My dear Mrs Dominis

Your kind note of July 12th came duly to hand the inclosed letters were forwarded immediately to the Children and they have all expressed their delight -

Willis plan to pay you a visit was one of his own making and I am afraid he will not be able to carry it out - I have nothing new to say to you Cap Gunn is here and as yet has no business - We have quite a number of Islanders here among them David as natural as life - I am glad Cap Waterman is with you for his sake - Give my best regards to him and all friends - I saw Mrs Whitney a few days since she wished to be remembered to you and spoke of seeing Lydia - Mr & Mrs Macke and Mr Whitney are here and speak often of you

I have nothing new to say to you about my affairs I think daylight is pretty clear. –

Mr Sullivans bill came in some time since and went forward for collection to Brown & Co. – do not hesitate to call upon me for anything you may wish.

Truly Yours

W. A. Aldrich
