Fayal, Azores Isl.ds, the 12th june 1879.

Respectuous Gentleman,
Minister of the Foreign Affair of the
Hawaiian Kingdom.

Nº 4

As soon as I received from the Ministery, at present under the worthy care of Your Excellence, the official Note dated of the 13th. of may of the last year, acompanying my nomination for His Hawaiian Magesty's Consul at this Island of Fayal, I directed this patent to the Respectuous Minister of the Foreign Affairs of this Portuguese Kingdom, in order to obtain the Royal Exequatur.

But receiving just now an advice that, for being made such a concession, it is necessary that Your Excellence would solicitate it directly, I come on the most profound respect, begging from you the grace of addressing with the greatest opportunity one note to the same Minister of the Foreign Affairs at Portugal, imparting to him the notice of my having been agraced by His Hawaiian Magesty with the nomination of His Consul at this Island, praying to afford to me the undispensable Exequatur, so as I might be invested on the pratica of this charge, and Your Excellence, as it may be seen convenient in your high intelligence, can send me such a solicitation for running its destiny.

I have been aboarded by a great many persons, to whom arrived the notice of writing the Hawaiian Government to promote the emigration of countrymen to the Sandwich Islands, saying to be resolved to depart till there, if they might aggree the conditions of the respective contracts.

I am sure that a considerable part of these ones should already be there, if had been sent to me, in proper occasion, the due instructions either respectively to the said contracts, or to the way and person by whom shall be furnished the sums, to encounter the expenses of trasportation and freight of vessels, and all those respecting to it. Et for that reason I consider to be of the greatest importance upon the interest of the progress and prosperity of Hawaiian Islands, that Your Excellence, under the possible urgency, may communicate to me in due a sense, the due order, which I hope anxiously intending to give them a ready and faithful accomplishment.

That God take Your Excellence under His Guard.
