of the year's Real Estate Transactions and an abstract Inventory of the Real and Personal Property of the Trust, hereto attached and made a part of this Report. A copy of the Report of the Registrar of the Kamehameha Schools is also filed herewith.

The accounts for the year show as follows:

RECEIPTS from all sources:			
Revenue (Rents, Interest, Etc.)	$455,211.89		
Capital (Land Sales, Etc.)	63,732.44	$518,944.33	
Balance forward from last a/c		14,719.61	$533,663.94
DISBURSEMENTS			
Revenue (Working Charges)		$390,621.25	
Capital (Development Charges)		142,811.59	533,432.84
Balance in Hand, June 30/19			$ 231.10

Of the net Revenue Receipts, amounting to $409,045.52 (including the balance of $14,719.61 brought forward from last accounts), 80.61% was used in general maintenance, segregated as follows:

Kamehameha Schools	40.92%		
Taxes	23.76%		
General Operating Expenses	15.93%	80.61%	
Converted into Capital		19.33%	
Balance forward to new a/c		.06%	

Of the net Capital Receipts, amounting to $136,150.71 (including the above converted Revenue of $79.079.15) 61.37% was invested in a way calculated to produce income - the segregation being as follows:

Bonds Purchased	45.86%		
Lands Purchased	.21%	46.07%	
Grading Lands		7.32%	
Roads and Sewers		7.60%	
Sundries		.38%	61.37%
Kaahumanu St Building, Maps, etc.			23.51%
Kamehameha Schools			15.12%

LEASES AND RENTALS

The rent collections for the year, (including taxes recovered from tenants and treated as rents), amounted to $371,349.56 - an increase of $83,161.09. This exceptional increase is partially accounted for by the fact that a number of old leases have lately run out and been renewed on the basis of present day values, but a substantial part of the increase is due to an accumulation of back rent collected this year from the Pioneer Mill Company under its lease of Paunau, Lahaina, heretofore withheld pending the settlement of questions in dispute. This should properly be distributed over a period of some four years in order to reach a fair comparison. The principal increases were from the following lands:

To June 30th	1918	1919
Heeia, Koolaupoko, Oahu	$ 2,010.00	$ 4,020.00
Waiawa, Ewa, Oahu	7,057.67	21,017.00
Kapaakea, Honolulu	458.35	7,060.30
Pahoehoe, Hilo, Hawaii	1,200.00	8,367.75
Paunau, Lahaina, Maui	Nil	46,593.04
Kikala, Hilo, Hawaii	3,000.00	5,755.00
	$13,726.02	$92,813.09
Net Increase		$79,087.07

Leases in force at the close of the year numbered 980 - an increase of 35 since last report. Tenancies (so-called as distin-

guished from lease-holds) numbered 56 - an increase of 4. The classified record for the twelve months ended June 30/19, is as follows:

Leases	
New	135
Surrendered	18
Cancelled	9
Given up on expiration or renewal	72
Transferred on Sales of land	1
Term extension granted	13
Assignments permitted	73
Tenancies	
New	25
Terminated	21

Reduced rents have been continued or allowed in the case of 25 leases, of which 6 were of lands on Oahu, and 19 on Hawaii.

INVESTMENTS

Of personal property investments reported at the close of the year preceding, current collections aggregated $25,000, all of which has been reinvested.

On August 3rd, 1918, United States 4½% Certificates of Indebtedness were purchased in the amount of $20,000. These were subsequently (on December 2nd, 1918) exchanged for 4½% Bonds of the Fourth Liberty Loan.

On November 12th, 1918, the $2,000 Young Building 6% Bonds held by this Trust were exchanged for a like amount of new 7% Bonds of the same Company, issue of July 1st, 1918. As they had been purchased at 102 and were retired at par, the resultant loss was $40.

The book value of the securities detailed in the appended Statement of Investments as on hand at the close of the year, is $378,198.41 - an increase of $37,402.40 as compared with the total reported at the close of the year preceding. This is accounted for as follows:

Forward from June 30th, 1918		$340,796.01	
Deductions:			
McInerny Notes, a/c Principal	$ 5,000.00		
Ahin Note retired	20,000.00		
Young Bonds Exchanged - Loss.	40.00	25,040.00	$315,756.01
Forwarded			$315,756.01

Forwarded					$315,756.01
Forward from June 30th, 1918, (Continued):					
Additions:					
U. S. War Savings Stamps	$ 400	@	$ 83.60	$ 334.40	
Fourth Liberty 4¼% Bonds	4000	@	100.00	40,000.00	
Ter't'l Pub Imp 4% Bonds	20000	@	98.04	19,608.00	
Fifth Liberty 4½% " a/c	25000	@	100.00	2,500.00	62,442.40
Total, June 30/19					$378,198.41

Since June 6th, 1919, interest has been received at the rate of 2% on the average of the daily balance of the bank deposits of this Trust, in excess of $5,000.00.

TRUSTEES AND MEETINGS

There has been no change in the personnel of the Trustees since last Report - the Board being now constituted at the close of the year, as follows: William O. Smith, President; E. Faxon Bishop, Vice-President; William Williamson, Secretary and Treasurer; Albert F. Judd and Richard H. Trent.

Forty-seven meetings were held during the year.

LANDS AND IMPROVEMENTS

The details of the year's realty transactions of the Estate (other than those pertaining to leases) are set forth in the appended Statement - the list comprises 14 sales, 1 purchase and 5 agreements. The most important of the sales were those made to the Security Trust Company of Hilo, Limited (mentioned in last Report as then pending) and to the Ponahawai Coffee Company, Limited, of portions of the Ahupuaa of Kalalau, in South Hilo, Hawaii. The single purchase was that of three kuleanas in Kanewai, Waikiki, Oahu, needed to consolidate Estate holdings there.

Roads and Sewers: As in the year preceding, the largest expenditure of this year occurred under this head, representing the cost of various undertakings in the way of permanently developing and improving the lands of the Estate, the aggregate expenditure being $10,340.77, or 7.6% of the total capital outlay, distributed as follows:

9

(1) Keauhou Subdivision $8,045.47

This was part of the work of developing the two Kipukas in Keauhou 2, North Kona, Hawaii, mentioned in last Report. The total cost of the subdivision to June 30/19 has been $19,236.19, including the cost of constructing 2.39 miles of 16-foot road of an average grade of about 8%, completed November 30/19.

(2) Keoula Street Sewer Extension $2,045.40

This work included Street, Sewer and Water improvements necessary to make available for homes an acre of Estate land in Kakaako, known as Block 18. The work was completed November 30/19 and practically all of the lots in the tract have since been leased at fair rentals.

(3) Kaumualii Road Improvements ..... $ 249.90

This road, otherwise known as Fourth Street, Kapalama, had become impassable and as the Estate was interested in the improvement, contributed the amount stated towards the cost - the city doing the work, which was completed January 24/19, at a total cost of $523.92.

Grading: The work of filling in low lands in Hilo, Hawaii, undertaken by the Territory under the title of the Waiolama Reclamation Project, was completed this year. The cost to the Estate for its Piopio lands concerned was $9,965.65 or 7.32% of the year's capital outlay, including 13,708 cubic yards of fill, in place, and proportionate part of the actual cost to the Government of engineering and inspecting, and securing title to a right-of-way for, and constructing the new drainage canal. The assessment represents a unit charge against the benefitted Estate lands of approximately 4½¢ per square foot, but the benefit received is at least equivalent to this amount, if not more.

Buildings A/c: The new office building of the Trustees, the commencement of the construction of which was mentioned in last Report, was completed September 6/18 and occupied on the 20th following. It is located at 848-850 Kaahumanu Street and accommodates the Trustees of the Bernice P. Bishop Museum and of the Charles R. Bishop Trust as well - those Trusts having given up their old quarters at 77

Merchant Street and moved over with the Estate, to whom they pay the same rentals as was formerly charged in the other building. The new building is a one-story concrete structure and cost $26,667.10, exclusive of the lot and the steel furnishings with which it is completely equipped. It is light and airy, is far more commodious than the old building and admits of the added advantage of having the Land Department and the General Business Office on the one floor.

Other Capital Payments included:

(1) Test Borings and Soundings $427.42
This being a continuation of the work reported as commenced last year at Kakaako to determine the character of the bottom of the submerged area makai of Ala Moana and the accurate location of the edge of the reef, in order to make a complete preliminary study of the question of future improvements in this locality, including docks and a channel to deep water. The total cost of the survey (completed about November 30/19) was $3,371.25.

(2) Palolo Stream Walls ..... $ 59.99
Being the remainder of the cost of renewing the wall along a section of the Palolo Stream damaged by floods as reported last year. The total cost was $164.97, of which one-half was recovered from the Liliuokalani Trust, the adjoining owners.

(3) Paki Building Plans ..... $ 30.12
Cost of storage in San Francisco for one year to September, 1919.

During the severe storm in December last, the old tenement standing on Estate land at the corner of King Street and Houghtailing Road, was so damaged by the high winds that it had to be torn down. Taking advantage of this opportunity to improve the appearance of the approach to the Kamehameha Schools at this point, the Trustees secured from the lessee a surrender of this lease and issued in its stead a new lease the lines of which push the King Street frontage further back, thus providing for future street widening. A one-story frame store-building and cottages in rear have replaced the old tenement.

Another old frame-building of the tenement type that has stood for some years on the Bishop Estate land at the makai-ewa corner of Nuuanu and Kukui Streets, has also been removed - the lessees having surrendered their lease rather than meet the expense of making the changes demanded by the Board of Health. The building was sold by the Estate as it stood for $1,500. It will be replaced by a modern cut-stone or concrete structure on plans to be approved by the City Authorities and by the Trustees, and the lines of the new lease will be fixed so as to allow for the proposed widening of Nuuanu Street.

The Trustees have otherwise assisted the public health officials in this section of the city by making it an object for tenants to comply with certain demands for sanitary alterations in their building arrangements by granting lease extensions in the case of two occupants of Nuuanu Street lots.

In compliance with the conditions of its Right-of-Purchase lease of the block of land at Kapalama known as Kalihi Park, the city has graded and grassed the demised premises and also macadamized Colburn Street with coral for a width of sixteen feet from Waipilopilo Road to Kalihi Road. This park was formally opened to the public on January 12th last, with appropriate ceremonies.

In co-operation with the Hawaii Agricultural Experiment Station (U. S. Department of Agriculture), the Trustees, in August, 1918, defrayed the expense of shipping to Kona, Hawaii, and there planting a number of trees of the Macadamia or Queensland nut - a tree with which experiments have been tried in various parts of the Islands and which, it is believed, might eventually prove of commercial value. As it may be planted without interference with the growing coffee and offers permanent shade therefor, the planters in Kona have shown a ready disposition to assist in the experiment; and by the middle of February nearly 300 had been set out, under the personal supervision of Mr. Higgins of the Station staff, in lots

of from 20 to 25 in ten different localities in Keei, South Kona, at elevations of from 900 to 2100 feet, and in four different localities in Keauhou, North Kona, at elevations of from 1400 to 1600 feet - the experiments being conducted at the different elevations in order to determine the range of optimum production. The results of the experiment will be watched with interest.

MAPS AND SURVEYS

Of the year's Capital Expenditure, $1,880.67 was charged to Maps and Surveys and includes:

(a) The Bishop Estate's one-third share of the costs incurred in locating and marking the Waialae-Wailupe boundary from the sea to the top of the Koolau Ridge - the other two-thirds being borne by the Perry and Isenberg Estates $215.35

(b) The balance of costs incurred in re-subdividing the land of Honaunau, South Kona, Hawaii $765.46

(c) The costs incurred in the continuation of surveys of the lands of the Island of Hawaii, including Punaluu, Kau, still in progress at the close of the year $899.86

A blue-print copy of the above Honaunau map has been furnished gratis to the Hawaii County Engineer in connection with the County's plans to extend the Honaunau Road through to Hookena; and the Territorial Survey has been granted the free privilege of having made in the Trustees' office copies of all Estate Kona maps which may be needed in furtherance of the Territory's purpose of compiling a new map of Hawaii designed to show all roads and subdivisions.

As mentioned in last Report the Territorial Division of Hydrography, in October, 1917, removed the clock and discontinued the work of measuring the water-flow of Lumahai, Kauai. In order that this work (important to the Estate) might be continued the Trustees, in December last, purchased an automatic water stage recording instrument and sent it to Kauai for installation, and in June following had cleared the trail leading to the site of the old station on the Lumahai Stream - the cost

incurred to date in this matter being $216.18. The Engineer in charge of the Kauai water survey has agreed to put the instrument in place and to thereafter attend to the compilation of flow records, but up to the close of the fiscal year the actual installation of the instrument had not yet been effected.

FORESTRY AND FOREST RESERVATIONS

The Experiment Station of the Hawaiian Sugar Planters' Association has endorsed a plan looking towards the general protection and improvement of forest areas pertaining to the water supplies of sugar plantations on these Islands; part of this plan is to secure contributions from owners of the forest areas concerned (prorated according to the acreage owned by each) and to utilize the fund thus raised in defraying the costs of repairing fences, employing boundary riders, removing stray cattle, replanting trees, and meeting such other items of expense as may be incidental to the care and improvement of the forest area - the Station to administer the fund and give the time of its Experts without charge. One of the first attempts under this plan has been directed to the work of rehabilitating the Halawa-Niulii forest area of Kohala, Hawaii, containing 2609 acres, and to provide for the costs involved over a period of one year, a fund of $2,530.80, or $1.20 per acre, was estimated as needed. On this basis, the proportion for the 197 acres of Bishop Estate forest reserve concerned, would be $236.40, and this the Trustees, in July, 1918, agreed to contribute, provided other interested owners subscribed in amounts sufficient to justify the Station in going ahead with the plan.

Since 1909 the Trustees have held in reserve that portion of the land of Kapua, South Kona, containing an area of 6122 acres, which lies above the Government Road, and on which there exists an excellent stand of Ohia and Koa - the object being to conserve these trees against the time when they might be successfully utilized in a commercial way. Recent investigations, however, demonstrated that

this possibility was now too remote for serious consideration, as the trees were reaching maturity and their inaccessibility was such that before there could be any probable chance of marketing there would be no lumber. The policy of water conservation was not involved and the question was purely a business one - whether to derive an immediate revenue from a grazing lease or continue to hold the land for future logging possibilities with indefinite prospective financial returns. After consulting the Territorial Superintendent of Forestry, the Trustees decided on the former alternative and, in January last, determined to offer a 21-year lease of the land for grazing purposes, at public auction, at an upset rental of $500, reserving to the lessors all trees except such as were needed to supply material for fencing and domestic purposes upon the land. After extensive advertising the sale was held in Honolulu on March 6/19, when the lease was duly bid in by the sub-lessee of the lower section of Kapua, at an annual net rental of $825 - term beginning June 1, 1919.

LAW

Concerning suits and actions mentioned in previous Reports:

Suit in ejectment, J. M. Ambrose (representing the Trustees, as Lessee) vs A. Kealakaa, involving title in a small beach lot at Lahaina, Maui, was settled, as far as this Estate is concerned, by the issuance of a quit-claim by the Trustees to Ambrose on December 21, 1918, of all their right, title and interest in the lot (see attached Statement of Real Estate Transactions.)

Suit, City and County of Honolulu vs Bishop Estate et al, to condemn 22.38 acres of land at Kapaakea, Honolulu, for quarry purposes, was discontinued in December, 1918 - the City being allowed to remove from the land all of its plant and equipment.

Petition 190, filed in the Land Court by the Territory of Hawaii, to register title to certain land in Lahaina, Maui, known as Pa Pelekane, contested by the Trustees and others, was disposed of

by a final decree entered, on August 16, 1918, pursuant to a stipulation signed by all parties concerned in conformity with the terms of a compromise arrangement previously made among them and which confirmed to the Territory three out of the seven lots into which for the purposes of the suit, the land had been divided. Of the remaining four, two were later quit-claimed to the Trustees by the Territory as appears in the attached Statement of Real Estate Transactions.

Concerning suits and actions to which the Trustees have been made party during the year:

Suit in ejectment, Territory of Hawaii vs Bishop Estate, filed in the First Judicial Court in November, 1918, and involving title in some 2511.2 acres of land comprising the Ahupuaa of Waiau, Ewa, Oahu, is pending.

Suits in which the Trustees were named as garnishees, were disposed of as follows - judgment by default being entered in each case against the Defendants:

(1) Capt. Cook Coffee Company, Limited vs Chong K. Yoon et al, Contractors for the new Bishop Estate Road in Keauhou, North Kona, Hawaii. Third Circuit Court, in June, 1919, awarded the Plaintiff $762.87, being the amount mentioned in the Trustees' Supplemental Disclosure and Answer as the balance due the Defendants under said Contract;

(2) Leong Hop vs Manuel Vierra, a late employee of the Kamehameha Schools, District Court, in May, 1919, awarded the Plaintiff $55.29.

Tax Appeals filed by the Estate - three each in the First and Third Taxation Divisions - against assessments for 1919, were still pending at the close of the year.

Federal Income Taxes were this year, on advice of Counsel, paid by the Estate in the sum of $5,565.96, being the amount assessed on the income earned during the fiscal year ended June 30, 1918, less permitted deductions. Heretofore the Trustees have claimed exemption from the payment of this tax on the ground that this Trust was an Association organized solely for educational purposes but the law

having since been so amended as to limit exemptions of this character to corporations left the Trustees no other alternative than to pay the tax, without protest.

KAMEHAMEHA SCHOOLS

Building Improvements: Expenditures under this head during the year totalled $13,007.53, distributed as follows:

(1)	Teachers' Cottage "K" located at the mauka end of the Athletic Field (being the building on Kalihi Road referred to in last Report as then under construction by students as part of the practical course in Carpentry), complete, with wash-house and sanitary sewer connections	$ 5,144.02
(2)	President's Office - a frame building of the bungalow type erected just off the Main Drive on the Boys' School premises, where it is readily accessible to all departments and to the public	4,185.75
(3)	Teachers' Beach Cottage, erected on the Waialae School Reserve (mentioned in last Report) and designed to accommodate Kamehameha teachers during vacations and weekends - building and fencing completed May, 1919	2,346.13
(4)	Dormitory "C". Altering and fitting up the two rooms provided for a teacher in this dormitory, (where the younger Manual boys are quartered) so as to make them suitable for the accommodation of a man and his wife - an experiment based on the theory that the Manual boys, and especially the younger ones, should have some of the refining influences of the home in their life in the dormitory .	645.67
(5)	Garage - with corrugated iron roof and tongue and groove siding, located on the drive leading to the Dairy Building, designed to house three automobiles but so constructed as to be readily enlarged at need	441.64
(6)	Forge Shop - enlarged by taking over the makai end of the old power-room in order to provide a place where the woodwork handled by this shop, and the shoeing of the farm animals, might be properly attended to	226.00
(7)	Electrical Shop - enlarged by taking over part of the Carpenter Shop and rearranging partitions, so as to double the size of the present cramped quarters on the main floor of the Shop Building. Work still in progress	18.32

Equipment: The cost of additional equipment provided during the year, was $6,144.88, distributed as follows:

(1)	Teachers' Cottage "K" including Gas-Range, Water-Heater, Dining and Bedroom furnishings		$ 242.98
(2)	President's Office:		
	(a) Two Typewriters and Desks ...	$ 600.00	
	(b) Old furnishings from the Trustees' down-town office .	25.00	625.00
(3)	Teachers' Beach Cottage: Miscellaneous furnishings		599.45
(4)	Teachers' Cottage "B": Gas Water-Heater		131.65
(5)	Sewing Cottage, G/S: Gas Water-Heater		131.65
(6)	School Libraries:		
	(a) New Books and Periodicals, annual up-keep	500.00	
	(b) Old furnishings from Trustees' office	50.00	550.00
(7)	Class Rooms, M/d: Old furnishings from Trustees' office		25.00
(8)	Kitchen, M/d:		
	Oil Ranges	738.85	
	Less proceeds Sale of old Stoves November 29/18	15.00	723.85
(9)	Forge Shop:		
	6 additional Buffalo Forges, Oxy-Acetelene Welding outfit, new Punch and Shear, etc.	1,417.51	
	Less proceeds from Sale of old Dynamos, May 27/19	275.00	1,142.51
(10)	Machine Shop:		
	(a) Patterns and Tracings providing for the construction of four types of Gasoline Engines	325.00	
	(b) Tool-room equipment, new Counter-Shaft for tool grinder, and Oven-Furnace ..	548.74	873.74
(11)	Farm and Dairy:		
	(a) Motor-driven Separator and Churn, etc., mentioned in last Report - Balance	77.62	
	(b) Two Berkshire Sows and a Boar	301.50	
	(c) Holstein Bull-calf from Pabst Stock Farm, California	719.93	1,099.05

Grounds: Expenditure under this head was $1,434.25, being (a) the cost of laying a 3-foot concrete sidewalk on the King Street frontage of the Boys' School premises from Houghtailing Road to Kalihi Road - a distance of 1575 feet - and resetting curb on new tentative grade furnished by City Engineer $1,401.44
and (b) the installation of additional outside lights on the Girls' School grounds 32.81

Outside of a comparatively small section along the School Street frontage, used for corrals and for grazing, the Schools have not utilized the so-called "Mauka Pasture" of the Boys' School grounds. A large part of this tract is not adapted to agriculture and most of it is boulder strewn and densely covered with guava and lantana, but the whole has been held in reserve on the assumption that eventually such portions as were suitable might be developed agriculturally by the School Farm. Late investigations, however, have convinced the Trustees that the clearing and road building involved in this plan would cost more than was warranted by the needs of the School and that the better policy would be to lease to others who would be willing to incur this expense and subsequently turn back the land improved ready for School purposes, if then needed. Portions of the section lying between the upper limits of the McInerny Tract and the mauka fence are said to be suitable for pineapple culture, and the Trustees have agreed to lease the arable areas within this section for this purpose - the term granted being ten years from January 1, 1920, and the area, and rental based thereon, to be determined by survey as soon as clearing has been effected. This is now in progress, the lessee having been allowed the privilege of entering upon the land, rent free, during the year 1919, in order to enable him to attend to the preliminary work. A good portion of the land to be leased has been sub-let by the lessee to the Hawaiian Pineapple Planters' Experiment Station, which has

already partially established itself there, has cleared and ploughed a considerable area, and is now engaged in the building of the road needed to give access to the leased areas across the non-agricultural stretch between such lands and the end of Kapalama Avenue, of which the new road is practically an extension.

Miscellaneous: The School Dairy is visited on an average by about 25 persons each month, who come for the purpose of inspecting the stock and buildings and to gain some instruction in animal husbandry by observation and conference with the men responsible for the conduct of the Dairy. To this extent, the Schools are reaching out in their influence beyond the boundaries of the campus.

On May 14th, two valuable 2-year old heifers were stolen from the corral mauka of School Street - one of the animals being of the highest type of milking stock and intended to have been exhibited at the County Fair the following month. Rewards have been offered and every effort made to apprehend the persons responsible for the theft, but thus far without success.

Besides entering a creditable live-stock exhibit, the Schools were represented at the County Fair (June, 1918) by an exhibition of samples of the work of the pupils of the School for Girls in the Home Economics Department and also, in the Educational Section, of products from three of the Manual Shops intended to illustrate the training given in them. A company of Kamehameha Cadets also participated in the competitive drill.

The Summer School Shop Course of five weeks, inaugurated last year as an experiment (see last Report) proved to be a popular innovation. The course opened on July 1, 1918 and closed August 2nd. Forty-eight boys, representing various races, attended, filling to capacity all shops included in the course save that of Forging, which course had to be abandoned for lack of a sufficiency of applicants. The fact that forty-four boys remained to complete the course was a most encouraging incentive to the instructors and showed

that the pupils appreciated the opportunity thus afforded them of learning something about tools. Certificates of merit were awarded to each of the pupils completing the course, distributed as follows:

Machine Shop Practice	13
Woodworking Shop	14
Electrical Shop	17

The gratifying results of the first experiment induced the Trustees to authorize its repetition during the summer of 1919; and June 30th was accordingly announced as the date of commencement of the second of these courses. In number, the applications filed (to June 27th) about equals those received for the 1918 course but, as before, there are no applicants for the course in Forging.

During the epidemic of influenza last fall and winter, the usual school holidays were suspended and all pupils were kept on the grounds, but aside from the temporary discontinuance of chapel service the routine of the schools was carried on without interruptions. Fortunately, no cases developed at either the Girls' School or in the Preparatory Department of the School for Boys, but the Manual developed 67 cases between January 3rd and 17th, and a special night-nurse had to be engaged. By the end of January, however, the epidemic was about over, but it was not until the end of February that the usual Monday holidays were resumed. The epidemic necessitated the postponement of the mid-year examinations at the Manual two-weeks.

On February 7th, chicken-pox appeared at the Preparatory but the little patients were promptly isolated under the care of a practical nurse, especially engaged for the purpose, and the work of the Department was not seriously interfered with.

Following the established practice of making systematic visits to the outside districts in order to keep in touch with former students and to stimulate present interest in the Schools, President Webster, in November last, made a ten-day trip to the

Island of Kauai and there interviewed many graduates and former students, parents of present or former pupils and, also, eleven plantation men, explaining to them the changes that had been made during the past four years and outlining present policies concerning the Schools. It is believed that the result will be the renewal of interest among graduates on that Island and a better understanding of the aims of the institution. This visit was followed by a visit of the Cadet Battalion during the spring vacation, April 24th to 30th - 128 boys making the trip with profit and pleasure to themselves.

The spring vacation of the Girls' School students was spent at the Waialua Fresh Air Camp, the use of which was kindly granted for the purpose by the Palama Settlement.

The work of collecting and recording information concerning living graduates and former students of Kamehameha begun last year as mentioned in last Report, was pushed so well along during the present year that it was possible to issue in April last, a Directory listing all Manual graduates between the years 1901 and 1918 by classes and showing the geographical and occupational distribution of each individual. Work on a Directory of non-graduates is now in progress, as is also a record of former Preparatory pupils. This will be followed by a Directory of Girls' School students.

To succeed Mr. Charles R. Bostwick, whose retirement as Principal of the Manual Department was reported last year, Mr. Frank M. Watson was engaged and served to the end of the school year, June, 1919, when he also retired. The position will next year be filled by Mr. E. G. Bartlett, the present Instructor of Mathematics and Civics at the Manual, who has been named Acting Principal.

At the Preparatory, Miss Maude Post, the senior grade teacher, has been appointed to serve next year as Acting Principal

during the absence-on-leave of Principal Alice E. Knapp.

The Schools opened in all departments on Monday, September 9, 1918, with 329 pupils enrolled and closed on Thursday, June 5, 1919 with 332 pupils, segregated as follows:

	Opening	Closing
Manual Department, B/s	140	145
Preparatory Department, B/s	76	76
Girls' School	113	111
Total	329	332

Full Scholarships were awarded during the year to 36 pupils - 17 at the Manual, 12 at the Preparatory and 7 at the School for Girls, representing a charge of $2,078.00.

Diplomas to the number of 40 were awarded as follows:

	Pupils	
Manual Department, B/s		
Machine Shop	15	
Electrical Shop	4	
Forge Shop	1	
Mechanical Drawing	2	23
Girls' School		
English Branches	13	
Domestic Science	1	
Dressmaking	3	17

Nine pupils in the Preparatory Department of the School for Boys qualified for promotion to the Manual.

Respectfully submitted,

W. O. Smith)

Date of Deed: July 3, 1918,
Recorded in : Liber 502, pp 55/57
Consideration: $284.00.

30

AGREEMENTS

With

PIONEER MILL COMPANY, Limited

By which said company quitclaims to the Bishop Estate any possible interests it may have acquired by right of adverse use in 1203.896 acres comprising the Kahoma Valley Watershed, in Paunau, Lahaina, Maui - part of Apana 26, L.C.A. 7713, R. P. 4475 to Victoria Kamamalu,

Date of Deed: August 26, 1918,
Recorded in : Liber 502, pp 222/226,
Consideration: $1.00.

TERRITORY OF HAWAII

By which the Territory quitclaims to the Bishop Estate Lots 3 and 4 (Government Map of March 20, 1917), containing 32.005 square feet and comprising part of Apokaiau, known as "Pa Pelekane", in Paunau aforesaid.

Date of Deed: September 10, 1918,
Recorded in : Liber 502, pp 316/319,
Consideration: $1.00.
NOTE: This quitclaim was issued in the way of a compromise settlement of a claim advanced by the Territory in Land Court Petition 190. By decree entered August 16, 1918, the Territory's claim to the aforesaid lots was denied but the Territory was awarded (among lands of other owners) Bishop Estate Lot No 5 and Pelekane Street containing 24,078 square feet. This area has accordingly been dropped from the Inventory of Bishop Estate lands whereon it was valued at $171.00.

MARIA SILVEIRA RODRIGUES MATSUGORO

Granting until October 1, 1921, at 7%, in which to complete purchase of 1.88 acre of land in Paalaa-kai, Waialua, Oahu - part of Apana 34, L.C.A. 7713, R. P. 4475 to Victoria Kamamalu,

Date of Agreement: October 1, 1918,
Sale Price: $658.00 .

ROBERT HORNER

By which the Bishop Estate quitclaims all interest in 6864 square feet of land situate on the Northwest side of Nuuanu Avenue, near King Street, Honolulu - part of Apana 2, L.C.A. 2671, R.P. 4872 to Victoria Kamamalu,

Date of Deed: August 7, 1918,
Consideration: $1.00.
NOTE: This lot had not been inventoried nor claimed as Bishop Estate property and the quitclaim was issued by request merely to perfect the paper title of the present owner.

AGREEMENTS (Cont'd)

With J. M. AMBROSE

By which the Bishop Estate quitclaims all interest in a lot of 25/100 acre situate on the beach at Lahaina, Maui - part of L.C.A. 3834, R. P. 1702 to Puhi,

Date of Deed: December 21, 1918,

Consideration: $100.00.

NOTE: This land was not discovered nor inventoried as Estate property until 1915 when a lease (No 1698) to J. M. Ambrose was made. One Kealakaa claimed ownership by right of adverse possession and a suit in ejectment - Ambrose vs. Kealakaa - was filed with the object of putting the Estate's Lessee (Ambrose) in possession. The suit is still pending but, on advice of counsel, the Trustees agreed to quitclaim to Ambrose all of their interests and thus avoid further costs of litigation as far as this Estate is concerned. The consideration of $100. is credited to "Law" as a partial refund of costs already incurred.

1908

Feb. 3 A. W. Carter resigns;
Mch. 7 A. F. Judd appointed in succession; confirmed March 13th, 1908.

1909

Feb. 27 J. O. Carter dies;
Mch. 22 A. W. Carter appointed in succession; confirmed April 5th, 1909.

(1) Resignation of William O. Smith as a Trustee under the Will of Bernice Pauahi Bishop, deceased, addressed "To the Honorable Justices of the Supreme Court of the Hawaiian Islands, dated at Pomona, Los Angeles County, California, September 21, 1886."

(2) Entitled -"In the Supreme Court of the Hawaiian Islands, in re Estate of Bernice Pauahi Bishop, deceased, in Probate, before Judd, C. J. and McCully, J., Thursday, October 21, 1886. Hearing on appointment of a new trustee."

Mr. Bishop files the resignation of William O. Smith as a trustee and nominates Joseph O. Carter, of Honolulu, to fill the vacancy. The Court refers to the Will of the deceased and in accordance with Article 14 of said Will and knowing that said nominee is a person of the Protestant religion, appointed said Joseph O. Carter as a trustee to fill the vacancy. The Court orders the present trustees to execute and file a new bond in the sum of Twenty-five Thousand Dollars ($25,000.) on the filing of which the old bond to be cancelled. New bond filed and old one cancelled.

(Signed) HENRY SMITH,
Deputy Clerk.

Sept 26, 1886

(3) Entitled - "In the Supreme Court of the Hawaiian Islands, in the matter of the Estate of Bernice Pauahi Bishop, deceased, before the Justices of the Supreme Court, Order - Discharging Trustee, Cancelling Trustee's Bond and Appointing New Trustee." The order provides, inter alia, as follows: "Now, Therefore, we, the Justices of the Supreme Court, in pursuance of the power and authority vested in

152

us by Article 14 of the said Will hereby accept the resignation of the said William O. Smith, trustee as aforesaid, and discharge him from further responsibility in regard to the said trust and cancel the joint and several bond heretofore filed, to-wit, May 1st, 1885, and appoint as trustee in place of said William O. Smith, Joseph O. Carter. Dated at Honolulu, October 21st, 1886.

(Signed) A. F. JUDD,
L. McCULLY,
EDWARD PRESTON."

The sufficiency of the new bond is approved by A. F. Judd, Chief Justice of the Supreme Court.

Jan 5/1900 (4) Entitled - "Before the Justices of the Supreme Court of the Hawaiian Islands, in re the Estate of Bernice Pauahi Bishop, late of Honolulu, deceased, Petition for the Nomination of a New Trustee" - addressed -"To the Justices of the Supreme Court of the Hawaiian Islands." The petition recites that your petitioners, together with William O. Smith of Honolulu, are the surviving trustees, and that said William O. Smith is out of the jurisdiction of the Court, and that Charles M. Hyde, one of the trustees under the Will, died on the 13th day of October, 1899. The petition further sets out "that the said Will directs that the number of trustees of the said Will shall be kept at five (5) and that vacancies shall be filled by the choice of a majority of the Justices of the Supreme Court, the selection to be made from persons of the Protestant religion.

Wherefore your petitioners pray that a new trustee may be appointed in accordance with the said Will to fill the vacancy caused by the death of the said Charles M. Hyde. Your petitioners respectfully recommend the appointment of Alfred W. Carter, of Honolulu, to fill such vacancy.

(Signed) W. F. ALLEN,
S. M. DAMON,
J. L. CARTER.

Dated, Honolulu, January 5th, 1900."

(5) Document endorsed "Petition for nomination of a new trustee, filed January 9th, 1900" reading as follows:

"Whereas, Charles M. Hyde, one of the trustees under the Will of Bernice Pauahi Bishop, late of Honolulu, deceased, died on the 13th day of October, 1899; and

Whereas, the said Bernice Pauahi Bishop provided by her said Will (which Will with the two codicils thereto was admitted to probate by the Supreme Court of the Hawaiian Islands on the 2nd day of December, 1884) that the number of trustees thereof should be kept at five (5) and that vacancies should be filled by the choice of a majority of the Justices of the Supreme Court, the selection to be made from persons of the Protestant religion.

Know all men by these presents: That we, Walter F. Frear and W. Austin Whiting, both of Honolulu, forming a majority of the Justices of the Supreme Court, by virtue and in exercise of the power for this purpose given to us by the said Will and of every other power (if any) hereunto

enabling, do hereby appoint Alfred W. Carter, of Honolulu aforesaid (a person professing the Protestant religion) a new trustee of the said Will in the place of the said Charles M. Hyde, deceased, for the purposes of the said Will and codicils.

In Witness Whereof, we, the said Walter F. Frear and W. Austin Whiting have hereunto set our hands and seals this 6th day of January, 1900.

(Signed) W. F. Frear,

(SEAL) W. Austin Whiting."

(6) Entitled - "In the Circuit Court of the First Circuit of the Hawaiian Islands, in Equity, in re Estate of Bernice Pauahi Bishop, deceased, Petition for Confirmation of a New Trustee," addressed "To the Honorable Antone Perry, First Judge of the First Circuit," the petitioners being Joseph O. Carter, William F. Allen and Samuel M. Damon, William O. Smith being out of the jurisdiction of the Court according to the petition. The petitioner recites "that a majority of the Justices of the Supreme Court of the Hawaiian Islands on the 4th day of January, 1900, under and by virtue of the power of appointment conferred on them by the said Will, appointed Alfred W. Carter, of Honolulu aforesaid, a trustee of the said Will in the place of the said Charles M. Hyde, deceased; that your petitioners file herewith their accounts up to the 31st day of December, 1899.

Wherefore your petitioners pray that a decree may issue out of this Honorable Court confirming the appointment of the said Alfred W. Carter as a trustee under the Will of the said Bernice Pauahi Bishop, deceased, in the place of the said Charles M. Hyde, deceased, upon his filing a bond in accordance with such order as the Court may make.

Dated, Honolulu, January 4th, 1900.

(7) Clerks Minutes: Petition for confirmation of a new trustee before Perry, J., dated, Friday, January 12th, 1900, shows, inter alia, that "The Court confirms Mr. A. W. Carter as trustee and orders him to file a joint and several bond in the sum of One Hundred Thousand Dollars ($100,000.). Petition for cancellation of bond of Charles M. Hyde denied for the present; the matter of the approval of the accounts of the said Charles M. Hyde deferred.

(Signed) L. C. Biddele
Clerk."

Note: Papers include unsigned "Order of Confirmation."

(8) Entitled - "In the Circuit Court of the First Circuit, Territory of Hawaii, in the Matter of the Estate of Bernice Pauahi Bishop, deceased testate. Order of Confirmation." The order recites, inter alia, "It appearing by the records in the above entitled Court that on the 9th day of January, 1900, a petition was filed in this Court by Joseph O. Carter, William F. Allen and Samuel M. Damon, three of the surviving trustees under the Will of Bernice Pauahi Bishop, late of Honolulu, deceased.....

156

and that Alfred W.Carter, of Honolulu, has been appointed a trustee in the place of the said Charles M. Hyde by a majority of the Justices of the Supreme Court in accordance with the fourteenth clause of the Will of the said Bernice Pauahi Bishop, deceased, and praying that a decree be made confirming the appointment of the said Alfred W. Carter as trustee under the Will of the said Bernice Pauahi Bishop .....and it further appearing that on the 12th day of January, 1900, the Honorable A. Perry, at that time a Judge of the Circuit Court of the First Circuit, sitting at Chambers, made a verbal order confirming the said Alfred W. Carter as trustee,and ordered him to file a joint and several bond of himself and his co-trustees in the sum of One Hundred Thousand Dollars ($100,000.), and that in accordance with such order the said Alfred W. Carter did, on the 16th day of May, 1900, file in this Court such joint and several bond in the sum of One Hundred Thousand Dollars ($100,000.), dated the 23rd day of January, 1900, but that through inadvertence no decree has been entered confirming the appointment of the said Alfred W. Carter as such trustee.

It is ordered.....and the same is hereby confirmed.

Dated, Honolulu, April 4th, 1904, as of the 12th day of January, 1900.

(Signed) Geo. D. Gear,
Second Judge, Circuit Court,
First Judicial Circuit."

(9) Entitled "Before the Justices of the Supreme Court, Territory of Hawaii, in re Estate of Bernice Pauahi Bishop, deceased," addressed "To the Justices of the

~~1956~~
157

Supreme Court, Territory of Hawaii." The petition sets out, inter alia, "That the said Will directs that the number of the trustees of the said estate shall be kept at five (5), and that vacancies shall be filled by the choice of a majority of the Justices of the Supreme Court - the selection to be made from persons of the Protestant religion.

Wherefore your petitioners pray that a new trustee may be appointed, in accordance with the said Will, to fill the vacancy caused by the resignation of the said William F. Allen. Your petitioners respectfully recommend the appointment of E. Faxon Bishop, of Honolulu aforesaid, to fill such vacancy.

Dated, December 5th, 1904.

(Signed) Joseph O. Carter,
William O. Smith,
S. M. Damon,
Alfred W. Carter."

(10) Before the Justices of the Supreme Court of Hawaii, in re Estate of Bernice Pauahi Bishop, deceased, proceedings in connection with the appointment of a new trustee; affidavit by E. Faxon Bishop, that he is a resident of Honolulu, Territory of Hawaii, and that he professes the Protestant religion; the appointment of E. Faxon Bishop, which, after reciting the provisions of the Will, provides:

"Know all men by these presents: That we, W. F. Frear, Alfred S. Hartwell and F. M. Hatch, the Justices of the Supreme Court of the Territory of Hawaii, by virtue and

158

in exercise of the power for this purpose given to us by the said Will and of every other power (if any) hereunto enabling, do hereby appoint E. Faxon Bishop, of Honolulu aforesaid, (a person professing the Protestant religion) a new trustee of the said estate in place of the said William F. Allen, for the purposes of the said Will and codicils.

In Witness Whereof, we, the said W. F. Frear, Alfred S. Hartwell and F. M. Hatch have hereunto set our hands and seals the 13th day of December, 1904.

(Signed) W. F.Frear,
Alfred S. Hartwell,
F. M. Hatch."

(11) Entitled - "In the Circuit Court of the First Circuit, Territory of Hawaii, in re Estate of Bernice Pauahi Bishop, deceased, Petition for the Confirmation of a New Trustee," addressed, "To the Honorable J. T. de Bolt, First Judge of the Circuit Court of the First Circuit, or other the Judge of the said Court presiding at Chambers." Petition by Joseph O. Carter, William O. Smith, Samuel M. Damon and A. W. Carter, setting forth:

"That the Justices of the Supreme Court of the Territory of Hawaii, on the 13th day of December, 1904, under and by virtue of the power of appointment conferred upon them by the said Will, appointed E. Faxon Bishop, of Honolulu aforesaid, a trustee of the said estate in the place of the said William F. Allen.

159

Wherefore your petitioners pray that a decree may issue out of this Honorable Court confirming the appointment of the said E.Faxon Bishop as a trustee of the estate of the said Bernice Pauahi Bishop.
Dated, Honolulu, December 15th, 1904."

Order of Confirmation signed by William J. Robinson, Third Judge of the Circuit Court of the First Circuit.

".....It is hereby ordered, adjudged and decreed that the appointment of the said E. Faxon Bishop as a trustee of the estate of the said Bernice Pauahi Bishop, deceased, be and the same is hereby confirmed, and that the said E. Faxon Bishop be qualified to act as such trustee upon his filing a joint and several bond of himself and his co-trustees in the sum of One Hundred Thousand Dollars ($100,000.)
Dated, December 16th, 1904."

(12) Entitled - "Before the Justices of the Supreme Court, Territory of Hawaii, in re Estate of Bernice Pauahi Bishop, deceased, proceeding in connection with the appointment of a new trustee." Affidavit of Albert F. Judd that he is a resident of Honolulu, Territory of Hawaii, and that he professes the Protestant religion.

Whereas, A.W.Carter, one of the trustees under the Will and of the Estate of Bernice Pauahi Bishop, late of Honolulu, deceased, on the 3rd day of February, 1908, resigned as such trustee; and

Whereas, the said Bernice Pauahi Bishop, deceased, provides by her said Will (which Will with the codicils

thereto was admitted to probate by the Supreme Court of the Territory, then Kingdom of Hawaii, on the 2nd day of December, 1884) that the number of trustees thereof shall be kept at five (5), and that vacancies shall be filled by a majority of the Justices of the Supreme Court - the selection to be made from persons of the Protestant religion.

Know all men by these presents: That we, Alfred S. Hartwell, Arthur A. Wilder and Sidney M. Ballou, the Justices of the Supreme Court of the Territory of Hawaii, by virtue and in exercise of the power for this purpose given to us by the said Will and of every other power (if any) hereto enabling us, do hereby appoint Albert F. Judd, of Honolulu aforesaid (a person professing the Protestant religion) a new trustee of the said estate in the place of the said Alfred W. Carter for the purposes of the said Will and codicils.

In Witness Whereof we, the said Alfred S. Hartwell, Arthur A. Wilder and Sidney M. Ballou, have hereunto set our hands and seals this 7th day of March, 1908.

(Signed) Alfred S. Hartwell,
Arthur A. Wilder,
Sidney M. Ballou."

Endorsed: "Supreme Court, Territory of Hawaii, in re Estate of Bernice Pauahi Bishop, appointment of A. F. Judd, trustee. Filed March 9th, 1908.

(Sgd.) Henry Smith,
Clerk."

161

(13) Entitled -"In the Circuit Court of the First Circuit, Territory of Hawaii, in re Estate of Bernice Pauahi Bishop, deceased, Petition for the Confirmation of a New Trustee." Petition by Joseph O. Carter, William O. Smith, Samuel M. Damon and E. Faxon Bishop recited, inter alia, that up to the 7th day of March, 1908, Alfred W. Carter, also of Honolulu aforesaid, was one of the trustees of the said estate, but the said Alfred W. Carter resigned as such trustee on the said date; that the Justices of the Supreme Court of the Territory of Hawaii, on the 7th day of March, 1908, under and by virtue of the power of appointment conferred upon them by the said Will, appointed Albert F. Judd, of Honolulu aforesaid, trustee of the said estate in the place of the said Alfred W. Carter, such appointment being duly filed in this Court upon the 9th day of March, 1908.

Dated, Honolulu, March 13th, 1908.

Order of Confirmation signed by Alexander Lindsay, Jr., Second Judge of the Circuit Court, First Circuit, dated, Honolulu, March 13th, 1908, providing, inter alia,-

"It is hereby ordered, adjudged and decreed, that the appointment of the said Albert F. Judd as trustee of the estate of the said Bernice Pauahi Bishop be, and the same is,hereby confirmed, and that the said Albert F. Judd be qualified to act as such trustee upon his filing a joint and several bond of himself and his co-trustees in the sum of One Hundred Thousand Dollars ($100,000.)"

162

(14) Letter dated March 22, 1909 and addressed:

"To the Honorable Arthur A.Wilder and Sidney M. Ballou, Justices of the Supreme Court of the Territory of Hawaii" stating that owing to the death of Joseph O. Carter, "there is now a vacancy in the number of the trustees of the said estate and that in and by the said Will it is provided, that the number of the trustees of the said estate should be kept at five (5) and that vacancies shall be filled by the choice of a majority of the Justices of the Supreme Court, the selection to be made from persons of the Protestant religion.

Wherefore they request that your Honors will appoint some person as trustee of the said estate in place of the said Joseph O. Carter, deceased, as aforesaid, and respectfully suggest that Alfred W. Carter, of Honolulu, and by religion a Protestant, is, in their opinion, a suitable and proper person to be appointed such trustee.

(Signed) S. M. Damon,
E. Faxon Bishop,
W. O. Smith,
Albert F. Judd."

(15) Affidavit by Alfred W. Carter, that he is a resident of Honolulu,Territory of Hawaii, and that he professes the Protestant religion.

Appointment:

".....Know all men by these presents, that we, Arthur A. Wilder and Sidney M. Ballou, constituting a

majority of the Justices of the Supreme Court of the Territory of Hawaii, by virtue and in exercise of the power for this purpose given to us by the said Will and of every other power (if any) hereunto enabling us, do hereby appoint Alfred W. Carter, of Honolulu aforesaid, a person of the Protestant religion, a trustee of the estate of the said Bernice Pauahi Bishop, deceased, in place of the said Joseph O. Carter, deceased, as aforesaid.

In Witness Whereof, we, the said Arthur A. Wilder and Sidney M. Ballou have hereunto set our hands and seals this 23rd day of March, 1909.

(Signed) Arthur A.Wilder,

Sidney M. Ballou."

(16) Entitled - "In the Circuit Court of the First Judicial Circuit, Territory of Hawaii, in re Estate of Bernice Pauahi Bishop, deceased, Petition for the Confirmation of a New Trustee," addressed "To the Honorable Presiding Judge of the Circuit Court of the First Judicial Circuit, Territory of Hawaii, Presiding at Chambers."

The petitioners,W. O. Smith, Samuel M.Damon, E. Faxon Bishop and Albert F. Judd, set forth that one of the trustees, Joseph O. Carter, died on the 27th day of February, 1909, and "that a majority of the Justices of the Supreme Court of the Territory of Hawaii, on the 22nd day of March, 1909, under and by virtue of the power of appointment conferred upon them by the said Will, appointed Alfred W. Carter, of Honolulu aforesaid, trustee of the said estate in the place of the said Joseph O. Carter, deceased, such appointment being duly filed in the said Supreme Court on the 22nd day of March, 1909."

Petitioners pray that "a decree may issue out of this Honorable Court confirming the appointment of the said Alfred W. Carter as a trustee of the estate of the said Bernice Pauahi Bishop, deceased, in the place of Joseph O. Carter, deceased."

Order of confirmation dated, Honolulu, April 5th, 1909, signed by W. J. Robinson, Third Judge of the Circuit Court, Territory of Hawaii.

".....It is hereby ordered, adjudged and decreed that the appointment of the said Alfred W. Carter as a trustee of the estate of the said Bernice Pauahi Bishop be, and the same is, hereby confirmed, and the said Alfred W. Carter be qualified to act as such trustee upon his filing a joint and several bond of himself and his co-trustees in the sum of One Hundred Thousand Dollars ($100,000.)"

E. 2048

IN RE ESTATE OF BERNICE P.BISHOP,
deceased,

MEMORANDUM.

Accession of Trustees

1920

IN THE CIRCUIT COURT FOR THE FIRST CIRCUIT,- TERRITORY OF HAWAII

AT CHAMBERS IN EQUITY

IN THE MATTER OF THE)
) EQUITY NUMBER 2048
BERNICE P. BISHOP ESTATE.)

REPORT OF CLARENCE W. ASHFORD, MASTER,
UPON THE THIRTY-THIRD ANNUAL ACCOUNT
OF THE TRUSTEES OF SAID ESTATE.

TO THE HONORABLE JAMES J. BANKS, THIRD JUDGE OF SAID CIRCUIT COURT, PRESIDING IN EQUITY:

THE UNDERSIGNED, CLARENCE W. ASHFORD, to whom, as Master, was referred the Report of the Trustees under the Will, and of the Estate, of BERNICE PAUAHI BISHOP, deceased, together with the thirty-third annual financial Account of said Trustees, concerning the administration of their said trust, begs leave to report unto Your Honor as follows:

I HAVE HAD SAID REPORT and Accounts under consideration for a longer period than would ordinarily be justified, but must urge in excuse of my delay in reporting, divers interruptions and distractions incident to the resumption of private practice after an incumbrancy of nearly five years upon the bench of this Honorable Court--to which were unfortunately added several periods of physical indisposition, and of positive illness, which precluded my giving that attention to the vast and complicated mass of facts and figures involved, which their volumne and character appeared to demand. As a result, however, of what I deem to have been a careful scrutiny of all the matters concerned, I would now respectfully submit the following:-

FIRST,- CLERICAL WORK.

NOTHING COULD EXCEED the excellence and orderliness with which the accounts in question have been presented. I cannot too highly commend the conscientious effort, neatness and efficiency of the accounting and clerical staff of the Estate, concerning the manner and the method of its presentation of the facts and figures involved in the account, whereby the task of the Master, in the examination and checking up of the facts and figures set forth, has been greatly facilitated.

SECOND,- GENERAL SCOPE OF THE TRUST.

THE CHARACTER OF THE TRUST, as established by the Will of the late PRINCESS PAUAHI, is of very broad dimensions, and dealing, as it does, with a vast number of tracts of real estate, great and small, scattered throughout the Islands of Kauai, Oahu, Molokai, Maui and Hawaii, has brought the trust, and its Administrators, the Trustees, into a most intimate and far-reaching business relation with the entire agricultural and commercial interests of this City, and of the Territory at large.

THIS CONDITION is such as to have given to the Trustees an influence concerning the agricultural development of the Territory, in particular, as well as an influence in its commercial life, which is probably second to no other business concern in Hawaii. I believe it may be stated, without the prospect of successful dissent, and that it is generally understood through the Territory, and, especially, by those of prolonged residence therein, that the administration of this Estate, especially in the earlier days of the Trust, was conducted upon a scale of illiberality amounting to a positive reactionary condition, and which imposed a veritable clog and obstacle, especially upon the agricultural development of certain portions of our

168

Territory, and particularly in North and South Kona, on the Island of Hawaii, where vast tracts of real estate have been, and still are controlled by the Trust. It is, therefore, with a degree of pleasure greater than the ordinary that I am now enabled to certify my belief, as the result of my examination of not only the Report and Accounts here under review, but of those pertaining to several years of the recent past, that the administration of this vast enterprise has become very materially liberalized, and that its recent and present administration have been, and now is much more in accord with the spirit of liberal and progressive development than in former years. It is obvious, however, that there is still room for improvement in this direction, but hopes may well be entertained that the wheels of progress will not again roll backward, and that the Trustees will see the wisdom of continuing and expanding the more liberal plan of administration by which they appear to have been animated in recent years.

SO GREAT AND WIDELY SCATTERED are the real estate holdings of this Trust, that it has been and still is almost impracticable for any person, or combination of persons, to contemplate and lay plans for a new enterprise of any considerable extent, whether of agricultural endeavor in the outlying districts, or of building, within the City of Honolulu, without their being confronted by the necessity of dealing with this Estate. But even such a condition need cause no serious apprehension while the administration of the Estate itself shall be animated by a liberal and progressive spirit, which, as above, appears, at last, to have found a largement in the minds of the Board of Trustees, and it may, not without confidence be hoped that that spirit will ultimately leaven the entire lump of what, in the not very distant past, has appeared to have been a policy on their part, of ultra-conservatism.

"SAFETY FIRST", IS AN EXCELLENT MOTTO, and should be observed in the administration of a Trust, no less than in matters which pertain to our physical, mental and moral welfare. But the past history of this administration furnishes unhappy, though ample evidence, that said motto has been rather overworked in the matter of their handling of the Estate.

THIRD,- THE PRIMARY OBJECT OF THE TRUST,-

is the establishment of a school for boys and girls, at Honolulu, to be known as the Kamehameha Schools. These schools were established and have been regularly conducted for a period of about thirty-five years. It is not my purpose, nor do I deem it to be within the scope of the reference to me in this respect, to deal with the administration of these schools in detail, but in the most general and casual manner. Two or three years since a special committee or commission was appointed by the presiding Judge in Equity of this Honorable Court, for the purpose of making a detailed survey and investigation of the administration of these Schools. As the result of several months of patient inquiry that commission filed its Report with the Court, where it has ever since been available for reference. Certain parts of it were published and much discussed in the press after the filing and rendition of the report. I, therefore deem it sufficient for my present purposes to state that, to all outward appearances, the schools are being efficiently and economically conducted, and that at least to a general extent, the purposes of the generous author of this Trust, in reference to the education of Hawaiian youths is being conscientiously observed.

FOURTH,- DEVELOPMENT IN AGRICULTURAL DISTRICTS.

THE TRUSTEES' REPORT a continuation of the development work on their holdings in different portions of the Territory, chief among

which is that on the lands of Keahou 2 in North Kona, where they have subdivided the two lands of Kepuka, and have issued leases for a period of twenty years to a Hui of Koreans, covering 252.5 acres thereof, at an average net rental of $8.87 per acre during the first ten years, and $13.823 per acre thereafter. A liberal and convenient system of increase of rentals during the first ten years is provided for, which will apparantly admit of the development of the holdings by the lessees without oppressing first charges. A very important feature of this lease is that the lessees are bound within the initial three years to plant substantially the whole of the lands so leased to coffee.

THE TRUSTEES, being mindful of the necessity of good roads to serve their tenants in the development of this large tract, (containing 48 lots in all,) completed, during the period here under review, the survey of section "A" of a road located in these lands mauka of the government road. The road in question will be, 10,000 feet (nearly two miles) long, with an average width of sixteen feet, and grade ranging from 9% to 10%. At the close of the period covered by this report 3500 feet of main road and 1500 feet of branches have been completed.

THE TOBACCO ENTERPRISE which had languished in South Kona for a number of years preceding the period under review, has more recently taken on new life, and appears to have been carried to a point of development insuring its final success. Much of the land devoted to the culture of tobacco leaf in that district is the property of this trust, and the Trustees, in order to stimulate the recuperation of the industry, made substantial reductions in rent for the year beginning July, 1918.

FIFTH,- DEVELOPMENT WORK IN AND ABOUT THE CITY OF HONOLULU.

DURING THE PERIOD reported upon the Trustees completed the construction of a good coral road along the length of a considerable tract facing the ocean at Waialae, together with side lanes at intervals, and including the laying of water pipes, and placing of hydrants, etc. They have wisely employed the services of a catoneer to keep the roads in question in presentable condition. The subdivision served by these roads comprises 53 lots, many of which, at the date of said Report, had already been rented upon thirty year tenures, at rentals which the Trustees, in their Report, described as being "Commensurate with values concerned." From a knowledge of the rentals so reserved and demanded, I am confident that the Trustees have overlooked nothing in the way of possible profit from this valuable and eligible residential subdivision.

AN ENTERPRISE which has since developed into a matter of major importance, initiated by the Trustees during the period reported upon, is that of taking borings along the Waterfront of lands owned by it at Kewalo, for the purpose of determining the feasibility of dredging operations, etc, which might result in the creation of a harbor or haven suitable for the accomodation of our growing fishing fleet, considerable expense was involved in this enterprise and it is gratifying to know that it has since developed into a project of the highest promise, not only to the Estate in question, but also to the community as a whole.

OTHER,MINOR FEATURES of development and improvement, to a very considerable number, are reported to have been successfully carried through, the figures representing the expenses whereof are all set forth in the Report, and it would be a work of supererogation to repeat those figures in this paper,--but it appears sufficient on the

other hand to refer those of inquiring minds to the Report itself, on file herein. With regard to the necessity, character and wisdom of those improvements, I am happy to certify that they appear to have been wisely and enterprisingly undertaken and carried through.

ALSO INCLUDED IN THE ACTIVITIES and expenditures of the trust now under review was the acquisition of the site on Kaahamanu Street, this City, for a building in which to house the archives and working staff of the Estate. This enterprise had not proceeded to completion at the date of the Report now under discussion,- but the building has since been completed and the maps, plans, securities and other archives are now safely and conveniently housed therein, and the working staff of the Estate is there provided with comfortable and convenient quarters for carrying out its labors. The wisdom of this project of the Trustees appears obvious.

SIXTH,- RE-APPRAISEMENT OF TRUST PROPERTY.

IN ACCORDANCE WITH A SYSTEM previously adopted by the Trustees, of re-appraising the physical properties of the Trust, every fifth year, such re-appraisement was made on July 1, 1917, and the books of the Trust were adjusted in accordance therewith.

WITHOUT QUOTING ALL THE FIGURES supplied in this connection it is interesting to observe the values, set by the Trustees upon the property of the Trust as existing on the date last mentioned, to-wit: Buildings, $5,056,354.00; Maps and plans $25,000.00; Furniture and Equipment $4,419.50; Paki Plans (being architectual plans prepared some years since for the construction of a building to be known as the Paki Building, on Bishop Park, at King, Bishop and Hotel Streets, in this city,) which cost $36,803.18. Total physical values, $5,112,576.68. This aggregate represents a net increase over the appraisement made five

years earlier, in the sum of $2,167,848.54.

SEVENTH,- LITIGATION, ETC.

AS MIGHT BE EXPECTED in the case of so large an enterprise, the Estate has found it impossible to avoid litigation in the administration of its affairs. The Report discusses the different suits and actions and by or against the Trustees in the courts of the Territory, in the majority of which the Trustees appeared to have prevailed. The most interesting of the list is, probably, the suit brought by the Trustees against Theresa Wilcox Belliveau to recover possession of the "Gore Lot" so called, at the intersection of Palace Square with King and Merchant Streets, in this city, and which resulted in favor of the Estate, and in the delivery to it of the possession of the premises involved, at an expense of $2,538.00. Those of an inquiring turn of mind, who may be sufficiently interested can find in the Report itself a further discussion of the other features of litigation so referred to, and which are not deemed of sufficient importance to call for special mention in this paper.

EIGHTH,- BENEFICIARIES.

THE REPORT MENTIONS that the death of the late Queen Liliuokalani marks the passing of the last of the individual beneficiaries under the "Will of Ruth Keliikolani probated June 22, 1883 and the will and the two codicils of Bernice P. Bishop, probated December 2, 1884." Included in the discussion of this subject is that,- "Of individuals to whom lands were devised, 14 held life interests, since terminated by death; 1 was a clear gift; 1 was a contingent, dependent upon the issue of the deceased, and, as there was issue in the latter case, the land did not revert"

A SUMMARY IS FURNISHED showing the names of beneficiaries of fixed cash bequests, the amounts thereof, and the dates of their respective discharge. This summary is now interesting rather from an historical standpoint than otherwise, because as above, each of the benefits dispensed has been discharged,- either by payment in full, by delivery of property that was willed to the devissee or legatee, or by the death of the beneficiaries respectively.

NINTH,- KAMEHAMEHA SCHOOLS.

IN ADDITION to what has previously been stated on this subject, it is interesting to note the figures of the inventory of material property and values involved in this extensive education enterprise. Upon the re-appraisement of values, July 1, 1917, above referred to, the different items included in the plant were re-appraised as follows:- Buildings $329,145.00; Equipment $72,012.05; Grounds $250,000.00; Roads and sewers $60,648.75; Total $711,805.80; which aggregate involves a net decrease from the former appraisement in the sum of $94,670.79.

A FARM OF CONSIDERABLE EXTENT, and of high-class efficiency, is conducted by the Trustees in conjunction with the Boys' School, and here a large protion of the boys attending the school are instructed in the different branches of agriculture, stock raising, ~~and~~ etc. The report in question discusses and describes the farm and dairy in very interesting fashion, but apart from the personal knowledge of the Master that such farm is being so conducted upon a high plane of efficiency, and that the stock imported for, or raised upon, the farm is of first class grade and quality, it would not appear necessary in this place to further particularize.

175

I CANNOT, HOWEVER, withold the expression of my approbation of the policy of the Trustees in having, as reported by them, "In order to provide a place where Kamehameha teacher might enjoy rest and recreation during the week ends, and during vacation,.....definitely set aside for the use of the Schools, a block of land on the Isenberg side of the Mott-Smith premises at Waialae on the beach, where housing facilities are shortly to be provided for such teachers as may care to avail themselves of the privilege." The Trustees are also to be commended for their paternal and continuing interest in the graduates and former students of the School, in having established a project for the recording of information concerning such graduates and students "with the purpose in view, of publishing a directory giving information, in some detail, with appropriate summary, as to the whereabouts of the graduates and former students, their occupation," etc.

DURING THE YEAR REPORTED UPON, (poll taken September 10, 1917), the attendance at the Schools, in all Departments, was 298, divided as follows: Manual (boys) 119, Preparatory Department (boys) 66; Girls' School, 113. This total had increased to 312 attendants, at the close of the year, June 6, 1918.

TENTH,- INVESTMENTS.

AT THE DATE of the Report in question, the Estate,held, in bonds (including United States War Savings Stamps) a par value of $228,100.00, representing an actual value of $225,324.30. In stocks, it held 2200 shares of Hawaii Consolidated Railway, Limited, par value ~~$4400.00~~ $44000.00, - market value $13,200. It may be noted at this point that this holding of a depreciated stock was the result of subscriptions that had been made many years before, and the allotment to this Estate made by virtue of its previous holdings, upon

176

the reorganization of said Railway Company, a few years since. A loan of $20,000 to Y. Ah In, represented by his secured promissory note, reported as included in the holdings of the Estate, has since been cancelled by the payment of the note in question, May 16, 1919. This I verified by reference to the cash book of the Estate. A note from the Kamehameha Alumnai Association ($1,021.71) unsecured, represents the cost, undertaken by the Estate, of furnishing the new Alumnai Dormitory on Fort St. in this city. A loan, which at the date of the report stood at $61,250.00 to Wm. H. McInerny, amply secured by mortgage, has since that date, been materially reduced, and is still in process of reduction. A mortgage note for $20,000 issued by Pacific Sugar Mill, and held among its securities when said Report was made, has since been retired, and replaced by a somewhat similar note for the same amount, which, together with others, to the extent of about $250,000,- is secured by a mortgage to Bishop Trust Co. Ltd. This note, in legal effect, is equivalent to a mortgage bound.

WITHOUT UNDERTAKING to here recite the different character of bonds held by the Trust (as to which the Report itself sets out the full details), I desire to state that they are apparently of a first class commercial grade nearly all of them quoted above par in the market, and such as would be, in case of necessity, easily convertable into cash.

I HAVE PERSONALLY INSPECTED and handled each and every bond, note and other security so held, and certify that they were "all present and accounted for,"- that they are regularly deposited in a vault of modern construction in the new building of the Estate, and are, apparently, safely and jealously guarded. It is worthy of note that, with the exception of United States Federal securities, all the securities so held by the Estate are of local origin, many of them issued by Hawaiian corporations, and the balance by the Territory of

Hawaii, and the City and County of Honolulu respectively, the latter including, chiefly the bonds of "Frontage Improvement" projects. It seems to me not inappropriate that the Trustees should here be commended for their practical loyalty, not only to the Federal Government, as expressed in its liberal subscriptions to the different issues of the Libery and Victory Bonds,- but also to the Territory, in utilizing a large portion of its surplus funds in subscriptions to the Public Improvement bonds issued by the Territory in recent years,- to this City and County, in sustaining and aiding, by its subscriptions to the different road improvement projects, a system of improvement which now, happily, appears to be in full swing,- and, last though probably not least, the general commercial interests of the Territory, by its generous subscriptions to the bonds of many of our local corporations which have been obliged to go into the money market to assist in the great development of their various projects, which have brought to Hawaii, of late years, such unexampled prosperity.

ELEVENTH,- MAGNITUDE OF THE YEAR'S TRANSACTIONS.

WHILE THE REFERENCE TO ME as Master involves technically only that portion of the 33rd annual account concerned with the period beginning August 21, 1917, and ending June 30, 1918, yet, it should be remembered that the Trustees had previously rendered a partial account for the same year, covering the period from July 1, to August 20, 1917, inclusive. This latter period represents the time during which Mr. Alfred W. Carter held office as one of the Trustees, following the close of the business year ending June 30, 1917. It may therefore be interesting to here note some of the figures applicable to the entire year, as well as those applicable to the period especially covered by the Report now under my discussion.

178

FOR THE ENTIRE YEAR (July 1, 1917 to June 30, 1918) I find the receipts of the Estate from all sources to have been $407,780.08, divided into the two major items of Revenue, $355,404.36, and Capital (Sales of lands, etc) $52,375.23. With a balance brought forward from the 32nd Annual Account ($11,939.65) we have total receipts for the entire year herein referred to, amounting to $409,719.73. Against this sum of receipts we have disbursements as follows: Revenue (Administration, etc) $319,939.62; and Capital (Development, etc) $85,060.50.

TWELTH,- FINANCIAL SUMMARY OF THAT PORTION OF YEAR INCLUDED IN QUESTION UNDER DISCUSSION.

THE PERIOD OF TIME INVOLVED in the account now under discussion, is ten and one-third months (August 21, 1917 to June 30, 1918, inclusive). During that period the principal items of receipt and expenditure were as follows:

Balance forward, from partial 33rd Annual Ac. . .	$18,089.11	
Revenue; rents, interest, etc.	296,447.03	
Capital ac. (sales of lands, etc).	51,419.48	$365,955.62

DISBURSEMENTS

Working charges	$280,408.33	
Capital (development, etc).	70,827.68	$351,236.01

Balance forward to 34th Annual Account . . . $14,719.61

CONCLUDING REMARKS.

THE HIGH DEGREE of elaboration by the Trustees in their Report and in their financial account, has resulted in a work of clarity and exhaustiveness. The Report embraces 31 sheets of typewritten matter, while the Financial Account is extended to 81 sheets. The digesting of these

two documents,- as also the accountant's annual Report consisting of 15 sheets of figure work, has been no small task, but it would be incorrect to intimate that even nearly every topic discussed in either of said documents has been referred to by me in this present Report. The interests involved and the items treated in the documents submitted by the Trustees are so vast and numerous, that a commentory upon each thereof would extend this Report to impracticable lengths.

THE ESTATE, at the date of reporting, had over 250 tenants holding interests in its real property. The rents collected, (including taxes recovered from tenants and treated as rents,) amounted to $288,188.47, for the entire year, being an increase of $42,014.37 as compared with the previous year's returns. For the shorter period under review, the collections from tenants,- less certain rebates involved, netted the sum of $232,032.56.

DISBURSEMENTS EXAMINED.

THE DISBURSEMENTS REPORTED for the ten and one-third months under review amounted to $351,236.01. This vast sum was divided into more than one thousand items of expenditure, supported by 973 separate and distinct vouchers. I have personally examined and handled each of said vouchers and checked them with the account itself, and I find them all to be entirely correct and in order.

TRUSTEES' COMMISSIONS.

THE TRUSTEES HAVE FIGURED their commission for the period under review as being 5% on the net revenue account of $249,142.93. The result, according to their figures is $12,457.15,- which according to my best mathamatical judgment is one cent too much.

UPON THE SO-CALLED fixed or capital income, of $10,795.44, in respect of which they are entitled to a commission of 2½%, my mathamatics

180

are again at varience with theirs, to the extent of just $1.01,- my figuring resulting in the sum of $268.88.

IF I HAVE FIGURED CORRECTLY, it results that the Trustees have overcharged $1.02 as commissions, and their account should be surcharged to that extent. If their figuring of percentage, on the other hand, be correct and mine at fault, then their charge is right and should be approved.

AS A FINAL RESULT of my examination of said Report and Account, I respectfully recommend that the same be approved in all particulars, except with respect to the said overcharge of commissions, to the extent of $1.02.

Respectfully submitted, this 27th day of January, 1920.

Clarence W. Ashford
Master.

THIRTY-THIRD ANNUAL REPORT

of the

TRUSTEES OF THE BERNICE P. BISHOP ESTATE

YEAR ENDING

JUNE 30th, 1918.

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

TERRITORY OF HAWAII

IN EQUITY

In the matter of the Bernice P. Bishop Estate

AT CHAMBERS

TRUSTEES' REPORT

for remainder of year ending

J U N E 30th, 1918.

To the Presiding Judge
of the First Circuit.

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, submit the remainder of their THIRTY-THIRD ANNUAL REPORT, covering the period from August 21st, 1917, to and including the 30th day of June, 1918.

THE USUAL DETAILED ACCOUNT of Receipts and Expenditures (Schedules "A" and "B") accompanied by 773 vouchers and Schedule "C", is herewith presented, together with a statement of Investments, a Summary of the full year's Real Estate Transactions and an abstract Inventory of the Real and Personal Property of the Trust, hereto attached as part of this Report. A copy of the Report of the Registrar of the Kamehameha Schools is also filed herewith.

The accounts presented for the period August 21, 1917 to June 30, 1918 show as follows:

RECEIPTS from all sources:			
Revenue (Rents, Interest, etc) ..	$296,447.03		
Capital (Land Sales, etc)	51,419.48	$347,866.51	
Balance forward from last a/c		18,089.11	$365,955.62
DISBURSEMENTS			
Revenue (Working Charges).....		$280,408.33	
Capital (Development Charges)		70,827.68	$351,236.01
Balance in Hand, June 30/18			$ 14,719.61

In order to preserve statistical continuity this general report will treat of the full year. Including, therefore, the fractional part of the year already reported - from July 1, to and in-

187

cluding August 20,1917, - it is shown that

RECEIPTS from all sources (for the year) were			
Revenue	$355,404.36		
Capital	52,375.72	$407,780.08	
Balance forward from June 30/17		11,939.65	$419,719.73
DISBURSEMENTS			
Revenue		$319,939.62	
Capital		85,060.50	$405,000.12
Balance in Hand, June 30/18			$ 14,719.61

Of the year's net Revenue Receipts, amounting to $318,087.79 (including the balance of $11,939.65 carried forward June 30/17) 85.10% was used in general maintenance, segregated as follows:

Kamehameha Schools	44.61%	
Taxes	22.37%	
General Operating Expenses	18.12%	85.10%
Converted into Capital		10.27%
Balance forward to new a/c		4.63%

Of the year's net Capital Receipts, amounting to $66,879.36 (including the above converted Revenue of $32,684.78) 89.05% was invested in a way calculated to produce income - the segregation being as follows:

Lands Purchased	25.63%	
Road Construction	51.40%	
Kakaako test borings, etc	5.64%	
Kaahumanu St. Bldg, etc	6.38%	89.05%
Maps & Sundries		5.19%
Kamehameha Schools (Buildings & Eq.)		5.46%

LEASES AND RENTALS

The rent collections for the year, (including taxes recovered from tenants and treated as rents), amounted to $288,188.47 - an increase of $42,014.37 as compared with last year's returns.

Leases in force at the close of the year numbered 945 - an increase of 204. Tenancies (so-called as distinguished from leaseholds) numbered 52 - an increase of 8. The classified record for the twelve months ended June 30th, is as follows:

Leases	
New	251
Surrendered or cancelled	26
Given up on expiration or renewal	19
Transferred on sale of land	2
Assignments permitted	65
Term extensions granted	4
Partial Surrenders	1

188

Tenancies

New	23
Terminated	15

Reduced rents were continued or allowed in the case of 22 leases where conditions were found, after investigation, to be such as to warrant concessions. They comprised 17 on Oahu, 3 on Hawaii, 1 on Maui and 1 on Kauai.

INVESTMENTS

Of personal property investments reported June 30, 1917, current collections aggregated $28,600. of which $20,000. was applied on account of the costs of the new office building on Kaahumanu Street. In order to realize the above sum $20,000. bonds of the Oahu Sugar Company were sold to the Trustees of the Charles R. Bishop Trust on December 8, 1917, at 108 - the market price. As the average cost had been only 102-1/2, the sale netted a gain to the Estate of $1100.

On March 4, 1918, Kalakaua Avenue Improvement bonds held by this Trust, were retired at par in the sum of $4500. As they had cost 102-1/2, the resultant loss was $112.50. The proceeds were used in the purchase of U. S. Treasury 4-1/2% certificates anticipatory of the Third Libery Bond issue

In accordance with agreement the Trustees, on December 31, 1917, accepted from the Pacific Sugar Mill Company a $20,000 two-year 5% promissory note in replacement of a like amount of bonds of that company held by this Trust and retired on that date. This note, in common with the others, is secured by a first mortgage on all of the property of the company.

In March 1918, 120 War Savings Stamps were purchased at $4.14 or $496.80. They will be worth $600. in 1923.

The book value of the securities detailed in the appended statement of Investments as on hand at the close of the year is $340,796.01 - a decrease of $22,115.70 as compared with the total reported at the close of the year preceding. This decrease is accounted for as follows:

DEDUCTIONS		
Bonds and Notes Retired	$28,600.00	
Pacific Sugar Mill Bonds exchanged.	20,000.00	
Kalakaua Ave. Bonds retired - Loss.	112.50	$48,712.50
ADDITIONS		
Liberty Bonds Purchased	5,000.00	
U.S.War Savings Cert. Purchased ...	496.80	
Pacific Sugar Mill Note acquired ..	20,000.00	
Oahu Sugar Mill Bonds sold - Gain..	1,100.00	26,596.80
Decrease as above		$22,115.70

TRUSTEES AND MEETINGS

By decree dated August 20, 1917, the petition which had been filed for the allowance of the resignation of Alfred W. Carter as a Trustee of this Trust was granted by the Presiding Judge of the First Circuit Court to take effect upon approval of the final accounts of the Trustees up to and including the date of the order. The partial accounts made up and presented in compliance with said order and decree were duly approved by the Court on January 3/18 and Mr. Carter's resignation therefore became effective on that date.

On December 26, 1917, the majority of the Justices of the Supreme Court of the Territory appointed Mr. Richard H. Trent as the new Trustee to succeed Mr. Carter, and on January 3, 1918, an order was duly issued from the First Circuit Court vesting the Trust Estate in Mr. Trent, jointly with the other Trustees.

The personnel of the Trustees at the close of the year, was as follows:

William O. Smith, President;
E. Faxon Bishop, Vice-President;
William Williamson, Secretary;
Albert F. Judd, Treasurer, and
Richard H. Trent.

The year's business was conducted in 48 meetings.

LANDS AND IMPROVEMENTS

The details of the year's realty transactions of the

Estate (other than those pertaining to leases) are set forth in the appended Statement - the list comprises 9 sales, 4 purchases, 6 exchanges and 2 agreements. The only sale of special interest was that to the Federal Government of a tract of 1964 acres of rough land on the Summit of Mauna Loa, Hawaii. This was sold at a nominal consideration for National Park purposes. The sale to the Hala Canning Company, Limited, of 204.64 acres of land in Keei, South Kona, Hawaii, was in pursuance of an agreement for sale contained in a Right-of-purchase lease made in 1904. Sales to the Security Trust Co. of 13.39 acres of land in Kalalau, Hilo, Hawaii, and to Maria Matsugoro of 79/100 acre in Paalaa-Kai, Waialua, Oahu, were uncompleted at the close of the year and only portions of the consideration was collected in each case.

Of the purchases, the Kuleanas in Kanewai and Waialae were needed in consolidation of interests and the lot on Kaahumanu Street was required for the site of a new office building, in which to house the staff and conduct the growing business of this Trust. The tract of 6.51 acres in Kahaumakaawe, Manoa Valley, quit-claimed to the Trustees by the Territory, has long been the subject of discussion - the Territory having occupied the land for many years, although paper title vested in this Estate. The Territory refused to take advantage of technicalities under which it might possibly have retained the land by right of adverse possession.

On the death of the late Queen Liliuokalani, November 11, 1917, there reverted to the Estate three large tracts of land, to wit, the Ahupuaa of Lumahai, in Hanalei, Kauai, containing 3150 acres and comprising Apana 7 of L. C. A. 5524, R. P. 8207 to L. Konia; the Ahupuaa of Kealia, in South Kona, Hawaii, containing 7300 acres and comprising Apana 2 of L. C. A. 5368, Royal Patent 7732 to A. Akahi; and the Ili of Kanewai, Kahala, within the Ahupuaa of Waialae-nui, in Kona, Oahu, containing 173

acres of kula and 39.5 acres of reef, comprising Apana 2 of L.C.A. 228, R. P. 7721 to Kalaiheana. Forty-three leases in force at the date of the death of the Queen, and reserving an aggregate rental of $7087.50, were transferred with the lands 2 in Lumahai, 2 in Kealia and 39 in Kahala.

Roads and Sewers: As in the year preceding, the largest expenditure of this year occurred under this head, representing the cost of various undertakings in the way of permanently developing and improving the lands of the Trustees, the aggregate expenditure being $34,374.67 or 51.4% of the total capital outlay:

(1) Waialae Subdivision, Oahu		$17,023.61
(2) Keauhou Subdivision, N. Kona, ...		10,795.64
(3) Frontage Tax Assessments (Net) :		
Smith Street (Play Ground Lot)	$2840.40	
Hotel Street (Bishop-Brewer Lane)	338.08	
Beach Walk (Balance)	647.71	
Kalakaua Ave. (Balance)	3171.09	
	6997.28	
Less Collections from tenants	441.86	6,555.42

Buildings a/c: The gross expenditures under this head amounted to $4,558.55, including payments made on account of the new office building on Kaahumanu Street, the construction of which began April 15, 1918, ... $3,758.55

and a payment made to one Koyanagi for erecting a building on Estate land under lease to him at Kakaako, in the value of the payment 800.00

General Capital Improvements: Permanent improvements, other than those mentioned above, cost $3772.43 segregated as follows:

Test borings, made to determine the character of the bottom out to deep water re development of Estate land makai of Ala Moana $2,943.83

Surrender of Koyangi lease on South Street to permit of development	$500.00
Water-pipe purchased in the ground to serve Kapaakea tenants	150.00
Concrete walk laid on Fort Street lot under lease to Kamehameha Alumni Association	134.80
Renewing wall along a section of Palolo Stream (unfinished at close of the year)	22.50
Cement sent to Halawa, Molokai for the lining of ditches and water heads	21.30

The development of a section of Waialae Beach front was one of the important undertakings completed by the Trustees during the year. The work (completed in September, 1917) included the construction of a good coral road along the length of the tract, with side lanes at intervals and the laying of water pipe. Since April 22, 1918, a cantonnier has been employed by the Estate to keep the roads and walks in presentable condition. The subdivision comprised 53 lots which are being offered for lease on 30 year tenure at rentals commensurate with values concerned.

Surveys have been made with the view of subdividing a tract of 174.89 acres of land lying between Beretania Street, Metcalf Street and the premises of the College of Hawaii, at Kapaakea, but pending expiration of some adjoining leases which it is desirable to include in the general scheme, definite plans are held in abeyance. In the meantime five-year leases have been granted to actual occupants of house-lots who, up to June 1, 1918, were subtenants of the Ena Estate under an old blanket lease expiring on that date. They number 62 and pay an aggregate rental of $1955. for the section they occupy, as against the old rental of $500. for the whole tract.

Work on the Subdivision of the two Kipukas in Keauhou 2, North Kona, Hawaii, mentioned in last report, was completed in 193

August, 1917, at a cost of $1117.10, when twenty-year leases were issued to a hui of Koreans taking in a full series of 35 lots, containing 252.5 acres, at an average net rental of $8.87 per acre during the first ten years and $13.823 per acre thereafter. The Subdivision as a whole comprises 48 lots, with a total area of 341 acres, of which one lot (Lot 27) containing 3.4 acres, is reserved for the water supply of the tenants in common. In order to enable them to develop their holdings, the tenants in this tract are allowed the first year free, after which they are required to pay on a moderately graduated scale until the maximum is reached in the final ten years. During the initial three years they are required to plant practically the whole of the land to coffee.

By agreement dated January 26, 1918, the remaining old buildings on Keauhou (mentioned in last report) were sold to the above Korean hui for $3000. payable within six years at 6%. The purchasers are to tear down the buildings and use the material in them for cottages to be constructed on their individual holdings - one cottage to each lot.

In November, 1917, the survey of Section "A" of the Keauhou Road designed to serve the above lots was completed, and actual road construction began in February following. As laid out, the main road will be 10,000 feet long, with an average over all width of 16 feet and an average grade ranging from 9% to 10%. At the close of the year there had been completed 3500 feet of Main Road and 1500 feet of Branches.

In June 1917, the new Keei Road, in South Kona, was badly washed out in places by a cloud burst. Repairs completed in January following cost $972.60.

The pioneer tobacco planters in Kona are still hopeful of being able to make a commercial success of their venture, and expect their first crop to sell at a fair price. In pursuance of the policy of aiding this venture, the success of which will mean so

much to Kona, the Trustees are assisting in the production of the second crop by reducing the rent of these planters from $800. to $300. for the year beginning July 1, 1918.

In March 1918, a flume bridge across Wailua River, Kauai, washed out by severe floods, was replaced by the lessee in May following by a combination trestle and suspension bridge at a cost of $1000. This cost is shared by the Estate in the way of a reduction of $50. per annum in the rental for the remaining 8-1/2 years of the term of lease.

In May 1917, floods washed out some 70 feet of the Easterly bank of the Palolo Stream, at Waikiki, opposite the point where it is joined by the Manoa Stream. In conjunction with the Liliuokalani Trust owning two-thirds of the land damaged, the Trustees agreed to share with that Trust the cost of materials needed for a new bulkhead, estimated at $170. - the tenant to supply the labor necessary to install it. The work waspractically completed at the close of the year.

In return for the privilege granted them of taking coral from the Estate's Waiokamilo Quarry, the City and County authorities, in September 1917, resurfaced Kalani Street in the Kapalama Subdivision.

In pursuance of the practice of re-appraising the properties of this Trust every fifth year, a new Inventory was made and adopted as of July 1, 1917, and books adjusted in accordance therewith. The aggregate of the lands is considerably in excess of values given as at June 30, 1917, as shown by the following summary, which is exclusive of Kamehameha School properties:

	June 30th	Values 1917 July 1st	Decrease	Increase
Lands	$2,860,992.93	$5,056,354.00	$27,393.49	$2,222,754.56
Maps	51,216.95	25,000.00	26,216.95	
Furn. & Eq.	5,715.08	4,419.50	1,295.58	
Paki Plans	36,803.18	36,803.18		
Totals	$2,954,728.14	$5,122,576.68	54,906.02	
Net appreciation				$2,167,848.54

MAPS AND SURVEYS

The capital costs incurred this year in the making of complete surveys of Estate holdings amounted to $2886.79, the work comprising (a) the subdivision of Kapaakea aforesaid $1159.60, (b) the continuation of the surveys on the Island of Hawaii mentioned in the Report of last year $1,727.19. Of these latter, the surveys of the Hilo lands of Kulaikahonu, Kikala, Kalalau and that portion of Pahoehoe, which lies below the Government Road , were completed in January 1918.

The Division of Hydrography of the Territorial Board of Agriculture and Forestry has been granted permission to enter upon the Estate lands in Halawa Valley, Molokai, for the purpose of making an investigation of the water resources as directed by House Resolution 124, Legislature of 1917. The authorities have also been furnished blue-print copies of Estate Maps needed in this connection. In return, the Estate will be furnished copies of all maps and records obtained as the result of such survey, when the work is completed.

On October 12, 1917, the Department of Hydrography removed the clock and discontinued the work of measuring the water flow on Lumahai, Kauai - a work which the Trustees (in conjunction with the late Queen Liliuokalani, holding a life interest in the land) have for sometime been assisting by contributing towards the cost of maintaining the trail leading to the measuring station. Full reports of results to June 30, 1915, have been received and the annual report for 1916 is promised as soon as printed. It is likely the Estate will itself continue to collect these records and investigations are now being made relative to the costs and practicability of installing a new clock.

FORESTRY AND FOREST RESERVATION

In compliance with the terms of his lease, the lessee of the land of Heeia, Oahu, has planted Eucalyptus trees on approximately

6 acres of land in Iolekaa Valley, Heeia-uka, and in July 1917 some of these had reached a height of 15 feet or more. These trees are being cared for and protected by the lessee, and although outside of the Forest Reserve proper, will be practically maintained as Forest Reserve.

LAW

Concerning suits and actions mentioned in last report: Suit in ejectment, J. M. Ambrose (representing the Trustees, as Lessee)vs. A.Kealakaa, involving title in a small beach lot at Lahaina, Maui, appeal carried by Defendant from Second Circuit Court to the Supreme Court was dismissed by the higher court on December 17, 1917. Notwithstanding this decision, Kealakaa is still in possession at the close of this year.

Suit in ejectment, Alexandria K. Brown vs. Bishop Estate, et al., filed in the Third Circuit Court and involving title to 4.7 acres in Honaunau, South Kona, Hawaii, was reopened in October 1917, by the filing of a new suit in the Third Circuit Court and decided in favor of the Trustees on May 14, 1918.

Petition 345 filed in the Land Court by the Honolulu Rapid Transit and Land Company, Limited, to register title in its store yard premises at Queen, Smith, Keawe and Halekauwila Streets, Kaakaukukui, was contested by the Territory on the ground that a portion of the land involved was Government property claimed to be part of Puunui, and also protested on the ground that, if granted, it would have the effect of closing up Keawe Street and Keauhou Lane between Queen and Halekauwila Streets. The Estate was interested in both these issues for the reason that the closure of the streets would be detrimental to the Estate's interests and for the more serious reason that the land claimed as being part of the Government land of Puunui had been sold to the Petitioner by the Trustees and a decision upholding the Territory would prejudice the Estate.

On September 4, 1917, the Circuit Court dismissed the Territory's claim that there was a lele of Puunui in Kaakaukukui, left open all streets but reduced Keawe Street to a width of twenty feet and disallowed the City's claim to a narrow strip wanted for the widening of Queen Street. The case has been appealed to the Supreme Court where it still rests.

Petition filed in the Land Court by Harriet Johnson in July, 1917, to register title in land at Kakaako, was protested by the Estate on the ground that the description included some 600 square feet of Estate land adjoining. The Petition was later amended, however, so as to eliminate the Estate area.

In September 1917, the Trustees filed petition for the settlement of the boundaries of the mauka part of the Ahupuaa of Paunau, Lahaina, Maui, before M. D. Monsarrat, Commissioner of Boundaries, Second Judicial Circuit. The Territory asked the Estate to recognize its title in two pieces within the Estate boundaries, which were claimed as Government lands,one at the makai end containing 40 or 50 acres of cane land, the other a long, narrow strip comprising some 200 acres and forming part of the Kohoma Valley watershed. On March 30, 1918, the Boundary Commissioner issued a decree fixing the boundaries substantially as claimed in the Trustees' petition. The Territory has since filed petition for registered title, including the two pieces within Paunau claimed by it.

In the suit in ejectment, Bishop Estate vs. Theresa Wilcox Belliveau, re so-called "Gore Lot" at the junction of King, Merchant and Richards Streets, a verdict by a jury in the Circuit Court on September 26, 1917, was in favor of the Estate, judgment being entered on October 1, 1917, and a motion by defendant for a new trial being denied on January 14, 1918. On the following day, under a writ of possession, the Deputy Sheriff evicted the defend-

ants and placed the Estate's representative in possession. This suit cost the Estate $2538.00.

Appeal of Charles E. King regarding the appointment of a new Trustee vice S. M. Damon, resigned, was argued before the United States Court of Appeals, Ninth Circuit, in San Francisco, California, on October 11, 1917, and on March 7, 1918, the Court rendered a decision in favor of the Trustees.

Suit, City and County of Honolulu vs. Bishop Estate, filed in the First Circuit Court on May 10, 1918, to condemn 22.38 acres of land at Kapaakea, Honolulu, for quarry purposes was still pending at the close of the fiscal year.

Sundry appeals in the Third Taxation Division against tax assessments for 1917, were all subsequently settled by compromise and withdrawn.

On December 31, 1917, Holmes and Olson retired as attorneys for this Trust and were succeeded as such by Judge A. G. M. Robertson.

BENEFICIARIES

The death of the late Queen Liliuokalani marks the passing of the last of the individual beneficiaries under the Will of Ruth Keelikolani, probated June 22, 1883, and the Will and two Codicils of Bernice P. Bishop, probated December 2, 1884. Of the 32 pecuniary obligations with which the Estate was originally charged, 22 were for fixed sums and were discharged during the first half of the year 1885; 2 were disposed of when the recipients became of age, and 8 lapsed upon the death of the respective recipients.

Of the individuals to whom lands were divised, 14 held life interests, since terminated by death; 1 was a clear gift; and 1 was a contingent gift, depending upon issue of the devisees. As there was issue in this latter case, the land did not revert. The following summary may be of interest:

FIXED CASH BEQUESTS		Discharged
Allen, Mrs. William F.	$1000.	June 24, 1885,
Barnard, Mrs. Emma	500.	Feb. 24, 1885,

KAMEHAMEHA SCHOOLS

Building Improvements: Expenditures under this head during the year totalled $2635.50, the chief item of which was the cost of improving the bathing facilities in the main lavatory at the School for Girls, including the installation of five "needle" showers and three tubs $1334.92

Lavatory bowls installed in eight teachers' rooms, Main Hall, Girls School, on a/c 521.25

Implement Shed, Boys' School (referred to in last report) additional costs 188.27

Electric lights installed, Machine Shop 50.00

Teachers' Cottage, Kalihi Road, being erected by students as part of the practical course, on a/c 541.06

Equipment: The gross cost of additional equipment provided during the year was $3689.98, including Folding Chairs for the Assembly Room, Bishop Hall, seating 400 persons 815.00

Tablet Arm Recitation Room Benches for Class Rooms, Bishop Hall and School for Girls 325.00

Lecture Seats and Blackboards for class instruction, Machine Shop 58.10

Motor-driven Separator and churn, feed cutter with

3 H.P. Motor to operate it, and a modern milk cooler of improved type for School Dairy	448.59
Rabbitry for the Farm, including hutches and small stock of Belgian Hares	148.72
Motor-driven lawn mower, Grounds	425.00
Six portable bleachers made in the woodworking shop and needed in connection with Athletic Field activities, graduating exercises and various entertainments	404.49
Books and Periodicals, Library	500.00
Adding Machine, Desk and Document file, School Office	374.50
Additional Oil Pumps for Girls' School Kitchen to admit of using kerosene oil, a change made necessary on account of the scarcity of fuel oil	190.58

Grounds: Mr. Bertram G. Goodhue, the Landscape Architect and Designer who came here from New York, as reported last year, and was employed by the Trustees to study conditions and to thereafter submit a plan upon which the Trustees might build in the future development of Kamehameha's grounds and buildings, has submitted preliminary studies in the shape of six tentative block plans, but action on these has been postponed.

Inventory: In conjunction with the General Inventory heretofore mentioned, the Trustees have had the buildings, equipment and grounds of the Kamehameha Schools, also reappraised and the new values brought into the books as of July 1, 1917. This involved the writing out of capital the sum of $94,670.79, representing the total net decrease in values shown on the books at the close of the fiscal year preceding, as per the following summary:

	June 30th	Values 1917 July 1st	Decrease	Increase
Buildings	$402,979.41	$329,145.00	$73,834.41	
Equipment	95,326.64	72,012.05	23,314.59	
Grounds	249,004.83	250,000.00		$ 995.17
Roads & Sewers	59,165.71	60,648.75		1483.04
Totals	$806,476.59	$711,805.80	$97,149.00	$2478.21
Net Decrease			$94,670.79	

Farm and Dairy: In July, 1917, two cows of the School Herd, after tests made under the supervision of the College of Hawaii, were admitted to Advanced Registry, - one of them, a Holstein-Friesian, - bred and raised by Kamehameha, which thus holds the distinction of having bred and raised the first dairy cow to thus qualify in these Islands. During a seven day test, this animal produced 281.2 pounds of milk containing 8.7 pounds of butter fat, at a maintenance cost of $9.07 as against the value of the milk - $15.78, a practical demonstration of considerable value to the students taking the course in agriculture and farming.

In August the Schools adopted the policy of lending young pure-bred bulls in the School herd to responsible dairymen or farmers for three-year periods, without charge but subject to certain conditions, including a stipulation requiring the individual thus benefited to keep careful records. If the plan meets with success it is believed that it will have a tendancy to build up a market for pure-bred sires and be a direct contribution to the cause of preservation of foodstuffs in the Territory.

In January 1918, the Territorial Department of Animal Industry, after a test, condemned four animals in the School herd as tubercular - two of them being valuable cows. The amount of money recovered for them under the law passed by the 1917 Legislature relating to condemned stock, was $443.70.

At the Territorial Fair held in June 1918, the School stock exhibit drew forth much favorable comment, particularly on the knowledge concerning stock displayed by the student attendants.

Miscellaneous: In order to provide a place where Kamehameha teachers might enjoy rest and recreation on week-ends and during vacations, the Trustees, in August 1917, definitely set aside for the use of the Schools a block of land on the Isenberg side of the Mott-Smith premises at Waialae, on the beach, where housing facil-

ities will shortly be provided for the accommodation of such teachers as may care to avail themselves of the privilege.

The dental operating room, mentioned in last Report as having been installed, experimentally, at the Manual Hospital, has proved so successful that it has been continued, and a Dentist is now regularly attached to the Medical Staff of the Schools. Each pupil has at least one thorough dental examination and treatment during the year and the annual charge per pupil is fixed at the nominal price of $4.

In August 1918, the policy was adopted of allowing ten full Scholarships to be awarded to the younger brothers of worthy boys attending the Manual, whose parents or guardians are financially unable to meet the tuition charge for more than one boy, upon condition that the Scholarship boy will undertake to earn, at the Schools, cash sufficient to pay for all extras.

In order to stimulate interest in the Schools President Webster, in October, 1917, visited the Islands of Hawaii and Maui, and there interviewed a large number of graduates and former students, plantation men, parents or patrons of present pupils, and others interested in the welfare of the young Hawaiian. It is hoped the results of the visit will manifest itself in the way of opening field for the employment of graduates and ensure the future enrollment of some desirable pupils from those Islands.

In March 1918, the Principal of the School for Girls, made a similar trip to Kauai, visiting girl graduates and ex-students there.

In May 1918, the work of collecting and recording information regarding graduates and former students was started with the purpose in view of publishing a directory giving information in some detail, with appropriate summaries, as to whereabouts of graduates and former students, their occupation, etc. A graduate secretary is now employed on this important work.

A re-union of the Manual Class of 1915, held May 25, 1918, showed that with the exception of two boys, who were students, all members of the class were at work - mostly in mechanical lines - and were apparently self-supporting.

Feeling that there was a real need in the community of some place where boys generally might have an opportunity of learning something about tools the Trustees, in April 1918, decided to inaugurate at Kamehameha a Summer School Shop course to which all boys would be eligible, but, as the capacity would be limited, a selection to be made from the total number applying, of those boys who seemed best qualified to profit by the instructions. The course was duly advertised to begin Monday, July 1, 1918, and to run for five weeks, ending Friday, August 2d, and to embrace Woodworking, Forging, Electricity and Machine Shop Practice. The minimum age of applicants was limited to range from 10 years, in the case of the Woodworking course, to 14 years in that of Machine Shop Practice; and the fee for the course in each shop was tentatively fixed in the nominal sum of $5. in order to ensure a full enrollment. Up to June 28th applications received numbered 44 but as only two of these were for the Forge Shop, this course was eliminated. The enrollment for the Electrical course was to capacity while for the Machine Shop course the applicants numbered three more than could be accommodated. Each pupil who satisfactorily completes the course will be given a certificate stating clearly how many hours of instruction he has received and the grade attained.

In the Preparatory Department of the School for Boys the entrance age limit is restored to six years (instead of eight) but in the admission of pupils care will be taken to select from among the applicants those who may be expected to develop in the shortest time into the type of boys best fitted for promotion to the Manual.

The Spring vacation, April 5th to 14th, was spent by the Cadet Battalion of the Manual Department, at Wailuku, Maui - 102 boys

made the trip and the encampment was most successful from every point of view.

At the close of the year Mr. Charles R. Bostwick retired as Principal of the Manual Department.

The schools opened in all departments on Monday, September 10, 1917, with 298 pupils enrolled and closed on Thursday, June 6, 1918, with 312 pupils, segregated as follows:

	Opening	Closing
Manual Department B/s	119	125
Preparatory Department B/s	66	75
Girls' School	113	112
Total	298	312

Full Scholarships were awarded by the Schools, during the year, to 34 pupils - 9 at the Manual, 16 at the Preparatory and 9 at the School for Girls, representing a charge of $1,933.40.

Diplomas to the number of 42 were awarded as follows:

	Pupils	
Manual Department, B/s		
Machine Shop, ...	15	
Electrical Shop, ...	7	
Forge Shop, ...	1	
Carpenter Shop, ...	3	26
Girls' School		
English Branches, ...	13	
Domestic Science, ...	3	16

Seven pupils in the Preparatory Department of the School for Boys qualified for promotion to the Manual.

The Trustees regret the delay that has occured in the filing of this report, but the moving of the office and temporary disorganization of the office staff combined to make it impracticable to file it sooner.

Respectfully submitted,

A. A. Smith
Richard N. Trent
W. Williamson
Trustees under the Will and of the Estate of Bernice P. Bishop

IN THE CIRCUIT COURT OF THE FIRST JUDICIAL CIRCUIT OF THE TERRITORY OF HAWAII.

At Chambers — In Equity.

In The Matter Of The BERNICE P. BISHOP ESTATE : Trustee's Thirty-fourth Annual Account.

MASTER'S REPORT.

To The Honorable Jas. J. Banks,
Third Judge of the Circuit Court of the First Judicial Circuit of the Territory of Hawaii, presiding at Chambers, in equity:

Wm. S. Chillingworth, the duly appointed and acting Master of the thirty-fourth annual account of William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, covering the period from July 1st, 1918, to and including the 30th day of June, 1919, begs to submit his report thereon, as follows:

That pursuant to the order of the Court, he has audited the account and in connection therewith has examined the books and records of said trust estate and inspected and checked the securities owned and held by it.

STOCKS.

That the estate owns 2200 shares of the cumulative preferred stock of the Hawaii Consolidated Railway, Limited, of the

par value of $20.00 each. This stock was obtained upon the re-organization of the Hilo Railroad Company. The estate held $80,000.00 worth of Hilo Railroad Company bonds upon which the railraod company failed to pay the interest and upon the re-organization of the company the bond-holders accepted a proposition to the effect that in lieu of the bonds so held an exchange was made on the basis of 60% in Bonds of the Hawaii Consolidated Railway and 40% in preferred stock of the same company, which, in the case of the Bernice P. Bishop Estate, amounted to $44,000.00 in first mortgage 5% Bonds and $36,800 in preferred 7% stock. This exchange was made on August 30th, 1916. In order to pay the accrued interest on the bonds, the Hawaii Consolidated Railway issued preferred stock valued at par, the interest amounting to $7,200.00. This stock has not reached the dividend paying stage and in consequence of which the Estate carries them at $6.00 per share, the market value of same.

INTEREST.

That all interest due on the bonds owned by the said estate has been paid.

RENTS.

That the amount of income received from rents, amounting to $371,349.56, is correct and fully accounts for all rents received during the trust year on account of leases of real estate as shown by the rent-roll, books and accounts of said estate. This shows an increase of $83,161.09. Several of the old leases have run out and renewed at present day values, but a substantial part of the increase is due to the payment of back rents which had been held up

pending the settlement of questions in dispute extending over a period of four years. At the close of the period over which accounting is made there were 980 leases in force and 56 monthly tenancies. This represents an increase of 35 leases and 4 tenancies, covering property owned by the estate located on the Islands of Oahu, Hawaii, Kauai, Maui and Molokai. The value of the real estate by Islands is as follows:

Oahu.....	$4,143,102.18
Hawaii.....	922,278.19
Kauai.....	25,430.00
Maui.....	73,189.40
Molokai.....	12,040.30
Total	5,176,040.07

At the close of this accounting period there was outstanding rent amounting to $14,581.40 to be collected, not including rent-notes amounting to $491.85 due.

PRINCIPAL.

That all moneys received on account of principal, amounting to $63,732.44, is a correct statement of the receipts from the sale of land, etc. as shown by the books of account.

The total receipts from all sources were as follows:

Rents, interest, &c.	$455,211.89
Land sales, etc.	63,732.44
Balance from last a/c	14,719.61
Total	533,663.94

the disbursements for the same period being

Working charges	390,621.25
Development charges	142,811.59
Total	$533,432.84

leaving a balance of cash on hand amounting to $231.10.

Revenue amounting to $79,079.15 was converted into capital through investments in bonds, purchase of lands, etc. which should produce good income.

INVESTMENTS.

The book value of the securities detailed in the account as being on hand at the close of the year is $378,198.41 which was an increase of $37,402.40 over the previous year. This is accounted for through the investment of $62,442.40 in U. S. War Savings Stamps, Liberty Bonds, Territorial Public Improvement Bonds, less $25,040.00 paid in on account of notes retired, payments on account of principal and the loss of $40 entailed thru the purchase of Alexander Young Building Bonds at $102 and retired at par.

While it is not the prupose of this trust to accumulate wealth, still it is important to keep abreast of the high cost of working charges and development of holdings to put them on at least an even keel. To this end revenue is from time to time re-invested to meet these conditions. On the other hand, the trustees have taken the course that rather than charge rentals commensurate with the value of the lands it were better to lease at a very low rental in order to stimulate agricultural development of lands in remote districts on the different islands. Especially is this so on the Island of Hawaii where large tracts of lands were subdivided and leased to tenants on a liberal graduating scale thereby admitting of the development of the holdings by the lessees without oppressive first charges.

GENERAL SCOPE OF TRUST.

The general scope of the trust is "as broad as it is long", the Trustee's being given the widest kind of latitude in the administration of the same; and in doing so the trustees have managed the trust safely and still have been a power for

good in this Territory. They have assisted materially in the development of the Territory not only thru the development of its property but commercially thru its interests in this city.

OBJECT OF THE TRUST.

The primary object of the trust is the establishment of a school for boys and girls of Hawaiian blood. Such a school, known as the Kamehameha Schools, was established some thirty-five years ago. It has an enrollment of about 330 students at this time. A detailed report upon the cost of maintaining these schools is embodied in the report, together with the earnings therefrom, in addition to details concerning the improvements made during the year, students accounts, and the departments of manual training (machine shops, farming and agricultural).

EXPENSES.

Of the net Revenue Receipts which amounted to $409,045.52 80.61% was used in general maintenance,- 40.92% of which was spent on the Kamehameha Schools, 23.76% for taxes and 15.93% for general operating expenses. The balance of the receipts was converted into capital (19.33%) and .06% forwarded to the new account.

In the way of developing and improving the lands of the estate, the largest expenditure of the year occurred thru the construction of and improving the roads which are necessary to open up large tracts of land and in the extension of sewers. The total expenditure under this heading being $10,340.77 or 7.6% of the total capital outlay.

MAPS & SURVEYS.

The maps and surveys made during the year cost the estate $1,880.67. The maps on file in the office of the trustees covers lands on all of the Islands in the group and is very extensive in its scope, being frequently consulted by people not connected with the estate. They are beautifully kept with appropriate indexes and as the maps become worn and frayed they are renewed by the force of engineers of the estate. The valuation placed upon the maps, surveys and plans of the estate is placed at $66,059.40.

KAMEHAMEHA SCHOOLS.

These schools are being operated economically and conservatively considering the scope attempted to be covered in the conduct thereof. It is a school established to give education to children of Hawaiian extraction to the end that they may be better fitted to meet the existing conditions of life. It is not the intent of the school to give the students complete education but sufficient to put them on their feet, as it were. The curriculum of the school extends to the ninth grade or first year highschool, aside from the manual training to be had at the school.

According to the re-appraisement of values made in 1917 the different items included in the plant were valued as follows: Buildings $329,145; Equipment 72,012.05; grounds $250,000.00; Roads and sewers $60,648.75. This year improvements amounting to $13,007.53 were made.

BONDS.

I have checked the bonds held by this estate and found

them to be as listed in the inventory filed with this annual account, with the exception of the Young Building Company bonds which were exchanged for those of the new issue July 1, 1918.

VOUCHERS.

The Master has checked the vouchers filed with this account, numbering 1,045, and finds them all in order and covers all disbursements for which vouchers are necessary.

FINANCIAL CONDITION.

The estate is able to keep abreast of disbursements and at the close of the trust year had a balance of cash on hand amounting to $231.10.

Finding the account of the trustees to be a true statement of the transactions of the trustees, your Master recommends that the same be approved as rendered and filed.

Respectfully submitted,

Wm. S. Gillingworth.
Master.

PETITION OF TRUSTEES
FOR APPROVAL OF ANNUAL ACCOUNT.

To the Honorable the Presiding Judge at Chambers, in Equity, of the above entitled Court:

The petition of the undersigned, William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, Trustees, of the City and County of Honolulu, Territory of Hawaii, respectfully shows unto your Honor as follows:

I.

That they are the duly appointed, qualified and acting Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu, deceased.

II.

That the petitioners herein submit to the Court their 35th Annual Report and Account as such Trustees of their transactions under and in respect of said Trust Estate covering the period from July 1, 1919, to and including June 30, 1920.

III.

That upon Schedule "A" of said Account they show all of their receipts as such Trustees during said period.

IV.

That upon Schedule "B" of said Account they show all of their expenditures as such Trustees during said period.

V.

That upon Schedule "C" they show the aggregate of such receipts and expenditures, all of said schedules being attached hereto and made parts hereof.

VI.

The petitioners submit and file herewith a full and complete inventory of the investments made by them under and by virtue of said trust, and which were outstanding at the close of said period.

VII.

That in and by their said attached report they set forth in more detail the transactions had under and by virtue of their said trust during said period.

WHEREFORE YOUR PETITIONERS PRAY that said Account may be referred by the Court to a Master to be examined and audited if the Court shall deem such course advisable.

AND THEY FURTHER PRAY that their said Account may be examined, approved and allowed by the Court.

DATED, Honolulu, T. H., this 21st day of July, 1920.

THIRTY-FIFTH ANNUAL REPORT

BISHOP ESTATE TRUSTEES

JUNE 30th, 1920.

Court

The Kamehameha Schools
Honolulu, T. H.
August 12, 1920

To the Trustees of the
Bernice P. Bishop Estate
Honolulu, T. H.

Gentlemen:

I have the honor to submit the following report of the Kamehameha Schools for the school year 1919 - 1920.

GENERAL CHARACTERISTICS OF THE YEAR:

The outstanding feature of the year among both teachers and pupils has been an attitude of waiting for directions. The regular work has gone forward as in years past. Improvements here and there are evident and there has been steady progress but through it all there has been an undertone of marking time. At a general faculty meeting early in the year, the situation as to educational policies for the future was explained and among the teachers, there has been a commendable spirit of understanding and patience indicating their appreciation of the wisdom, until such time as a definite plan for the future had been adopted, of making the best of certain existing conditions and facilities which while not seriously inadequate, it is obvious to anyone familiar with the situation, could and should be improved. Among the pupils, there has been a certain atmosphere of unrest which while due in a large measure doubtless to the spirit of the times, probably is related in a measure to the temporary waiting which they have felt but could not fully understand.

The adoption of an outline of educational policies as announced, first to the teachers and shortly thereafter at the alumni-alumnae reunion in June has dispelled in a large measure this feeling of uncertainty. The adoption of a plan for the development of the grounds and the arrangement of new buildings to replace those now either in poor condition or of inadequate size is obviously the next step. Until it can be accomplished the same spirit of co-operation to ensure the greatest good in the end will, I am sure, prevaile among the members of the staff.

The teachers and other members of the staff have this year constituted a body of workers which compares favorably with that of any of the five years preceding. There has been as always those who became discontented for personal reasons; those who were unable to adjust themselves during their first year's service to the difference between the local conditions and those with which they were familiar; and those who did not measure up to estimates of their ability gained by correspondence, but all in all, it has been a harmonious, conscientious and efficient staff which has served the Schools.

A full enrollment in all departments, a condition which has not previously prevailed since the year 1914-15, has been another feature of the year. The Girls' School and the Preparatory Department of the Boys' School have continuously during the past six years had more applicants for admission than

could be accommodated, but since the abandonment of the work scholarship system in the Boys' School which became effective in the fall of 1915, there had not until this year been a capacity enrollment. The four years of adjustment to a rather radical change have had their undesirable features, notably the decrease in enrollment, but that the resulting improvements, of which several might be mentioned but chief of which is the uniformity of and improvment in the instruction in the several trades, fully justify the change I believe no prejudiced critic familiar with the situation both prior to and since it took place would question. Any change from a wrong to a fundamentally right course, if the former has been followed for a considerable period of years is bound to produce unpleasant features in the transition but these features can never be of sufficient importance to justify the failure to make the change. It is not always easy to prove conclusively in advance that one course is wrong and the other right, but once the right course is correctly outlined the ends attained by following it will more than justify any difficulties along the way.

ENROLLMENT:

The enrollment for the year by departments and the changes which have occurred in it are shown by the following tables:

	Enrollment September	Entered during yr.	Left dur.yr.	Enrollment June
Boys' School	151	1	5	147
Girls' School	112	4	6	110
Preparatory Dept.B.S.	75	1	2	74
Totals	338	6	13	331

HEALTH:

The health of pupils during the year has been rather better than for several years past. Among the girls and the Preparatory Department boys, no epidemic of contagious disease has occurred. For the second time the efficacy of a quarantine of the departments where no cases of influenza had appeared until the epidemic in the city had died out, has been proven. Influenza became epidemic among the older boys and the 25 who contracted the disease had in general more severe cases than the 67 victims during the preceding year. That there have been no fatalities during either of these epidemics is remarkable and much credit is due to Miss Marquardt for her untiring efforts in these emergencies to which more than to any other reason must be attributed the fortunate outcome. It is interesting to note that out of 39 cases of influenza in 1918, 67 in 1919 and 25 in 1920, but one individual has contracted the disease a second time, although many have been exposed once and several twice since they had it.

A systematic examination of the eyes of all pupils irrespective of whether they gave evidence in any way of pos-

234

sible eye trouble was inaugurated this year. The results indicated excellent eyesight generally among all pupils. It has been found almost impossible even after resorting to rather severe displinary measures to secure consistent wearing of glasses by some for whom the examination indicated they were highly desirable but who themselves objected to wearing them.

The following tabulation, showing the surgical work done by Dr. Kilbourne during the year, is interesting and shows that for $1020.00 per year we are securing valuable service at a very reasonable rate.

Appendectomy	5	Abscesses	3
Tonsilectomy	33	Fractures	2
Hernia	2	Glands	1
Nasal	1	Total	47

DENTISTRY:

At the close of the 4th year under the arrangement inaugurated in 1916 whereby all pupils are charged a flat rate of $4.00 per year for any and all necessary dental work, the condition of the teeth of all the pupils was probably better than at the close of any year in the history of the schools. Dr. Chang has done uniformly good work and it seems doubtful whether the arrangement whereby he spends two hours per day five days a week at the schools' dental room could be improved upon. We should like him to put in a little more time but he feels that he can spare no more from his general practice. The amounts paid him during each of the four years and the corresponding charge to pupils and resulting balance paid out of estate funds is shown in the following tabulation:

	Total Paid to Dentist	Charged to Pupils	Difference paid by schools
1916-17	$ 1766.00	$1278.00	$ 488.00
1917-18	2071.00	1268.00	803.00
1918-19	1813.00	1352.00	461.00
1919-20	2356.50	1362.00	994.50

These figures do not show the distribution by departments, but the average expenditure per pupil in each department during the past year is as follows: Preparatory Department $4.50; Girls' School $6.40; Boys' School $10.20. These figures are in about the same ratio as those reported in 1918 at which time you decided against any increase in the uniform $4.00 charge.

EDUCATIONAL FEATURES:

A quite general effort to tie up instruction being given in the classroom to concrete illustration, of the pupils' familiarity with which there could be no question, has, as compared with past years been evident. That there is much along this line still to be done and that it is not easy of accomplishment is fully appreciated. The classroom teacher who can and will correlate work in mathematics, Science and English with the pupils' every day experience in their industrial work, be that laundry, sewing, cooking, electrical wiring, forging, or machine shop practice as the case may be, is the exceptional teacher. In the School for Boys, I incline more and more to the belief that for this reason, if for no other, the classroom teachers should all be men and preferably men who if they have not had actual experience along trade lines are

235

at least so constituted as to have an understanding of and ability to appreciate the usages of the trades sufficiently so that they will be able to make a real and not a perfunctory correlation between their work and that in the shops and on the farm.

The same principle of first creating interest by dealing with a thing that is familiar and from that starting point teaching the idea which the pupil should master is applicable in the shops as well. While it may not have taught the underlying principles of machine shop practice any better than work on any other piece of machinery, the construction by the machine shop boys this year of a sugar mill one-tenth natural size had this local advantage and credit is due Mr. Taylor the instructor for introducing and developing this project. We need more individual or small group project work on the industrial side. The proper handling and supervision of such work calls for teachers of greater capabilities probably than those generally possessed by teachers who can do fairly good work in instructing by groups, and without keen interest and much personal follow up work on the part of the instructor this method may have little advantage over the other, and yet it has so many possibilities of good results both direct and indirect for the pupils that its use should be encouraged. This year each boy in the 6th grade was assigned the task of feeding and caring for a particular rabbit for the year. Some neglected their work, many lost interest for one reason or another, and the whole proposition doubtless to Mr. Borden who had direct charge of the boys and Mr. Bartlett who dealt with them in a disciplinary way when they failed to live up to the responsibilities they were supposed to assume in the matter, seemed often times hardly worth while and yet I believe the principle is right and that after a year's experience some of the difficulties should be avoided with another year's class and that this project and more similar to it should be a part of the work of every pupil.

SUMMER SCHOOL:

The third session of the five week's course in shop work open to all nationalities has just been completed, and like the two which have preceded, it has had an enrollment of which the largest racial group by far was Caucasian. Out of a total enrollment of 29 this year (the smallest of any of the three years due doubtless to the labor shortage which kept the older boys away) 21 were "haoles". Those of Hawaiian blood have shown but little interest in the course. In 1918, 8 out of 48, in 1919 4 out of 53, and in 1920, 2 were part Hawaiian, both the latter being graduates of the Boys' School.

PRINCIPALS' MEETING:

In past years, it has been customary for the three principals to meet with the president occasionally for discussions of matters of general interest to all departments and the making of plans effecting all. This year, instead of holding such meetings only when for some particular reason it seemed desirable, the practice of meeting regularly once each week in the President's Office has been followed with but few omissions. The group thus meeting has this year been one which

236

could beneficially work together and each Wednesday forenoon has seen plans for the coming week end, made, inter-department misunderstandings, if any, straightened out, and various problems of the schools solved. These meetings have served to keep any department which might not be directly interested in particular subjects discussed advised of activities in other departments and thus assisted in producing mutual understanding and co-operation.

STOREKEEPER:

The completion of the first full year of the employment of a storekeeper shows the following interesting figures:

Total value of sales to pupils and various departments of school	$14147.60
"Store's Expense" - Salary of storekeeper and cost of all supplies and equipment purchased for use in the store	1488.50
Profit shown on "General Stores Account" and credited to Revenue Account at close of year after "Store's Expense" had been charged to this account and inventories taken	388.52

A small percentage intended only to cover the expense involved is charged on all items sold to teachers, pupils or others, but articles for the use of other departments of the schools are charged in and out of "General Stores" at the same figure. In addition to his duties at the store, the storekeeper has had charge of the dormitory equipment in the Boys' School, an arrangement which has resulted in considerable saving of expense for such equipment. The store is much handicapped for lack of room. The provision of an adequate storehouse would make possible a considerable expansion of the storekeeper's activities and result in the further prevention of loss and waste and a corresponding saving in expense.

In addition to his other duties, it was arranged at the suggestion of Mr. Watson in 1919 to have Mr. Livesey the storekeeper and his wife occupy quarters provided for them in Dormitory"C" for the purpose of giving closer supervision to the younger boys in the Boys' School. After a little over a year's trial this experiment has proven an entire failure. This may have been due largely to the individual characteristics of the persons attempting to function in this capacity, but the combination in any one man of ability to fill such a place acceptably and at the same time to do other work for which a salary can be paid seems likely to occur quite infrequently. Add to this dual required ability on the part of the man himself the necessity of his having a family which can and will live happily under such conditions and you have an order to fill which makes the chances of failure about 100 to 1.

A MINOR ACCOMPLISHMENT:

The removal of opposition to any change in office methods at the Preparatory Department made it possible to do this year that which it has not previously seemed wise to force. As of November 1st, all Preparatory Department pupils' accounts were entirely transferred to the books in the President's Office. The change has proved satisfactory to all concerned and has done away with two separate and distinct statements of the accounts of pupils in that department which had formerly been necessary.

OPERATING EXPENSE:

The annual report of the accountant, Mr. H. E. King, shows total Operating Expenses for the year $197936.68 and a percentage increase over those of the preceding year of 10.11%. The corresponding percentage increase a year ago was 18.23% and the year before that 10.06%. The monthly comparative statements submitted to you have shown a constant rise in nearly all items since the present accounting system, whereby such monthly reports are readily available, was inaugurated in 1916. In view of this steady increase, a comparison with pre-war conditions it is believed should be instructive. My first annual report, for the fiscal year of 1914-15 during which year the increase in the price of commodities due to the war had scarcely begun to be felt, shows a net balance in the "Statement of Operative Expenses" of $114226.98. During the five-year interval, you have authorized certain items of added expense such as the employment of a physical director at the School for Girls, clerk in the office of the Principal of the Boys' School, the appointment of a Graduate Secretary, the establishment of a school dental operating room at a total annual cost as shown in a preceding paragraph of $2356.50, etc. all of which might properly perhaps be deducted from the past year's total before a comparison is made, but in the figures which follow this has not been done. One correction and only one must be made to get a basis of comparison which is at all accurate and that is the addition to the 1914-15 figure of the total amount collected that year for tuitions or $17325.70 which under the accounting system then in force was credited to Operating Expenses, whereas at the present time, collections for tuitions and medical and dental fees are not credited to Operating Expenses but are handled through a separate account and paid directly to the Treasurer. The addition of this figure makes the 1914-15 total $131552.68. The figure for the year 1919-20 exceeds this by $66384.00 or a percentage increase of 50.46%.

This figure to me is surprising because it is so small. The cost of living is variously estimated to have increased during the period of our comparison from 75% to 100% and it certainly seems as though practically everything bought for the maintenence and operation of the school has averaged to increase in price 100%. We have increased the salaries of teachers slightly over 60% and those of other members of the staff somewhat less. Unless extravagance was prevalent in 1914-15, it would seem that the results of this comparison might justly be considered and indication of too much parsimony on the part of the administration during the last year.

238

SUMMER ARRANGEMENTS:

The first summer under the arrangement whereby teachers are paid a total cash salary and a charge for board during the actual time they are at the schools deducted is not yet completed, but present indications are to the effect that one result will be much greater satisfaction on the part of the teachers than was the case when cash salary and board were separate and the teacher who left the school for a vacation in effect paid board in two places. The closing of all but one of the dining halls which this arrangement has made possible will unquestionably result in a decided saving although not enough to fully offset the former gain when a teacher paid board at the school and did not take it.

THE FARM:

With the ultimate abandonment of farming operations in Kalihi practically assured and the possibility of some development along that line in a more favorable location under consideration, some indication of what has been accomplished should be of interest. The farm more nearly than any of the other activities of the schools approaches a commercial proposition. As such it has always been a failure or at least operated at a loss, and educationally it can hardly be claimed to have accomplished any direct results as no recent graduates have taken their vocational work on it nor have any followed that or similar lines of work after leaving school.

Prior to 1916 no detail figures of costs or income are separately available but the following table shows net results since 1911 and some detail for the past four years.

Farm Operating Expenses

Year	Salaries and Wages	Feed Purchased	Other Misc. Expense	Total Operating Expense	Operating Expense less Income or Net Cost
1911-12					$ 3142.23
1912-13					4313.94
1913-14					3727.48
1914-15					2845.27
1915-16					949.22
1916-17	7335.46	3047.68	1753.83	12136.97	3474.30
1917-18	8458.62	5126.76	3115.92	16701.30	6482.11
1918-19	9084.29	6376.55	2520.55	17891.39	4874.81
1919-20	10299.36	7149.47	3548.16	20996.99	3356.31

With the increases here shown particularly in the cost of feed, which is due principally to the doubling of unit costs, but in part to the added amount required to keep the stock in condition with no pasturage and far too little area where forage crops can be grown available, it seems strange that the figures showing net loss are not greater. The income table below answers this in part.

239

Farm Income

Year	Dairy Products	Stock Sold	Pigs Pork	Other Misc. Income	Total
1916-17	5701.72	422.22	761.99	1746.44	8632.37
1917-18	5751.35	1110.60	1040.33	2317.01	10219.39
1918-19	6944.00	1849.20	1940.51	2372.87	13106.58
1919-20	8600.02	1730.86	2007.83	5301.97	17640.68

These figures are a little indication of what might be accomplished with as good or better stock than we have now after about seven years of consistent development if only sufficient good land could be made available for use.

Reasons for some of the increases both in costs and income, also an idea of what has been accomplished as to improvement of the dairy herd will appear from an examination of the following tabulation:

Year	No. of Cows	Daily Average per cow (in lbs.) milk	Herd Average % Butterfat	Average Amount of grain fed per cow lbs.	Average Cost of grain mixture per cwt.
1914	17.3	15.8	3.10	9.5	$ 1.47
1915	16.7	19.4	3.05	8.2	1.38
1916	18.3	21.9	3.20	11.0	1.55
1917	20.1	22.1	3.35	9.2	2.25
1918	19.6	22.2	3.30	9.3	2.94
1919	19.7	23.6	3.39	11.5	3.07

The above might seem to indicate that too much emphasis is placed on the financial side of the proposition. At present that is the conspicuous feature and the figures seem to point to the advisability of abandoning any and all operations of this nature. That would be the easy way. Personally I believe that if there is an educational need in the territory which some one should seek to satisfy it is for a good agricultural school, and that there lies a field for work by the Kamehameha School for Boys which it can do if it is willing to make the effort (for it will not be easy to arouse interest and make the proposition a go) and in which it can be assured for years to come of that avoidance of duplication advocated by the original trustees.

PERSONNEL OF STAFF:

Reference in a preceding paragraph has been made to the general character of teachers and other staff members during the year. Certain of the more important changes should be particularly mentioned. Miss Knapp for many years Principal of the Preparatory Department of the Boys' School, who has been on leave of absence, during the year with the understanding that she might not return, has definitely tendered her resignation. Miss Post who has served in the department many years as a teacher has acceptably filled Miss Knapp's place during the year as Acting Principal. Differing from Miss Knapp and superior to her on some sides of the many-sided position and weaker on others, she will as Principal during the coming year be more efficient than any other woman we could 240

in all probability secure for the work.

Looking to the future now that your adopted policies contemplate the permanent retention and presumably the development of this department, I believe that the position of principal should be in due time filled by a man. In the successful rearing of small boys, which must ever be the main job of that department, there should be a combination of the feminine and masculine influences but while the feminine influence might well predominate, I believe that the masculine influence should be found in the psotion of final departmental authority. There might well, I believe, be as at present one, two or more men on the staff with a larger number of women as matrons, classroom teachers, etc., but behind this staff and as the individual with whom the small boy knows he must ultimately deal, there should be a competent man.

The death of Mr. George Andrus a few months after his return to the musical work which he so well did from 1912 to 1916 was a distinct loss and created a vacancy which will be difficult to satisfactorily fill. There is not enough work in music to fully occupy the time of a man and to find the individual in which is combined the ability to handle in a satisfactory manner both the musical work and enough in some other line to make up a reasonable program is a difficult task.

A member of the staff whose period of service began during the year and who has been conspicuously efficient in her work and whom we hope to be able to retain indefinitely is Miss Latschar in the office at the School for Girls.

Major Clarke detailed as Professor of Military Science and Tactics in March has proved a very good man for the place and we hope nothing will interfere with his continuing on the detail for several years. While his services are shared with Punahou Academy he resides on the Kamehameha campus and can, therefore, serve effectively as commandant of cadets. The opportunity for eleven cadets to attend an R.O.T.C. training camp on the mainland during the present summer vacation is a new feature of the year.

WAIALAE COTTAGE:

The cottage for the use of teachers at Waialae opened for occupancy early in the summer of 1919 has been occupied continuously during vacation periods and practically every week end. Approximately $500.00 has been spent there in an endeavor to get the grounds cleared of weeds and covered with grass. The result, while not all that could be desired due in a large measure to the unusually dry winter months, has materially improved the only feature of the place which originally caused some criticism on the part of occupants. Many who have used the cottage have expressed to me their appreciation of being able to have the use of such a place and their satisfaction with the arrangement and furnishings of the house itself. For the suitable and comfortable furnishings of the house, all are indebted to Miss Breckenridge, Miss Van Auken and Miss Burgner who spent much time, thought, and energy in planning and selecting and themselves making a part of them.

241

NEEDS FOR THE FUTURE:

Under this heading much might be said, but it would all or nearly all, if a proper method of procedure is followed, depend so largely upon the nature of the general plan for future development yet to be adopted, that the whole situation is practically covered by the statement that such a plan is sorely needed and that all other features are matters of details.

One item of administrative policy which it would seem could be settled without reference to future development plans, is that of "teacher retirement and pensions". We should at an early date, certainly within the coming year, make some special plans for dealing with some of those who have already served the schools many years and if it is considered desirable to cultivate permanence on the part of teachers and make them as contented as possible, I believe no more effective single step could be taken than the adoption of a comprehensive plan for assisting all teachers in the purchase by monthly installments of life insurance and retirement annuities.

Respectfully submitted,

ACCOUNTANT'S ANNUAL REPORT

1919 -- 1920

The Kamehameha Schools
Honolulu, T. H.
July 1, 1920

Mr. E. C. Webster
President, The Kamehameha Schools
Honolulu, T. H.

Dear Sir:

There follows herewith, the general trial balance, June 30, 1920, and tabulated statements covering all expenditures at these Schools during the fiscal year beginning July 1, 1919 and ending June 30, 1920, viz:

I	General Trial Balance, June 30, 1920
II	Capital Expenditures, 1919-1920
III	Comparative Statements of Operating Expenses 1919-1920, of the three Departments of the Schools.
IV	Comparative Statements of Operating Expenses 1918-1919 and 1919-1920 of the entire Schools and for each of the three Departments.
V	Statement of Inventories, June 30, 1920
VI	Students' Ledger Accounts
VII	Sundry Accounts Receivable
VIII	Students' Bank

Respectfully submitted,

H. E. King

THIRTY-FIFTH ANNUAL REPORT

of the

TRUSTEES OF THE BERNICE P. BISHOP ESTATE

YEAR ENDING

JUNE 30th, 1920.

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

TERRITORY OF HAWAII

IN EQUITY AT CHAMBERS

In the Matter of the Bernice P. Bishop Estate

TRUSTEES' REPORT

for the year ending

JUNE 30th, 1920.

To the Presiding Judge
of the First Circuit.

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, beg to submit this their THIRTY-FIFTH ANNUAL REPORT, covering the period from July 1st, 1919, to and including the 30th day of June, 1920.

THE USUAL DETAILED ACCOUNT of Receipts and Expenditures (Schedules "A" and "B") accompanied by 1,238 vouchers and Schedule "C", is herewith presented, together with a Statement of Investments, a Summary of the year's Real Estate Transactions and an abstract Inventory of the Real and Personal Property of the Trust, hereto attached and made a part of this Report. Copies of the Reports of the President and Registrar of the Kamehameha Schools are also filed herewith:

The accounts for the year show as follows:

RECEIPTS from all sources:			
Revenue (Rents, Interest, etc)	$518,644.71		
Capital (Land Sales, etc)	208,715.44	$727,360.15	
Balance forward from last a/c.....		231.10	$727,591.25
DISBURSEMENTS			
Revenue (Working Charges).....		462,199.31	
Capital (Development Charges)		231,535.19	693,734.50
Balance in Hand, June 30/20			$ 33,856.75

Of the net Revenue Receipts, amounting to $455,057.48 (including the balance of $231.10 brought forward from last accounts) 87.55% was used in general maintenance, segregated as follows:

Kamehameha Schools	43.20%	
Taxes	26.37%	
General Operating Expenses	17.98%	87.55%
Converted into Capital		5.01%
Balance forward to new a/c		7.44%

Of the net Capital Receipts, amounting to $215,037.00 (including the above converted revenue of $22,819.75) 86.85% was invested in a way calculated to produce income - the segregation being as follows:

Bonds Purchased	13.98%		
Notes Purchased	66.13%		
Lands Purchased	.22%		
Sales Agreements	.43%	80.76%	
Roads and Sewers		6.09%	86.85%
Maps, Equipment, etc			7.24%
Kamehameha Schools			5.91%

LEASES AND RENTALS

The rent collections for the year (including taxes recovered from tenants and treated as rents) amounted to $430,405.93 - an increase of $59,056.37 as compared with last year's returns.

Leases in force at the close of the year numbered 1119 - an increase of 139. Tenancies (so called as distinguished from leaseholds) numbered 68 - an increase of 12. The classified record for the twelve months ended June 30/1920, is as follows:

Leases	
New	281
Surrendered	58
Cancelled	38
Given up on expiration or renewal	44
Transferred on sales of land	2
Term extensions	7
Assignments permitted	105
Tenancies	
New	35
Terminated	23

Reduced rents have been continued or allowed in the case of 19 leases, of which 6 were of lands on Oahu, 1 on Maui, 1 on Molokai and 11 on Hawaii.

INVESTMENTS

Of personal property investments reported at the close of the year preceding, current collections aggregated $11,571.71, all of which has been reinvested.

On September 3rd, 1919, the purchase, on time payments, of the $25,000 Fifth Liberty Loan 3½% Convertible Gold Notes mentioned

262

in last report was completed.

On December 31st, 1919, the Trustees accepted from the Pacific Sugar Mill Company 7 three-year Promissory 5½% Notes, aggregating $20,000 in replacement of a 5% note of the same Company held by this Trust in the same amount and retired on that date. As in the case of the original issue, the new notes represent part of the principal of a $250,000 first mortgage on all of the property of the Company.

On January 16th, 1920, Kalakaua Avenue Improvement Bonds held by this Trust, were retired at par in the sum of $2,500. As they had cost $102.50 the resultant loss was $62.50.

On March 15th, 1920, the $5,000 Third Liberty Loan Bonds reported with last accounts, were exchanged for bonds of the permanent issue.

Of moneys realized from sales of lands during the year, $150,000 has been placed on short term deposits only, because of the necessity of keeping a substantial sum readily available to meet probable demands of the immediate future - particularly as to reconstruction at Kamehameha.

The book value of the securities detailed in the appended Statement of Investments as on hand at the close of the year, is $550,409.20 - an increase of $172,210.59 as compared with the total reported at the close of the year preceding. This is accounted for as follows:

Forward from June 30th, 1919		$378,198.41	
Deductions			
McInerney Notes, a/c Principal	$8,750.00		
Kamehameha Alumni Note a/c ...	321.71		
Kalakaua Avenue Bonds retired	2,562.50	11,634.21	$366,564.20
Additions			
Fifth Liberty 4¼% Bonds @ $100.00		22,500.00	
Hawaiian Electric 6% Bonds @ $100.75 ...		10,075.00	
Certificates of Deposit		150,000.00	
Sheldon Mortgage		800.00	
Kahaumalumalu Mortgage		470.00	183,845.00
Total, June 30/20			$550,409.20

263

TRUSTEES AND MEETINGS

There has been no change in the personnel of the Trustees since last Report - the Board at the close of the year being constituted as follows: William O. Smith, President; E. Faxon Bishop, Vice-President; William Williamson, Secretary and Treasurer; Albert F. Judd and Richard H. Trent.

Fifty meetings were held during the year.

LANDS AND IMPROVEMENTS

The details of the year's realty transactions of the Estate (other than those pertaining to leases) are set forth in the appended statement. The list comprises 18 sales, 1 purchase, 4 exchanges and 3 agreements. Of the sales the most important were those to the Territory of a tract of 150 acres in Kaakaukukui and to the City of a lot of 47,535 square feet at the corner of Beretania and Smith Streets, known as the "Beretania Street Playgrounds". The former comprised all of the Estate's holdings makai of Ala Moana save four blocks abutting that thoroughfare reserved for future disposition. In the case of the sales to Mary K. Sheldon of 25/100 acre at Kapalama and to July Paka of 29/100 acre at Manoa, part only of the purchase price has been collected, the remainder being covered by mortgage and sales agreement respectively.

Under the Frontage Tax Law the Estate was assessed during the year $13,717.58, being its share of the cost of grading, paving and curbing Beretania Street between Punahou and King based on the unit price of $5.332802 per front foot or $11,588.17 for the 2173 front feet of Estate land concerned and the paving, sewering and curbing of Richards Street between King and Allen based on the unit price of $0.120845 per square foot or $2129.41 for the 17,621 square feet of Estate land concerned. Of this latter assessment $1523.57 has been, or will be, recovered from tenants.

In March last the Trustees shared with their Kahala tenants the cost of repairing the Kahala Road - the work being done by the City. The cost was $1072.05 of which the Estate paid $450.

The re-casing of a 30-year old 8" artesian well on Estate land near Kapahulu Road in Waikiki was successfully completed in February last at a cost of $2,512.23.

In pursuance of the policy of cooperating with the Board of Health authorities in the effort to improve building conditions in the city the Trustees, in October last, served notices upon 23 of their tenants in the Kakaako section who had built houses which did not conform with health regulations nor with the plans of the buildings as originally submitted for approval, being in fact of the tenement or near tenement type. All demands of the Board of Health in these cases have since been met.

In the same month the Trustees also accepted of the surrender of that part of the Hirano Hotel leasehold fronting Kukui Street near Nuuanu, on which certain old frame buildings stood, granted a proportionate reduction of the rent and sold the old buildings as they stood for $500. Subsequently the old tenant was granted a new lease of a portion of the same land under the terms of which he is required to remove all remaining frame buildings and erect in their stead a two-story cut-stone or concrete store building like the adjacent corner building of Yee Young et al mentioned in last report.

Similar leases have also been granted the two lessees of lots on the Ewa side of Nuuanu Street near Kukui Lane mentioned in last report as having then been allowed term extensions to enable them to meet Board of Health requirements concerning sanitary alterations in their building arrangements. By the terms of the new leases these tenants are obliged to remove existing

buildings within eighteen months from the date of commencement of their new leases, July 1, 1921, and to erect in their stead on the newly established line of Nuuanu Street (which is 7½ feet back of the present line) substantial two-story stone or brick store buildings on plans to be approved by the Lessors.

A new lease granted a tenant of Estate land on the mauka side of Kukui Street near Pauoa Stream requires time to fill, grade, remove all present buildings and erect in their stead up-to-date apartments or cottages designed and located in manner satisfactory to the Lessors. At the close of the year the filling in this case had been done and part of the building plans met.

A lease of some 300 acres virgin pineapple land on the Waialae Ridge has been authorized to Chinese planters, who have already built a roadway into the premises with a maximum grade of not more than 8%. Towards the cost of this road the Lessors will contribute by giving the Lessees the benefit of one year rent free. The actual agricultural area upon which the rent will be based will be ascertained by survey as soon as the clearing, now in progress, has been sufficiently advanced to admit of such survey.

The County of Maui has been granted a three year lease of a lot in Pa Pelekani, Lahaina, Maui, for park purposes at a nominal rent, with the right to purchase during the term thereof. A covenant requiring the County to grade and grass the premises has now been practically complied with.

The attempted colonization of a portion of Keauhou 2, in North Kona, Hawaii, referred to in previous reports, has proved disappointing: Out of 35 Koreans forming the original colony, 24 have abandoned their lots regardless of all inducements that could be offered to encourage them to stay. The 11 who remain, however, seem to be making an honest effort to develop their holdings and to these the Trustees have extended aid by remitting rent for the year

to September 1, 1920, and continuing the low rental of $2.00 per acre for two years more.

The agreement mentioned in the 33rd Annual Report, under which the original hui was to purchase the old buildings on the land and utilize the material in them in erecting cottages for each individual family, has been cancelled but most of the buildings have been dismantled and the material has either been distributed for cottages or is being held for distribution.

In July, 1919, a portion of the rip-rap wall supporting the fill of the Keei Road at the junction of Lot 20, was damaged by earthquake. A tenant was awarded the contract for repairing it in the sum of $72, which has been applied towards the settlement of his rent as appears by the accounts.

Samples of experimental tobacco of the crop of 1918, grown on Bishop Estate land in upper Keokea, South Kona, were sent, in September last, to the mainland for appraisal. The reports returned declared that the samples were of very good grade Hawaiian tobacco and that, if properly advertised, the product should find a ready market.

In their last report the Trustees mentioned having sent to Kona for experimental planting a number of macadamia, or Queensland nut trees. Continuing this policy of introducing into Kona plants and trees which might prove beneficial to the district, the Trustees, in January, forwarded twenty young Manila hemp plants, later followed by a few plants of the Sansieveira variety. These have been set out in an experimental plot and will, in due course, be transplanted to different sections and elevations.

In November last the Trustees received from the Hawaiian Agricultural Experiment Station (United States Department of Agriculture) the final report of its Pathologist, Mr. C. W. Carpenter, on the results of experiments carried on in Halawa Valley, Molokai,

since October, 1918, in cooperation with this Estate and its tenants in an effort to devise means of overcoming the taro rot disease. These experiments have demonstrated that drying out, ploughing and resting the patches between crops, and the application of sand, are valuable in controlling the rot, and it is encouraging to note that Halawa planters have profited by the work of Mr. Carpenter in that there is now a greater area planted and more patches being dried out and ploughed before replanting than ever before.

MAPS AND SURVEYS

The important work of making new and complete surveys of Estate lands has been continued during the year at a cost of $5,375.56, of which $2,315.27 represents the costs of completed maps added to the office collection of maps. The remainder ($3,060.29) represents work which was still in progress at the close of the year.

Completed Work comprises:

(1)	Additional costs of locating and marking the Waialae-Wailupe boundaries, Oahu, referred to in last report(total cost $231.35)	$ 16.00
(2)	General survey of all of Kahala and that part of Waialae, Oahu, which lies on the makai side of the main Koko Head Road and on the Diamond Head side of the Isenberg Road	284.45
(3)	General detailed survey and subdivision of Estate holdings in Manoa Valley, Oahu, completed in February, 1920, Maps 696 et seq	462.44
(4)	Survey of a detailed lot in upper Kalihi, Oahu, Map 681	90.00
(5)	General detailed survey of that portion of the Ahupuaa of Punaluu, Kau, Hawaii, which lies between the sea and the forest fence, begun during the preceding fiscal period and completed September, 1919, Maps 686 et seq (Total Cost $1,465.80)	565.94
(6)	Additional work in Honaunau, South Kona, Hawaii, including the subdivision of the section of virgin coffee land lying between the main Government Road and the forest	

fence, completed February, 1920, and delineated on Map 658c made last year at a cost of $765.46 ..... $ 646.44

(7) Survey of that part of the Ahupuaa of Honokaa, North Kohala, Hawaii, which lies on the ridge between the palis of Pololu and Honokane up to an elevation of 1350 feet, completed in November, 1919, Map 697 ..... 250.00

Uncompleted work comprises:

(1) The survey of agricultural areas on the ridge of Kalaepohaku, Oahu, Map 722 ..... 9.10

(2) General detailed survey of the Ahupuaa of Lumahai in Hanalei, Kauai 2.15

(3) Continuation of surveys of lands in Kona, Hawaii, including the resurvey of Keei kula and taro lots, location of new roads, location of Keei-Kahauloa boundary, resurvey of Keokea and the permanent marking of boundaries 3,049.04

The Manoa and Punaluu surveys discovered several cases of encroachment by kuleana owners upon the konohiki, but all of these were amicably adjusted without difficulty. The boundary of the Manoa-Tantalus ridge lands was also definitely settled on the ground to the mutual satisfaction of the respective owners, and all strategic points thereof have been marked with permanent monuments.

In order to facilitate the work of their surveyor in Kona, the Trustees have erected a small frame building at Kawanui, North Kona, adjoining the office of their Kona agent, to whom the land upon which the building stands belongs. No rent is charged for the use of the land and the building may be removed at any time by the Trustees. It is a partitioned work-room and sleeping quarters and was completed in November, 1919, at a cost of $650 plus $319.35 for furnishings.

The restoration of the water measuring station on the Lumahai Stream, Kauai, mentioned in last report as pending was duly effected in May, 1920 - the work being done by the Division of 269

Hydrography of the Territorial Board of Commissioners of Agriculture and Forestry at a cost to the Estate of $453.68, including the cost of re-opening the old trail leading to the station. The Department is expected to take monthly readings.

As the first step in determining the feasibility of bringing the water of windward Molokai to the agricultural land in central Molokai, the Division of Hydrography is establishing water measuring stations on the main streams of that Island of which the Papalaua stream, whose source is in the mountains of Western Halawa (Bishop Estate), is an important unit. Wishing to cooperate with the Estate in a careful investigation of the quantity of water that could be depended upon from this stream, the Division asked the Estate to bear the cost of installing there a Gurley Printing Water Stage Recorder - they to instal and operate the instrument, compile flow records and furnish the Trustees copies of data thus obtained when desired. The Trustees accepted this offer and the station was duly installed on September 17, 1919, at a cost to the Estate of $479.36, the instrument remaining the property of the Division. Later it was found necessary to build a trail along the coast from Halawa to Papalaua so as to admit of the station being visited once a month under all weather conditions. The cost of this (also borne by the Estate) was $259.87 - the work being completed by the Department in June, 1920.

FORESTRY AND FOREST RESERVATIONS

As reported last year the Estate, with other owners concerned, subscribed funds needed to enable the Experiment Station of the Hawaiian Sugar Planters' Association to undertake the work of rehabilitating the Halawa-Niulii forest area in Kohala, Hawaii - the Estate's pro rata being $236.40. The Station has submitted a resume of the work accomplished with these funds in the way of fencing and in nursery and tree planting operations during 1919,

and the owners have renewed their respective contributions so that the work thus begun may be continued through 1920.

A 30-year lease as from July 1, 1920, of 69.5 acres of Estate land in Aihualama, in Upper Manoa, has been granted the Hawaiian Sugar Planters' Association at a nominal rent, to be used as an aboretum in connection with the acclimatization garden and forest nursery of the Association's Manoa Sub-Station, where interested visitors might see growing specimens of a large number of self-perpetuating forest trees which it is proposed to introduce from India, Java and elsewhere with the ultimate view of utilizing those found best adapted for strengthening the native forest cover and bringing back the thick forest jungle on Hawaiian watersheds.

Last year the Bureau of Forestry, of the Board of Commissioners of Agriculture and Forestry discovered that a weevil was attacking the sadleria (a small fern) on the land of Olaa, near the Volcano Road and, in the attempt to exterminate the pest through isolation, adopted the plan of destroying all infected ferns. The Bureau was granted permission to continue this method within the adjoining Estate forest reserve of Keauhou in Kau, but a careful search failed to disclose that the pest had spread so far.

KAMEHAMEHA SCHOOLS

Development: For some time past the Trustees have had under consideration the question of whether the schools should remain in their present location or be moved elsewhere but have now definitely decided that the interests of the schools and of the children attending them could best be served by a continued use and further development of the present site. Having reached this decision they plan now to proceed with a comprehensive building programme which shall contemplate the gradual elimination of existing wooden frame buildings and the erection in their stead of buildings of a

271

permanent type of construction. In 1917 (see 32nd Annual Report) the Trustees shared, with others, the expense of bringing here from New York an eminent architect and landscape designer, Mr. Bertram G. Goodhue, who made a study of the problem at Kamehameha and who has since furnished block plan sketches of several tentative schemes upon which to build in the future. Similar plans are also being secured from the three leading architectural firms in this city, and President Webster is about to visit the mainland with the object of studying institutions there and securing from them the best ideas on the subject of interior arrangements of dormitories and other buildings which would best suit local conditions. The Trustees are very anxious to make a start on the building programme and are holding funds in reserve for this purpose so that no time may be lost in proceeding with the work when the plans are completed.

Buildings: Under the circumstances it has not seemed wise to incur any large expenditures on buildings and nothing more was done last year than to complete certain work that remained unfinished at the close of the year preceding. The outlay was $1,285.67 distributed as follows:

Teachers' Beach Cottage: Balance costs of erecting the cottage on the school reserve at Waialae	$ 110.61
Electric Shop: Balance costs of enlarging the space assigned to this department in the main shop building	663.78
Garage: Capacity increased to accommodate six, instead of three, cars - work done by the students of carpentry	511.28

All buildings on the Campus have this year been reappraised on the basis of present prices of labor and material. The result gives an aggregate value of $716,211 as against $329,145 given in the 1917 Inventory - 33rd Annual Report, page 2.

Equipment: Additional equipment furnished during the year cost $9,628.36, segregated as follows:

272

School Libraries: New Books and Periodicals	$ 500.00
Machine Shop: Two modern lathes with individual motor drive	3,291.23
Dining Hall, M/d: Motor-driven machine for mixing poi	993.14
Note: This machine has demonstrated its ability to mix the twelve to fifteen thousand pounds of poi used monthly at the schools in about half the time heretofore consumed by hand labor and so well that straining is not necessary.	
Water System: Fairbanks-Morse 50 h.p. Semi-Diesel Engine for driving pumps - installation not complete at close of year, on a/c	4,843.99
Note: This is in replacement of an engine installed more than 10 years ago and now of an obsolete type. The change is expected to effect a saving of about $1000 a year in fuel costs	

Grounds: The expenditure under this head, amounting to $1,787.77 represents the cost of laying 1555 lineal feet of 4-foot concrete sidewalk on the King Street frontage of the Girls' School premises from the Waipilopilo Road to Kalihi Road including grading and re-setting of curb.

In the way of repairs, the main drives into the Boys' and Girls' Schools were oiled and patched.

The area in the so-called "Mauka Pasture", mentioned in last report as being under survey for lease as pineapple land, has been ascertained to be 147 acres, of which 109 acres are arable. The lease has been duly issued.

The above area, together with an adjoining unleased section of 62 acres not needed for school purposes, has been transferred on the books of the Estate to the general land account, thus leaving for the continued use of the Schools only that portion of the old "Mauka Pasture" which liss on the Ewa side of the leased area between School Street and the top of the ridge.

Shops: An interesting feature of the Manual Shop Course during the year was the construction by the older boys, of two gas engines and a miniature sugar mill made from drawings loaned by

the Honolulu Iron Works and reduced to a 10 to 1 scale by the boys themselves.

The second Summer School Shop Course of five weeks opened June 30, 1919, and closed August 1st. Fifty-three boys, representing various races, attended, comfortably filling all classes included in the course save that of Forging, which has not proved as popular as the others. Certificates of Merit were awarded to the number of forty-three, segregated as follows:

Machine Shop Practice	11
Woodworking Shop	15
Electrical Shop	12
Forging	5

It was gratifying to note among the boys attending the Summer School this year a manifest eagerness to learn and the general results have been so encouraging that the Trustees decided to repeat the course in 1920. June 28th was accordingly announced as the date of commencement of the third of these sessions but the rate of tuition was reluctantly raised from $1.00 to $2.00 per week in order to make the returns more nearly approach the actual costs incurred by the Schools, which last year amounted to about $1200 as against a tuition return of $225.

Farm and Dairy: In deciding to retain the Schools in their present location the Trustees did not overlook the fact that the present location is ill adapted to the needs of the agricultural department, and that if this department is to be continued it may be necessary to establish an extension branch elsewhere for special work in agriculture and/or animal husbandry. Waialae has been suggested as the place best suited but whether or not any change will be made will form the subject of future discussion.

In November the school herd of 59 head of cattle was given the tubercular test by the Territorial Veterinarian and pronounced free of infection but in February following a post mortem on two young cows disclosed that there was in the herd

a combination of two infectious diseases - infectious metritis and hemorrhagic sptoeymia. Too much dependence on concentrates, due to lack of proper pasturage, is given by the veterinarians as a possible explanation of the presence of the latter disease, which is being treated with a serum. A vaccine brought from the mainland is being used to combat the infectious metritis.

Six head of Holstein cattle exhibited by the Schools at the Maui County Fair, held at Wailuku, October 9-11,1919, drew forth favorable comment.

Military Department: A special feature of the Chapel exercises on Founder's Day (December 19,1919) was the reading of the roll of 187 graduates and students of Kamehameha who had within the past year been discharged from the Army or Navy of the United States or Canada, and the announcement that their names would be inscribed on a permanent war memorial to be installed by the Schools in their honor and which would serve for all time as an object of inspiration to succeeding generations of Kamehameha students. Just what the form of the Memorial shall be has not been determined but that it will be something artistically good is assured.

On April 21st the Cadet Battalion, 131 strong, left for Hilo and Kilauea on their annual Spring Encampment, returning May 1st refreshed in mind and body.

On May 25th a detail of 11 members of the Battalion, together with a detail of 9 cadets from Punahou Academy, left for Camp Kearney, California where, as members of the Junior Division of the Reserve Officers' Training Camp, they enjoyed the benefits of a practical course of military instruction lasting through the summer months. Both details were in the immediate charge of Major Adna G. Clarke, a retired officer of the regular army detailed by the War Department as Instructor

of Military Science and Tactics at both Kamehameha and Punahou with station at Kamehameha. Major Clarke has since favorably commented on the cordial relations which existed between the members of the two details throughout the encampment.

Federal Surveys: In response to a call from the Department of Public Instruction and from local private schools generally, a Federal School Commission consisting of Messrs. Kemp, Bunker and Twiss, headed by Dr. Claxton, visited Hawaii in October last for the purpose of inspecting and reporting upon the educational conditions here. During their stay of some four months each member inspected Kamehameha but as it was upon Dr. Twiss that the study of private schools principally devolved, particular attention was received from him - three days (January 13/16) the limit of time allotted to private schools, being devoted to the special study of Kamehameha's peculiar problems. The results of the investigations will appear in due season in the published report of the commission.

An object similar to the above was attained when, in January last, interested Island organizations, acting in cooperation with the Department of Public Instruction, brought to Hawaii Dr. Henry S. Curtis, America's foremost expert in playground and recreational education. During his stay of six weeks Dr. Curtis helped to improve local conditions through the holding of teachers' institutes, the giving of public lectures and practical playground demonstrations, and the outlining of working problems.

Faculty: A plan to encourage Kamehameha teachers to attend mainland summer schools was this year inaugurated, based on the theory that change of scene, contact with new personalities, discussion of new ideas and methods and the observation of these at demonstration schools, would tend not only to stimulate in the teachers a greater interest in their professional growth but also set more definite standards of attainment for both

teachers and pupils. To accomplish this the sum of $750 is now annually made available for use in defraying the travelling expenses of not more than three selected members of the faculty who shall desire to attend summer schools on the mainland and who shall agree to (1) share the aid thus received with teachers at home, through a series of lectures, discussions and demonstrations, and (2) remain in the schools at least two years after return if desired by the Schools.

The shortage of trained teachers everywhere has had the double effect of increasing both the rates of salary offered by those mainland institutions which seek only the best material and the demands upon teachers who qualify as such. Mainland needs have naturally been reflected here and, after a close study of the schedules recently made operative in various cities, the salary scale for Kamehameha, as adopted for 1920-1921, will show an increase of 13% over the rates prevailing in 1919-1920 or an increase of from 50% to 65% over those obtaining in 1914.

Pupils: Formerly a pupil finished his work in a country school at the fourth or fifth grade and then had to go away to take work in the upper grades. Now he keeps on through the sixth, seventh and eighth grades, coming to Kamehameha after that; and the public schools are offering better, or at least more advanced, work than heretofore. The result has been to reverse conditions which formerly existed at the Manual, and of late the latter's capacity has not been measured so much by dormitory space as by class-room accommodations; upper grade pupils, formerly in the minority, are now in the majority - the larger percentage of new pupils entering the seventh or eighth grades, and the number of graduates has perforce also increased.

The School opened up in all departments on Monday, September 15, 1919, with 338 pupils enrolled and closed on Saturday

June 5th, 1920, with 331 pupils.

Full scholarships were awarded during the year to 41 pupils - 17 at the Manual, 15 at the Preparatory and 9 at the School for Girls, representing a charge of $2,335.00.

Diplomas to the number of 44 were awarded as follows:

	Pupils	
Manual Department, B/s		
Machine Shop	9	
Electrical Shop	8	
Forge Shop	1	
Woodworking Shop	4	22
Girls' School		
English Branches	15	
Domestic Science	2	
Dressmaking	5	22

Twelve pupils in the Preparatory Department of the School for Boys qualified for promotion to the Manual.

Further details as to the work and activities of the Schools during the year are set out in the President's Report hereto attached.

Respectfully submitted,

W. O. Smith
A. F. Judd
W. Williamson
) Trustees under the Will and of the Estate of Bernice P. Bishop, deceased.

AGREEMENTS

With

ANNA PERRY BOURKE et al, heirs of the Perry Estate

Whereby the line of true boundary between the Bishop Estate land of Waialae and the Perry Estate land of Wailupe, Oahu, is defined by metes and bounds from the sea to the summit of the Koolau Ridge, and the parties quit-claim each to the other the remnants lying on either side of the established line,

Date of Agreement: January 13, 1919,
Recorded in: Liber 533, pp 366 et seq.

CITY AND COUNTY OF HONOLULU

Whereby the City and County is granted a perpetual easement over 2473 square feet of Bishop Estate land in Paalaa-kai, Waialua, Oahu - part of Apana 34, L.C.A. 7713, R.P. 4475 to Victoria Kamamalu - needed for straightening the alignment of the Main Government Road approach to the bridge crossing Anahulu Stream at Haleiwa,

Date of Agreement: December 4, 1919,
Consideration: $1.00

JULY PAKA (k)

Granting until April 30, 1922, at 6%, in which to complete purchase of 29/100 acre of land in Kamoolepo, Manoa, Honolulu - part of Grant 645 to M. Kekuanaoa,

Date of Agreement: March 27, 1920,
Sale Price: $925.00

IN THE MATTER OF THE ESTATE OF BERNICE PAUAHI BISHOP, deceased.

35th ANNUAL REPORT OF TRUSTEES.

MASTER'S REPORT.

TO THE HONORABLE THE PRESIDING JUDGE AT CHAMBERS,

Now comes Marguerite K. Ashford, duly appointed Master to investigate the 35th annual report and accounts of the Trustees herein, and reports unto Your Honor as follows:

That the business of the Estate has been well and successfully conducted and measures fully up to the standard of private business concerns. The field covered by these business activities grows from year to year with the increasing development of land in the Territory, as the largest part of the property of the Trust is in land. This year, the development of three hundred acres of virgin land on the Waialae Ridge by clearin g it and putting it into pines is perhaps the most important item of that development. And this has been done without cost to the Estate as the consideration for the development is the use of the land rent free for a period of one year. But the Estate in other matters also has shown a consistent development in the improvement of numerous leaseholds in the City and elsewhere,- largely at the expense of the tenants though under the supervision and approval of the Trustees. However, in view of the fact that there has been no radical change in the affairs of the Trust, and in its business administration since the other Masters have examined and approved the accounts, the present Master will leave the business details of the Trust with this brief discussion and approval. Before leaving the subject, however, it would be fitting to state that the Master has examined all the securities

and found them in order except for the absence of $20,000 worth of mortgage notes of the Pacific Sugar Mill, which were retired August 21, 1920; and $8,000 mortgage notes of the Oahu Sugar Company which were retired July 1st and August 14th of this year. These were checked up on the books of the Trust, which show the proper receipts. The inventory has also been checked and found to be correct, and the accounts carefully examined. So the Master now passes to the recommendations which she feels it her duty to make as a Master appointed by Your Honor for this purpose.

I TRUSTEES' COMMISSIONS.

The statute under which the court allows commissions to trustees provides:

"Such commissions of ten, seven and five per centum, to be allowed upon each accounting when made, but not oftener than once a year."

The accounts show that the Trustees have been in the habit of paying themselves fifty percent of their commissions, or thereabouts, semi-annually. The Master does not believe that the statute contemplates such a charge, and therefore recommends that the Trustees be surcharged with interest on the amount so paid during the half-year, as the Trust was deprived of the use of those funds for six months time. Charged at the legal rate of 8% on the $14,047.97 so paid, this would amount to $561.92.

BOND PREMIUMS FOR EMPLOYEES.

II Any bonding of the employees of the Trustees should be carried as a personal expense by either the Trustees or such employees. Such bonding is for the convenience and protection of the Trustees rather than of the Trust, and should not be borne as an expense of management of the Trust. The amount of $160.00 spent for this purpose should be surcharged against the Trustees.

AUDITORS' FEES.

III One of the fundamental duties of trustees is to keep accurate accounts. To insure the correctness of these accounts, the court 413

yearly appoints an auditor or master to investigate them. For the Trustees to appoint an auditor to audit their own books is a somewhat remarkable proceeding. If such audit is for the benefit of the Court, is it not a usurpation of the functions of the court, and would it not, if effective, dispense with the necessity of an annual audit by an officer of the court? If it is not for the benefit of the court, but merely for the benefit of the Trustees personally, why should the Estate be charged with this expense? The Master recommends the disallowance of the auditors' fees, and the surcharging of the Trustees to the amount expended for that purpose. It is difficult, however, to state just what the amount of the surcharge should be, as the fees for the various audits have not been segregated either in the accounts, or on the books. Thus, the Master feels that it would be quite proper to allow a fee for the audit of the books of the Kamehameha Schools, and for the tenants' profits under leases where the Estate is to receive as rental a given percentage of these profits, and of course, in the latter event, the travelling expenses of the auditor should be allowed. But the form of the vouchers, and the method of entry upon the Estate books, makes it impossible to ascertain just what part of the general charges of $1,325.00 (reached by deducting items of $55.72 for auditing tenants' accounts, and $50.86 for travelling expenses) should be allowed as proper charges against the Estate, and what amount should be surcharged. This, however, could be determined by the taking of testimony, should the court feel so disposed.

CONTRIBUTION TO H. S. P. A. FORESTRY EXPERIMENT STATION.

While the forestry station of the H. S. P. A. in Kohala is unquestionably an excellent institution, the problem presents itself to the Master whether the results are so immediately and directly beneficial to the properties of the Estate, as to justify a Trust, established for quite other charitable purposes in contributing to the support of such station. The Master does not feel free to make

any positive recommendation in this regard to the court, but asks the court to consider the question of the allowance of this sum. The contribution is of $472.80.

FLAGS AND DECORATIONS.

V One of the items of expense in the accounts is the bill of $129.25 for flags and decorations for the office. If this charge had been for the Kamehameha Schools, we think there could be no question but what it would have been a proper charge, but the elaborate decoration, by a professional decorator, of the business office of a Trust established for charitable purposes, surely does not come within the powers of the Trustees and should be surcharged against them.

AGENTS' COMMISSIONS.

VI One of the credits allowed by the Trustees to themselves is a charge of 10% on rentals collected by three agents, on Hawaii, Oahu, and Kauai. The Master feels that this is clearly not allowable. The statute authorizes compensation to the trustees of 10%, 7%, and 5% on income collections, and surely it is for the performance of just such duties as these. If the trustees are allowed to charge one additional item of percentage on collections, there is nothing to prevent several such charges being made, with the result that an infinity of agents and sub-agents might draw their income, and the charity itself be left with nothing but a dry bone to gnaw on at the end of the year. This is probably an oversight on the part of the Trustees, acquiesced in by the former Masters appointed by the court to audit the accounts for many years, but the present Master feels that it is an objectionable practice, in derogation of the terms and spirit of the statute, and should end. It is therefore recommended that the Trustees be surcharged to the amount of these agents' commissions in the sum of $1,447.78.

SALARIES OF BOOKKEEPERS AND COLLECTORS.

VII In the accounts, amounts of $11,618.90 are allowed for the

salaries of the bookkeepers and collectors. This includes $1,775. for the salary of Thomas White, the Kona agent, whose duties, according to information received from the Estate office, are largely the collection of rents from the Kona properties. The Master questions whether these charges, in addition to the statutory commissions allowed the Trustees, amounting this year to $27,175.88 are permissible. This is a matter in which I am reluctant to make a positive recommendation to the court, but will satisfy myself with placing the facts before Your Honor, with the reasons for thinking the sum is not allowable. The statutory provision for trustees' commissions is intended as a reward for the service required of the trustee by the terms of the trust instrument, or by law. For extraordinary, or special professional services, he is entitled to charge additional compensation. (Estate of Ena, 24 Haw. 414) The duties required by law of a trustee include the keeping of accurate books of account (Hart v. Kapu, 5 Haw. 199), and the collection of the revenues of the estate. If the trustees personally did the collecting of the rents, or kept the books, I think that there could be no claim to compensation aside from the commissions allowed by law for just such services. Thus, I draw the conclusion that the Trustees, in addition to the liberal commissions allowed them by the statute for the performance of these duties, should not be allowed to include in the charges against the Estate, the salaries of Bookkeepers and Collectors. If I am wrong in my conclusion, and the Trustees are correct in their practice, then the other trustees of the Territory have overlooked a very fertile field of revenue, and such companies as are engaged in the Trust business, dealing almost exclusively with such matters have gravely erred in failing to charge against the various estates in their hands the expense of maintaining their office staffs.

The vice of this system is shown in the affairs of this very Estate, in that the bookkeepers of the Bernice Pauahi Bishop Estate, do the bookkeeping for the Bishop Museum Trust, and the Charles R. Bishop Trust, free of charge. In other words, in the duties for

which they are paid their salaries by the B. P. Bishop Trust, are included the keeping of the books of two separate and distinct charitable organizations. It needs no comment to show the Court the dangers of such a practice, or the ends to which it might lead.

The argument will doubtless be made that with a large estate, requiring much bookkeeping, a distinction may well be made in allowing the salaries of professional bookkeepers in addition to the commissions allowed the trustees. But is not this a distinction without a difference? The increase in the amount of the commissions of the trustess that comes with an increase in business and bookkeeping should bear this burden. For example, even should the salaries discussed in this case, be subtracted from the commissions allowed by law to the Trustees, the latter would still have the sum of $15,556.98 to pay them for their year's trouble. As they stand largely in the position of directors of private corporations once their active duties of collecting the revenues, and keeping the books are carried by others, this represents a very liberal recompense, and I believe is all that is contemplated by the statute.

THE EXECUTION OF THE TRUST.

VII

Leaving the details of the accounts, and the objections which it was necessary to make, the Master now comes to the subject of the execution of the terms of the trust contained in the will of the Princess Pauahi, the instrument under which the Trustees now before the court exercise their powers. The grant to the Trustees is contained in the original will, and is enlarged to some extent in the several codicils. But the main grant and directions for the execution of the Trust have not been changed in substance from the terms of the original instrument, as follows:

"I give, devise and bequeath all of the rest, residue and remainder of my estates real and personal, wherever situated unto the trustees below named, their heirs and assigns forever, to hold upon the following trusts, namely: to erect and maintain in the Hawaiian Islands two schools, each for boarding and day scholars, one for boys and one for girls, to be known as, and called the Kamehameha

117

Schools. I direct my trustees to expend such amount as they may deem best, not to exceed however one-half of the fund which may come into their hands, in the purchase of suitable premises, the erection of school-buildings and in furnishing the same with the necessary and appropriate fixtures, furniture and apparatus. I direct my trustees to invest the remainder of my estate in such manner as they may think best, and to expend the annual income in the maintenance of said schools; meaning thereby the salaries of teachers, the repairing of buildings and other incidental expenses; and to devote a portion of each year's income to the support and education of orphans and others in indigent circumstances, giving the preference to Hawaiians of pure or part aboriginal blood; the proportion in which said annual income is to be divided among the various objects above mentioned to be determined solely by my said trustees, they to have full discretion. I desire my trustees to provide first and chiefly a good education in the common English branches, and also instruction in morals and in such useful knowledge as may tend to make good and industrious men and women, and I desire instruction in the higher branches to be subsidiary to the foregoing objects. For the purposes aforesaid I grant unto my said trustees full power to lease or sell any portion of my real estate, and to re-invest the proceeds and the balance of my estate in real estate, or in such other manner as to my said trustees may seem best. I also give unto my said trustees full power to make all such rules and regulations as they may deem necessary for the government of said schools, and to regulate the admission of pupils, and the same to alter, amend and publish upon a vote of a majority of said trustees. I also direct that my said trustees shall annually make a full and complete report of all receipts and expenditures, and of the condition of said schools to the Chief Justice of the Surpreme Court, or other highest judicial officer in this country; and shall also file before him annually an inventory of the property in their hands and how invested, and to publish the same in some newspaper published in said Honolulu....."

FAILURE TO COMPLY WITH THE REQUIREMENT OF PUBLISHING THE INVENTORY.

It will be observed that the terms of the trust provide in no uncertain terms for the publication in detail each year of an inventory of the property of the Estate. Probably the purpose of this provision was to keep the public interested in the great charitable scheme of the High Chiefess, as well as to afford a check in the public knowledge upon the changes of investment in which she gave such full discretion to the trustees. It is neither the privilege nor right of a Master appointed by a Court of Equity to inquire into the accounts of trustees of a charitable trust to criticize the exercise of the discretion which has been reposed in those trustees; but no more is it within the privilege or power of trustees of a charity to arbitrarily disregard the requirements of administration which the donor of the trust funds has imposed upon them. The Master feels that the continued failure to publish an inventory of the property of the Estate as required by the Will

418

can be nothing less than an arbitrary disregard of the terms of the Trust, and that the Court should require an immediate compliance with the directions of the creator of the Trust.

FAILURE TO APPLY THE INCOME AS DIRECTED BY THE TRUST INSTRUMENT.

As is shown by the italics of the quotation from the Will, supra, the High Chiefess directs the establishment and furnishing of the schools to come from the capital or corpus of the trust fund, and directs that the income shall be expended in the maintenance of the schools, and in the support and education of orphans and others in indigent circumstances preference being given to those of Hawaiian blood. The proportion in which that income is to be so expended is left to the discretion of the Trustees. My interpretation of the will leaves me in no doubt whatever as to the meaning of the Princess Pauahi, and if that interpretation be correct the Trustees have been derelict in their execution of the Trust. In my belief, there can be no ~~other~~ construction of the will other than that it was the intention of the Princess that all the income from the trust was to be expended in the maintenance of the schools,- which she defines,- and in the support and education of orphans and indigents. That the proportion in which such income was to be devoted to the designated objects was left to the discretion of the trustees, who would have in mind, from year to year, the amount of income which they had at their disposal, and the needs which met them. But there was no discretion left to the Trustees either in the objects to which the income should be dedicated, or in the portion of the income of the Trust which they should expend upon all the objects designated. In other words, while the donor left to the discretion of the Trustees the proportionate expenditure of income upon the various objects of the Trust, she required all the income to be expended upon the objects, and none of it to be withheld for investment in order to add to the corpus of the Trust, and increase its power and authority. The Master feels that this has been disregarded by the Trustees,- that their attitude has

been rather that of directors of a conservative private corporations with an eye to its "reserves", than that of Trustees of a great charity. According to the figures given by the Trustees themselves, they have received during the year capital to the amount of $208,715.44, and have disbursed $231,535.19, and over-investment according to my theory of $22,819.75, which should have been expended upon the objects of the Trust, instead of being reinvested, or invested in bonds, etc. The same is true of the amount of $33,856.75 which the Trustees have carried over as surplus income, above all expenditures. This should also have been invested in the purposes of the Trust,- the maintenance of the Kamehameha Schools, or the support and maintenance of Hawaiian orphans and indigents. From the report filed with the Trustees accounts of the conduct of the Kamehameha Schools, it may well be that they have had expended upon them all the income which could be beneficially used; but that leaves still the unhappily large class which the High Chiefess designated as the other object of her bounty,- Hawaiian orphans and indigents. The Trust of the Will can be fully executed only under two conditions,- the requirement by the court that every restraint imposed by the will upon the Trustees be enforced, and the non-interference by the court or the public with the discretion of the Trustees. Therefore, it is in no spirit of attempting to interfere with the prerogatives of the Trustees, but only in the desire to point out to the court the necessity of keeping the Trustees within the provisions of the Will, that I feel called upon to refer to the problem of the many homeless children of Hawaiian blood that are being sent to the industrial schools, or to already over-crowded institutions, because there are no funds with which to care for them. Surely the heart of Pauahi Bishop would have responded to their call; and surely it was not the intent of her Will in the establishment of her Trust that the cry of such children should remain unheard while the income of her great Estate was reinvested to increase the power and authority of the most powerful single organization in this country.

420

I therefore recommend unto Your Honor that the Court require the Trustees to convert the reinvested income for the last year into cash at their earliest opportunity, and to spend that, as well as the surplus income carried forward in a cash balance, upon the object of the Trust, designated by the donor in her Will.

Dated October 20, 1920.

Respectfully submitted,

Marguerite K. Ashford
Master.

Receipt of a copy of the within Report is hereby acknowledged this 20th of October, 1920.

EXCEPTIONS TO MASTER'S REPORT.

Now come W. O. SMITH, E. F. BISHOP, A. F. JUDD, WILLIAM WILLIAMSON and R. H. TRENT, trustees under the will and of the estate of Bernice P. Bishop, deceased and except to the report of Marguerite K. Ashford, Master herein, filed in the above entitled court and cause on October 20, 1920, and more particularly, to the following portions thereof:

1. To the paragraph headed "Trustee's Commissions," and the recommendation therein contained that said trustees be charged $561.92 interest on commissions.
2. To the paragraph headed "Bond Premiums for Employees", and the recommendation therein contained that said trustees be surcharged with the sum of $160.00.
3. To the paragraph headed "Auditor's Fees", and the recommendation therein contained.
4. To the paragraph headed "Contribution to H.S.P.A. Forestry Experiment Station".
5. To the paragraph headed "Flags and Decorations", and the recommendation therein contained that said trustees be surcharged the sum of $129.25.

6. To the paragraph headed "Agents Commissions", and the recommendation therein contained that said trustees be surcharged the sum of $1447.78.

7. To the paragraph headed "Salaries of Bookkeepers and Collectors".

8. To the paragraph headed "The Execution of the Trust".

9. To the paragraph headed "Failure to comply with the requirement of publishing the inventory".

10. To the paragraph headed "Failure to apply the income as directed by the trust instrument", and the recommendation therein contained that the Court require the Trustees to convert the reinvested income for the last year into cash at their earliest opportunity, and to spend that, as well as the surplus income carried forward in a cash balance, upon the alleged object of the trust in favor of Hawaiian orphans and indigents.

IN THE MATTER OF THE ESTATE OF BERNICE PAUAHI BISHOP, deceased.

ORDER APPROVING THE THIRTY-FIFTH ANNUAL ACCOUNT OF THE TRUSTEES UNDER THE WILL AND OF THE ESTATE OF BERNICE P. BISHOP, Deceased.

WHEREAS, WILLIAM O. SMITH, E. F. BISHOP, A. F. JUDD, WILLIAM WILLIAMSON and R. H. TRENT, Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, have caused to be filed in this court the Thirty-fifth Annual Report and Account of their administration as such Trustees for the year ending the 30th day of June, 1920, together with vouchers pertaining thereto; and

WHEREAS, the said Report and Account of said Trustees was by this Court referred to Miss Marguerite K. Ashford as master to examine the same, and the said master, did, on the 20th day of October, 1920, file herein her report upon said Thirty-fifth Annual Report and Account, making certain criticisms and recommending certain surcharges; and

WHEREAS, the said Trustees did on the 22nd day of October, 1920, file in this court certain exceptions to said master's report; and

WHEREAS, the said Report and Account having come on to be heard on the 10th day of November, 1920, and the court

428

having considered the report of said master and the said exceptions thereto, and it appearing to the court that all the exceptions of Trustees are well taken except Exception No 9 relating to the matter of the annual publication of the inventory of the said estate.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED that Trustees Exceptions Nos. 1 to 8 inclusive and Exception No. 10 to said Master's report be and they are hereby sustained; that Exception No. 9 relating to the matter of the annual publication of the inventory of the said estate be and it is hereby overruled and the Trustees are hereby directed to carry out the direction contained in the will of said Bernice P. Bishop in this connection, and that subject to the foregoing direction to the Trustees the said Thirty-fifth Annual Report and Account of said Trustees is hereby approved and allowed;

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the said Marguerite K. Ashford, master as aforesaid, be allowed and paid out of the fund of said trust estate compensation for her services in the sum of $500.00.

DATED, Honolulu, T. H. November 15 1920.

PETITION OF TRUSTEES

FOR APPROVAL OF ANNUAL ACCOUNT.

To the Honorable the Presiding Judge at Chambers, in Equity, of the above entitled Court:

The petition of the undersigned, William O. Smith, E. Faxon Bishop, Albert F. Judd, William Williamson and Richard H. Trent, Trustees, of the City and County of Honolulu, Territory of Hawaii, respectfully shows unto your Honor as follows:

I.

That they are the duly appointed, qualified and acting Trustees under the Will and of the Estate of Bernice P. Bishop, late of Honolulu, deceased.

II.

That the petitioners herein submit to the Court their 36th Annual Report and Account as such Trustees of their transactions under and in respect of said Trust Estate covering the period from July 1, 1920, to and including June 30, 1921.

III.

That upon Schedule "A" of said Account they show all of their receipts as such Trustees during said period.

IV.

That upon Schedule "B" of said Account they show all of their expenditures as such Trustees during said period.

V.

That upon Schedule "C" they show the aggregate of such receipts and expenditures, all of said schedules being attached hereto and made parts hereof.

VI.

The petitioners submit and file herewith a full and complete inventory of the investments made by them under and by virtue of said trust, and which were outstanding at the close of said period.

VII.

That in and by their said attached report they set forth in more detail the transactions had under and by virtue of their said trust during said period.

WHEREFORE YOUR PETITIONERS PRAY that said Account may be referred by the Court to a Master to be examined and audited if the Court shall deem such course advisable.

AND THEY FURTHER PRAY that their said Account may be examined, approved and allowed by the Court.

DATED, Honolulu, T. H., this 27th day of July, 1921.

PRESIDENT'S REPORT

KAMEHAMEHA SCHOOLS

E X H I B I T I

THIRTY-SIXTH ANNUAL REPORT

BISHOP ESTATE TRUSTEES

JUNE 30th, 1921.

ANNUAL REPORT

of

THE PRESIDENT

OF

THE KAMEHAMEHA SCHOOLS

1920 - 1921

450

The Kamehameha Schools
Honolulu, Hawaii
August 1, 1921

To the Trustees of the
Bernice P. Bishop Estate
Honolulu, Hawaii

Gentlemen:

I have the honor to submit the following report of the Kamehameha Schools for the school year 1920-21.

ATMOSPHERE OF THE YEAR ON THE CAMPUS:

In my annual report, report for 1919 - 1920, it was stated that an "attitude of waiting for directions" characterized that year. The same could well be said of the year just past. While you adopted the outline of educational policies in April 1920, it was not until your meeting of March 18th last that the first step toward making the changes therein outlined was taken. The authorization at that time of the plan to add a year to our course beginning in September 1921 has done much already to make both teachers and pupils feel that a step forward has actually been taken. To the latter the new opportunity will not seem as attractive as if it involved new housing and school room facilities and to those who think more broadly the need of such and many other improved facilities are increasingly apparent.

Nearly seven years ago in August 1914, shortly after my arrival in Hawaii, I suggested the need of a comprehensive plan for the future development of the school grounds, the question of the moment being where the proposed new cottage for the shop superintendent should be located and was referred by you to a report and plan made by Mr. Robinson, a landscape architect. It then seemed and still seems to me that before any new structures are erected, a comprehensive plan for the development of the grounds and a type of architecture should be adopted. Only by such planning well in advance can there be secured an ultimate school plant, attractive in appearance, convenient in arrangement, stimulating to both teachers and pupils, something of which the community in which it is located, the graduates, trustees and all connected with it may be proud. With the hope for such definite planning constantly in mind, and to avoid the erection of any structures of a permanent nature which without such a general plan to follow would almost necessarily fail to fit into any plan subsequently made and might even be in themselves arguments against the adoption of such a plan, it has been my policy to get along as best we could with existing facilities. I confidently believe that many of the much needed buildings etc. would have been authorized by you and constructed during the past seven years if recommended one at a time and yet have been unable to bring myself to make any such short sighted recommendations.

Adherence to this policy has resulted in a saving in capital expenses for the seven years as compared with a similar period immediately preceding 1914 of $144033.55, the totals for the two periods being respectively $261543.09 and $117510.54, but it has at the same time made the administration of the schools increasingly difficult. While the fallacy of the persistent popular belief that the estate is unlimited in resources is recognized it is not easy

to make those who think of existing rather than future conditions and who know that expenditures at the schools are very much less than the available income appreciate that there may be a good reason for their continuing to put up with obsolete and inadequate facilities. Why shouldn't old houses inconvenient in arrangement and equipped with obsolete plumbing continually in need of repairs be thoroughly overhauled or replaced? Why should dormitories so old as to be worth little or nothing after the expenditure of the large sums needed to repair them not be put in good shape any way even if they are to be used but a year or two? Why shouldn't the Kamehameha Schools have an assembly room with a stage, an organ in its chapel, dressing rooms on its athletic field, a swimming tank, an up-to-date central hospital instead of three makeshifts, adequate storage for military equipment and general supplies, a steam laundry in place of two unsanitary Chinese washing establishments, housing to take the place of the crowded third story Girls' dormitories, etc. etc? Other schools commonly supposed to be less adequately endowed have many of these things -- why not Kamehameha? Such are the questions constantly cropping out either in so many words or in an attitude no less difficult with which to deal.

Much has, however, been accomplished in the year just past as well as in each of the six preceding it. We are certainly nearer to having definite ideas, first, of the work which the Schools should do, and second of how a plant suitable for that work should be laid out. There have been good and sufficient reasons for delay. There is the war and its attendant marked rise in the cost of merely operating the schools to say nothing of well nigh prohibitive building costs.

The question of a possible change in the location of the school plant naturally retarded plans for the present site. In the meantime no new structures which might interefere with future development along systematic lines have been erected, in fact in seven years the total new building program has consisted of six single story frame structures and of these but two are located on the campus proper. We are certainly in a position to plan for the future of the schools either in Kalihi or elsewhere more advantageous than any which has ever existed in the 34 years since the School for Boys was opened or which will ever again appear after the erection of one or two permanent structures not a part of any comprehensive general plan. So far as the existing plant is concerned our position of seven years ago has not changed except that the old frame buildings are seven years older and correspondingly in greater need of replacement. The question is -- how much longer will it be wise or even possible at other than too great a sacrifice to continue this policy?

ENROLLMENT:

The enrollment for the year by departments and the number of changes which have occured in it are shown by the following table:

	Enrolled Sept.	Entered during yr.	Left dur. yr:	Enrolled June
Boys' School	148	4	4 *	148
Girls' School	115	5	6	114
Boys' School, Prep.Dept:	75	3	3	75
Totals	338	12	13	337

* One of this number died 10/30/20

HEALTH:

The year has been a record breaker as regards the general health of pupils. No epidemic requiring a quarentine has occurred.

152

At no time has it been necessary to separate boys and girls or the boys of either department for church services or social gatherings. There have been scattering cases of contagious disease but no epidemic has resulted.

Two individual cases were serious, that of George Kaleikini who died on October 30th of typhoid fever, and Charles Alden who had his right arm broken in three places by a fall from a ladder from which he was timming the vines on Bishop Hall.

Dr. Kilbourne has continued to be most satisfactory as school physician. Always ready to answer a call from the nurses, thorough in his examinations, tactful in his handling of patients, and following any critical cases very closely he possesses an unusual combination of qualifications. The surgical work he has done is shown by the following list of operations performed.

Appendectomy	6
Tonsilectomy	13
Hernia	2
Adenoidectomy	2
Foot Operation	1
Fractures	6
Abscesses	1

Among the members of the staff there has been more ill health than usual. At the Girls' School, Miss Richards was incapacitated for a month, Miss Wade and Miss Moody each nearly as long, Miss Schwartz for several days; and Miss Duvauchelle had to leave because of ill health. Miss Cable and Miss Leach of the Preparatory Department were operated upon at Queen's Hospital and unable to do any work for over a month in each instance.

During Dr. Kilbourne's absence on the mainland until November, Dr. Arthur L. Davis will serve as school physician.

DENTISTRY:

Dr. Chang as school dentist has continued to devote 10 hours per week to work for pupils in the Schools' dental operating room. He has gotten through somewhat more work than in any of the four preceding years since our dental room was opened, due chiefly he says to better co-operation on the part of the School for Girls in securing punctual keeping of appointments.

For the coming year Dr. Chang has asked to be relieved of the Schools' work on leave of absence without pay as he does not want to sever his connection here and Dr. A. Gonsalves has been engaged as School Dentist.

The cost of dental work has been considerably more this year than in the four preceding as shown in the following tabulation.

	Total Paid to Dentist	Charged to Pupils	Balance paid by Schools
1916-17	1766.00	1278.00	488.00
1917-18	2071.00	1268.00	803.00
1918-19	1813.00	1352.00	461.00
1919-20	2356.50	1362.00	994.50
1920-21	2998.50	1374.00	1624.50

453

Further details regarding the distribution of this expense for the past year by departments is shown by the following:

	Girls'School	Boys'School	Prep.Dept.
Total Expense	$ 1032.50	$ 1512.50	$ 453.50
No. treated	113	142	76
Average Expense	$ 9.14	$ 10.65	$ 5.98
Charged to Pupils	4.00	4.00	4.00
Balance paid by Schools	5.14	6.65	1.98
No. for whom expense did not exceed $4	36	57	31
No. for whom expense exceeded average	38	39	34

When in 1916, I devised the plan for this work which has since been followed, it was my idea that the pupils as a whole should pay for their dental work but that a uniform charge would on the one hand be burdensome for none and on the other would make it possible for those requiring a large amount of work to have it done, something which if their parents or guardians had to bear the entire expense would in many cases be impossible. In 1917, it seemed reasonable to suppose that during the second year less work would be required but when in 1918, the contrary condition proved true, I recommended an increase in the rate of charge. You then disapproved of any increase but in the light of these recent figures, it seems to me that an annual medical and dental fee of $10.00 instead of $5.00 would be more reasonable and fair to all concerned.

EDUCATIONAL FEATURES:

The outstanding educational feature of the year is of course your decision of March 18th to offer the work of the 10th grade beginning next September. The response from the graduating class, particularly the boys, has been so large as to be almost embarrassing. The older members of the class have been advised to go to work at their several trades and where some of them persisted for a time in their determination to return to school, it has been possible to steer them into the obviously wiser course by taking the matter up with their parents or guardians. It seems probable now that the new class will have an enrollment a little over 30. The elimination of the 5th grades (except at the Preparatory Department) will make it possible to take care of this class with existing facilities but will not permit of the admission of as many new pupils as usual.

Assuming that it will be possible to add the 11th grade in 1922-23 and the 12th in 1923-24 the next three or four years will be a period of adjustment to the new order. The earlier classes of the Senior Division will concentrate more than will be natural once the new plan is fully in operation on the classroom or academic subjects for they have already had the equivalent of a vocational high school course in the shops. For succeeding classes both types of work will probably be more uniformly distributed over their entire course. Furthermore for a year or two it will not be practicable to have as separate and distinct a teaching staff for the Senior Division as will be natural once there are in that group three full classes.

We plan to maintain rigid standards in the Senior Division - not that the standards in the Junior Division have been or will be

454

lax, but the advanced course is to be shaped to the needs of those competent to carry a full program of hard mental work for in this group those with inferior mental equipment should not be found. For the boy or girl for whom this work is too difficult, the Trade Division, a year or two of concentration upon practical industrial work of some kind, will upon their completion of the work of the Junior Division furnish the natural and profitable channel of preparation for life's work.

The engagement and arrival of Mr. J. E. Carpenter as Assistant to the President is the feature of next importance. Well prepared both by experience and post graduate study to supervise the educational activities of vocational schools such as these he will, I am confident, wisely guide the development of the new Senior Division and gradually bring about any needed changes in the work of the Junior Division to make it a natural and serviceable feeder to the advanced course. His study of the situation in the territory and at the schools will quite possibly lead to recommendations of additional facilities for vocational instruction.

SUMMER SESSION:

The fourth session of the five weeks' summer courses in shop work for all races without preference has just ended. The addition of two courses for girls, one in Sewing and the other in Cooking was the feature of the year. Four courses, Woodworking, Forging, Electricity and Machine Shop Practice were offered as in past summers for boys and all had fair enrollments except the Forge Shop, which was not opened for this reason. The total enrollment in the five shops was 60, of which number 44 were haoles, 12 orientals and 4 hawaiian or part-hawaiian.

SUMMER ARRANGEMENTS FOR TEACHERS:

The plan adopted in the spring of 1920 providing financial assistance to the extent of $250.00 to each of not more than three teachers desiring to spend not less than six weeks of their summer vacation studying at approved mainland summer schools resulted in three applications in 1920. All three have expressed their appreciation of the opportunity thus given them and on their return reported on what they gained at a joint faculty meeting of the three departments. One of the number, unable to fulfill the condition of two years service after the summer in which the allowance was made refunded the $250.00.

This summer but one application was received that of Miss Breckenridge who is now at the University of California.

The plan inaugurated in 1920 of closing all dining halls but one for the summer and now in operation for the second time is a decided improvement over the old arrangement . Teachers desiring to do so have the use of their rooms but most of them leave a much better arrangement for them and hence for the schools when they return for the new year.

The Waialae Cottage is in constant use throughout vacations and over every week end of the year; and is of great value in helping to maintain an esprit-de-corps. There has been a suggestion that another cottage be put up on the school premises above Alewa Heights. While some would use it, I believe that for the majority it would be too inaccessible, and would not for the present recommend any vacation cottages for teachers in addition to the Waialae Cottage.

455

OPERATING EXPENSES:

The annual report of the accountant, Mr. H. E. King, shows total Operating Expenses for the year to have been $225167.82 an actual increase over those of the preceding year of $27231.14 or a percentage increase of 13.75%. Reference to the detailed figures of the two years, as shown in his reports but compared only under nine general headings, shows that ten accounts show increases which in the aggregate more than account for this total.

These are:

Account	8.	Wages (Upkeep of Grounds)	$ 814.25
"	30.	Farm	4466.66
"	33.	Teachers' Salaries	8179.90
"	34.	Classroom Equipment	1517.65
"	37.	Military Department	988.64
"	41.	Salaries & Wages (Board. Depts.)	2961.37
"	43.	Pupils' Food	4949.47
"	58.	Salaries & Wages (Care of Health)	1546.88
"	67.	Postage & Stationery, etc.	1295.74
"	71.	Insurance & Fire Protection	3275.24

Other accounts show increases but in smaller amounts which are more than offset by decreases.

The reasons for the increases are easily traced. Those for salaries and wages check closely with the estimate in my report to the educational committee adopted and authorized by you on March 5th,1920. The Farm has had a bad year due primarily to disease in the herd. Three new pianos for the Girls' School caused the increase in the classroom equipment account. The board of a non-commissioned officer detailed to the schools for the first time since 1917 and the making of much needed repairs to the target pit at the rifle range make up most of the increase in Account 37. Pupils' food cost more primarily because unit prices have been higher and in some measure because of a lack of efficiency at the Boys' School dining hall during the early part of the year. The new catalogue and the second edition of the directory of living graduates caused the increase in the stationery account and the revaluation of property for insurance purposes has raised the insurance premiums.

A comparison of this year's total Operating Expenses with those of the year 1914-15 when pre-war conditions prevailed, making no allowance for expense due to additional service, shows an increase of $93615.14 or 71.16%.

STOREKEEPER:

The results of the second year's operation of the "School Store" are interesting.

Total value of sales to pupils, teachers, and various departments of both schools $16743.55

"Stores Expense" - Salary of storekeeper .. $1500.00, rent of quarters for him - $280.00 and Miscellaneous $43.48 . . . . $1823.48

Profit shown on "General Stores" account and credited to Revenue Account at close of year after "Stores Expense" had been charged to it and inventory adjustment made $841.55

456

By way of comment on these figures which speak for themselves, a paragraph quoted from my last year's report will describe the situation today as well as it did then.

"A small percentage intended only to cover the expense involved is charged on all items sold to teachers, pupils or others, but articles for the use of other departments of the schools are charged in and out of the "General Stores" at the same figure. In addition to his duties at the store, the storekeeper has had charge of the dormitory equipment in the Boys' School, an arrangement which has resulted in considerable saving of expense for such equipment. The store is much handicapped for lack of room. The provision of an adequate storehouse would make possible a considerable expansion of the storekeeper's activities and result in the further prevention of loss and waste and a corresponding saving in expense.

FARM:

In my last report, considerable space was devoted to a discussion of various aspects of our farm operations, particularly those of a financial nature. Perhaps conditions of the year past can be no better shown than by extending one year three tables included in that discussion. These follow;

Farm Operating Expenses

Year	Salaries and Wages	Feed Purchased	Other Misc. Expense	Total Operating Expense	Operating Expense less Income or Net Cost
1911-12					$ 3142.23
1912-13					4313.94
1913-14					3727.48
1914-15					2845.27
1915-16					949.22
1916-17	7335.46	3047.68	1753.83	12136.97	3474.30
1917-18	8458.62	5126.76	3115.92	16701.30	6482.11
1918-19	9084.29	6376.55	2520.55	17891.39	4874.81
1919-20	10299.36	7149.47	3548.16	20996.99	3356.31
1920-21	12927.87	8701.10	3556.19	25185.16	7822.97

Farm Income

Year	Dairy Products	Stock Sold	Pigs Pork	Other Misc. Inc.	Total
1916-17	5701.72	422.22	761.99	1746.44	8632.37
1917-18	5751.35	1110.60	1040.33	2317.01	10219.39
1918-19	6944.00	1849.20	1940.51	2372.87	13106.58
1919-20	8600.02	1730.86	2007.83	5301.97	17640.68
1920-21	10103.84	792.41	2318.16	4148.78	17362.19

Performance of Dairy Herd

Year	No. of Cows	Daily Average per cow (in lbs.) milk	Herd Aver. % Butterfat	Average Amount of grain fed per cow lbs.	Average Cost of grain mixture per cwt
1914	17.3	15.8	3.10	9.5	$ 1.47
1915	16.7	19.4	3.05	8.2	1.38
1916	18.3	21.9	3.20	11.0	1.55
1917	20.1	22.1	3.35	9.2	2.25
1918	19.6	22.2	3.30	9.3	2.94
1919	19.7	23.6	3.39	11.5	3.07
1920	22.0	24.3	3.33	12.0	3.31

457

During the year you have decided against the proposed plan of developing an agricultural branch at Waialae. The above figures do not indicate that the prospect of farming becoming a profitable activity in Kalihi has improved during the year. The situation boiled down is that a prerequisite for successful farming is a sufficient area of arable land. We have makai of the School for Girls about seven acres of good land but as an indication of the character of all but that one small piece the remark of a tractor salesman is quite to the point. For several years we have at various times been importuned by agents of this or that make of tractor to get rid of our horses and use a tractor for plowing. Some have been so sure of the merits of their machines as to ask to give us a demonstration on our own fields. One of them after such an attempt a year or two ago looked somewhat ruefully at the new plow he had smashed and said to Mr. Borden, "Tractor! You don't need a tractor. What you need is a rock crusher".

UPKEEP OF GROUNDS:

For the same reasons that farming on the present school area is almost absurd, we are spending large amounts to keep the school grounds in their present condition which is not as good by far as I wish it might be. Wages to yardmen and team hire (credit to the farm) have totaled $8582.05. Tools and Supplies used by those whose time is charged to the above account have cost $738.46. Stones are continually working to the surface of the ground or the ground surface is settling around the stones. Whichever it may be, the result is the same, a stone where the last time over there was none and some casting on the lawn mower broken. These figures take no account of the cost of pumping water for irrigation.

PERSONEL OF STAFF:

There have been more changes in the staff than usual during the year. Miss Duvauchelle had to leave the Girls' School, Miss Livingston, the Preparatory Department, each because of her own or the health of some member of her family. Mrs. Douglass failed for reasons best known to herself to fulfill her contract, although another attempt made in her case to have a man and his wife living in one of the boys dormitories accounts in some measure for her dissatisfaction and resignation. The resignation of Mr. Boyd as Machine Shop instructor shortly before the opening of the year resulted in a makeshift arrangement which was in a measure corrected by the engagement of Mr. C. H. Behn in April.

Two teachers have been on leave of absence this year, Miss Winslow from the Boys' School who on her return is to be transferred to the Girls' School and Miss Moore from the Preparatory Department.

From the 6th of October 1920, to the 30th of January 1921, the president of the schools was absent on the mainland. During that time, his duties were divided between Mr. H. E. King, the accountant and purchasing agent who in addition to his regular work handled the business side of the administration and Mr. E. G. Bartlett, principal of the School for Boys' who supervised the educational activities in all departments and reported weekly to you upon the conduct of affairs in general at the schools.

I wish to record my keen appreciation of your consideration in making this trip possible for me and hence for my family.

458

Of the benifits derived from visiting other schools and conference with school administrators, I have already reported to you. The incidental opportunity of visiting again after five years my parents and other relatives in the East was much appreciated.

NEEDS FOR THE FUTURE:

A look forward seems a natural conclusion for a report of this kind. Some indication of the situation as it appears to me has been given in the early part of this report. We are, I believe, making progress along educational lines, progress which while not rapid is steady and real. Our physical plant should develop with the work on which it has so important effect. Present buildings, their relative positions on the grounds and the drives providing the approaches to and from them seem to me today as they did on July 17th, 1914 to have more or less "happened". The great majority of the buildings are over 25 years old and many are nearer 35. They are of frame construction. Since 1887 there has been no replacement of buildings with the exception of the shop. All new work has been in the shape of additions. Isn't it pretty obvious that a replacement program should, in fact must, become effective before many years? And isn't it equally obvious that now is the time to work out and adopt a plan for reconstruction which will ensure a future Kamehameha Schools plant worthy of them, the work they have done, and of her who provided for their establishment?

Respectfully submitted,

E. C. Webster

THIRTY-SIXTH ANNUAL REPORT

of the

TRUSTEES OF THE BERNICE P. BISHOP ESTATE

YEAR ENDING

JUNE 30th, 1921.

IN THE CIRCUIT COURT OF THE FIRST CIRCUIT

TERRITORY OF HAWAII

IN EQUITY — AT CHAMBERS

In the Matter of the Bernice P. Bishop Estate

TRUSTEES' REPORT

for the year ending

JUNE 30th, 1921.

To the Presiding Judge
of the First Circuit

The Trustees under the Will and of the Estate of Bernice P. Bishop, deceased, beg to submit this their THIRTY-SIXTH ANNUAL REPORT, covering the period from July 1st, 1920, to and including the 30th day of June, 1921.

THE USUAL DETAILED ACCOUNT of Receipts and Expenditures (Schedules "A" and "B") accompanied by 1,165 vouchers and Schedule "C", is herewith presented, together with a Statement of Investments, a Summary of the year's Real Estate Transactions and an abstract Inventory of the Real and Personal Property of the Trust, hereto attached and made a part of this Report. Copies of the Reports of the President and Registrar of the Kamehameha Schools are also filed herewith:

The accounts for the year show as follows:

RECEIPTS from all sources:			
Revenue (Rents, Interest, etc)	$524,915.56		
Capital (Land Sales, etc.)...	338,921.29	$863,836.85	
Balance forward from last a/c		33,856.75	$897,693.60
DISBURSEMENTS			
Revenue (Working Charges).....		544,983.11	
Capital (Development Charges).....		327,738.07	872,721.18
Balance in Hand, June 30/21			$ 24,972.42

Of the net Revenue Receipts, amounting to $489,885.25 (including the balance of $33,856.75 brought forward from last accounts) 97.18% was used in general maintenance, segregated as follows:

Kamehameha Schools	43.79%	
Taxes - Property and Income.....	37.14%	
General Operating Expenses	16.25%	97.18%
Balance forward to new a/c.....		2.82%

Of the net Capital Receipts, amounting to $93,649.28, 63.77% was invested in a way calculated to produce income. The segregation is as follows:

Bonds Purchased	38.45%		
Notes Purchased	23.98%	62.43%	
Roads and Sewers	1.07%		
Buildings a/c	.27%	1.34%	63.77%
Maps, Equipment, etc.			10.45%
Kamehameha Schools			13.84%
Balance Uninvested			11.94%

LEASES AND RENTALS

The rent collections for the year (including taxes recovered from tenants and treated as rents), amounted to $423,858.94 - a decrease of $6,546.99, due to a falling off in the realizations from percentage leases.

During the year three leases were sold at public auctions held in Honolulu - two on July 10, 1920, of virgin pineapple lands on Waialae and Kalaepohaku ridges and the third on April 9, 1921 of approximately 35,250 acres of grazing land at Keauhou, Kau, Hawaii. The first two, containing respectively 107 and 75 acres, were knocked down at $28.00 and $24.00 per acre net rentals on 15-year terms; the third sold at an advance of $50.00 on the upset of $1,800.00 annual net rental on a 25-year term.

A fourth sale occurred at Waioli Court House, Hanalei, Kauai, on January 29, 1921, being a 21-year lease of a tract of 1,095 acres of grazing land in Lumahai, with the upset rental fixed at $350.00, but in this instance the Trustees exercised the rights reserved to them by the conditions of sale and rejected all bids, subsequently leasing the land by private treaty at a rental of $360.00.

A tract of 39 acres of agricultural land situate on the Northern side of upper Manoa Valley and heretofore demised by a single lease yielding an annual net rental of $300.00 was last year subdivided and is now released direct to the actual individual occupants, in 28 lots, at an aggregate net rental of $1,005.00.

463

The tenure of leases is limited to 5 years with the privilege of earlier determination by the Lessors in case the lands should become in demand for residential purposes.

Leases in force at the close of the year numbered 1192 - an increase of 73. Tenancies (so called as distinguished from leaseholds) numbered 57 - a decrease of 11. The classified record for the twelve months ended June 30, 1921, is as follows:

Leases	
New	198
Surrendered	69
Cancelled	3
Given up on expiration or renewal	33
Transferred on sales of land	20
Term extensions	15
Partial surrenders	6
Assignments permitted	110
Tenancies	
New	20
Terminated	31

Reduced rents have been continued or allowed in the case of 23 leases, of which 10 were of lands on Oahu, 12 on Hawaii and 1 on Kauai.

INVESTMENTS:

Of personal property investments reported at the close of the year preceding, current collections aggregated $140,870.00, all of which has been reinvested.

On December 16, 1920, $5,000.00 Kalakaua Avenue Improvement Bonds held by the Estate were retired at par - a loss to the Estate of $125.00 since they had cost 102½.

On September 17, 1920, the Kahaumalumalu mortgage loan of $470.00, mentioned in last accounts as pending at the close of that year, was completed together with an additional loan of $300.00 to the same party, interest running from date.

$50,000.00 Territorial Improvement Bonds, issue of 1920, were purchased during the year, half being allocated to the second unit of the Oahu Belt Road and half to the Kona-Kau Belt

Road, Island of Hawaii.

The book value of the securities detailed in the appended Statement of Investments as on hand at the close of the year, is $608,744.20 - an increase of $58,335.00 as compared with the total reported at the close of the year preceding, This is accounted for as follows:

Forward from June 30th, 1920.		$550,409.20	
Deductions			
Mc Inerny Notes, on a/c	$ 7,500.00		
Kamehameha Alumni Note a/c	200.00		
Kahaumalumalu Note a/c	170.00		
Pacific Sugar Mill Notes retired	20,000.00		
Oahu Sugar Co. Bonds retired...	8,000.00		
Kalakaua Ave. Bonds retired	5,125.00		
Bishop & Co. c/d retired	100,000.00		
United States c/d retired	100,000.00	240,995.00	$309,414.20
Additions			
Kahaumalumalu Mtge, Addl. loan.....		300.00	
Terr. Imp. 4½% Bonds @ 98.01		49,005.00	
Bishop & Co., c/d		100,000.00	
United States, c/d & Costs		150,025.00	299,330.00
Total, June 30/21			$608,744.20

TRUSTEES AND MEETINGS

There has been no change in the personnel of the Trustees since last report - the Board at the close of the year being constituted as follows: William O. Smith, President; E. Faxon Bishop, Vice-President; William Williamson, Secretary and Treasurer; Albert F. Judd and Richard H. Trent.

Forty-six meetings were held during the year.

LANDS AND IMPROVEMENTS

The details of the year's realty transactions (other than those pertaining to leases) are set out in the appended statement. Of the thirteen sales therein mentioned the more important were those of the "Kalihi Park Site" at Kapalama to the City and County of Honolulu, the Mission Home Site at Paeaki, Palama, to the Methodist Board of Home Missions, and the two tracts in Waikiki sold to the Territory in connection with the "Waikiki Reclamation Project" and the Permanent Fair Ground Site" respectively.

4,140

35,000

465

Fair Site 40,000.- T.H
Recl. 5,659.- T.H
Hall 2,068 etc.

Of the seven exchanges, two made with the Territory were in connection with the Hawaiian National Park - the Estate giving up for the purpose an aggregate of 12,195 acres in Keauhou, District of Kau, including the Kilauea Volcano House Site and buildings, and receiving in exchange patents to various scattered parcels of Government land located in the same District, aggregating 3,558.72 acres.

Improvements of Estate city property during the year include the removal of old buildings from the Tam Yee lot on Kukui Street, the filling of the lot and the erection thereon of a two-story frame apartment house, on approved plans, all done at the expense of the tenant in compliance with the conditions of his lease; the paving of the private roadway known as Garden Lane, abutting the Delmonico Building on Beretania Street, and the grading of the compound in rear, done at the joint expense of the Bishop Estate and the Coyne Furniture Company - the Estate's proportion being $421.41; and the extension of sewer mains in the private roadway known as Keauhou Lane, Kakaako, at a cost to the Estate of $560.40.

In cooperation with the Pantheon Company, Limited, the Trustees have opened as a private areaway, that portion of the line of the proposed extension of Bethel Street between Hotel and Pauahi which abuts the properties of the two parties mentioned. The area thus set apart comprises 6229 square feet of which 4408 square feet belongs to the Pantheon Company. In order to concentrate control, the Pantheon Company has let its area to the Bishop Estate as from May 1, 1921, at a monthly rental of $15.00, the Estate in turn, renting the whole, at the same rate, to the Consolidated Amusement Company, tenant of the abutting Estate land. It is expected that the City Authorities will eventually put the Street through as a permanent public thoroughfare.

468

In Kona, Hawaii, where the Estate has large holdings of cultivatible lands, every effort is being made to attract an industrious class of bone fide settlers, and it is hoped that these efforts will eventually be crowned with success. Good roads have been built by the Estate in Keei, South Kona and in Keauhou, North Kona, where large areas of good lands have been subdivided and are being extensively advertised throughout the district as for lease at moderate rentals.

The attempt to colonize in Keauhou, mentioned in previous reports, has thus far been disappointing, and with the view of inducing those of the original Korean colony to remain and of attracting new settlers to take up such of the lots as have been abandoned, all rents in that subdivision are to be still further reduced beginning as of September 1, 1921 - all new settlers being offered the first year rent free on sixteen year leases and all tenants being given the benefit of annual rates reduced from $5.00 to $3.00 per acre for the next three years and from $15.00 to $9.00 per acre thereafter.

In Honaunau, South Kona, the two new sections opened up as reported last year, offer good opportunities for settlers to secure 21-year leases of excellent coffee land at very moderate rentals but although widely advertised throughout the district, responses thus far have been meagre. The subdivision consists of 352.37 acres, divided into 40 lots, lying mauka of the upper Main Government Road and running to an elevation of about 2200 feet, which is approximately the limit for coffee culture. With the view of attracting a good class of tenants an inducement is offered in the way of free rent for the first year and a promise of a like concession during the second year provided satisfactory progress in the way of development is shown during the initial year.

467

The coffee industry in Kona, like all others, has been affected by the prevailing abnormal conditions and collections of rentals on coffee lands there have this year been deferred, and doubtless some concessions will have to be made in order to induce the planters to remain and to encourage them to continue the development of their holdings.

The tobacco planters in Kona, after many trying years of experience, now feel reasonably assured that Hawaiian tobacco can be grown successfully from a commercial standpoint and that a market may readily be obtained for all of the cured leaf that they can furnish. The Trustees have assisted them during the past year, as in former years, by remitting their rent.

The twenty Manila Hemp Shoots reported last year as having been sent, in January 1920, to North Kona and planted on the premises of the Trustees' Kona Agent at Kainaliu have now attained a height of fifteen feet or more and are sending up suckers. Some fifty of the latter will be at once transplanted to another experimental plot in Keei, South Kona, where they will be cared for by a Filipino tenant who has had experience in the Phillipines in the growing and making of hemp. It is hoped that Filipino tenants in Kona will eventually become interested and undertake the production of the plant on a rather large scale with the view of working out their possible commercial value, the success of which would add another new industry.

Looking forward to the time when the Estate's interests in Kona may require the establishment there of a local branch office, the Trustees have this year acquired from the Territory by exchange a portion of the abandoned Konawaena School lot, at Keekee 1, South Kona, containing an area of 61/100 acre. Lying as it does between the Hawaiian Church and the Post Office on the makai side of the Main Government Road about midway between the Kona branches of the First Bank of Hilo and the People's Bank,

with a frontage of 100 feet on the road and a depth of approximately 760 feet, it offers as favorable a place as could be desired for the purpose in mind.

The Bishop Museum having completed its scientific investigations of the Puuhonua or City of Refuge at Honaunau Beach, South Kona, has given up its lease of the site, and the latter, together with adjacent land on which there are remains of archaeological interest, has since been turned over to the County of Hawaii at a nominal rental under a lease expiring in 1967 - the County undertaking to preserve all of the historical relics and to maintain the premises as a public park. Because of the large place in Hawaiian history with which this particular locality is identified in connection with the early life of Kamehameha I, pains were taken during the survey made last year by the Trustees to note on the map of the Keei coast line between Kealakekua Bay and the Keei 2 - Honaunau boundary as many of the local names as Kamaainas could furnish.

The Trustees have prepared and file herewith an inventory of the property held by them on the 30th day of June 1921, and are publishing a copy of same in the "Honolulu Advertiser".

MAPS AND SURVEYS

The policy of having made new and complete surveys of the Estate lands has been continued - the moneys expended in this way during the past year amounting to $3,145.96, exclusive of the time of regular employees engaged in the work. Of this sum $1,987.71 represents the cost of extra labor and materials used on completed maps added to the office collection of maps. The remainder ($1,158.25) represents the costs accrued on work still unfinished at the close of the year.

Completed Work comprises:

(1) Additional costs of a topographical and stadia survey of all of Kanewai-Kahala and of all those portions of Waialae-nui and Waialae-iki South of the Koko Head Road including a report on the water resources ..... $ 53.51

469

(2) Additional costs of the survey~~ing~~ of agricultural areas on the ridge of Kalaepohaku, Oahu ..... $ 4.03

(3) General detailed survey of the Ahupuaa of Maunalua, Oahu, including a report on the water resources 467.91

(4) Survey and monumenting of the lower portion of the Ili of Kapakahi, in Waikele, Ewa, Oahu, preparatory to filing an application for settlement of boundaries, $300.00 less one half to be recovered from Ii Estate ... 150.00

(5) Additional costs of a general survey of that portion of the Ahupuaa of Lumahai, in Hanalei Kauai, which lies makai of the Forest Reservation as established by the Coast and Geodetic Survey, and including survey of the flat lands of Wailua, in Lihue, Kauai 450.53

(6) Additional costs of the resurvey of sections of Keei, South Kona, Hawaii 732.79

(7) And of Kahauloa 2, South Kona, Hawaii 128.94

Uncompleted work comprises:

(1) General detailed survey of Waiawa, Ewa, Oahu. 49.15

(2) Continuation of surveys on the Island of Hawaii, including a resurvey of the land of Keokea, in South Kona, and surveys of Keauhou and other lands in Kau 1,109.10

The outstanding features of the completed Kona Survey are:

(1) The resurvey of that portion of Keei which lies makai of the two sections (A and B) laid out in 1915, including the relocation and marking of lots as occupied under survey made in 1897 and the location and marking of all Kuleanas;

(2) The substitution of pipe in concrete for stone ahus as corner marks in the mauka sections;

(3) The resurvey of that portion of Kahauloa 2 which lies makai of the upper Main Government Road, including the location and marking of all Kuleanas, the classification of lands and the marking of the Kahauloa 1 - Kahauloa 2 boundaries; and

(4) The marking of the Keokea-Kiilae boundary from the sea to the Government Road.

470

The Keei survey showed that because of the absence of corner marks some 46 tenants of Kula and taro lots were occupying areas which did not accord with their leases. In order to correct these conditions all old leases affected are being called in and replaced with new 15-year leases as from January 1, 1921, giving corrected descriptions.

During a survey made by the Estate's surveyors in 1917, it was found that the Territory had erroneously included in one of its Kaupakuea Homestead grants a lot of 84/100 acre out of the Estate's adjoining land of Kulaikahonu, in South Hilo, Hawaii. The Territory has this year rectified the error by a quit claim issued in favor of the Estate under date July 14, 1920.

The water measuring station on the Lumahai Stream, in Hanalei, Kauai, restored as reported last year by the Department of Hydrography of the Territorial Board of Commissioners of Agriculture and Forestry in May, 1920 at a cost to the Estate of $453.68 had this year to be re-located because of the shifting of the riffle on which the station had been rebuilt and which rendered the instrument useless for accurate readings. The change, which involved the moving of the station some eighty feet upstream, was effected in April, 1921, at a cost of $176.58.

FORESTRY AND FOREST RESERVATIONS

The Trustees have this year made their third contribution to the fund raised from among the various owners concerned to enable the Experiment Station of the Hawaiian Sugar Planters' Association to undertake and continue the work (begun in 1918) of rehabilitating the Halawa-Niulii Forest Reserve area in Kohala, Hawaii. The Station's second report to subscribers shows that all fences along the mauka boundary of the Reserve are now in good condition, that nursery work is well advanced and that tree planting operations are actively under way.

471

Since the expiration, on December 1, 1926 of an old lease of the Ahupuaa of Lumahai, in Hanalei, Kauai, the Trustees have reserved the forest area of Lumahai adopting as the makai boundary the line established by the Coast and Geodetic Survey. The new lease of the makai portion of the Ahupuaa requires the lessee to remove all livestock from the forest area, to keep said area free of livestock and to erect a good and substantial stock proof fence between the forest and the area demised. Having complied thus with the legal requirements, the Estate has this year claimed, and received, exemption from property tax for this new reserve under the provisions of Section 1247, Revised Laws of Hawaii.

LAW

Petition filed by the Trustees for registration of title in the Ili Aina o Honohononui, South Hilo, Hawaii, was granted by the Land Court on July 6, 1920, when Owner's Certificate of Title 1519 was issued in their favor. The area concerned was 467.7 acres comprising all of Apana 16 of L. C. A. 7713, R. P. 4475 to Victoria Kamamalu, save one acre on the road conveyed for a nominal consideration to Waiolina Kanekoa Hoa et al, by deed dated July 19, 1920, in the way of a compromise settlement of an adverse claim advanced by them to a portion of the land.

Petition filed by the Trustees for settlement of the boundaries of the lower portion of the Ili of Kapakahi, in Waikele, Ewa, Oahu (Mahele award 39 to D. Kauliokamoa) was, on June 16, 1921, dismissed by the Boundary Commissioner, the Territory having interposed a claim of title in Kapakahi Stream, alleging it to be navigable water, which had the effect of ousting the Boundary Commissioner of jurisdiction and of preventing a hearing of the case on its merits in his Court.

The Department of Internal Revenue, having ruled that the Bishop Estate Trust is a common law trust and as such is

472

taxable, has this year filed demand for taxes alleged to be due for the year 1917, which has been paid by the Trustees under protest and claim for refund.

In the suit in ejectment, Bishop Estate vs. M. M. McComb et al involving title in 16.94 acres comprising the Western portion of Kanewai-Kahala heretofore claimed and occupied by the Military Authorities as part of the Fort Ruger Reservation, a judgment in the Circuit Court has been rendered in favor of the Trustees and has been accepted by the Government, whose fences are now being moved back to the proper boundaries.

An action to condemn the Heeia Naval Radio Site at Heeia, Oahu, has been brought by the Federal Government in a suit, United States vs. Heeia Agricultural Company et al. The Trustees, as parties to the suit, filed answer on November 1, 1920.

The Trustees have also filed a demurrer in a suit in ejectment brought against them by the Territory and City and County of Honolulu involving title in certain alleged road areas at Waialae, Oahu.

Appeals against assessments of taxes as fixed by the Assessors for the year 1920 were filed by the Trustees in the case of the lands of Waialae and Kahala, on Oahu, and the land of Honaunau, South Kona, on Hawaii. The Oahu cases were decided in favor of the Trustees on September 8, 1920. In the Hawaii case, however, the Court fixed the value at a little less than the amount fixed by the Assessor but the decision was accepted without appeal.

KAMEHAMEHA SCHOOLS

Development: Plans for the proposed new building programme at Kamehameha are still under discussion but various causes have prevented the commencement of active operations during the past year. President Webster returned on January 30th after an absence of nearly four months spent on the mainland where he visited some

thirty schools similar in character to Kamehameha and gained many helpful ideas on the development problems confronting the Trustees, Further plans are expected from Bertram G. Goodhue, the New York architect and landscape designer, with whom Mr. Webster conferred, which will be considered by the Trustees in connection with the block plans secured from local architects.

Buildings: In the interim, only such frame buildings as are imperatively needed are being constructed. The year's outlay under this head was $7,536.09 distributed as follows:

Teachers' Cottages: A four-room frame building erected on the Ewa side of Kalihi Road for the accomodation of the Herdsman, completed December 1920	$5,800.62
Sleeping Porch: A covered platform with canvas sides erected between Dormitories A & B and designed for the accomodation of boys suffering from incipient tuberculosis, completed December 1920	721.45
Development Plans, Photographs and prints in connection with future building operations ...	1,014.02

Equipment: Additional equipment furnished during the year cost $4,728.72, segregated as follows:

Water System: Balance costs of installing a Fairbanks-Morse 50 H.P. Semi-Diesel Engine for driving pumps - not completed at the close of last year ..... Note: The total cost of this engine, installed, was $6,621.85. In the eight months of its operation the average monthly pumping cost has been reduced from $261.91 to $71.93 - a saving sufficient to pay for the plant in three years	$1,777.86
Electrical Shop: Additional apparatus selected on the mainland by the Shop Instructor and needed to promote the development of the course in Electricity	200.00
Office Equipment: Additional metal filing cases for the office of the Principal of the Manual..	200.00
Steel desks, desk chair and filing cabinets in the President's office for the use of the Assistant to the President	659.00
Tanks: For the underground storage of gasoline and kerosene placed near the shop building with the view of decreasing fire risks, preventing waste and ensuring the keeping of accurate records	333.61

474

Gas Range: Installed as an auxiliary at the Preparatory for emergency use, including laying of pipe from Kalihi Road ..... $ 168.50

Washing Machine and Ironer: Installed in the Laundry, and auxiliary gas stove installed in the Kitchen, of the Girls' School, including extension of gas conductors to the Dispensary on the second floor 582.20

Domestic Science Laboratory: Installed in the basement of the Main Building of the Girls' School equipped for class instruction, with individual cooking facilities a/c 463.70
Note: This inovation is in line with recommendations made by the Federal School Survey Commission. Installation not complete at close of year.

Furniture: For the new cottage just completed as above 343.85

Grounds: The expenditure under this head, amounting to $692.26, represents the cost of reconstructing the fence on the King Street front, and repairing that on the Waipilopilo Road front, of the Girls' School grounds ($541.26) and the laying of concrete walks to Cottages K and L - the latter being the new cottage above mentioned ($151.00).

Summer Shop Course: The third session held since the inaguration of the Summer School Shop Course opened on June 28, 1920 and closed on the 30th of July following. Certificates were issued to 29 boys completing the course of five weeks.

The fourth session opened on Monday, June 27, 1921, with 31 students enrolled, embracing courses in Woodworking, Machine Shop Practice and Electricity. There were no applicants for the Forge Shop.

The Trustees have this year extended the course to the Girls' School, where summer classes have been opened in Sewing and Cooking. Ten girls are enrolled for the former and nine in the latter class.

A Senior Division: Is to be inaugurated at Kamahameha beginning September 1921, instruction in which will be on a co-educational basis.

Pupils: The regular term of the Schools opened on Monday, September 13, 1920, with a capacity enrollment, and a waiting list, and closed June 9, 1921.

Full scholarships were awarded during the year to 38 pupils - 18 at the Manual, 15 at the Preparatory, and 5 at the School for Girls, representing a charge of $2,235.00.

Diplomas to the number of 52 were awarded as follows:

	Pupils	
Manual Department, B/s		
Machine Shop	16	
Electrical Shop	14	30
Girls' School		
English Branches	16	
Domestic Science	3	
Dressmaking	3	22

Eight pupils in the Preparatory Department of the School for Boys qualified for promotion to the Manual.

Administration: In order to relieve the President of some of the numerous details of his office, the Trustees have created the position of "Assistant to the President" and have appointed to this important post, Mr. John E. Carpenter, of Berkeley, California, formerly head of the Department of Vocational Education at the Southern Branch of the University of California. Mr. Carpenter, sho has already arrived, will give particular attention to the educational activities of the Schools, and perform the functions contemplated by the report of the Federal School Survey Commission relative to vocational guidance.

Details as to the educational results accomplished at the Schools during the past year will be fully covered by the President's report to be filed herewith.

Respectfully submitted,

H. O. Smith

AGREEMENTS

With

TERRITORY OF HAWAII

By which the Territory quitclaims to the Bishop Estate a lot of 84/100 acre in Kulaikahonu, South Hilo, Hawaii, being part of Apana 1, L.C.A. 10474, R.P. 4490 to N. Namauu, erroneously conveyed by the Territory to Anakalea Kaainoni as part of Lot 4, Kaupakuea Homesteads by Land Patent (Grant) 6524,

Date of Deed : July 14, 1920,
Recorded in : Liber 553, pp 271 et seq.
Consideration: $1.00

YOUNG MEN'S CHRISTIAN ASSOCIATION

By which the Bishop Estate quit-claims all interest in 15,291 square feet of land situate on the Ewa side of Fort Street between Kukui and Vineyard Streets, Honolulu - part of Part 3a, Apana 6, L.C.A. 7712, R.P. 4484 to M. Kekuanaoa for Victoria Kamamalu of the land of Kaakaukukui and of Part 1, Apana 13, L.C.A. 10806 to Kamehameha III of the land of Peleula,

Date of Deed : May 27, 1921,
Consideration: $1.00
Note: This was the case of an overlap in which the lot concerned had not been inventoried nor claimed as Bishop Estate property, and the quit-claim was issued by request merely to perfect the paper title of the present owners.

AT CHAMBERS IN EQUITY.

IN THE MATTER OF THE TRUST ESTATE OF BERNICE PAUAHI BISHOP, DECEASED | TRUSTEES' 36TH ANNUAL ACCOUNT.

MASTER'S REPORT

TO THE HONORABLE J T DeBOLT,

Second Judge of the Circuit Court of the First Judicial Circuit, T.H. presiding at Chambers In Equity:

The undersigned, Arthur E Restarick, appointed August 5, 1921, as master to examine and report on the 36th Annual Report and Account of the Trustees of the Bernice Pauahi Bishop Estate, filed in this Court August 4, 1921, and covering the fiscal period from July 1, 1920, to June 30, 1921, inclusive, respectfully reports:

That W. O. Smith, A. F. Judd and E. F. Bishop, by whom said 36th Annual Accounts were subscribed and sworn to, presented and filed, are three of the duly appointed, qualified and acting Trustees of the Estate of the said Bernice P Bishop, deceased, qualified to perform said duties;
