A charge of $45.00 for another stand is made, I do not know of two having been sent to the Mausoleum.

San Francisco, April 2nd., 1891.

To the Hon. Samuel Parker,

Prime Minister,

Hawaiian Kingdom.

Dear sir:-

Pardon me for thus addressing you : At the time of the death of the late lamented King Kalakaua, I was called to the Palace Hotel to embalm and prepare his remains.

Dr. Woods of the Navy asked me what I charged and I replied that I received from $100 to $1000. He said something to the effect " that they had very little money etc. ", to which I stated that that did not make any difference, I would do the work and take the chances of being renumerated.

After doing the work I went to see Mr. Mc. Kingley (who was not as courteous as he might have been) and told him that $500 would be a reasonable charge. He said that he would pay me $150 and not a cent more and remarked, (in a way that suggested that he owned the Kingdom), " you will not get another cent ".

Under pressure I took his check for that amount and gave him a receipt, intending to apply to the proper authorities for the $350. Mr.Geo. Nagle kindly suggested that I communicate with you.

Sir,

In answer to your letter of invitation addressed to the Portuguese Benevolent Society of Santo Antonio, to attend the Funeral Procession of His late Majesty Kalakaua.

The undersigned has the honor to inform you, that our Society of St Antonio, gratefully accepts your kind invitation, and the place of its precedency, and in duty bound, will certainly participate in those last sorrowful rites, every Hawaiian Citizen owes in a measure, to the sacred memory of our lamented and ever beloved King Kalakaua.

As to the exact number, that our Society, may be able to present, on that saddest of occasion, the undersigned begs leave to say, that it is an impossibility to name the number, that will participate in the procession, since the most part of its members, are pretty well dispersed all over these Islands. However, according to our nearest estimate, we may muster, perhaps, from 75 to 100 members.

Meanwhile, I remain, dear Sir,

I have the honor to acknowledge receipt of yours of yesterday, wherein you inclosed two copies of the proposed order of procession at the funeral of His Late Majesty, stated that a place in said procession had been allotted to Honolulu Commandery of Knights Templars, and requested information as to the number of Knights who would will probably participate, &c.

In reply I have the further honor to state that owing in part to the paucity of our numbers, and in part to the fact that many of our members are engaged for that occasion as officers of other Masonic bodies, it is not likely that said Commandery as such, shall not take a place in the procession.
