I hereby certify that I have on this 5TH day of AUGUST 1971 photographed the documents appearing on this roll of film, that they are true copies of the documents found in the record file described above, and that the integrity of the above described record file has been maintained on the film by microfilming each document in the exact order in which it was found in the file, with the exception, if any, of documents omitted because of technical difficulties and/or by error, as indicated on the film in the crossreference notes or retake certificates.

It is further certified that the microphotographic processes were accomplished in a manner and on film which meets with requirements of the National Bureau of Standards for permanent microphotographic copy.
